STRATEGIC MARKETING & RESEARCH INSIGHTS LLC

The Michigan Strategic Fund (the "MSF") enters into a binding agreement for professional services (the "Agreement") with Strategic Marketing & Research Insights LLC ("SMAReInsights") (the "Contractor"). The MSF and Contractor shall sometimes be referred in this Agreement individually as a "Party" or collectively as "Parties".

Contractor: Strategic Marketing & Research Insights LLC

Suite 1330
Indianapolis, Indiana 46204

I. NATURE OF SERVICES

Contractor has been retained to study the effectiveness and impacts of the 2017, 2018, and 2019 Pure Michigan campaigns, individually. The resulting work will identify the return on investment (ROI) of the Pure Michigan advertising campaign after each campaign-year, and provide strategic marketing insights to guide the campaign's targeting, branding, and communication efforts. There are four key components of the research: 1) Campaign impacts on Michigan (ROI, jobs, wages, GDP), 2) Brand/advertising perception and awareness, 3) Traveler profiles and motivators and 4) Competitive assessment.

This research will serve as a guiding document for future marketing campaign efforts.

II. PERFORMANCE SCHEDULE

Starting Date: January 1, 2018
Ending Date: December 31, 2020

The term of this Agreement (the "Term") shall begin on the Starting Date and end on the Ending Date, unless terminated earlier, as permitted under Section V(J) of this Agreement.

III. COMPENSATION INFORMATION

A) The MSF agrees to pay Contractor an amount not to exceed $277,500 during the Term. This amount includes all embedded expenses.

B) Payment under this Agreement shall be made by the MSF to Contractor upon receipt and approval by the Contract Manager of Contractor's billing statement(s) stating that the work for which payment is requested has been appropriately performed. Contractor shall provide Contractor's billing statement(s) to Contract Manager or at Contract Manager's direction on a monthly basis. Contract
Manager shall provide Contractor with appropriate submission instructions of Contractor’s billing statement(s).

C) All billing statement(s) must reflect actual work done. The specific details of billing statement(s) and payments will be agreed upon between the Contract Manager and the Contractor after the Agreement has been signed and accepted by both the Contractor and the MSF.

D) Public Act 533 of 2004 requires that payments under this Agreement be processed by electronic funds transfer (EFT). Contractor is required to register to receive payments by EFT at the State Integrated Governmental Management Applications (SIGMA) Vendor Self Service (VSS) website (www.michigan.gov/VSSLogin).

E) Changes in the budget will be allowed only upon prior review and written approval by the Contract Manager.

F) Contractor’s billing statement(s) may be subject to a final audit prior to the release of final payment.

IV. MSF CONTRACT MANAGER

The Michigan Economic Development Corporation (the “MEDC”) provides administrative services to the MSF. Contractor should communicate with the following MEDC representative or designee regarding this Agreement:

Lauren Branneman (the “Contract Manager”)
Michigan Economic Development Corporation
300 North Washington Square
Lansing, Michigan 48913
brannemanl@michigan.org

V. TERMS AND CONDITIONS

A) Contractor Duties

1) Measure and track the impact of the 2017 Pure Michigan campaign. This includes not only determining the ROI from the advertising, but also identifying which elements of the campaign are strengths and where there are opportunities for improvement. This also includes analysis of the campaign’s impact on statewide jobs, wages, and GDP.

2) Assess consumers’ brand and advertising perceptions and awareness

3) The research should track overall perceptions, as well as identify how the advertising is impacting perceptions. Profile Michigan visitors and information on what motivates visitation

a) This research needs to identify who is visiting, how the profile changes
over time, and what motivates visitors. The research will also explore segments of visitors and key motivations by segment, as this provides more insight into how to target messaging and marketing.

4) **Provide information on key competitors that will help guide marketing decisions**
   a) Measurement must also consider the competitive situation. The research should provide insight into how well the campaign performs compared to key competitors, as well as in a broader industry context.

5) **Contractor**

   will process and interpret the survey data and submit a report with a narrative analysis, including:
   a) Incremental Return on Investment (ROI) – evaluation of the campaign in terms of the number of incremental trips and their spending compared to the media spend for the campaign. While the ROI measure will only use direct spending, Contractor will also measure indirect and induced spending from the campaign as a supportive piece. These spending figures will serve as a baseline for estimates of the taxes and jobs supported by the incremental visitor spending.
   b) Evaluation of the reach of the campaign and media efficiency, both overall and by media used.
   c) Evaluation of reach/efficiency by market type and individual markets where desired.
   d) Assessment of creative in terms of its ability to communicate key messages and impact interest in visiting the state.
   e) Information on how the campaign impacted the image of the state and how the impact aligned with meaningful messages/image attributes that are linked to increased visitation.
   f) A competitive profile of Michigan compared to key competitors in terms of image, familiarity and travel (competitors include Illinois, Indiana, Minnesota, Missouri, Ohio, and Wisconsin).
   g) Estimate of how the campaign impacted future potential to visit in terms of researching the destination, as well as likelihood to visit.
   h) Information about trips to the state, and what are key motivators among specific audience segments.
   i) Profile of visitors and non-visitors demographically and in terms of interests.
   j) The analysis will include comparisons to national benchmarks based on DMO advertising to provide context for Michigan in terms of evaluating the strength of its efforts.

6) **Deliverables**

   a) Contractor will provide comparative benchmarks to help assess the results – since SMARInSights has tested hundreds of DMO advertising campaigns, we
have developed national benchmarks to help destinations evaluate their efforts in a competitive context.
b) Contractor will conduct in-person presentation of results to the MEDC
c) A final report, complete with a summary of findings, methodological statement, and accompanying tables and charts.

7) All information, materials, data, reports or other items developed by Contractor under this Agreement are the sole property of the MEDC.

B) Independent Contractor

Contractor will act as an independent contractor under this Agreement, and neither Contractor nor any employee or agent or contract personnel of Contractor is, or shall be deemed to be, an employee of the MSF due to this Agreement and the relationship between Contractor and MSF. In its capacity as an independent contractor, Contractor agrees to and represents the following:

1) Contractor will provide the services under this Agreement free from the direction or control of the MSF or the MEDC as to means, manners, and methods of performance;

2) Contractor has the right and does fully intend to perform services for third parties during the Term;

3) Contractor acknowledges that any work product developed by Contractor in performance of this Agreement shall be the sole property of the MSF and the MSF shall have the right to copyright or otherwise protect its rights in and ownership of the work product;

4) The services required by this Agreement shall be performed by Contractor, or Contractor’s employees or contract personnel, and the MSF or the MEDC shall not hire, supervise, or pay any assistants to help Contractor;

5) Neither Contractor nor Contractor’s employees or contract personnel shall receive any training from the MSF or the MEDC in the professional skills necessary to perform the services required by this Agreement;

6) Neither Contractor nor Contractor’s employees or contract personnel shall be required by the MSF or the MEDC to devote full time to the performance of the services required by this Agreement; and

7) Contractor does not receive the majority of its annual compensation from the MSF or the MEDC.

The Parties acknowledge and agree that the MSF is entering into this Agreement with reliance on the representations made by Contractor relative to its independent contractor status.
C) **Permits and Licenses**

Contractor declares that Contractor has complied with all federal, state and local laws requiring any business permits, certificates or licenses required to carry out the services to be performed under this Agreement, and Contractor will maintain those permits, certificates and/or licenses throughout the Term.

D) **Materials**

Contractor will furnish all materials, equipment and supplies used to provide the services required by this Agreement.

E) **State and Federal Taxes**

The MSF and the MEDC will not:

1) Withhold FICA (Social Security and Medicare taxes) from Contractor's payments or make FICA payments on Contractor's behalf; or

2) Make state or federal unemployment compensation contributions on Contractor's behalf, or withhold state, federal or local income tax from Contractor's payments.

Contractor shall pay all taxes incurred while performing services under this Agreement, including, but not limited to all applicable income taxes. If requested by the MSF or the MEDC, Contractor shall provide proof that such payments have been made.

F) **Fringe Benefits**

Contractor understands that neither Contractor nor Contractor's employees or contract personnel are eligible to participate in any employee pension, health, vacation pay, sick pay, or other fringe benefit plan of the MSF or the MEDC.

G) **Workers' Compensation**

The MSF or the MEDC shall not obtain workers' compensation insurance on behalf of Contractor or Contractor's employees. If Contractor hires employees to perform any work under this Agreement, Contractor shall cover them with workers' compensation insurance and shall maintain such insurance during the Term. The MSF or the MEDC may, in its discretion, require Contractor to provide evidence of such coverage.

H) **Unemployment Compensation**

The MSF or the MEDC shall make no state or federal unemployment compensation
payments on behalf of Contractor or Contractor's employees or personnel. Contractor will not be entitled to these benefits in connection with work performed under this Agreement. If Contractor files a petition for and receives unemployment compensation, the total amount of unemployment compensation awarded to and received by Contractor shall be deducted from and be an offset against the amount of compensation due and payable to Contractor by the MSF under this Agreement.

I) Access to Records

During the Term, and for seven (7) years after the Ending Date, Contractor shall maintain reasonable records, including evidence that the requested services actually were performed and the identity of all individuals paid for such services, and shall allow access to those records by the MSF, the MEDC or their authorized representative at any time during this period.

J) Termination

Either Party may terminate its obligations under this Agreement by giving the other Party thirty (30) calendar days prior written notice of such termination.

The MSF may immediately terminate this Agreement upon written notice to Contractor if Contractor materially breaches its obligations under this Agreement or engages in any conduct which the MSF, in its sole discretion, determines has or could have an adverse impact on the State of Michigan's (the "State") or the MSF's reputation or interests. In addition, the MSF may immediately terminate this Agreement upon written notice to Contractor, without further liability to the MSF or the State, its departments, agencies, and employees, if Contractor, an officer of Contractor, or an owner of a 25% or greater share of Contractor is convicted of a criminal offense relating to a State, public, or private contract or subcontract; or convicted of a criminal offense including, but not limited to, any of the following: embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, attempting to influence a public employee to breach the ethical conduct standards for State employees; convicted under state or federal antitrust statutes; or convicted of any other criminal offense which, in the sole discretion of the MSF, reflects on Contractor's business integrity.

Contractor acknowledges that MSF's performance of its payment obligation is dependent upon the continued approval of funding and/or the MSF's continued receipt of State funding. In the event that the State Legislature, the State Government or any State official, public body corporate, commission, authority, body or employees, including the MSF: (a) takes any action which fails to provide, terminates or reduces the funding that is related to the source of funding for this Agreement; or (b) takes any action that is unrelated to the source of funding for this Agreement, but affects the MSF's ability to perform obligations under this Agreement, the MSF may terminate this Agreement by providing thirty (30) calendar days notice prior to the effective date of cancellation. In the event, however, that the
action of the State Legislature, the State of Michigan or MSF results in an immediate absence or termination of funding, this Agreement may be terminated effective immediately upon delivery of notice to the Contractor. In the event of immediate termination of funding, the MSF will make payment through the effective date of termination for any undisputed services rendered and expenses incurred.

The MSF shall have no obligation to Contractor for any fees or other payments incurred in connection with this Agreement after the effective date of termination. Upon termination, all work product prepared or produced by Contractor pursuant to this Agreement shall be immediately delivered to the MSF. Payment for any undisputed services rendered and expenses incurred through the effective date of termination will then promptly be made by the MSF.

K) MEDC and MSF Employees

Contractor will not hire any employee of the MEDC or MSF to perform any services covered by this Agreement without prior written approval from the Chief Executive Officer of the MEDC or President of the MSF.

L) Confidential Information

Except as required by law, Contractor shall not use or disclose, either before, during or after the Term, any proprietary or confidential information, including, but not limited to, applications, business bids, business plans, economic development analyses, computer programs, databases and all materials furnished to Contractor by the MSF or the MEDC (collectively, "Confidential Information") without the prior written consent of the MSF or the MEDC, except to the extent necessary to perform services on the MSF or MEDC's behalf. Confidential Information does not include information obtained by Contractor from third party sources; that is already in the possession of, or is independently developed by, Contractor; that becomes publicly available other than through breach of this Paragraph; or, is released with the prior written consent of the governmental entity or entities that provided the Confidential Information to Contractor. Contractor acknowledges that all information provided by the MSF or the MEDC in connection with Contractor's duties under this Agreement shall be treated as Confidential Information unless otherwise stated in this subsection.

M) Conflict of Interest

Except as has been disclosed to the MSF or the MEDC, Contractor affirms that neither the Contractor, nor its Affiliates or their employees has, shall have, or shall acquire any contractual, financial business or other interest, direct or indirect, that would conflict in any manner with Contractor's performance of its obligations under this Agreement or otherwise create the appearance of impropriety with respect to this Agreement.
Contractor further affirms that neither Contractor nor any affiliates or their employees has accepted or shall accept anything of value based on an understanding that the actions of the Contractor or its affiliates or either’s employees on behalf of the MSF or the MEDC would be influenced. Contractor shall not attempt to influence any MEDC or MSF employee by the direct or indirect offer of anything of value. Contractor also affirms that neither Contractor, nor its Affiliates or their employees has paid or agreed to pay any person, other than bona fide employees and consultants working solely for Contractor or its Affiliate, any fee, commission, percentage, brokerage fee, gift or any other consideration contingent upon or resulting from the execution of this Agreement.

In the event of change in either the interests or services under this Agreement, Contractor will inform the MSF or the MEDC regarding possible conflicts of interest which may arise as a result of such change. Contractor agrees that conflicts of interest shall be resolved to the MSF’s or the MEDC’s satisfaction or the MSF may terminate this Agreement. As used in this Paragraph, “conflict of interest” shall include, but not be limited to, conflicts of interest that are defined under the laws of the State of Michigan.

N) **Representations of Contractor**

Contractor affirms to the best of its knowledge that it or its owners:

1) Do not have any criminal convictions.

2) Are not subjects of any pending criminal investigation.

3) Are not subjects of any past, present or pending investigations by the Internal Revenue Service or any other federal or state taxing body or court.

4) Are not subjects of any past, pending or present litigation regarding its conduct.

5) Are not in material default or breach of any contract or agreement that it may have with the State of Michigan, the MSF or any other public body. Contractor further represents and warrants that it has not been a party to any contract with the State, the MSF or other public body that was terminated within the previous five (5) years due to the Contractor’s failure to perform or otherwise breached an obligation of such contract.

O) **State of Michigan Competitors**

Any information or knowledge Contractor gains during the course of this Agreement concerning the economic development efforts of the State of Michigan, the MSF, the MEDC or the business conditions or business community in Michigan shall not be disclosed to any public or private party, sovereign authority or foreign government, during the Term and for a period of two (2) years after the later of the Ending Date, the effective date of termination of this Agreement or so long as any information remains confidential pursuant to any contract, law, treaty, resolution or other
enforceable promise.

P) **Irreparable Injury**

Contractor acknowledges that if it breaches any of its obligations under Paragraphs L and O above, it will cause damages of an irreparable and continuing nature to the MSF, for which money damages alone will not provide adequate relief. Therefore, in addition to all appropriate monetary damages, the MSF is entitled to obtain injunctive relief, including, but not limited to, a temporary restraining order to prohibit the Contractor's continuing breach. The MSF shall have the right to obtain such relief without having to post any bond or other surety.

Q) **Indemnification and Contractor Liability Insurance**

Contractor shall indemnify, defend, and hold harmless the MSF, its Board and its employees, and the MEDC, its Executive Committee, its Corporate Board of Directors, and its employees (the "Indemnified Parties") from any and all liability arising out of or in any way related to Contractor's performance under this Agreement, including any liability resulting from any acts of Contractor's employees or agents.

Contractor shall purchase and maintain such insurance to protect the Indemnified Parties from claims that might arise out of or as a result of Contractor's operations. Contractor will provide and maintain its own errors and omissions liability insurance for Contractor's indemnification obligation under this Agreement. The insurance shall be written for not less than One Million Dollars ($1,000,000) of coverage, but Contractor's indemnification obligation is not limited to this amount.

R) **Total Agreement**

This Agreement, together with Exhibit A, contains the entire agreement between the Parties superseding any prior or concurrent agreements as to the services being provided, and no oral or written terms or conditions which are not contained in this Agreement shall be binding. This Agreement may not be changed except by written agreement signed by the Parties.

S) **Assignment/Transfer/Subcontracting**

Contractor shall not assign, transfer, convey, subcontract, or otherwise dispose of any duties or rights under this Agreement without the prior specific written consent of the MSF. Contractor agrees that any of Contractor's future successors or subcontractors will be bound by the provisions of this Agreement, unless the MSF otherwise agrees in a specific written consent. The MSF reserves the right to approve subcontractors for this Agreement and to require Contractor to replace subcontractors who are found to be unacceptable to the MSF or the MEDC.
T) **Non-Discrimination and Unfair Labor Practices**

In connection with this Agreement, Contractor shall comply with the Elliott-Larsen Civil Rights Act, 1976 PA 453, MCL 37.2101 *et seq.*, the Persons with Disabilities Civil Rights Act, 1976 PA 220, MCL 37.1101 *et seq.*, and all other federal, state and local fair employment practices and equal opportunity laws and covenants that it shall not discriminate against any employee or applicant for employment with respect to his or her hire, tenure, terms, conditions, privileges of employment, or any matter directly or indirectly related to employment because of his or her race, religion, color, national origin, age, gender, height, weight, marital status, or physical or mental disability unrelated to the individual's ability to perform the duties of a particular job or position. Contractor further agrees that every subcontract entered into in connection with this Agreement will contain a provision requiring nondiscrimination in employment, as required in this Agreement, binding upon each subcontractor.

Pursuant to 1980 PA 278 (the “Act”), MCL 423.321 *et seq.*, the State shall not award a contract or subcontract to an employer whose name appears in the current register of employers failing to correct an unfair labor practice compiled by the United States National Labor Relations Board. Contractor, in relation to this Agreement, shall not enter into a contract with a subcontractor, manufacturer, or supplier whose name appears on this register. Pursuant to section 4 of the Act, the MSF may void this Agreement if, after the Starting Date, the name of the Contractor as an employer or the name of the subcontractor, manufacturer or supplier of Contractor appears on the register.

A breach of this Paragraph constitutes a material breach of this Agreement.

U) **Jurisdiction**

The laws of the State of Michigan shall govern this Agreement. The Parties shall make a good faith effort to resolve any controversies that arise regarding this Agreement. If a controversy cannot be resolved, the Parties agree that any legal actions concerning this Agreement shall be brought in the Ingham County Circuit Court in Ingham County, Michigan, USA. By signing this Agreement, Contractor acknowledges that it is subject to the jurisdiction of this court and agrees to service by first class or express delivery wherever Contractor resides, in or outside of the United States.

V) **Compliance with Laws**

Contractor shall comply with all applicable state, federal and local laws and ordinances in providing the services under this Agreement.
W) No Partnership or Agency Relationship

This Agreement does not create a partnership relationship. Further, neither Contractor nor Contractor's employees or other representatives shall hold themselves out to third parties as an agent or representative of the State of Michigan, the MSF or the MEDC, nor shall they have any authority to take any action or enter into any agreement on behalf of the State of Michigan, the MSF or the MEDC.

X) No Third Party Beneficiaries

There are no expressed or implied third party beneficiaries to this Agreement.

Y) Counterparts

This Agreement may be executed in one or more counterparts and by facsimile, each of which shall constitute an original, and all of which together shall constitute one and the same instrument.

Z) Reimbursement

If this Agreement is terminated as a result of the misuse of funds as reasonably determined by the MSF, MSF shall have no further obligation to make any payments to Contractor. Furthermore, Contractor shall reimburse MSF for payments which were expended for purposes other than those described in this Agreement, as well as any funds which were previously disbursed under this Agreement but not yet expended by Contractor.

AA) Survival

The terms and conditions of sections III, V(B), V(E), V(F), V(G), V(H), V(I), V(L), V(O), V(P), V(Q), V(S), V(U), V(W), V(X) and V(Z) shall survive termination of this Agreement.

BB) Publicity
