---

**VERIFIED COMPLAINT**

---

There is no other pending or resolved civil action arising out of the same transaction or occurrence alleged in the complaint.

**NOW COMES** Plaintiff, ABC Michigan, and for its Verified Complaint alleges and states as follows:

**INTRODUCTION**

The State of Michigan’s Department of Technology, Management & Budget (“DTMB”) has, at the instruction of Governor Whitmer, instituted a requirement that those bidding on state

contracts for a project greater than \$50,000 must pay their construction employees the “prevailing wage” in a given region. A contractor cannot make a bid on a contract that includes payments to construction employees of less than this required rate. This policy is commonly referred to as “prevailing wage,” and this description will be used throughout this Complaint.

Prevailing wage in Michigan was previously permitted by statute, but had been repealed in 2018 following voter-initiated legislation.

The Governor has seemingly revived this repealed procedure, but has not done so by either enforcing legislation or through the procedures of the Administrative Procedures Act. Rather, the policy has been implemented by unilateral edict from the Governor’s office. This is not a proper method of governance and is not binding on Plaintiff.

**PARTIES, JURISDICTION, AND VENUE**

1. Plaintiff, ABC of Michigan (“ABC”), is a Michigan nonprofit incorporated trade association headquartered in Ingham County, Michigan.
2. ABC is a trade association representing more than 900 construction and construction-related firms through the State of Michigan and in bordering states. ABC’s members include both unionized and non-union construction contractors who share a belief that construction work should be awarded to and performed by the lowest responsible bidder based upon merit. ABC employer members employ a combined workforce of more than 30,000 individuals. ABC’s members have been injured by the unlawful acts of the Defendants, and the relief sought by ABC would redress its members’ injuries.
3. As bidders on state contractors, ABC’s members have standing to challenge the policies that are the subject of this action. ABC’s members have standing because they have a substantial interest in Defendant’s application of the subject policy and will be

detrimentally affected in a manner different from the citizenry at large under the enforcement of this subject policy.

4. Because ABC's members have standing, ABC has standing. "Nonprofit organizations, such as plaintiffs, have standing to bring suit in the interest of their members where such members would have standing as individual plaintiffs." *National Wildlife Federation v Cleveland Cliffs Iron Co.*, 471 Mich 608, 814 (2004).
5. ABC's members are able to offer comparative advantages over competitors without prevailing wage by providing high-quality services at a lower cost to the taxpayer. Prevailing wage hurts ABC's members by preventing them from being able to compete on the highly important factor of price, which many smaller and entrepreneurial members are able to leverage to their advantage.
6. Defendant, the Department of Technology, Management & Budget ("DTMB") is a state government agency headquartered in Ingham County, Michigan.
7. Venue is proper pursuant to MCL 600.6419(1)(a).
8. This court has jurisdiction under MCL 24.264 to issue declaratory judgments pertaining to the Administrative Procedures Act of 1969 ("APA"), MCL 24.207 *et seq.*
9. Pursuant to MCL 600.6419(1)(a), the Court of Claims has jurisdiction over this claim.

**THE REVIVAL OF THE PREVAILING WAGE POLICY WAS NOT DONE IN A  
VALID MANNER**

10. The Plaintiff hereby incorporates the preceding paragraphs as if fully restated herein.
11. Michigan had enacted a prevailing wage statute via 1965 PA 166, "PREVAILING WAGES ON STATE PROJECTS." "An act to require prevailing wages and fringe benefits on state projects; to establish the requirements and responsibilities of contracting

agents and bidders; to prescribe penalties,” (MCL 408.551 to 408.558, since repealed).

(See Exhibit A in the attached Appendix for relevant portions - Sec. 1 through 4.)

12. This 1965 prevailing wage Act was repealed by 2018 PA 171. “Public Act 171 of 2018 was proposed by initiative petition pursuant to Const 1963, art 2, § 9. On June 6, 2018, the initiative petition was approved by an affirmative vote of the majority of the Senate and the House of Representatives, and filed with the Secretary of State.” (Exhibit B in the Appendix.<sup>1</sup>)

13. 2018 PA 171 specifically stated: “408.551-408.558 Repealed. 2018, Act 171, Imd. Eff. June 6, 2018.” (Exhibit B, supra.)

14. Governor Whitmer announced the reimplementation of this repealed prevailing wage policy on or about October 7, 2021 via a press release. (Exhibit C in the Appendix.<sup>2</sup>)

15. There was no executive order which accompanied the October 7, 2021 press release.

16. There was no executive directive which accompanied the October 7, 2021 press release.

17. In the October 7, 2021 press release, the Governor claimed the authority to re-implement prevailing wage by claiming: “Michigan's repeal eliminated the state's prevailing wage requirement, but left the door open for DTMB to require prevailing wage under its authority to develop the terms of state contracts. Governor Whitmer is proud to make that call and reinstate prevailing wage.” (Exhibit C, supra.)

18. Sometime before March 1, 2022, DTMB posted certain requirements on its website: “Beginning March 1, 2022, the State of Michigan will require state contractors and

---

<sup>1</sup> See also, <http://legislature.mi.gov/documents/2017-2018/initiative/pdf/prevailingwage.pdf>, last accessed April 19, 2022.

<sup>2</sup> See also, <https://www.michigan.gov/whitmer/news/press-releases/2021/10/07/gov--whitmer-to-reinstate-prevailing-wage-for-state-construction-projects>, last accessed April 19, 2022.

subcontractors to pay prevailing wage on construction-based contracts issued by the Department of Technology, Management & Budget. These changes do not impact or change any provisions in place to comply with the Federal Davis-Bacon act.” (See Exhibit D attached to the Appendix.<sup>3</sup>)

19. DTMB similarly published a number of requirements that contract bidders must comply with. See Exhibit E<sup>4</sup> and F<sup>5</sup>.

20. On October 21, 2021, the Mackinac Center for Public Policy (which is not a party to this action, although attorneys affiliated with the Mackinac Center are the representing attorneys of record) submitted a Freedom of Information Act (“FOIA”) request to DTMB requesting records of any directive issued by the Governor requiring the implementation of this prevailing wage policy. Specifically, the FOIA request asked for: “The executive directive issued by Governor Whitmer requiring the Department to implement prevailing wage requirements for state construction projects. To assist you in your search, this action was announced by Governor Whitmer on October 7, 2021.” The request linked to the Governor’s October 7<sup>th</sup> press release that is attached as Exhibit C to the Appendix. (See Exhibit G in the Appendix, October 20, 2021 email from Jarrett Skorup to DTMB.)

<sup>5</sup> See also, [https://www.michigan.gov/leo/-/media/Project/Websites/leo/Documents/WAGE-HOUR/WHD-99xx-Information-Sheets/WHD-9918-PW-REQUIREMENTS-INFO-SHEET/WHD-9918-DTMB-PW-rates-1-31-2022\\_ad-jf\\_.pdf?rev=c57b0d340ff949628e047b97ad0ec7e8&hash=7EB99D633A319BF2F786BAE24E60396E](https://www.michigan.gov/leo/-/media/Project/Websites/leo/Documents/WAGE-HOUR/WHD-99xx-Information-Sheets/WHD-9918-PW-REQUIREMENTS-INFO-SHEET/WHD-9918-DTMB-PW-rates-1-31-2022_ad-jf_.pdf?rev=c57b0d340ff949628e047b97ad0ec7e8&hash=7EB99D633A319BF2F786BAE24E60396E). last accessed April 19, 2022.

21. On October 25, 2021, DTMB responded to this request with a denial, stating: “It is hereby certified that, to the best of the undersigned’s knowledge, information, and belief, records do not exist within the Department of Technology, Management and Budget, under the description you provided or under another name reasonably known to the department.” (See Exhibit H in the Appendix, “October 25, 2021 DTMB letter to Jarrett Skorup.”)
22. It is thereby the position of the DTMB that, as of October 25, 2021, it had not received any direction from the Governor to implement the prevailing wage policy.
23. On March 2, 2022, Mackinac Center again submitted another related FOIA request. This time it requested: “Any instruction from Governor Whitmer to the Department of Technology, Management, and Budget (DTMB) regarding prevailing wage requirements. The executive directive issued by Governor Whitmer requiring the Department to implement prevailing wage requirements for state construction projects. Any documents with DTMB which demonstrates their ability to enforce ‘prevailing wage’ requirements.” (See Exhibit I in the Appendix, “March 2, 2022 FOIA request.”)
24. On May 12, 2022, DTMB responded by granting the Center’s response in part and denying it in part. DTMB also produced documents and correspondence, much of which appears to have been between the Attorney General’s Office and DTMB. The cover letter for this response is attached herein as Exhibit J to the Appendix, “May 12, 2022 Letter to Jarrett Skorup.” The package included a pdf document with 752 pages, which has not been attached in its entirety here, although specific individual pages will be.
25. Regardless, the records produced on May 12, 2022 demonstrate that representatives from the Governor’s office communicated with DTMB. For example, Zach Kolodin (the then-Deputy Legal Counsel and Public Policy Counsel for the Officer of the Governor) was in

communication with DTMB regarding prevailing wage. (See Exhibit K, Kolodin email, attached herein to the Appendix, which is page 67 out of 752 in the pdf document produced pursuant to FOIA.)

26. Upon information and belief, the subject of these communications described in the previous paragraph was, at least in part, the creation of prevailing wage requirements on state construction projects, as well as legal and practical issues surrounding the same.
27. Another email June 4, 2021 email from Brom Stibitz, the Director and Chief Information Officer for DTMB, to Totten reveals that DTMB engaged in discussions with the Attorney General's office at Totten's request. Upon information and belief, the subject of that redacted discussion was the implementation of prevailing wage for state construction projects. The subject line is "Prevailing Wage." (See Exhibit L, attached herein to the Appendix, which is page 713 out of 752 in the pdf document produced pursuant to FOIA.)
28. Upon information and belief, DTMB was prompted to adopt prevailing wage requirements after a request to do so originating from the Governor's office.
29. The subject prevailing wage requirements were not legislatively enacted.
30. The DTMB was not granted specific legislative authority, through the Administrative Procedures Act or any other delegation, to adopt the subject prevailing wage requirements.
31. The subject prevailing wage requirements do not constitute a form with instructions that in itself does not have the force and effect of law but is merely explanatory.
32. The subject prevailing wage requirements are not an interpretive statement that in itself does not have the force and effect of law but is merely explanatory.
33. The subject prevailing wage requirements are not a guideline that in itself does not have the force and effect of law but is merely explanatory.

34. The subject prevailing wage requirements are not an informational pamphlet that in itself does not have the force and effect of law but is merely explanatory.
35. The subject prevailing wage requirements are not any other material (other than those cited in the preceding four paragraphs) that in itself does not have the force and effect of law but is merely explanatory.
36. The subject prevailing wage requirements causes harm to Plaintiff and hurts its members' competitive advantage in bidding on contracts.

### **COUNT I**

#### **VIOLATION OF THE SEPARATION OF POWERS**

37. Plaintiff incorporates the preceding paragraphs herein as though restated in their entirety.
38. "The powers of government are divided into three branches: legislative, executive and judicial. No person exercising powers of one branch shall exercise powers properly belonging to another branch except as expressly provided in this constitution." Const. 1963, Art. III, § 2.
39. The executive branch cannot exercise the powers belonging to the legislature absent a clear grant of authority from the legislature.
40. "Statutes that grant power to administrative agencies are strictly construed and the authority granted the administrative agency must be plainly granted." *Michigan State Employees Ass'n v Dept of Corrections*, 275 Mich App 474 (2007).
41. The legislature had enacted a prevailing wage statute via 1965 PA 166, "PREVAILING WAGES ON STATE PROJECTS."
42. The legislature acted again when it repealed the prevailing wage Act with 2018 PA 171.

43. Prior to 2021, enacting or repealing prevailing wage in Michigan for those contracting with the state had always been done by legislation.
44. The executive branch cannot, under our 1963 Constitution, perform legislative functions such as creating a prevailing wage law, absent an explicit legislative grant of authority.
45. The DTMB, is an agency in the executive branch.
46. Neither the Governor nor DTMB can exercise the powers of the legislature absent a clear grant of that authority from the legislature.
47. The executive branch and its agencies have no legislative mandate to exercise legislative powers regarding prevailing wage after the repeal in 2018 PA 171.
48. Neither Plaintiff nor its members are employees of the executive branch.
49. No entity who bids on a contract which is subject to this prevailing wage requirement is an employee of the executive branch
50. If an entity bids on contract that is subject to this prevailing wage requirement, and its bid is accepted and it performs the work, it is still not a state employee. It is an independent contractor.

## **COUNT II**

### **NONCOMPLIANCE WITH THE ADMINISTRATIVE PROCEDURES ACT**

51. Plaintiff incorporates the preceding paragraphs herein as though restated in their entirety.
52. The subject prevailing wage requirements were not promulgated in accordance with the Administrative Procedures Act of 1969 (“APA”), MCL 24.201 et seq.
53. The DTMB is an administrative agency subject to the provisions of the APA.
54. After the repeal of the prevailing wage requirements in 2018 PA 171, the DTMB lacked the authority to promulgate rules on prevailing wage pursuant to the APA.

55. The subject prevailing wage requirements, to be valid as administrative rules, should have been promulgated as rules in accordance with the APA, MCL 24.201 et seq.
56. The subject prevailing wage requirements have the effect of law and must be a “rule” under the APA to be enforceable.
57. The definition of “rule” under MCL 24.207 is broadly construed to reflect the APA's preference for policy determinations pursuant to rules, while the exceptions are narrowly construed. *AFSCME v Dep't of Mental Health*, 452 Mich 1, 10 (1996).
58. An agency may not avoid the requirements for promulgating rules by issuing its directives under different labels. *AFSCME v Dep't of Mental Health*, 452 Mich 1, 9 (1996).
59. The subject prevailing wage requirements were not published in the administrative code.
60. Pursuant to MCL 24.243(1), “Except for an emergency rule promulgated in the manner described in section 48, a rule is not valid unless it is processed in compliance with section 66, if applicable, section 42, and in substantial compliance with section 41(2), (3), (4), and (5).”
61. The subject prevailing wage requirements were not processed in compliance with the required sections of MCL 24.243(1).
62. The subject prevailing wage requirements are not “rates” or a “tariffs” as defined in MCL 24.207(c).
63. The subject prevailing wage requirements are not “guidelines” as defined in MCL 24.203(7).
64. The subject prevailing wage requirements are not a “provision of an agency’s contract” as defined in MCL 24.207(p).

65. There was no notice and public hearing on the subject prevailing wage requirements as required by MCL 24.241.

66. There was no filing and publication of the subject prevailing wage requirements as a rule which would fulfill the requirements of MCL 24.261.

### COUNT III

#### *ACTING ULTRA VIRES*

67. The Plaintiff restates the preceding paragraphs as though fully restated herein.

68. The subject prevailing wage requirements were not validly enacted as legislation, binding rules under the APA, or any other process which would make these legally binding on Plaintiff.

69. The policy imbedded in these prevailing wage requirements is more than a mere development of the form of state contracts. This is demonstrated by the fact that this policy had, in the past, been both enacted and removed via legislation.

70. The DTMB cannot simply do by developing contract forms what had previously required legislative enactment.

71. Our courts apply the general/specific canon, *generalia specialibus non derogant*, when there is a conflict between a general provision and a specific provision. “The general/specific canon is perhaps most frequently applied to statutes in which a general permission or prohibition is contradicted by a specific prohibition or permission.” *RadLAX Gateway Hotel, LLC v Amalgamated Bank*, 566 US 639, 645; 132 S Ct 2065 (2012); “If there is a conflict between a general provision and a specific provision, the specific provision prevails ....” Scalia & Garner, *Reading Law: The Interpretation of Legal Texts* (St. Paul: Thomson/West, 2012), p. 183; “[T]he rule only applies when there is some

statutory tension or conflict between two possible treatments of a subject ....” *Detroit Edison Co v Dep’t of Treasury*, 498 Mich 28, at 44 (2015).

72. Here, the above cited general/specific cannon prevents DTMB from enacting a policy under its *general* authority when that same policy had been disallowed by a *specific* revocation, as occurred in 2018 PA 171.

73. Our Supreme Court has defined *ultra vires* activities as those governmental activities which are “not expressly or impliedly mandated or authorized by constitution, statute, or other law.” See *Ross v Consumers Power Co* (On Rehearing), 420 Mich 567 (1984).

74. The DTMB is enforcing requirements which are not expressly or impliedly mandated or authorized by constitution, statute, valid rule, or other law.

75. The subject prevailing wage requirements are therefore *ultra vires*, invalid, and unenforceable.

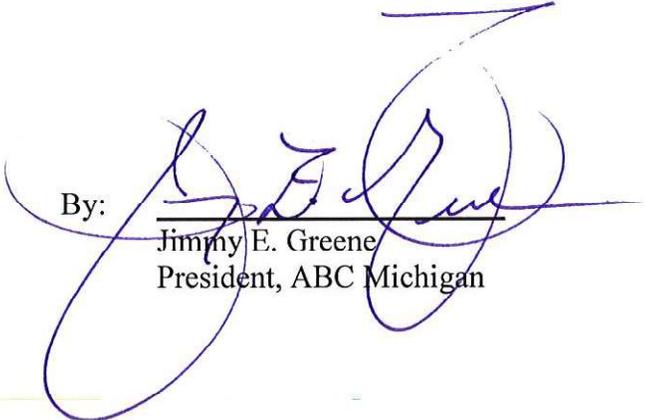

### RELIEF REQUESTED

For the reasons stated above, the subject prevailing wage policy is unenforceable. Plaintiff requests a declaratory judgment pursuant to MCR 2.605; injunctive relief pursuant to MCR 3.310(A); and any other relief in law or equity that this court deems appropriate, along with attorney fees and costs.

M.C.L.A. 408.551

408.551. Definitions

Effective: [See Text Amendments] to June 5, 2018

Sec. 1. As used in this act:

(a) “Construction mechanic” means a skilled or unskilled mechanic, laborer, worker, helper, assistant, or apprentice working on a state project but shall not include executive, administrative, professional, office, or custodial employees.

(b) “State project” means new construction, alteration, repair, installation, painting, decorating, completion, demolition, conditioning, reconditioning, or improvement of public buildings, schools, works, bridges, highways, or roads authorized by a contracting agent.

(c) “Contracting agent” means any officer, school board, board or commission of the state, or a state institution supported in whole or in part by state funds, authorized to enter into a contract for a state project or to perform a state project by the direct employment of labor.

(d) “Commissioner” means the department of labor.

(e) “Locality” means the county, city, village, township, or school district in which the physical work on a state project is to be performed.

408.552. Contracts for state projects; provision as to minimum wage rates; exception

Effective: [See Text Amendments] to June 5, 2018

Sec. 2. Every contract executed between a contracting agent and a successful bidder as contractor and entered into pursuant to advertisement and invitation to bid for a state project which requires or involves the employment of construction mechanics, other than those subject to the jurisdiction of the state civil service commission, and which is sponsored or financed in whole or in part by the state shall contain an express term that the rates of wages and fringe benefits to be paid to each class of mechanics by the bidder and all of his subcontractors, shall be not less than the wage and fringe benefit rates prevailing in the locality in which the work is to be performed. Contracts on state projects which contain provisions requiring the payment of prevailing wages as determined by the United States secretary of labor pursuant to the federal Davis-Bacon act (United States code, title 40, section 276a et seq.) or which contain minimum wage schedules which are the same as prevailing wages in the locality as determined by collective bargaining agreements or understandings between bona fide organizations of construction mechanics and their employers are exempt from the provisions of this act.

M. C. L. A. 408.552, MI ST 408.552

The statutes are current through P.A.2022, No. 93, of the 2022 Regular Session, 101st Legislature. Some statute sections may be more current; see credits for details.

408.554. Commissioner to establish prevailing wages; hearings

Effective: [See Text Amendments] to June 5, 2018

Sec. 4. The commissioner shall establish prevailing wages and fringe benefits at the same rate that prevails on projects of a similar character in the locality under collective agreements or understandings between bona fide organizations of construction mechanics and their employers. Such agreements and understandings, to meet the requirements of this section, shall not be controlled in any way by either an employee or employer organization. If the prevailing rates of wages and fringe benefits cannot reasonably and fairly be applied in any locality because no such agreements or understandings exist, the commissioner shall determine the rates and fringe benefits for the same or most similar employment in the nearest and most similar neighboring locality in which such agreements or understandings do exist. The commissioner may hold public hearings in the locality in which the work is to be performed to determine the prevailing wage and fringe benefit rates. All prevailing wage and fringe benefit rates determined under this section shall be filed in the office of the commissioner of labor and made available to the public.

### Gov. Whitmer to Reinstate Prevailing Wage for State Construction Projects

*State contractors and subcontractors required to pay prevailing wage, uplifting working people and ensuring Michigan has high-quality infrastructure*

**LANSING, Mich.** - Today, Governor Gretchen Whitmer announced that the State of Michigan will require state contractors and subcontractors to pay prevailing wage for construction projects. The move reinstates the prevailing wage requirement, which was repealed in June 2018, and ensures that any construction worker working on a state construction project receives a fair wage. The governor is proud to lead by example at the state-level and deliver real change for working people in Michigan.

"By reinstating prevailing wage, we are ensuring that working people get treated with dignity and respect, which starts with a fair wage," said **Governor Whitmer**. "As governor, I am proud to stand shoulder to shoulder with working people and unions who built the middle class. By reinstating prevailing wage, we are ensuring working people can earn a decent standard of living, saving taxpayers money and time on crucial infrastructure projects, and offering Michigan a highly-trained workforce to rely on as we build up our roads and bridges, replace lead pipes, install high-speed internet, and more."

"We applaud Governor Whitmer's decision to restore prevailing wage requirements on state projects," said **Tom Lutz**, Executive Secretary-Treasurer of the Michigan Regional Council of Carpenters and Millwrights. "This decision protects Michigan's investments in

infrastructure because when prevailing wages are the expectation, contractors have to compete on a level playing field based on quality of their skilled work, not on the exploitation of their workers."

"The actions that have been taken today, help to restore confidence by workers and employers alike," said **Steve Claywell**, President of the Michigan Building and Construction Trades Council. "The restoring of prevailing wage provides a fair and equal bidding process allowing for highly trained men and women to be paid a good wage. We appreciate the courage of this Governor and stand ready to build Michigan with her."

### **History of Prevailing Wage**

Michigan's prevailing wage was repealed by the Michigan legislature in June 2018. A total of 24 states have repealed their prevailing wage laws. Michigan's repeal eliminated the state's prevailing wage requirement, but left the door open for DTMB to require prevailing wage under its authority to develop the terms of state contracts. Governor Whitmer is proud to make that call and reinstate prevailing wage.

Today's action rewards hard work and ensures working people can earn a decent standard of living, take care of their families, and have a secure retirement. By reinstating prevailing wage, Michigan can continue making progress on critical infrastructure, including roads, bridges, water infrastructure, high-speed internet, and more.

### **Budget**

Last week, the governor signed the Fiscal Year 2022 budget bill that delivers on the kitchen-table fundamental issues that matter most to working families. The budget puts 167,000 Michiganders on a tuition-free path to higher-education or skills training through the Michigan Reconnect and Futures for Frontliners programs, expands low or no-cost childcare to 105,000 kids, repairs or replaces 100 bridges while creating 2,500 jobs, and more.

Earlier this year, Governor Whitmer and legislature worked together to put Michigan students first and passed the largest significant education investment in state history, closing the funding gap between schools in Michigan and delivering resources for schools to hire more nurses, counselors, and social workers.

# Prevailing Wage for DTMB Construction Contracts

Beginning March 1, 2022, the State of Michigan will require state contractors and subcontractors to pay prevailing wage on construction-based contracts issued by the Department of Technology, Management & Budget. These changes do not impact or change any provisions in place to comply with the Federal Davis-Bacon act.

## Administrative Guide Citation - Effective March 1, 2022

### 1.3.13 Prevailing Wage

With the exception of lease build-outs, if a project greater than \$50,000 involves employing construction mechanics (e.g., asbestos, hazardous material handling, boilermaker, carpenter, cement mason, electrician, office reconstruction and installation, laborer including cleaning debris, scraping floors, or sweeping floors in construction areas, etc.) and is sponsored or financed in whole or in part by State funds, state contractors must pay prevailing wage.

Additional information on the requirements of prevailing wage can be found on the [Labor and Economic Opportunity - Bureau of Employment Relations - Wage and Hour](#)

[Division](#) website.

## State-funded Project Prevailing Wage Requirements - Effective March 1, 2022

1. The Contractor (and its Subcontractors) represents and warrants that it pays all mechanics and laborers employed directly on the site of the work, unconditionally and at least once a week, and without subsequent deduction or rebate on any account, the full amounts accrued at time of payment, computed at wage rates not less than those stated in the advertised specifications as prevailing wages based on locality, regardless of any contractual relationship which may be alleged to exist between the Contractor or subcontractor and the laborers and mechanics.
2. The Contractor represents and warrants that Contractor will post the scale of wages to be paid in a prominent and easily accessible place at the site of the work.

## Frequently Asked Questions

### **Q: Why is Michigan requiring prevailing wage rates for construction projects?**

**A:** Prevailing wage rates are shown to support working people by ensuring that jobs created are well paid. Prevailing wage rates also support local employers by ensuring that all qualified bids received are competitive with area labor standards so local employers and workers are not underbid by low wage employers.

### **Q: How are Michigan's prevailing wage rates established?**

**A:** Rates are established for each County in Michigan through a process of submission and review of established wages, benefits, and training investments from bona fide employee and employer organizations. The establishment of rates drills down to the smallest locality possible, so in some cases may be established for specific townships or cities as well. Further questions can be sent to [WHINFO@michigan.gov](mailto:WHINFO@michigan.gov).

**Q: Do the established rates apply to any State or publicly funded construction projects?**

**A:** The state of Michigan has made a change to procurement policy that requires vendors to pay prevailing wages on construction-based contracts issued by the Department of Technology, Management & Budget. If other entities apply prevailing wage rates to their projects they can visit [Prevailing Wage page on the Labor & Economic Opportunity site](#) for the most recent wage rate schedule.

**Q: Don't prevailing wage rates increase the cost to the state for these projects?**

**A:** Independent studies from organizations such as the Midwest Economic Policy Institute suggest have been conducted on the impact of prevailing wage rates in both Federal and other State contracts and no discernable cost savings are found when prevailing wages are eliminated.

**Q: How do prevailing wages help workers?**

**A:** Because prevailing wage rates are established based on local wages, fringe benefits, and training investments, prevailing wage ensures that all workers are paid according to local standards. Ensuring that workers are receiving strong wages and other benefits supports our local communities and enhances our ability to attract and retain critical workers in these industries.

**Q: What is DTMB's policy?**

**A:** DTMB will require prevailing wages to be paid in all construction-related contracts initially posted for bidding after March 1, 2022.

**Q: What projects will be required to pay DTMB prevailing wage rates?**

**A:** All construction-related projects initially posted for bidding after March 1, 2022. Any contract requiring prevailing wage will have that information clearly explained in the bidding documents so all potential vendors are aware when developing and submitting bids.

**Q: When will this take effect?**

**A:** All construction contracts initially posted for bidding after March 1, 2022 will require prevailing wage.

**Q: What will be the penalties if a business does not comply with the DTMB contract requirements**

**A:** Failure to pay prevailing wage would be a breach of contract and may result in contract termination.

**Q: How can I find out if a DTMB contract requires prevailing wage?**

**A:** Contracts requiring prevailing wage will include wage schedules and prevailing wage language in the bid documents. Further questions can be sent to [zakrzewskik@michigan.gov](mailto:zakrzewskik@michigan.gov).

**Q: I am a worker on a State of Michigan construction project, how will I know if prevailing wages are required, and how will I know what the prevailing wage is if required?**

**A:** Employers on covered projects will be required to notify workers of the prevailing wage obligation as well as the rates. Further, the rates must be posted on the project in a place that can be viewed by workers.

**Q: Who can file a complaint, and how is a complaint filed?**

**A:** A complaint may be filed by a person working on the project as well as by a third party on behalf of the worker. Complaints may be sent to [WHINFO@michigan.gov](mailto:WHINFO@michigan.gov).

**Q: How long do I have to file a complaint?**

**A:** Workers or third parties should file a complaint as soon as they become aware of the potential violation. Further, complaints are best filed while the project is in progress and still under contract.

**Q: What happens if an employer is found to be in violation?**

**A:** Following a complaint and investigation, Wage & Hour will send the determination to DTMB who may then pursue the issue under the terms of the contract.

EXHIBIT E

**STATE OF MICHIGAN**  
**Informational Sheet: DTMB Prevailing Wages on State Projects**

**General Information Regarding Fringe Benefits**

**Certain** fringe benefits **may** be credited toward the payment of the Prevailing Wage Rate:

- If a fringe benefit is paid directly to a construction mechanic
- If a fringe benefit contribution or payment is made on behalf of a construction mechanic
- If a fringe benefit, which may be provided to a construction mechanic, is pursuant to a written contract or policy
- If a fringe benefit is paid into a fund, for a construction mechanic

When a fringe benefit is not paid by an hourly rate, the hourly credit will be calculated based on the annual value of the fringe benefit divided by 2080 hours per year (52 weeks @ 40 hours per week).

The following is an example of the types of fringe benefits allowed and how an hourly credit is calculated:

Vacation	40 hours X \$14.00 per hour = \$560/2080 =	\$0.27
Dental insurance	\$31.07 monthly premium X 12 mos. = \$372.84 /2080 =	\$0.18
Vision insurance	\$5.38 monthly premium X 12 mos. = \$64.56/2080 =	\$0.03
Health insurance	\$230.00 monthly premium X 12 mos. = \$2,760.00/2080 =	\$1.33
Life insurance	\$27.04 monthly premium X 12 mos. = \$324.48/2080 =	\$0.16
Tuition	\$500.00 annual cost/2080 =	\$0.24
Bonus	4 quarterly bonus/year x \$250 = \$1000.00/2080 =	\$0.48
401k Employer Contribution	\$2000.00 total annual contribution/2080 =	\$0.96
<b>Total Hourly Credit</b>		<b>\$3.65</b>

Other examples of the types of fringe benefits allowed:

- Sick pay
- Holiday pay
- Accidental Death & Dismemberment insurance premiums

The following are examples of items that **will not** be credited toward the payment of the Prevailing Wage Rate

- Legally required payments, such as:
  - Unemployment Insurance payments
  - Workers' Compensation Insurance payments
  - FICA (Social Security contributions, Medicare contributions)
- Reimbursable expenses, such as:
  - Clothing allowance or reimbursement
  - Uniform allowance or reimbursement
  - Gas allowance or reimbursement
  - Travel time or payment
  - Meals or lodging allowance or reimbursement
  - Per diem allowance or payment
- Other payments to or on behalf of a construction mechanic that are not wages or fringe benefits, such as:
  - Industry advancement funds
  - Financial or material loans

**STATE OF MICHIGAN**  
**Informational Sheet: DTMB Prevailing Wages on State Projects**

**OVERTIME PROVISIONS for MICHIGAN PREVAILING WAGE RATE COMMERCIAL SCHEDULE**

- Overtime is represented as a nine character code. Each character represents a certain period of time after the first 8 hours Monday thru Friday.

	Monday thru Friday	Saturday	Sunday & Holidays	Four 10s
First 8 Hours		<b>4</b>		
9th Hour	<b>1</b>	<b>5</b>	<b>8</b>	<b>9</b>
10th Hour	<b>2</b>	<b>6</b>		
Over 10 hours	<b>3</b>	<b>7</b>		

Overtime for Monday thru Friday after 8 hours:

the 1st character is for time worked in the 9th hour (8.1 - 9 hours)  
the 2nd character is for time worked in the 10th hour (9.1 - 10 hours)  
the 3rd character is for time worked beyond the 10th hour (10.1 and beyond)

Overtime on Saturday:

the 4th character is for time worked in the first 8 hours on Saturday (0 - 8 hours)  
the 5th character is for time worked in the 9th hour on Saturday (8.1 - 9 hours)  
the 6th character is for time worked in the 10th hour (9.1 - 10 hours)  
the 7th character is for time worked beyond the 10th hour (10.01 and beyond)

Overtime on Sundays & Holidays

The 8th character is for time worked on Sunday or on a holiday

Four Ten Hour Days

The 9th character indicates if an optional 4-day 10-hour per day workweek can be worked **between Monday and Friday without paying overtime after 8 hours worked, unless otherwise noted in the rate schedule. To utilize a 4 ten workweek, notice is required from the employer to employee prior to the start of work on the project.**

- Overtime Indicators Used in the Overtime Provision:

H - means TIME AND ONE-HALF due  
X - means TIME AND ONE-HALF due after 40 HOURS worked  
D - means DOUBLE PAY due  
Y - means YES an optional 4-day 10-hour per day workweek can be worked without paying overtime after 8 hours worked  
N - means NO an optional 4-day 10-hour per day workweek *cannot* be worked without paying overtime after 8 hours worked

- EXAMPLES:

HHHHHHHDN - This example shows that the 1½ rate must be used for time worked after 8 hours Monday thru Friday (*characters 1 - 3*); for all hours worked on Saturday, 1½ rate is due (*characters 4 - 7*). Work done on Sundays or holidays must be paid double time (*character 8*). The N (*character 9*) indicates that 4 ten-hour days is not an acceptable workweek at regular pay.

XXXHHHDY - This example shows that the 1½ rate must be used for time worked after 40 hours are worked Monday thru Friday (*characters 1-3*); for hours worked on Saturday, 1½ rate is due (*characters 4 – 7*). Work done on Sundays or holidays must be paid double time (*character 8*). The Y (*character 9*) indicates that 4 ten-hour days is an acceptable alternative workweek.

**ENGINEERS - CLASSES OF EQUIPMENT LIST**

**UNDERGROUND ENGINEERS**

**CLASS I**

Backfiller Tamper, Backhoe, Batch Plant Operator, Clam-Shell, Concrete Paver (2 drums or larger), Conveyor Loader (Euclid type), Crane (crawler, truck type or pile driving), Dozer, Dragline, Elevating Grader, End Loader, Gradall (and similar type machine), Grader, Power Shovel, Roller (asphalt), Scraper (self propelled or tractor drawn), Side Broom Tractor (type D-4 or larger), Slope Paver, Trencher (over 8' digging capacity), Well Drilling Rig, Mechanic, Slip Form Paver, Hydro Excavator.

**CLASS II**

Boom Truck (power swing type boom), Crusher, Hoist, Pump (1 or more 6" discharge or larger gas or diesel powered by generator of 300 amps or more, inclusive of generator), Side Boom Tractor (smaller than type D-4 or equivalent), Tractor (pneu-tired, other than backhoe or front end loader), Trencher (8' digging capacity and smaller), Vac Truck.

**CLASS III**

Air Compressors (600 cfm or larger), Air Compressors (2 or more less than 600 cfm), Boom Truck (non-swinging, non-powered type boom), Concrete Breaker (self-propelled or truck mounted, includes compressor), Concrete Paver (1 drum, 1/2 yard or larger), Elevator (other than passenger), Maintenance Man, Mechanic Helper, Pump (2 or more 4" up to 6" discharge, gas or diesel powered, excluding submersible pump), Pumpcrete Machine (and similar equipment), Wagon Drill Machine, Welding Machine or Generator (2 or more 300 amp or larger, gas or diesel powered).

**CLASS IV**

Boiler, Concrete Saw (40HP or over), Curing Machine (self-propelled), Farm Tractor (w/attachment), Finishing Machine (concrete), Firemen, Hydraulic Pipe Pushing Machine, Mulching Equipment, Oiler (2 or more up to 4", exclude submersible), Pumps (2 or more up to 4" discharge if used 3 hrs or more a day-gas or diesel powered, excluding submersible pumps), Roller (other than asphalt), Stump Remover, Vibrating Compaction Equipment (6' wide or over), Trencher (service) Sweeper (Wayne type and similar equipment), Water Wagon, Extend-a-Boom Forklift.

**HAZARDOUS WASTE ABATEMENT ENGINEERS**

**CLASS I**

Backhoe, Batch Plant Operator, Clamshell, Concrete Breaker when attached to hoe, Concrete Cleaning Decontamination Machine Operator, Concrete Pump, Concrete Paver, Crusher, Dozer, Elevating Grader, Endloader, Farm Tractor (90 h.p. and higher), Gradall, Grader, Heavy Equipment Robotics Operator, Hydro Excavator, Loader, Pug Mill, Pumpcrete Machines, Pump Trucks, Roller, Scraper (self-propelled or tractor drawn), Side Boom Tractor, Slip Form Paver, Slope Paver, Trencher, Ultra High Pressure Waterjet Cutting Tool System Operator, Vactors, Vacuum Blasting Machine Operator, Vertical Lifting Hoist, Vibrating Compaction Equipment (self-propelled), and Well Drilling Rig.

**CLASS II**

Air Compressor, Concrete Breaker when not attached to hoe, Elevator, End Dumps, Equipment Decontamination Operator, Farm Tractor (less than 90 h.p.), Forklift, Generator, Heater, Mulcher, Pigs (Portable Reagent Storage Tanks), Power Screens, Pumps (water), Stationary Compressed Air Plant, Sweeper, Water Wagon and Welding Machine.

STATE OF MICHIGAN  
*Informational Sheet: DTMB Prevailing Wages on State Projects*

---

**CARPENTER CRAFT JURISDICTION**

---

Michigan recognizes the Carpenters for any and all work related to weatherization that has historically been the work of the Carpenter. This work shall include, but not be limited to: all work defined under the Federal Weatherization Assistance Program.

The jurisdiction of Carpenters, as to all work that has historically and traditionally been performed consisting of the milling, fashioning, joining, assembling, erecting, fastening or dismantling of all materials of wood, plastic, metal, fiber, cork, or composition and all other substitute materials, as well as the handling, cleaning, erecting, installing and dismantling of all machinery, equipment and all materials used by Carpenters.

The jurisdiction, therefore, extends over the following divisions and subdivisions of the trade: Carpenters and Joiners, Millwrights, Pile Drivers, Bridge, Dock and Wharf Carpenters, Underpinners, Timbermen, and Core-drillers, Shipwrights, Boat Builders, Ship-hand, Stair-Builders, Millmen, Wood and Resilient Floor Decorators, Floor Finishers, Carpet-layers, Shinglers, Siders, Insulators, Acoustic and Drywall Applicators, Sharers and House Movers, Loggers, Lumber and Sawmill Workers, Reed and Rattan Workers, Shingle Weavers, Casket and Coffin Makers, Railroad Carpenters and Car Builders, regardless of material used and all those engaged in the operation of woodworking or other machinery required in fashioning, milling or manufacturing of products used in the trade, and the handling, erecting and installing materials on any of the above divisions or sub-divisions, burning, welding and rigging incidental to the trade. When the term "Carpenter and Joiner" is used, it shall mean all the subdivisions of the trade. The trade autonomy of Carpenters therefore extends over the divisions and subdivisions of the trade, which are set forth as follows:

- (a) The framing, erecting and prefabrication of roofs, partitions, floors and other parts of buildings of wood, metal, plastic or other substitutes; application of all metal flashing used for hips, valleys and chimneys; the erection of Stran Steel section or its equal. The building and setting of all forms and centers for brick and masonry. The fabrication and erection of all forms for concrete and decking, the dismantling of same (as per International Agreement) when they are to be re-used on the job or stored for re-use. The cutting and handling of all falsework for fireproofing and slabs. Where power is used in the setting or dismantling of forms, all signaling and handling shall be done by carpenters. The setting of templates for anchor bolts for structural members and for machinery, and the placing, leveling and bracing of these bolts. All framing in connection with the setting or metal columns. The setting of all bulkheads, footing forms and the setting of and fabrication of, screeds and stakes for concrete and mastic floors where the screed is notched or fitted, or made up of more than one member. The making of forms for concrete block, bulkheads, figures, posts, rails, balusters and ornaments, etc.
- (b) The handling and erecting of rough material and drywall, the handling, assembly, setting and leveling of all fixtures, display cases, all furniture such as tables, chairs, desks, coat racks, etc., all de-mountable or moveable partitions such as Von wall, E Wall, Steel Case, Herman Miller, Haworth, American Seating, Westinghouse, Lazy Boy, rosewood, etc. All rebuilding, remodeling and setting up of all kinds of partitions, finished lumber, metal and plastic trim to be erected by Carpenters shall be handled from the truck or vehicle delivering same to the job by Carpenters.

STATE OF MICHIGAN  
*Informational Sheet: DTMB Prevailing Wages on State Projects*

---

**CARPENTER CRAFT JURISDICTION**

---

- (c) The building and moving of all scaffolding runways and staging where carpenters' tools are used, the building from the ground up of all scaffolds over fourteen (14) feet in height including metal and specially designed scaffolding. The building and construction of all hoists and derricks made of wood; the making of mortar boards, boxes, trestles, all shoring, razing and moving of buildings. Lift type trucks are to be considered a tool of the trade. Metal siding and metal roofing fall within the scope of jurisdiction for the carpenters.
- (d) The cutting or framing and fireproofing of the openings for pipes, conduits, ducts, etc., where they pass through floors, partitions, walls, roofs or fixtures composed in whole or in part of wood. The laying out of making and installation of all inserts and sleeves for pipes, ducts, etc., where carpenters' tools and knowledge are required. The making and installing of all wooden meter boards, crippling and backing for fixtures. The welding of studs and other fastenings to receive material being applied by carpenters.
- (e) The installation of all grounds, furring or stripping, ceilings and sidewalks, application of all types of shingling and siding, etc.
- (f) The installation of all interior and exterior trim or finish of wood, aluminum, kalamein, hollow or extruded metal, plastic, doors, transoms, thresholds, mullions and windows. The setting of jambs, bucks, window frames of wood or metal where braces or wedges are used. The installation of all wood, metal or other substitutes of casing, molding, chair rail, wainscoting, china closets, base of mop boards, wardrobes, metal partitions as per National Decisions or specific agreements, etc. The complete laying out, fabrication and erection of stairs. The making and erecting of all fixtures, cabinets, shelving, racks, louvers, etc. The mortising and application of all hardware in connection with our work. The sanding and refinishing of all wood, cork or composition floors to be sanded or scraped, filled, sized and buffed, either by hand or power machines. The assembling and setting of all seats in theaters, halls, churches, schools, auditorium, grandstands and other buildings. All bowling alley work.
- (g) The manufacture, fabrication and installation of all screens, storm sash, storm doors and garage doors; the installation of wood, canvas, plastic or metal awnings or eye shades, door shelters, jalousies, etc. The laying of wood, wood block and wood composition in floors.
- (h) The installation of all materials used in drywall construction, such as plasterboard, all types of asbestos boards, transite and other composition board. The application of all material which serves as base for acoustic tile, except plaster. All acoustical applications as per National Agreement or specific agreement.
- (i) The building and dismantling of all barricades, hand rails, guard rails, partitions and temporary partitions. The erection and dismantling of all temporary housing on construction projects.
- (j) The installation of rock wool, cork and other insulation material used for sound or weatherproofing. The removal of caulking and placing of staff bead and brick mold and all Oakum caulking, substitutes, etc., and all caulking in connection with carpentry work.
- (k) The installation of all chalk boards/marker boards.

**CARPENTER CRAFT JURISDICTION**

---

- (l) The operation of all hand operated winches used to raise wooden structures.
- (m) The erection of porcelain enameled panels and siding.
- (n) The unloading and distribution of all furnished, prefabricated and built-up sections such as door bucks, window frames, cupboards, cabinets, store fixtures, counters and show cases or comparably finished or prefabricated materials, to the job sites or points of installation as used in the construction, alteration and remodeling industry.
- (o) The handling of doors, metal, wood or composite, partitions and other finished bulk materials used for trim from the point of delivery.
- (p) All processing of these materials and handling after processing.
- (q) The making up of panels and fitting them into walls, all bracing and securing, all removal of panels from the casting including all braces, walers, hairpins, etc.
- (r) The handling and setting of all metal pans and sections from the stock piles of reasonable distance as required by job needs shall be performed by carpenters. The stripping of such metal pans, panels or sections is to be performed by carpenters.
- (s) The sharpening of all carpenter hand or power tools, or those used by carpenters.
- (t). The layout, fabrication, assembling of and erection and dismantling of all displays made of wood, metal, plastic, composition board or any substitute material; the covering of same with any type of material, the crating and un-crating, the handling from the point of unloading and back to the point of loading of all displays and other materials or components.
- (u) The same shall apply to all other necessary component parts used for display purposes such as turntables, platforms, identification towers and fixtures, regardless of how constructed, assembled or erected or dismantled.
- (v) The make-up, handling, cutting and sewing of all materials used in buntings, flags, banners, decorative paper, fabrics and similar materials used in the display decorative industry for draperies and back drops. The decorative framing of trucks, trailers and autos used as floats or moving displays. The slatting of walls to hand fabrics and other decorative materials, drilling of all holes to accommodate such installations. Setting up and removal of booths constructed of steel or aluminum tubing as stanchions, railings, etc., handling and placing of furniture, appliances, etc., which are being used to complete the booth at the request of the exhibitor. Fabricating and application of leather, plastic and other like materials used for covering of booths. The handling of all materials, fabricating of same. The loading and unloading, erecting and assembling at the exhibit of show area, also in or out of storage when used in booth decorations.

**CARPENTER CRAFT JURISDICTION**

---

- (w) A display shall be construed as any exhibit or medium of advertising, open to private or public showing, which is constructed of wood, metal, plastic or any other substitute to accomplish the objectives of advertising or displaying.
- (x) Handling, fitting, draping, measuring and installation of fixtures and other hardwares for draperies, all manner of making, measuring, repairing, sizing, hanging and installation of necessary fixtures and hardware for shades and Venetian blinds.
- (y) Work consisting of cutting and/or forming of all materials in preparation for installing of floors, walls and ceilings; the installation of all resilient floor and base; wall and ceiling materials to include cork, linoleum, prefabricated, laminated, rubber, asphalt, vinyl, metal, plastic, seamless floors and all other similar materials in sheet, interlocking liquid or tile form; the installation of all artificial turf, the installation, cutting and/or fitting of carpets; installation of padding, matting, linen crash and all preformed resilient floor coverings; the fitting of all devices for the attachment of carpet and other floor, wall and ceiling coverings; track sewing of carpets, drilling of holes for sockets and pins, putting in dowels and slats; and all metal trimmings used; the installation of all underlayments, sealants in preparation of floors, walls and ceilings, the unloading and handling of all materials to be installed and the removal of all materials in preparing floors when contracted for by the employer, shall be done only by employees covered under this Agreement.
- (z) The installation of all sink-tops and cabinets, to include all metal trim and covering for same. All cork, linoleum, congo-wall, linewall, veos tile, plexiglass, vinawall tile, composition tile, plastic tile, aluminum tile and rubber in sheets or tile form and the application thereof. All bolta-wall and bolta-wall tile and similar products.
- (aa) The handling and placing of all pictures and frames and the assembly of bed frames and accessories. The hanging and placing of all signage.
- (bb) The installation of all framework partitions and trim materials for toilets and bathrooms made of wood, metal, plastics or composition materials; fastening of all wooden, plastic or composition cleats to iron or any other material for accessories.
- (cc) The erection of cooling towers and tanks.
- (dd) The setting, lining, leveling and bracing of all embedded plates, rails and angles. The setting of all stay in place forms.
- (ee) Environmental: Clean room, any type of environmental chamber, walk in refrigerated coolers and all refrigerated rooms or buildings.

STATE OF MICHIGAN

**CARPENTER CRAFT JURISDICTION**

---

**PILE DRIVING AND CAISSON DRILLING**

(ff) All unloading, handling, signaling and driving of piles, whether wood, steel, pipe, beam pile, composite, concrete or molded in place, wood and steel sheeting, cofferdam work, trestle work, dock work, floating derricks, caisson work, foundation work, bridge work, whether old or new, crib work, pipe line work and submarine work. Cutting of all wood, steel or concrete pile, whether by machine or hand; welding and cutting, peeling, and heading of all wood pile, steel sheeting and wood sheeting. The erecting and dismantling of all pile driving rigs, also derricks whether on land or water; also the moving, shoring and underpinning of all buildings. The loading and unloading of all derricks, cranes and pile driving materials. The tending, maintenance and operation of all valves pertaining to the operation of driving of pile. All diving and tending essential to the completion of jurisdictional claims.

All work done in the established yards of the Company and all work not enumerated above, shall be handled and manned as the Employer decides.

The pile driver will unload all material shipped in by rail from the point that the rail car is spotted.

All cleaning and preparation of all piling prior to driving.

The welding and attachment of all boot plates, pile points, splice plates, connectors, rock crosses, driving crosses, driving rigs, point reinforcements and overboots.

The construction, reconstruction, repair, alteration, demolition and partial or complete removal of all marine work including, but not limited to, docks, piers, wharves, quays, jetties, cribs, causeways, breakwaters, lighthouses and permanent buoys, etc. (mixing and placing of concrete excepted).

The driving and pulling of all wood, steel and concrete foundation piles and sheet piling.

The heading, pointing, splicing, cutting and welding of all piles.

The placing of all wales, bolts, studs, lagging, rods and washers including the cutting, drilling, boring or breaking of all holes or openings thereof.

The removal of all materials and/or obstructions of any nature (rip-rap included) that retard or interfere with the driving of piles or with the placing of wales, bolts and rods.

### ***Informational Sheet: Prevailing Wages on DTMB Projects***

#### **REQUIREMENTS**

The purpose of establishing prevailing rates is to provide minimum rates of pay that must be paid to workers on Department of Technology, Management and Budget (DTMB) construction projects that are financed or financially supported by the state. Prevailing rates are compiled from the rates contained in collectively bargained agreements which cover the locations of the state projects. While the DTMB prevailing wage rates are compiled through surveys of collectively bargained agreements, a collective bargaining agreement is not required for contractors to be on or be awarded state projects. The prevailing rate schedule provides an hourly rate which includes wage and fringe benefit totals for designated construction mechanic classifications. The overtime rates also include wage and fringe benefit totals. Please pay special attention to the overtime and premium pay requirements. The DTMB prevailing wage is satisfied when wages plus fringe benefits are equal to or greater than the required rate.

#### **State of Michigan responsibilities:**

- The department establishes the prevailing rate for each classification of construction mechanic requested by DTMB prior to contracts being let out for bid on a state project.

#### **DTMB responsibilities**

- If a contract is not awarded or construction does not start within 90 days of the date of the issuance of rates, a re-determination of rates must be requested by DTMB
- Rates for classifications needed but not provided on the DTMB Prevailing Rate Schedule, **must** be obtained **prior** to contracts being let out for bid on a state project.

#### **Contractor responsibilities:**

- Every contractor and subcontractor shall keep posted on the construction site, in a conspicuous place, a copy of all prevailing rates prescribed in a contract.
- Every contractor and subcontractor shall keep an accurate record showing the name and occupation of and the actual wages and benefits paid to each construction mechanic. This record shall be available for reasonable inspection by DTMB or the department.
- Each contractor or subcontractor is separately liable for the payment of the prevailing rate to its employees.
- The prime contractor is responsible for advising all subcontractors of the requirement to pay the prevailing rate prior to commencement of work.
- A construction mechanic *shall only* be paid the apprentice rate if registered with the United States Department of Labor, Bureau of Apprenticeship and Training and the rate is included in the contract.

#### **Enforcement:**

A person who has information of an alleged prevailing wage violation on a DTMB project may file a complaint with the State of Michigan. The department will investigate and attempt to resolve the complaint informally. During the course of an investigation, if the requested records and posting certification are not made available in compliance with contractual requirements, the State may consider the Contractor to be in material breach of the contract and may terminate the contract for cause at the States sole discretion.

FOIA Request for prevailing wage directive

Pursuant to the Michigan compiled Laws Section 15.231 et seq., and any other relevant statutes or provisions of your agency's regulations I am making the following Freedom of Information Act request.

- The executive directive issued by Governor Whitmer requiring the Department to implement prevailing wage requirements for state construction projects.

To assist you in your search, this action was announced by Governor Whitmer on October 7, 2021.

See, <https://www.michigan.gov/whitmer/0,9309,7-387-90499-569931--,00.html>. The directive was also mentioned in contemporaneous media coverage. See, <https://www.freep.com/story/news/politics/elections/2021/10/07/whitmer-prevailing-wage-michigan-union/6032968001/>.

I request this information be delivered via email.

## FREEDOM OF INFORMATION ACT (FOIA) RESPONSE

October 25, 2021

Mr. Jarrett Skorup  
140 W. Main St.  
Midland, Michigan 48640

Dear Mr. Skorup:

This notice is in response to your request dated October 20, 2021 (attached), for information under the Freedom of Information Act (FOIA), MCL 15.231 *et seq.* Your request was received by the Department of Technology, Management and Budget on October 21, 2021.

You requested:

1. The executive directive issued by Governor Whitmer requiring the Department to implement prevailing wage requirements for state construction projects.

The following action has been taken in response to your request:

**REQUEST DENIED.** It is hereby certified that, to the best of the undersigned's knowledge, information, and belief, records do not exist within the Department of Technology, Management and Budget, under the description you provided or under another name reasonably known to the department.

**As to the denial determination, pursuant to section 10 of the FOIA, you may do either of the following:**

1. Appeal this decision in writing to the Director of the Department, Julia Dale, Elliott-Larsen Building, 320 South Walnut, P.O. Box 30026, Lansing, Michigan 48909. The writing must specifically state the word "appeal" and must identify the reasons you believe the denial should be reversed. The head of the department must respond to your appeal within 10 business days of its receipt. Under unusual circumstances, the time for response to your appeal may be extended by 10 business days.

RECEIVED by MCOOC 7/21/2022 11:53:17 AM

**Mr. Jarrett Skorup**

October 25, 2021

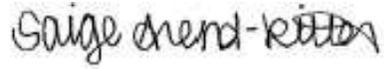

Page 2 of 2

2. File an action in the Court of Claims within 180 days after the final denial determination. If you prevail in such an action the court is to award reasonable attorney fees, costs, disbursements, and possible damages.

**ADDITIONAL COMMENTS:**

The Department's written procedures and guidelines and a summary can be viewed at:  
[www.michigan.gov/foia-dtmb](http://www.michigan.gov/foia-dtmb).

Sincerely,

Saige Arend-Ritter

## FREEDOM OF INFORMATION ACT (FOIA) RESPONSE

May 12, 2022

Mr. Jarrett Skorup  
140 W. Main St.  
Midland, Michigan 48640

Dear Mr. Skorup:

This notice is in response to your request dated March 2, 2022 (attached), for information under the Freedom of Information Act (FOIA), MCL 15.231 *et seq.* Your request was received by the Department of Technology, Management and Budget on March 3, 2022. A statutorily-permitted extension of time to respond, was taken through March 24, 2022.

You requested:

1. Any instruction from Governor Whitmer to the Department of Technology, Management, and Budget (DTMB) regarding prevailing wage requirements.
2. The executive directive issued by Governor Whitmer requiring the Department to implement prevailing wage requirements for state construction projects.
3. Any document with DTMB which demonstrates their ability to enforce "prevailing wage" requirements.

On March 23, 2022 DTMB sent an invoice requesting the deposit amount of \$346.30 to begin the processing of this request. The deposit was received on March 31, 2022. The DTMB is accepting this amount as payment in full and no balance is due.

The following action has been taken in response to this request:

**REQUEST GRANTED IN PART, DENIED IN PART**, as follows:

Request Granted In Part. As to items 1 and 3 listed above, responsive documents non-exempt from disclosure, are being mailed to you on a flashdrive. Please use Skorup\_MC2022 to unlock it.

Request Denied In Part. As to item 2 listed above, it is hereby certified that, to the best of the undersigned's knowledge, information, and belief, records do not exist within the

RECEIVED by MCCOC 7/21/2022 11:53:17 AM

**Mr. Jarrett Skorup**

May 12, 2022

Page 2 of 3

department under the description you provided or under another name reasonably known to the department.

As to item 3 listed above, redactions have been made under the following statutory exemptions:

MCL 15.243(1)(g) – "Information or records subject to the attorney-client privilege."

MCL 15.243(1)(m) – "Communications and notes within a public body or between public bodies of an advisory nature to the extent that they cover other than purely factual materials and are preliminary to a final agency determination of policy or action. This exemption does not apply unless the public body shows that in the particular instance the public interest in encouraging frank communication between officials and employees of public bodies clearly outweighs the public interest in disclosure."

In further explanation, the attorney client privileged parts of records are readily noted within the enclosed documents.

As to the deliberative process privilege recognized under MCL 15.243(1)(m), the exempted material is composed of non-factual, deliberative opinions and candid communications of agency employees. Thus, to encourage such communications of agency employees, the statute allows the exemption; however, the factual parts of the communications remain intact.

**As to the partial denial determination, pursuant to section 10 of the FOIA, you may do either of the following:**

1. Appeal this decision in writing to the Acting Director of the Department, Michelle Lange, Elliott-Larsen Building, 320 South Walnut, P.O. Box 30026, Lansing, Michigan 48909. The writing must specifically state the word "appeal" and must identify the reasons you believe the partial denial should be reversed. The head of the department must respond to your appeal within 10 business days of its receipt. Under unusual circumstances, the time for response to your appeal may be extended by 10 business days.
2. File an action in the Court of Claims within 180 days after the final denial determination. If you prevail in such an action the court is to award reasonable attorney fees, costs, disbursements, and possible damages.

**ADDITIONAL COMMENTS:**

The Department's written procedures and guidelines and a summary can be viewed at: [www.michigan.gov/foia-dtmb](http://www.michigan.gov/foia-dtmb).

MACKINAC LEGAL CENTER FOUNDATION

July 21, 2022

Clerk of the Court of Claims
Hall of Justice
925 W. Ottawa St.
Lansing, MI 48909

RE: Written Claim per MCL 600.6431 against the Department of Technology, Management & Budget

Dear Clerk:

This verified letter is to fulfill the requirements of MCL 600.6431(1) as a written notice against Department of Technology, Management & Budget ("DTMB") for a claim by ABC of Michigan.

On or about October 21, 2021, the Governor announced that the DTMB would reinstate the policies of a repealed law. The policies where rules related to the amount of wages that were mandated on contractors submitting bids on government contracts. Such a policy had been in place before and had been enacted by legislation. But the policy and legislation in question was repealed by legislative action.

This policy was then implemented by the DTMB. The policy injures the contractors who are members of plaintiff ABC of Michigan. It denies contracts to those who pay wages that are less than the prevailing wage, or who use different and innovative job classifications.

ABC of Michigan claims that the unilateral implementation of such a policy by an administrative agency without explicit legislative authority is a violation of the separation of powers doctrine, and violates Michigan's Constitution. Further, DTMB also did not follow the usual rule making process under the Administrative Procedures Act. As such, the policies are invalid and void.

ABC seeks an injunction and declaratory relief against DTMB, along with any costs and/or attorneys fees that the court sees fit to grant.

Sincerely,

Handwritten signature of Jimmy E. Greene in blue ink.
