This Agreement Made and entered into at White Cloud, Newaygo County, Michigan, dated July 1, 2005, by and between White Cloud Public Schools of Newaygo County, (hereinafter called the "School") and the Retail Wholesale and Department Store Union, Local 386, (hereinafter called the "Union").

ARTICLE 1 Recognition

This school agrees to recognize the Union as the sole collective bargaining agency for all the Custodians, Mechanics, Bus Drivers & Bus Aids employed at the White Cloud Public Schools, but excluding substitutes, all other employees and supervisors.

- A. Each bargaining unit member shall, as a condition of employment on or before 30 days from the date of attainment of seniority status or the effective date of this agreement, whichever is later, join the Union, or pay a service fee determined by the Union. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such service fee directly to the Union or authorize payment through payroll deduction, the School shall, pursuant to MCL 408.477; MSA 17277(7) and at the request of the union deduct the service fee from the bargaining unit member's wages and remit same to the Union. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Monies so deducted shall be remitted to the Union, or its designee, not later than 30 days following deduction.
1. Prior to any deduction of service fees, bargaining unit members who object to the composition of the service fees, shall have the right to fully process any such objection (including appeals) before the Union shall request the deduction. The Union will provide all bargaining unit members with the following:
 - a) Advance justification of service fee calculation.
 - b) A prompt, impartial and legally adequate internal procedure for resolution of service fee disputes.
 - c) Escrow of reasonably disputed amounts.
 2. The deduction procedure in all cases where authorization has not been made shall be as follows:
 - a) The Union shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said

notice shall detail the non-compliance and shall provide ten (10) days for compliance and shall further advise the recipient that a request for wage deduction may be filed with the School in the event compliance is not effected.

- b) If the bargaining unit member fails to comply, the Union may file a formal request with the School to deduct the service fee from the bargaining unit member's wages. The Union shall forward a notice of this request to the bargaining unit member and shall file a proof of service with the School.
 - c) The School, only upon receipt of said request for deduction, shall conduct a due process hearing on said request.
3. The Union agrees to assume the legal defense of any suit or action brought against the School (including each School Board member) regarding this Article of the collective bargaining agreement. The Union further agrees to indemnify the School for any costs including back pay, or damages which may be assessed against the School as the result of said suit or action.

ARTICLE 3 Management Rights

The management of the School and the direction of the working forces, including the right to plan, direct and control school operation; to hire, suspend or discharge for cause; to train employees; to transfer; to relieve employees from duty because of lack of work; and the right to introduce new or improved methods or facilities, are vested exclusively in the School, provided these rights shall not be used for the purpose of discrimination, and that they are subject to the seniority rules, grievance procedure, and other provisions of this Agreement, as the same are herein set forth.

ARTICLE 4 Seniority

- A. Any new employee will be considered to be a probationary employee until he or she has been regularly (non-substitute) employed for ninety (90) calendar days, and during the probationary period he/she will not be entitled to any seniority. At the end of the probationary period, each new employee will be entered on the seniority list as of the date of his/her regular (non-substitute) employment at the White Cloud Public Schools. Substitutes are not eligible for seniority regardless of length of service as a substitute. During the probationary period, the employer may suspend, transfer, or discharge the new employee for any reason whatsoever and no claim will be made by the Union that the action was improper.
- B. Seniority, as that term is used in this agreement, shall be computed from the

date of employment with the School. The school agrees to furnish the union with a seniority list by October 1 of each school year and when a new hire attains seniority status. Within 21 days of the October 1 posting of the seniority list, employees shall object to any perceived errors in the list; thereafter the list shall be considered final and conclusive. Identical hiring dates will be entered alphabetically.

- C. In case of layoff, recall from layoff, job bidding, special assignments or promotion, the principle of seniority shall prevail, provided the employee is qualified to perform the duties of the position.
- D. All notices of recall shall be by certified mail. As for employees in a layoff status, the failure of any employee to inform the School of his or her availability to return to work within five (5) working days after receiving such notice shall be deemed a waiver of any rights under this Agreement.
- E. Special Trips: Bus Drivers Only.
 - 1. Drivers willing to make special trips will be listed in order of seniority.
 - 2. Trip assignments will start at the top of the list and rotate in order.
 - 3. Drivers refusing or unable to make their trip shall be bypassed until the next regular rotation.
 - 4. No trading of trips shall be made.
 - 5. Special trips may be offered to drivers who would be required to miss their basic daily run.
 - 6. Each team sport (including varsity) shall be posted for a "seasonal bid". During that time the driver who is awarded the bid may not bid on other trips, except as provided below. Any driver shall be entitled to one such "seasonal bid" per school year, except that if there are no other bidders on subsequent seasonal posting, the driver may bid on such posting. A driver may bid on and be awarded a second seasonal bid during the same sport season, provided that all other qualified drivers who bid on the posting have already been awarded one seasonal bid, and that the driver bidding on and being awarded a second seasonal bid is the highest seniority driver of the drivers bidding. If there may reasonable be a conflict between dates, times and duration of trips related to the two concurrent seasonal bids, the drivers must drive the trip run on his/her original seasonal bid, regardless of the distance and/or duration of each trip. No such trip shall reasonably result in a driver exceeding forty (40) hours of work in a week.
 - 7. Special trips shall be driven by seniority school bus drivers who indicate their desire to take such trips by signing a sheet posted for that purpose. Assignments shall be made according to above paragraphs 1, 2, 3 and 4. Sheets posted for summer special trips shall be posted at the end of the school year.
 - 8. It shall be at the sole discretion of management to utilize employees for special trips, which may result in the payment of overtime to those

employees.

9. Transportation of students for purpose of extra activities in a vehicle and all non student related trips will stay in rotation within the bus drivers.

F. There shall be four (4) departments for seniority purposes: Custodians, Mechanics, Bus Drivers & Bus Aids.

1. Seniority shall not be transferable between departments. Employees who voluntarily elect to transfer to another department shall retain accumulated seniority in their former department until seniority in the new department becomes equal in length.
2. Employees whose regular work schedule in either or both departments consists of forty (40) hours or more per week shall be considered full-time employees. Employees whose work schedule is less than 31 hours per week shall be considered part-time employees. The status of employees whose regularly scheduled hours of work exceed thirty (30) but less than forty (40) will be decided by mutual agreement between the union and the school.
3. In the case of vacancies due to the termination of employees or the addition of jobs, such openings shall be posted for bid and the most senior employee applying from that department shall be awarded the job, if all other factors are relatively equal.
4. All vacancies, including those, which occur due to the bidding procedure, shall be posted for three (3) working days.
5. Posted job openings shall be assigned to the winning bidder within one (1) week after the end of the posting period.
6. In the event of route revisions and/or realignments, during the regular school year (not including summer routes) such route shall be retained by the school bus driver who previously drove the greater part of the route. A driver who loses his/her route assignment because of this procedure may "bump" the lowest seniority driver.
7. As it becomes necessary to assign a bus driver to a route due to the formation of new routes, or due to the termination of a driver, such route openings shall be posted for bid, and among those applying, the most senior employee shall be assigned to the route.

G. Seniority and the relationship of employer and employee shall be considered broken and terminated when any of the following circumstances arise:

1. An employee voluntarily quits the school employment.
2. An employee is discharged for just cause.
3. An employee is absent for three (3) consecutive working days without notifying his immediate supervisor, unless it is physically impossible for him to do so..
4. An employee who has been laid-off because of lack of work fails to report within a period of five (5) working days after notification is mailed to

him/her or he/she is called at his last address of record as given by the employee to the School; provided however, that if said failure to report was excusable for reasons satisfactory to the School, such person shall lose only the immediate employment offered and shall retain his seniority.

5. An employee fails to report for work at the termination of a leave of absence.
6. An employee is not on the payroll for a period of one (1) year or a period equal to this length of service, whichever is shorter, for any reason other than sickness, unless on an approved leave of absence.

- H. The Union, School and employee shall cooperate when making determinations as to a reasonable accommodation without imposing an undue hardship for the disabled employee as defined under the Americans With Disabilities Act. The employee's request for an accommodation must be provided within fifteen (15) day's notice of the need for an accommodation accompanied by a physician's statement confirming the need for an accommodation. A reasonable accommodation may include, but not be limited to job restructuring, modified work schedule, reassignment and acquisition of equipment or devices provided that such accommodation would not fundamentally alter the essential functions of the job.

The willful failure of either party to appear before the arbitrator in arbitration proceedings will not serve to invalidate such proceedings, nor will the willful failure of either party to present its case at the time of the hearing serve to delay the hearing or invalidate the decision of the arbitrator. The arbitrator shall have no authority to rule on the discharge or discipline of a probationary employee.
