- D. Members of the Association shall have the right to use school building facilities and equipment when available and according to school board policy.
- E. **Employee Representation.** The parties expressly recognize the right to each employee to freely join or refrain from joining the Association and no employee shall be discriminated against by reason of his/her joining or refusing to join the Association. The Association is required by law to represent all employees in the bargaining unit fairly and equally without regard to an employee's Association membership. Therefore, it is agreed that upon the completion of the probationary period, a representation fee shall be deducted from the pay of each employee, except as hereinafter provided, without any separate employee authorization, to be used for the purposes and on the conditions herein set forth.

The provisions of Sections E-J of this Article shall apply to all employees who were members of the Association as of July 1, 1984, and to all new employees after July 1, 1984.

- F. **Representation Fee Selection.** Each employee shall select one of the following representation fee options:
 - 1. **Association Membership Fee.** The fee shall be the dues uniformly required of members of the Association.
 - 2. **Agency Service Fee.** The fee shall be the amount certified by the Association as the proportionate member cost directly attributable to the costs of collective bargaining representation, administration of this Agreement, and claim adjustments, which fee shall not be greater than the dues uniformly required of members of the Association in the same classification.
 - 3. **Charitable Organization Fee.** If the employee expresses to the Association in writing that he/she has such a personal conviction which forbids the joining or supporting of a labor union (or similar organization), the fee shall be in the same amount as the agency service fee and shall be paid to a non-union, non-religious charitable organization mutually agreed upon by the employee and the Association in accordance with procedures hereinafter set forth.

If an employee fails to make a selection, he shall be deemed to have selected the payment of the agency service fee. The representation fee selected by the employee shall remain in effect until revoked by the employee in writing.

- G. **Service and Organizational Fee Employees.** Each employee who has paid a representation fee shall be entitled to representation by the Association on the same terms and conditions as members of the Association, including, but not limited to, the administration of the Contract Enforcement Procedure. In addition, any such employee shall have the right to receive all communications received by the Association members concerning the administration or negotiation of the Collective Bargaining Agreement.

H. **Payroll Deduction.** The Association shall prior to September 1 of each year certify in writing to the employer the total amount of annual dues to be deducted from the pay of each employee electing to pay the Association membership fee or the agency service fee, which dues shall be deducted in twenty (20) substantially equal monthly installments from the first two payrolls of each month beginning with the first or second payroll in September. The employer shall electronically transmit within ten (10) days the total aggregate deductions made to the Association bank account designated by the Association Treasurer in writing, subject to any escrow retention by the employer. The employer shall also transmit to the Association Treasurer a list specifying the amount deducted from each employee for the payroll. The employer assumes no responsibility for any error in making deductions other than to correct such errors in any subsequent deductions. In the event of overpayment, the Association agrees to refund any such overpayment within twenty (20) days from notice thereof.

In the case of any employee who elects the charitable organization fee option, the employee shall pay such fee directly to the organization mutually agreed upon by the employee and the Association and furnish a copy of the receipt thereof to the Association, provided, however, that the employee may authorize a payroll deduction in accordance with procedures established by the employer. If an employee electing such option shall not pay the fee directly to the charitable organization or authorize payment through deductions, the Association shall have the right to pursue collection of fee by appropriate action in a court of competent jurisdiction. In no event shall the employer be a party to such collection action.

I. **Prohibited Fees.** A representation fee shall not be used for matters not permitted by law. If the Association shall materially violate this provision, the employer shall have the right, on thirty (30) days written notice to the Association, to terminate any further deductions.

J. **Indemnification.** The Association assumes full responsibility for the validity and legality of the provisions herein set forth. If any action is brought against the employer in a court of competent jurisdiction or in an administrative agency because of its application of this article, the Association expressly agrees to defend such action, at its own expense and through its own counsel, and to indemnify the employer, its officers, agents or employees, for any costs or damages which may be assessed against all or any of them regarding the application of this article, provided that the employer gives timely notice of such action to the Association.

K. The Association shall be granted up to five (5) days or 40 total hours of leave during which an Association member may conduct Association business. ARTICLE XVII - VACATIONS AND HOLIDAYS

- A. Paid vacation time is computed on the vacation year from July 1 to June 30. Vacation will be granted to non-probationary employees on July 1 each year and to other employees after successfully completing the probationary period.

B. Paid vacation time shall be calculated on a member's normal work week exclusive of overtime and additional summer hours. A member's normal work week shall be defined as the number of hours per week the member is regularly scheduled to work during a five (5) day week when school is in session. Vacation will be prorated for members working 20 hours or more per week (hours per day basis) and/or less than 52 weeks per year (weeks per year basis) will also be prorated.

15 years or more	20 work days	15 work days

2. First year bargaining members, who are scheduled to work 52 weeks, shall from their date of successfully completing their probationary period to June 30 earn paid vacation time as follows:

2. It is specifically recognized that all requests may be denied for certain periods of the year such as two (2) weeks before school starts, Christmas vacation, spring vacation, or other times determined by the Buildings and Grounds supervisor.
3. Alternative work schedules for Christmas Break, Spring Break, and Summer Break may be arranged by mutual consent of the Buildings and Grounds Supervisor and member without affecting the amount of vacation granted. Alternative schedules must be documented before December 15 for Christmas Break, March 15 for Spring Break, and June 1 for Summer Break. Vacation time for scheduled work days on the alternative work schedule will be deducted on an hourly basis as taken
