8/16/11 MOC³ - Sen. Khan

Sen. Khan: SEIU is concerned re: moving forward w/ funding QC³
Gent agreement to fund \$1

Nick: Exec proposed reduction - H & S concurred; Approp passed &
funding elim.

All docs support funding as elim; we would need supplemental app.
- Can't fund w/out concurre. w/ H, S, & SBO

Need to know what ~~maintains~~ happens w/ functions & take action.
\$1 m gross \$500,000 GF

Mackinac Ctr is inquiring about what's happening.

Sen. Khan: Have followed up w/ SBO? Yes
SBO: Still being addressed

Sen. Khan: polit. prob w/ House: if suppl. approp, wants to get it done.
Reluctant to do w/ supplemental

Need: (1) way to get it done w/out 1.00 det.
(2) maybe it goes from diff budget & who can we do it
with?

SEIU Marge: Saves \$ & provides good service w/ registry
- Look @ all options to fund
- Diff than the Child Care Reg.

Nick: Conversations? Sen. gave more support than House Khan, Richard Holden
House: Support - Watch - stand can get in politics & Mackinac Ctr
Lori wanted to help but got push back from Bolger

SEIU cont. --

Think S & Exec starting to support
Nick - won't pay Q3 w/out ^{1st} approval
EBO Furca - had to look at lines & where the growth was

Home Help 6.3% in H.H acct

Steve - 2/3 of NF days in Stat are pl. by MA

Data shows we've done good job in controlling growth of LTC

People at our levels will decide.
