Criminal justice reform

Environmental policy

Labor policy

VoteSpotter app

Graphic Design

Research & analysis

The Mackinac Center for Public Policy internship program provides an opportunity to work at the nation's premiere state-based free-market public policy research and educational organization.

Supplementary internship programming includes:

- **Opportunities to author or co-author** articles & Viewpoint commentaries
- Attending **Intern University** (brown-bag lunch lecture series featuring our staff and board of scholars)
- Day trips to **educational events**
- Access to **The InternNet** (Weekly webinar featuring nationally-known liberty experts. View our past speakers at www.mackinac.org/theinternet.)

The employment term is a minimum of 10 full-time weeks between May and August, with flexible start and end dates. All internships are

paid positions, and housing stipends may be available.

Intern positions are posted at www.mackinac.org/employment by January 31 of each year. Please note that a curriculum major in politics or economics is not required; students from all subject areas are encouraged to apply.
