Karen,

I saw the document dump of a lot of emails. For our request asking for emails and where employees were transferred, do you consider the request fulfilled based on that information or are we still on track for July 29?

We are working expeditiously to fill all FOIA requests and are hopeful that we can provide responsive records to you in advance of July 29.

In the interim, we would like to share information on several internet sites which contain records and helpful resources pertaining to the Flint water situation.
