THE CHARTER TOWNSHIP OF WEST BLOOMFIELD

AND

POLICE OFFICERS ASSOCIATION OF MICHIGAN

January 1, 2017 to December 31, 2021

PREAMBLE

THIS AGREEMENT, entered into this 19th day of October, 2017, effective January 1, 2018 between the TOWNSHIP OF WEST BLOOMFIELD, Michigan, (hereinafter referred to as the "Township"), and Police Officers Association of Michigan (hereinafter referred to as the "Union").

WHEREAS, the Parties recognize that the interest of the community and the job security of the employees depend upon the Township's success in establishing a proper service to the public; and

WHEREAS, the Township and Union have bargained collectively in accordance with Michigan Public Act 379, MPA of 1965, as amended, and have reached certain agreements with respect to wages, hours and other terms and conditions of employment with respect to the bargaining unit as defined herein; and

WHEREAS, the TOWNSHIP and the UNION now desire to execute a written agreement which incorporates their agreements.

NOW, THEREFORE, the parties hereto mutually agree as follows:

ARTICLE 1

RECOGNITION

1.1: The Township hereby recognizes the Union as the exclusive bargaining representative as defined in Section 11 of Act 379, Public Acts of 1965, for the duration of this Agreement for all regular full time patrol officers but excluding all police reserves or auxiliaries, all confidential employees, all civilian clerk dispatchers, the Chief of Police, all lieutenants and sergeants and all other Township employees.

1.2: Unless otherwise indicated, the term "employee" when used in this Agreement will refer to all employees in the unit for bargaining as defined in Section 1.1.

1.3: The Township agrees not to negotiate for the duration of this Agreement with any other labor organization other than the Union designated as the representative pursuant to Act 379 of the Michigan Public Acts of 1965, with respect to the employees in the unit defined in Section 1.1. Nothing contained herein shall be construed to prevent any individual employee from presenting a grievance and having it adjusted without intervention of the Union if adjustment is not inconsistent with the terms of this Agreement provided that the Union has been given an opportunity to be present at such adjustment.

1.4: The recognition of the Union by the Township is limited to those matters for which a labor organization is entitled to bargain under Act 336, P.A. 1947, as amended. The Union is not authorized to interfere in any way with the operation of the Police Department, including, but not limited to, the enforcement of the law, the investigation of crimes and misdemeanors, the writing and filing of reports, the questioning or taking of statements from witnesses, or any other function performed by the police department in the furtherance of its duties, provided, however, that this clause shall not prevent the Union from filing and prosecuting a grievance in accordance with the provisions of this Agreement. In no way does this Section cause any employee or group of employees to waive any rights which are guaranteed under State and Federal laws.

ARTICLE 2

MANAGEMENT RIGHTS CLAUSE

2.1: The Township Board on its own behalf and on behalf of its electors hereby retains and reserves unto itself without limitation all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and the United States. - J. To establish and change work schedules, work standards and the methods, processes and procedures by which such work is to be performed;
- K. To discipline, suspend and discharge employees for cause;
- L. To carry out cost and general improvement programs;

It is understood that the rights, powers, authorities, duties and responsibilities provided in this Article are limited by the express provisions of this Agreement.

It is agreed that these enumerations of management prerogatives shall not be deemed to exclude other prerogatives not enumerated and except as specifically abridged, deleted, modified or granted by this Agreement all of the rights, powers and authority the Township had prior to the signing of this Agreement are retained by the Township and remain exclusively and without limitation within the rights of the Township.

2.2: Nothing contained herein shall be construed to deny or restrict the Township of its rights, responsibilities and authority under the laws of the State of Michigan or any other national, state, county, district or local laws or regulations as they pertain to conducting the affairs of the Township.

2.3: Except as expressly provided by the terms of this Agreement, the determination and administration of Township policy, the operation of the Township and the direction of the Employees are vested exclusively in the Board or in the Supervisor when so delegated by the Board. The exercise of judgment and discretion by the Board and its administrators not in conflict with the expressed terms of this Agreement shall be upheld.

ARTICLE 3

REPRESENTATION

3.1: The Township recognizes the right of the Union to designate one (1) Chief Steward and one (1) Alternate who shall be regular seniority employees of the Department. The Alternate may exercise the rights of a Steward set forth in this Article only in the event that the Steward is absent from work.

3.2: The Township will recognize the Steward or Alternate when his name and position has been certified in writing by the Union to the Chief of Police and the Township Supervisor.

3.3: The Steward (or Alternate) or the Union President shall be permitted reasonable time during regular working hours to present contract grievances and meet with Township representatives as provided in Article 6 - Grievance Procedure and to attend grievance arbitration hearings, upon having received permission from the Chief of Police or his designee. It is understood that such time shall be devoted to the proper presentation of grievances and the privileges of this Section shall not be abused.

3.4: All necessary time lost by the Union Steward (or Alternate) or the Union President during his regular straight time shift because of grievance presentation in accordance with Section 3.3 of this Article, shall be paid for by the Township at the employee's regular straight time hourly rate.

3.5: The Union, its Officers, Stewards and Alternates, shall not assume unauthorized supervisory authority or advise or direct employees to disregard the instructions of supervision or engage in any activity prohibited by Article 7 - No Strike Clause.

3.6: A copy of a new or changed Police Department order, general order, rule, regulation or training bulletin will be made available to the Chief Steward.

3.7: Duly authorized representatives of the Union and employees may be allowed to use rooms designated by the Township for meetings and to transact official union business upon prior written approval of the Township Supervisor or Chief of Police or other designated Township representatives. Unless otherwise specifically provided in this Agreement, employees will not be compensated for any lost work time. The meeting will not displace any previously scheduled meetings and shall not interfere with or interrupt normal Township operations.

ARTICLE 4

DUES CHECK OFF

4.1: During the life of this Agreement, the Township agrees to deduct union membership dues levied in accordance with the constitution and by-laws of the Union from the pay of each employee who executes and files with the Township Clerk a written authorization for such deductions. Such authorization form shall be prepared and furnished to the employees by the Union and shall, as a minimum, recite that the Township is authorized to deduct Union dues in effect from time to time from the pay of the particular employee and forward such sum to the Union in accordance with the terms of this Contract. The Union is to notify the Township as to the amount of the Union dues and of any changes; said notification to be made at least thirty (30) days before said dues are to be deducted.

4.2: The Township shall have no responsibility for the collection of initiation fees, special assessments or any other deduction not in accordance with this Article.

4.3: A properly executed copy of the authorization for deduction of dues shall be delivered to the Township Clerk by the employee before any payroll deductions are made. Deductions shall be made thereafter effective at the time the application is delivered to the Township Clerk and be deducted from the second pay of the month and each month thereafter, provided that the authorization form shall be delivered prior to the fifteenth of the month in which the first deduction is to be made.

4.4: Deduction for any calendar month shall be remitted to the designated financial officer of the local union as soon as possible after the tenth day of the following month.

4.5: Authorization for deduction of dues shall be irrevocable by the employee during the term of this contract or any renewal hereof, unless the employee cancels his authorization within ten (10) days prior to the expiration of the contract or any renewal hereof. Deductions of membership dues shall terminate with respect to any employee who is no longer a member of the bargaining unit.

4.6: The Township shall not be liable to the Union or to the employees by reason of any error or neglect involving the improper deduction of or failure to deduct union dues in accordance with this contract and the Union agrees to hold the Township harmless from all liability to which the Township may be put by reason of its voluntary agreement to deduct said dues. The Union shall indemnify and save the Township harmless from any and all claims, demands, suits or any other action arising from these provisions.

ARTICLE 5
DEPARTMENT RULES

5.1: The Township may adopt, publish, change, amend and enforce reasonable rules and regulations for all employees not in conflict with the terms of this Agreement governing discipline, health and safety, duties, rules of conduct and work rules.

ARTICLE 6

GRIEVANCE PROCEDURE

6.1: Employee Rights: Nothing in this Article shall prevent any individual employee from exercising the rights granted to him under Section 11 of Act 336 of the Public Acts of 1947, as amended, or under the West Bloomfield Township Ordinance No. 18-16 through 18-25.

6.2: Grievance Definition: For the purpose of this contract a grievance is defined as an alleged violation of this contract.

6.3: Grievance Procedure: The following procedure shall be followed in presenting a grievance to the Township:

STEP ONE: If an employee feels he has a grievance, he shall, within seven (7) working days of the time the alleged violation occurred, (or within seven (7) working days of the time when the employee should have reasonably known of the alleged violation) present the grievance orally to the Chief of Police or his designee. Unless the Chief of Police or his designee determines otherwise, the meeting will occur immediately before the end of the employee's work shift. The employee's Union representative may be in attendance if the employee so requests. The Chief of Police or his designee will submit his verbal answer within seven (7) working days after its presentation.

If the grievance is not satisfactorily adjusted, the employee may submit a written grievance at Step Two.

STEP TWO: If the grievance is not resolved in Step One, the employee may reduce his grievance to writing on a grievance form provided by the Union and present the grievance to the Chief of Police, or his designated representative, for a written answer. The written grievance shall be filed within seven (7) working days of the Step One answer. It shall name the employee(s) involved, shall state the facts giving rise to the grievance, shall identify the Articles and Sections of this Agreement alleged to be violated by appropriate reference, shall state the contention of the employee and of the Union with respect to these provisions, shall indicate the relief requested, and shall be signed by the employee.

Failure to comply with this requirement shall render the grievance null and void. The Chief of Police, or his designated representative, shall give the employee an answer in writing no later than seven (7) working days after receipt of the written grievance.

STEP THREE: If the grievance is not resolved in Step Two, the Union may, within seven (7) working days after the receipt of the answer in Step Two, appeal the grievance to the Township Supervisor.

The appeal shall be in writing and it shall include the written grievance and the Chief of Police's answer and shall specify the basis of the appeal. A copy of the appeal shall be sent to the Chief of Police. The Union may, at the same time the written appeal is filed, submit a written request to the Township Supervisor for a meeting between the Union and the Township Supervisor, or his designated representative, to attempt to resolve the grievance. The meeting will be at a mutually agreeable time and will take place within seven (7) working days after receipt of the written appeal and the request for a meeting. The Township

Supervisor, or his designated representative, shall give the Union an answer in writing no later than seven (7) working days after receipt of the written appeal. Additional time may be allowed by mutual written agreement of the Township and the Union.

STEP FOUR: If the grievance is not resolved at Step Three of the Grievance Procedure, and if it involves an alleged violation of a specific Article and Section of the Agreement, the Union may submit the grievance to the American Arbitration Association with written notice delivered to the Township Supervisor within fourteen (14) days after receipt of the Township Supervisor answer in Step Three, or, the day such answer was due. If no such notice is given within the prescribed period, the last answer shall be final and binding on the Union, the employee(s) involved and the Township.

A grievance not processed within the applicable time limits shall not be arbitrable.

6.4: Any grievance not filed within the prescribed time limit, or not advanced to the next Step by the employee or the Union within the time limit in that Step, shall be deemed abandoned. If the Township does not answer a grievance within the time limits prescribed in this Article, the grievance will be considered automatically referred to the next step of the Grievance Procedure. Time limits may be extended by the Township and Union in writing; then the new date shall prevail. Appeals not made within the specified time periods shall be barred.

6.5: A grievance may be withdrawn by the employee or the Union Steward but, if withdrawn, it shall not be reinstated.

6.6: The Arbitrator shall have no power to go beyond the scope of the grievance as filed in writing. The Arbitrator shall have no power to substitute his discretion in cases where the Township is given sole discretion to act by this Agreement or by any supplement or amendment thereto. In the event the Arbitrator decides he has no power to decide or rule on an issue, he shall so rule and the matter shall be referred back to the parties.

6.7: It shall be the function of the Arbitrator, and he shall be empowered, except as his powers are limited below, after proper hearing, to make a decision in cases of alleged violation of the specific Articles and Sections of this Agreement.

- A. He shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
- B. He shall have no power to establish salary scales or change any salary.

If either party disputes the arbitrability of any grievance under the terms of this Agreement, the Arbitrator shall first determine the question of arbitrability. In the event that a case is appealed to an Arbitrator on which he has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

If the Arbitrator's decision is within the scope of his authority as set forth above it shall be final and binding on the Union, its members, the employee or employees involved, and the Township.

The fees and expenses of the Arbitrator shall be shared equally by the Township and the Union. All other expenses shall be borne by the party incurring them.

Claims for Back-Pay: The Township shall not be required to pay back wages for more than seven (7) days prior to the date a written grievance is filed.

- A. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any compensation that he may have received from any source during the period of back pay.
- B. No decision in any one case shall require a retroactive wage adjustment in any other case.

6.8: At the time of the Arbitration Hearing, both the Township and the Union shall have the right to call any employee as a witness and to examine and cross examine witnesses. Each party shall be responsible for the expenses of the witnesses that they may call. Upon request of either the Township or the Union, or the Arbitrator, a transcript of the hearing shall be made and furnished by the Arbitrator with the Township and the Union having an opportunity to purchase their own copy. At the close of the Hearing the Arbitrator shall afford the Township and the Union a reasonable opportunity to furnish Briefs. The Arbitrator will render his decision within thirty (30) days from the date the Hearing is closed or the date the parties submit their Briefs, whichever date is later.

6.9: Any agreement reached between management and Union representative(s) is binding on all employees affected and cannot be changed by an individual.

6.10: The sole remedy available to any employee for any alleged breach of this Agreement or any alleged violation of his rights hereunder will be pursuant to the Grievance Procedure; provided that if any employee elects to pursue any legal or statutory remedy such election will bar any further or subsequent proceedings for relief under the provisions of this Article.

6.11: Grievance Form: The Union shall furnish grievance forms. This form shall be used in filing a grievance. One copy of the form shall be the property of the employee filing the grievance. When filing a grievance, the Union and/or employee will be required to submit information at each step of the Grievance Procedure.

6.12: Work days for the purposes of this Article, shall be Monday, Tuesday, Wednesday, Thursday, and Friday, excluding observed holidays.

6.13: A matter involving several officers and the same question may be submitted by the Union as a policy grievance and entered directly at the Second Step of the Grievance Procedure. The Union shall list the names of the employees involved. Separate grievances, timely filed under the Grievance Procedure, arising out of the same or similar set of facts or incidents shall be consolidated and handled as one grievance.

6.14: In cases of disciplinary action which result in a written reprimand, the loss of time or money, the employee may appeal from the Police Chief's decision to grievance procedure at Step 2.

ARTICLE 7

NO STRIKE CLAUSE

7.1: The Union shall not cause, authorize, permit, sanction or condone nor shall any member of the Union take part in any strike, sit down, stay in, slow down, work stoppage, curtailment of work, concerted improper use of paid leave time, restriction of work or interference with the operations of the Township, including a labor dispute between the Township and any other labor organization. The Union shall not cause nor permit its members to cause, nor shall any member of the Union engage in, any strike or restriction of work or refusal to perform work because of a labor dispute between the Township or any employer and any other labor organization whether or not the other labor organization establishes a picket line.

7.2: In the event of such prohibited conduct the Union shall immediately instruct the involved employees in writing with a copy to the Township that their conduct is in violation of the contract and that they may be disciplined and/or discharged and further shall instruct all persons to (and take steps to see that all such persons) immediately cease the offending conduct. The Union further agrees that the Township shall have the right to discipline (including discharge) any or all employees who violate this Article.

7.3: In the event of a violation of this Article, the Township shall have the right, in addition to the foregoing and any other remedies it may have, to obtain injunction relief.

ARTICLE 8 SENIORITY

8.1: New employees hired into the bargaining unit shall be considered as probationary employees for the first eighteen (18) months of their employment. When an employee finishes the probationary period, within not more than eighteen (18) months, his name shall be entered upon the seniority list and he shall be given a seniority date twelve (12) months or eighteen (18) months prior to the date he completed his probationary period as the case may be. There shall be no seniority among probationary employees. Seniority will be based on the date of hire. If the date of hire is the same, then seniority shall be based on the final standing on the eligibility list at time of hire.

8.2: Union Representation for Probationary Employees. The Union shall represent probationary employees for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in this Agreement, except that the Union shall not represent probationary employees with respect to discharge or discipline by the Township for other than Union activity.

8.3: An employee shall be terminated and lose his seniority rights if he:

- A. Quits.
- B. Is discharged and not reinstated.
- C. Is laid off for a period of more than two (2) years.
- D. Is absent without a reasonable excuse acceptable to the Township for two (2) consecutive working days and without notice to the Township of such excuse within the two (2) days or a reasonable excuse for failing to so notify the Township within the two (2) days.
- E. Fails to return from a leave of absence, vacation or sick leave at the designated time without a reasonable excuse.
- F. Retires.

8.4: Change of Address: It shall be the responsibility of each employee to notify the Township Personnel Director's Office of any change of address or telephone number within seven (7) calendar days. The employee's address and telephone number as it appears on the Township's records shall be conclusive when used in connection with the layoffs, recalls, or other notices to employees. This information is for the official use of the Township and will be kept confidential.

ARTICLE 9 LAYOFFS AND RECALLS

9.1: A layoff is a reduction in the working force.

9.2: Procedure: In the event of a layoff the following procedure shall be followed:

- A. Probationary employees will be first to be laid off.
- B. Employees holding seniority will then be laid off according to seniority as defined in Article 8.

ARTICLE 31

SCOPE OF AGREEMENT

31.1: The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Township and the Union for the life of this Agreement, each voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement and with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge and contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

31.2: This Contract includes each and every agreement entered into between the Township and the Union with respect to those subjects for which the Union is authorized to act as a representative of the bargaining unit. Matters not specifically included within the Contract shall be governed by the provisions of the West Bloomfield Township Police Protection Ordinance, Ordinance No. 18-16 through 18-25, as it is from time to time amended, and the Rules and Regulations as are from time to time promulgated thereunder. Additions to, modifications and/or deletions from the provisions of Ordinance No. 18-16 through 18-25 and the Rules and Regulations promulgated thereunder will be adopted at Township Board meetings. The right to hire, promote, discharge or discipline and to maintain discipline and efficiency of employees, is the sole responsibility of the employer except that union members shall not be discriminated against as such. The work schedules, methods and means of departmental operation are solely and exclusively the responsibility of the employer.

31.4: Nothing in this Contract shall be held to conflict with the laws of the United States and the State of Michigan relating to veterans preferences, wage and hour laws, workers' compensation or other similar laws, it not being intended hereunder to limit the rights of employees afforded by such laws in any way.
