We are working expeditiously to fill all FOIA requests and are hopeful that we can provide responsive records to you in advance of July 29.

In the interim, we would like to share information on several internet sites which contain records and helpful resources pertaining to the Flint water situation.

My main concern is that I filed a FOIA on March 30 but am not going to get the information perhaps until July 29.

Good morning Mr. Jarrett,

Thank you for reaching out. Yes, we processed your good faith deposit for FOIA 3064-16 on May 4, 2016. I show that records are due to you on or before July 29, 2016. We are on track with that timeframe, the appropriate program area has been notified of payment and we are processing requests in the order that good faith deposits are coming in.

Please do not hesitate to reach out to me with questions or concerns.

Kind regards,

Karen Edlin

Karen,
I sent this request on March 30 and sent payment on April 21. Can you tell me where we are at?
