

Planning for Life WORKSHOP

Please join us for this free event sponsored by the
Mackinac Center for Public Policy.

We all have a legacy. What will your legacy be — a plan by default, or a plan by design?

You are invited to attend one of our 2019 estate planning workshops, open exclusively to our members and friends. Whether you are just beginning to think about your will or estate plan, or need to update your current documents, you will leave energized and equipped to collaborate with your own professional advisers. Join us in a comfortable, small group setting to learn about the myths and misconceptions, pitfalls, opportunities, current tools and the techniques of planning.

Your questions will be answered by our expert presenter, attorney Gregory T. Demers with Warner Norcross + Judd LLP.
