ARTICLE 1 - AGREEMENT

1.1: This Agreement, entered into this 27th day of January, 2009, between the Charter Township of Canton, (hereinafter referred to as the "EMPLOYER" or the "TOWNSHIP") and the Police Officers Association of Michigan - POAM, (hereinafter referred to as the "UNION")

ARTICLE 2 - PURPOSE AND INTENT

2.1: The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the citizens of Canton Township, the Employer, the Employees and the Union; and to provide an orderly, fair and equitable means of resolving differences between the parties.

2.2: The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community.

2.3: To these ends, the Employer and the Union encourage, to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 3 - RECOGNITION

3.1: The Employer recognizes the Police Officers Association of Michigan as the exclusive bargaining representative for full-time, non-supervisory police officers below the rank of sergeant, animal control officers, cadets, and public safety service officers for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement.

ARTICLE 4 - UNION SECURITY

4.1: Employees covered by this Agreement at the time it becomes effective, and who are members of the Union at the time, shall be required as a condition of continued employment to either continue membership in the Union for the duration of this Agreement or pay a service fee equal to the regular monthly dues for the duration of this Agreement.

4.2: Employees covered by this Agreement, who are not members of the Union at the time it becomes effective, shall be required as a condition of continued employment to either become members of the Union or pay a service fee equal to the regular monthly dues for the duration

**CHARTER TOWNSHIP OF CANTON/POAM
EFFECTIVE July 1, 2008 to JUNE 30, 2011**

of this Agreement, on or before the tenth (10th) day after the thirtieth (30th) day following such effective date.

4.3: Employees hired, rehired, reinstated, or transferred into the bargaining unit and covered by this Agreement shall be required as a condition of continued employment to either become members of the Union or pay a service fee equal to the regular monthly dues for the duration of this Agreement, on or before the tenth (10th) day following the thirtieth (30th) day following the beginning of their employment in the unit.

4.4: An employee who shall tender the periodic dues or service fee shall be deemed to meet the conditions of this Article.

4.5: Employees shall be deemed to be in compliance with this Article if they are not more than forty (40) days in arrears in payment of membership dues or service fees.

4.6: The Employer shall be notified, in writing, by the Union, of any employee who is sixty (60) days in arrears in payment of membership dues or service fees. In this notification, the Union shall request that the employee be terminated by the Employer. The Employer will then notify that employee in writing within seven (7) days, stating that if the employee does not pay the amount in arrears, within fourteen (14) days from the date notice is sent to the employee, the employee will be discharged upon the expiration of the fourteen (14) day period. This discharge shall not be subject to the grievance procedure set forth in this Collective Bargaining Agreement. This section shall apply only to employees on the active payroll.

**ARTICLE 5 - CHECK-OFF OF UNION DUES AND SERVICE - FEES - EMPLOYEES
AUTHORIZATION, REVOCATION**

5.1: The Employer will deduct from the pay of each employee covered by this Agreement, membership dues or service fees, provided that at the time of such deduction there is in the possession of the Employer a written assignment executed by the employee.

5.2: The form shall include the following language:

This assignment shall become effective upon receipt by the Township in accordance with its terms and shall remain in effect for the duration of this Collective Bargaining Agreement; provided, however, that any employee shall have the right to revoke his assignment by written notice, signed by him, and received by the Employer by registered mail not more than five (5) days prior to the stated expiration date of this Agreement.

5.3: The Employer will deduct current membership dues and service fees, and assessments which are a uniform requirement of all employees. The deduction shall be made from the employee's pay in a calendar month. If the employee has no pay coming for such pay period,

**CHARTER TOWNSHIP OF CANTON/POAM
EFFECTIVE July 1, 2008 to JUNE 30, 2011**

such dues shall be deducted from his pay in subsequent pay periods in such calendar month.

5.4: The Employer will deduct from the pay of the employees in any month, only the Union membership dues or service fees becoming due and payable in the month.

5.5: All such sums deducted shall be remitted to the financial secretary of the Union not later than the last day of the calendar month in which such are made.

5.6: The Union will notify the Employer in writing of any changes of dues or service fees thirty (30) days prior to the effective date of such changes.

5.7: The Union agrees to save and hold harmless the Employer from any damages resulting from the enforcement of the provisions of this Article. In the event any action or claims are commenced against the Township to recover such sums deducted under this Article, the Union shall reimburse the Township for any amounts deducted from any employee's pay and paid to the Union by the Township that the Township is subsequently required to repay to the employee.

ARTICLE 6 - PAYROLL DEDUCTION

6.1: The Township shall take the necessary steps to allow, at the employee's request, and to the extent that the law permits, deductions to be made from paychecks for credit union deposits, such credit union deposits may be at the Community Federal and/or Public Service Credit Unions.

6.2: The Township will consider township wide payroll savings bonds deductions for all employees subject to the following understanding:

- A. Employees signing up for such deductions to do so with the understanding that the deduction authorization will be in effect for one (1) year;
- B. There must be at least fifty (50%) percent or more of employees township wide signing up for such deductions.

ARTICLE 7- REPRESENTATION

7.1: Bargaining Committee The employees shall be represented by a bargaining committee of not more than four (4) members. Members of the bargaining committee may negotiate during duty hours, and shall be permitted to negotiate without loss of pay. This committee shall be selected in any manner determined by the Union. A POAM representative shall be chairman and spokesman of such committee.

**CHARTER TOWNSHIP OF CANTON/POAM
EFFECTIVE July 1, 2008 to JUNE 30, 2011**

7.2: This bargaining committee shall be charged with the duty of negotiating contracts. It is understood that members of the committee may, during collective bargaining, need to trade days and/or shifts with other employees, provided approval is first secured from the Public Safety Director or his designated representative. Permission will not be unreasonably withheld, but in no event shall more than one (1) Officer be permitted to leave the same shift.

7.3: If a new representation area is established or a department expands so as to warrant additional representatives, the question shall be subject to negotiation.

7.4: Compensating Union Representatives The Township shall recognize a grievance committee consisting of not more than three (3) members. Grievance committee members in the performance of grievance duties will be permitted to leave their assigned work, at reasonable times and with prior approval from the Public Safety Director or his designated representative, and will be compensated at their regular pay for the hours worked during their regular shift. Permission for the grievance committee member to leave his assigned work will not be unreasonably withheld, but in no event shall more than one (1) officer be permitted to leave the same shift.

7.5: Notification to Employer of Union Representatives The Union will notify the Employer in writing of the names and titles of their representatives. No representatives will be permitted to act as such until the Employer is advised that the person has become a representative.

7.6: Investigations by the Grievance Committee It is recognized that a member of the Grievance Committee may exercise his right to investigate grievances after receiving permission to do so from the Public Safety Director or his designated representative, and after appropriate arrangements have been made to relieve them from their jobs. Permission to do so will not be unduly withheld. This right must be exercised with reasonableness.

7.7: Visits by Union Representatives The Employer agrees that, subject to the discretion of the Public Safety Director or his designate, not more than two (2) Union representatives shall have access to department premises to conduct Union business with effected employees. Permission to do so will not be unreasonably withheld.

**CHARTER TOWNSHIP OF CANTON/POAM
EFFECTIVE July 1, 2008 to JUNE 30, 2011**

7.8: Special Conferences Special conferences for matters other than grievances will be arranged between the Police Officers Association of Canton chairperson and/or POAM and the Employer, or its designated representatives, upon the request of either party. Such meetings will be between the representatives of the Employer and only three (3) representatives of the Union. No more than one (1) Union representative shall attend a meeting during his duty hours, and he shall be permitted to attend without loss of pay. The other union representatives shall attend on their own time and will not be paid for attending such meetings by the Employer. It is understood that Union representatives may, in order to attend such meetings, need to trade days and/or shifts with other employees, provided approval is first secured from the Public Safety Director or his designated representative. Arrangements for such special conferences shall be made in advance and a written agenda of the matter to be taken up at the meeting shall be presented at the time the conference is requested in writing. Matters taken up at special conferences shall be held at a time mutually agreeable to the parties. This meeting may be attended by representatives of POAM.

7.9: No Discrimination Against Employees The Township agrees that there shall be no discrimination against any employee because of his membership in the Union or because of his acting as an officer or in any other capacity on behalf of the Union.

7.10 Guarantee of Rights The Employer agrees that they shall not discriminate against any employee because of age, sex, marital status, race, nationality, religious or political beliefs and activity or for union activity, and that each employee shall receive equal and fair treatment.

7.11: Any employee called before a supervisor or an official of the Township where discipline may result has a right to have a Union representative present, except when an employee is called before a supervisor for the sole purpose of discussing his performance evaluation. Contents of this discussion may not be used in any disciplinary matter. The Employer will give the employee reasonable time to make arrangements to have the Union representative made available. The Union representative will only be paid if he is called and represents an employee during the Union representative's regular duty time.

ARTICLE 8 - UNION ACTIVITIES

8.1: Employees and their Union representatives shall have the right to join the Union, to engage in lawful concerted activities for the purpose of collective bargaining or negotiations, or other mutual aid and protection, to express or communicate any views, grievances, complaints or opinions related to the conditions of public employment or betterment of police officers all free from any and all restraint, interference, coercion, discrimination, or reprisal, and so long as the same is not designed to and does not interfere with the full, faithful and proper performance of the duties of employment.

**CHARTER TOWNSHIP OF CANTON/POAM
EFFECTIVE July 1, 2008 to JUNE 30, 2011**

8.2: Officers and other representatives of the Union shall be afforded a reasonable time during the regular working hours, without loss of pay, to fulfill their Union responsibilities, including the processing of grievances and administration and enforcement of this Agreement. These employees shall not receive any overtime or compensatory time for such activities. Arrangements for taking such time will be made with the Public Safety Director or his designated representative. A request for such activities will not be unreasonably withheld taking into consideration the efficiency of the department.

8.3: Union Bulletin Board

- A. The Employer agrees to provide the Union with a union bulletin board in each Township police station. The bulletin board shall be used only for the following notices:
 - 1. Recreational and social events of the Union;
 - 2. Union meetings;
 - 3. Union elections;
 - 4. Reports of Union committees;
 - 5. Rulings or policies of the Union.
- B. The policing of the Union bulletin boards is an obligation of the Union
- C. Any material posted on the bulletin boards and authorized by the Union to be posted which contains anything political, or in poor taste, or anything reflecting upon the Employer, any of its employees, or any labor organizations among its employees, shall be in violation of this Article and shall entitle the Employer to request the Union to remove such material and the Union shall remove such material. Any disagreement shall be subject to the grievance procedure.

8.4: The Union may schedule meetings on Township property, insofar as such meetings are not disruptive of the duties of the employees or the efficient operation of the department. Sufficient notice of such meetings must be given to the Public Safety Director or his designated representative. The Public Safety Director or his designated representative shall have the discretion to designate the location of the meeting.

**CHARTER TOWNSHIP OF CANTON/POAM
EFFECTIVE July 1, 2008 to JUNE 30, 2011**

8.5: Officers of the Union or their representatives shall be allowed to attend, with no pay, the POAM State Union Convention for not more than twenty-four (24) scheduled work hours, provided sufficient notice of at least thirty (30) calendar days is given to the Public Safety Director or his designated representative so that replacements may be scheduled. Delegates to this convention may use PTO, and/or excused sick days to attend this convention, it being understood that not more than four (4) delegates will utilize this leave provision. It being further understood that delegates may "trade" days to attend such activities provided the Public Safety Director or his designated representative is notified forty-eight (48) hours in advance that the delegate is trading off with an equally qualified employee.

ARTICLE 9 - AID TO OTHER UNIONS

9.1: The Township shall not enter into any agreement with its employees individually or collectively or with any other organization which in any way conflicts with the provisions hereof.

9.2: Employees may belong to other organizations, but not as a condition of employment with the Township, nor may such other organization represent any employee with respect to wages, hours, or conditions of employment or in derogation of the exclusive bargaining agency of the Union.

ARTICLE 10 - MANAGEMENT RIGHTS

10.1: Nothing in this Agreement shall be construed as delegating to others the authority conferred by law on the Employer, or in any way abridging or reducing such authority.

10.2: The management's rights such as, but not limited to, establishing, maintaining, and enforcing reasonable work rules, scheduling of work, directing and selecting the work force, maintaining efficiency, determining reasonable hours of work, making work assignments, classifying positions, discharging or disciplining for just cause, laying employees off for lack of work or lack of funds, and taking any necessary actions in emergency situations, are recognized by the Union.

10.3: The management's right to use reserves pursuant to the currently existing department policy is recognized.

- A. The Employer will continue the practice of augmentation vs. replacement in the operation of the Police Reserve Program.
- B. The Employer will continue to practice of not allowing a Reserve Officer to operate independent of a regular sworn Officer. Specifically, a Reserve Officer that meets the department's qualifications as a bicycle officer, will operate under the immediate supervision of a regular sworn assigned bicycle officer.

**CHARTER TOWNSHIP OF CANTON/POAM
EFFECTIVE July 1, 2008 to JUNE 30, 2011**

- C. The Employer will continue its past practice of not factoring in Reserve Officers for staffing level purposes during the normal course of duty or on any specialized details or assignments.
- D. The Employer agrees to provide a designation on the uniform delineating a Reserve Officer from that of a regular sworn Officer. This will be consistent with CALEA established standards.
- E. The Employer will not utilize police reserves outside their present scope of duties without negotiation with the Police Officers Association of Canton (POAM).

10.4: Any disciplinary action will be taken for just cause and such action is subject to the grievance procedure herein set forth. In the exercise of its right to impose discipline, the Employer will abide by the principles of "corrective action" and "progressive punishment" in ordinary cases of discipline. However, it is recognized that the nature of the offense affects the severity of the penalty issued and that these principles need not be followed in cases of serious misconduct, such as, but not limited to, theft, insubordination, intoxication on duty. Any contemplated disciplinary action must be taken within a reasonable time after the occurrence of the alleged violation or knowledge thereof. Any disciplinary action will be in writing to the employee at the time of discipline and a copy will be sent to the local Union President as soon as possible.

ARTICLE 11 - GRIEVANCE PROCEDURE

11.1: The following procedure will be used to adjust, settle and dispose of employee complaints.

11.2: Step I Any employee who feels aggrieved shall present his grievance within thirty (30) calendar days of its occurrence, or knowledge thereof, to his immediate supervisor or he may request his steward. In such event, the supervisor will get the steward without unreasonable delay. If discussion between the employee, steward, and the employee's immediate supervisor fails to settle the matter, it will then be reduced to writing and presented to the employee's immediate supervisor for his written, dated, signed disposition. The supervisor will acknowledge receipt of the grievance by signing for it. This disposition must be returned within four (4) scheduled working days of receipt of the written grievance.

11.3: Step II If the immediate supervisor's answer is not satisfactory, the grievance may be presented to the Public Safety Director or his designated representative within four (4) scheduled working days after the immediate supervisor's answer is due. The Public Safety Director or his designated representative shall within five (5) scheduled working days meet and discuss the grievance with the steward and/or the aggrieved employee. Within five (5) scheduled working days after such meeting, the Public Safety Director or his designated representative shall answer the grievance in writing to the steward.

**CHARTER TOWNSHIP OF CANTON/POAM
EFFECTIVE July 1, 2008 to JUNE 30, 2011**

11.4: Step III If after reviewing the grievance the union feels the answer is not satisfactory, it may within fifteen (15) scheduled working days after the answer is due, and by written notice to the other party, request arbitration. Should the parties fail to agree upon an impartial arbitrator, then within a reasonable period of time, not more than ten (10) scheduled working days after the end of said period, a request for a list of arbitrators will be made to the Federal Mediation and Conciliation Service - (FMCS), the Michigan Employment Relations Commission - (MERC), or the American Arbitration Association - (AAA) by the Union. The parties will be bound by the rules and procedures of the arbitration service selected in the selection of the arbitrator, except that if the FMCS is selected, each party will alternately strike a name from the panel of seven (7) arbitrators until one remains. Either party may then strike the remaining name, and the Union shall then request the FMCS to designate a second panel of seven (7) arbitrators. Each party will alternately strike a name from the second panel until one (1) remains. That person shall be chosen to arbitrate the grievance. Nothing shall preclude the parties from attempting to settle this dispute after request for arbitration has been made.

11.5: The arbitrator so selected will hear the matter promptly and will issue his decision no later than thirty (30) days from the date of the close of the hearings. The arbitrator's decision will be in writing and will set forth his findings of facts, reasoning and conclusions on the issue submitted.

11.6: The power of the arbitrator stems from this Agreement, and his function is to interpret and apply this Agreement and to pass upon alleged violations thereof. He shall have no power to add to, subtract from, or modify any terms of this Agreement. The decision of the arbitrator shall be final and binding upon the Employer, the Union and the grievant.

11.7: The costs for the arbitrator's services, including his expenses, shall be borne equally by the parties. Each party shall pay for its own expense.

11.8: When used in this Article, the terms "working days" and "Scheduled working days" mean the Township's regularly scheduled Monday through Friday business days, excluding any holidays observed by the Township.

11.9: No claims, including claims for back wages, by an employee covered by this Agreement or by the Union against the Township shall be valid for a period of more than seven (7) working days (Monday through Friday) prior to the date the grievance was first discussed (Step I), unless the circumstances of the case were unknown by the employee or the Union, as the case may be, and that he, or the Union, had grounds for such claim prior to the discussion in which case the claim shall be limited retroactively to a period not to exceed fourteen (14) calendar days prior to the date the employee, or the Union, first processed the grievance.

11.10: Time limits between the various steps may be waived and/or extended by mutual written agreement. If either party fails to comply with the time limits herein the grievance will be considered settled in favor of the last moving party, without precedent.

11.11: Both the Township and the Union may initiate and process grievances and either party, with the Agreement of the other party, may adjust any grievance.

ARTICLE 12 - DISCHARGE AND DISCIPLINE

12.1: This Article does not pertain to probationary employees. It is agreed that the maintenance of fair discipline is essential to the satisfactory operation of this department. The Employer agrees that in carrying out this function, no one will be disciplined except for just cause.

12.2 Type of Discipline

Disciplinary Actions shall include only the following:

- (a) Written reprimands (excludes written directions from a department supervisor)
- (b) Suspension
- (c) Discharge

In imposing a disciplinary penalty on a current charge, the Employer shall not take into account any prior infraction which occurred more than five (5) years previously in assessing penalties. Such disciplines shall be removed from the employee's personnel file after five (5) years. Minor offenses shall be removed from the employee's personnel file after two (2) years. The Director Public Safety shall indicate on all disciplinary actions taken whether such offense is a minor or major infraction of Rules & Regulations.

A sustained charge with no action taken shall not be kept as part of the employee's personnel file in Human Resources and shall not be considered in evaluating an employee for department assignments.

A sustained charge with no action taken shall be treated the same as a written reprimand for the purpose of progressive discipline. Expiration of such discipline, for minor offenses, will be two years from the date of offense.

12.3: Disciplinary Action Procedure

- (a) When the possibility of disciplinary action is believed to exist, the employee shall be entitled to have his steward present at all stages of the disciplinary process, except that a steward shall not be called when the employee is signing for receipt of a recommendation for discipline.

**CHARTER TOWNSHIP OF CANTON/POAM
EFFECTIVE July 1, 2008 to JUNE 30, 2011**

- (b) Those charges and specifications which give cause to such discipline or discharge shall be reduced to writing by the supervisor recommending the disciplinary action to the Public Safety Director.
- (c) Such charges and specifications shall cite the specific section(s) of Departmental Rules and Regulations which the employee is alleged to have violated, and a copy will be given to the employee in writing.
- (d) Prior to the taking of any disciplinary action, the Public Safety Director shall conduct an informal disciplinary hearing. At this hearing, an explanation of the Employer's evidence will be presented. The accused employee shall be afforded an opportunity to present any evidence in his defense during this hearing.

12.4: Criminal Complaints or Charges Whenever a criminal complaint or charge is brought against an employee of the bargaining unit and such crime is an offense under state or federal law or a traffic violation involving the death or serious injury of a citizen, the following procedure shall be established for obtaining statements in connection with said complaint.

- (a) The employee shall be given a summary of the charges against him.
- (b) Before the employee is interviewed or required to make any statement, he shall be allowed the opportunity to obtain the advice of counsel and/or the union representative.
- (c) Any order to make a statement shall be a written order. A violation of which would constitute grounds for disciplinary action by the Employer.
- (d) The order and the statement shall be considered a private record and shall not be made available except under judicial subpoena to any other agent or agency without the consent of the employee.
- (e) Nothing in the foregoing procedure shall limit the right of the Employer to use such statement for disciplinary purposes.

12.5: Internal Investigation/Re-assignment The Employer may at its discretion reassign an officer to another position within the Police Department, or relieve the officer from duty with pay, during an internal investigation.

12.6: All grievances involving disciplinary matters shall be processed immediately in the third step of the grievance procedure.

**CHARTER TOWNSHIP OF CANTON/POAM
EFFECTIVE July 1, 2008 to JUNE 30, 2011**

12.7: When any disciplinary action has been taken by the Employer against the Employee, the Union shall be given a written copy of the action taken.

12.8: Upon request of the Union, the Employer shall supply a copy of the employee's disciplinary record. Resort to the grievance procedure is the only method of "due process" available to members of the bargaining unit in regard to labor agreement matters. Bargaining unit members shall have no right to appeal to the Township Merit System Commission.

12.9 Discipline Record An employee shall be allowed to review his personnel record, as such record is defined in the Bullard-Plawecki Employee Right To Know Act (MSA 17.72(1) et. seq.), by making written request to the Human Resources Manager. A representative of the Union may review the employee's personnel record if provided with written authorization from the affected employee.

ARTICLE 13 - SENIORITY

13.1: Seniority is defined as the employee's record of employment since his last date of hire with the Canton Township Police Department in a full-time permanent position.

13.2: Bargaining unit seniority is defined as the employee's time of service in the bargaining unit.

13.3: Each employee, upon completion of his probationary period, shall be placed on the seniority list. Employees having the same hire date shall appear on the seniority list in order decided by lot upon execution of this Agreement.

13.4: Seasonal, temporary, provisional, and reserve employees shall not acquire seniority.

13.5: Differences will be made between an employee's seniority in the department and his anniversary date for purposes of vacation, longevity, sick time, and other benefits. The employee's anniversary date will be the date on which he was originally hired by the Township. His seniority date in the department will be the date he was first hired or transferred into the police department in a full-time permanent position.

13.6: Loss of Seniority Seniority shall be broken and forfeited if an employee:

- A. Quits or retires.
- B. Is discharged and the discharge is not reversed through the grievance procedure.
