ARTICLE VI
SENIORITY

A. Probationary Period

1. A newly hired employee shall be on probationary status for ninety (90) calendar days, taken from and including the first day of regular employment. 3. Probationary employees shall be represented by the association for all purpose under this Agreement during the probationary period, except that the discipline up to and including termination or evaluation of such probationary employee(s) shall not be subject to the grievance procedure.

4. There shall be no seniority among probationary employees.

B. Unit Seniority

Unit seniority shall be defined as the total length of service within one or both of the classifications as defined below:

1. Aide/Paraprofessional
2. Bus Driver

If an employee moves from one classification to another, the seniority in the previous classification shall be frozen. Seniority may not be transferred from one classification to another.

C. Classification Seniority Defined

Classification seniority shall be defined as length of service within a classification included in the bargaining unit.

D. Seniority Lists

The Employer shall prepare, maintain, and post the seniority list (See Attachment #2). By October 1, each school year, a copy of the seniority list and subsequent revisions shall be furnished to each bargaining unit member and to the Association. In the absence of a timely objection, the Employer's seniority list will be considered conclusive.

1. Seniority will be established by the official date of hire by the Board of Education. The administration shall prepare a seniority list and distribute to each bargaining unit

member via email. The initial seniority list for each year shall be distributed on or before October 30 of each year of this contract.

2. In the event that two (2) or more JESPA members are hired on the same date, a draw for seniority will take place within 10 days of the hire date. The JESPA President (or designee), the Superintendent and the newly hired JESPA members shall be present for the draw. The members hired on the same date will draw numbers. The member drawing "1" (one) will be ranked highest on the seniority list; the member drawing "2" (two) will be ranked after "1" (one) will be ranked highest on the seniority list; the member drawing "2" (two) will be ranked after "1" and so forth. Upon the completion of the draw for seniority, the district has ten (10) working days to produce a newly updated seniority list.

3. The new seniority list will then be provided to the JESPA members. Any corrections or objections to the new list must be given to the Superintendent within fifteen (15) working days to correct said list.

4. In the event that changes or modifications are made to the first printing (December 15) of the seniority list, a new list will be given to the members.

E. <u>Seniority Shall Be Lost for The Following Reasons</u>:

1. The employee quits.

2. The employee retires.

3. The employee discharged and not reinstated through the grievance procedure or other legal remedy.

4. If an employee transfers to a non-bargaining unit position, seniority shall be lost after one (1) year. During this year the ESP position shall be filled temporarily because the member may return to the same position should they decide to. During this year seniority in the bargaining unit shall be frozen.

5. The employee is laid off for more than 24 consecutive months.

ARTICLE VII
VACANCIES AND TRANSFERS

A. Definition

There are two classifications: Drivers and Para Professionals. A vacancy shall be defined as a newly created position within a classification represented by the Association in this bargaining unit or a present position within a classification represented by the Association in this bargaining unit which position becomes vacant by reason of the permanent separation (resignation, retirement, death, discharge) of the employee formerly in said position. No vacancy shall exist for purposes of this Article unless and until the Employer shall determine to fill any such position, which determination shall be within the sole discretionary authority of the Employer.

B. Posting

1. Notices of all vacancies and newly created positions shall be posted within one day period from the date of vacancy for a period of five (5) workdays for application by internal and external applicants prior to the permanent filling of the position. Vacancies which occur during non-school months shall be made known to the employees via email. Then the above procedure shall apply. There shall be no requirement to post vacancies, as defined, where the position may be filled by return of an employee from a leave of absence or by recall from layoff.

2. Employees may apply for a vacant position by filing a bid letter with the Superintendent of Schools or his/her designee within the applicable position period.

C. Filling Vacancies

Vacancies shall be filled with the most senior qualified applicant from within the affected classification. For the purpose of this provision "classification" shall mean either aide or bus driver. For bus drivers, qualified shall mean state and federally certified. For aides, qualified shall mean meeting requirements as outlined in State and Federal Laws.

D. Trial Period

A successful candidate from within the bargaining unit shall be placed on trial period for (10) then working days when awarded a vacancy according to the procedure described above. At the conclusion of the ten (10) working days trial period the employee and their immediate supervisor will meet to discuss the employee's job performance. If necessary, the trial period may be extended for only an additional ten (10) working days period. At the end of the additional period the supervisor and the employee will meet and a determination of a final placement within that position will occur at that time. If the Employer or the employee so elects, they shall be returned to his/her former position and rate of pay by the conclusion of the ten (10) working days trial period. It is understood that while serving this trial period the employee will receive the rate of pay appropriate to the new position. Further, during this ten (10) working days trial period the Employer shall have the right to consider the employee's former assignment as a temporary vacancy not subject to posting requirements under this Agreement.

E. Notification

The applicant selected for a permanent vacancy and the president/co-presidents of the association shall be notified of that selection and the time and place to report for work. Employee applicants not selected shall be notified of that fact. All other applicants not selected shall also be notified to that effect in writing.

F. Assignment and Transfer

Involuntary reassignments shall be made to meet the needs of the District. Prior to any involuntary reassignment the affected bargaining unit member(s) and the Association shall be consulted and informed of the reasons for reassignment. Inverse seniority and job qualifications will be a factor in making involuntary assignments.

G. Temporary Change in Duties

Any employee who temporarily assumes the duties of another employee will be paid the regular rate for those duties. An Employee's pay rate shall not be reduced as the result of any temporary change in duties.

H. Temporary Vacancies

Temporary Aide vacancies known to the Employer in advance to exceed five (5) consecutive workdays shall be offered on a temporary basis to the most senior aide with fewer hours than the temporary vacancy. The resultant temporary vacancy will be filled in the same manner and the process continued until all members have the opportunity to fill temporary vacancy with more hours than their regular assignment. The final vacancy shall then be filled by a substitute.

I. New Classification Assignment

The employee shall remain in any new classification assignment for the remainder of the school year before being eligible to apply for another transfer unless conditions prevail where change would be in the best interest of the Employer and/or the employee unless a vacancy occurs which would result in an increase in hours. Further it is understood that this applies to transfers made after the start of the school year.

ARTICLE VIII
LAYOFF AND RECALL

A. Authority

In the event the Employer determines to reduce staff, the procedures outlined in this Article shall be followed.

B. Definitions

"Layoff" shall be defined as a determination by the Employer to effectuate a reduction in the work force, which reduction is implemented either by discontinuing the employment of a designated number of individual employees and/or through a reduction in the hours assigned to positions within the bargaining unit. The Employer reserves the right to select the job classification(s), department, or school in which the layoff shall take place. The decision to layoff is not subject to the grievance procedure.

C. Notice

Employee shall be laid off pursuant to a necessary reduction in the work force unless the employee is notified in writing of said layoff at least twenty (20) working days prior to the effective date of layoff.

D. Layoff Procedures

In the event of a necessary reduction in work force the Employer shall identify the specific position(s) to be eliminated or reduced and shall notify the employee(s) in those positions. Employees, whose positions have been eliminated or reduced due to reduction in work force or who have been affected by a layoff/elimination of position, shall have the right to assume a position in their classification(s) for which they are qualified as defined by Article VII, paragraph C, which are held by a less senior employee, unless they have been determined to have a higher level of effectiveness. The displaced unit member shall have the same right.

E. Priority on Substitute List

A laid off bargaining unit member shall, upon application and at his/her option, be granted priority status on the substitute list according to his/her seniority. Employees serving as substitutes in this capacity shall be paid at the regular substitute rate. A laid off employee who repeatedly refuses substitute work, after application, may be removed from the substitute list.

F. Recall

Employees shall be recalled by level of effectiveness and then by seniority with the highest effectiveness rating recalled first for vacant positions. In the absence of any effectiveness rating the employee with the highest seniority shall be recalled first. In no case shall a new employee be employed by the Employer while they are laid off employees who are qualified for a vacant or newly created position. Employees on layoff will remain on the recall list for a period of twelve (12) consecutive months. After twelve (12) consecutive months from date of layoff the employee shall lose seniority/claim to any position in the district.

G. Recall Notices

Notices of recall shall be sent by certified or registered mail to the last known address as shown on the Employer's record. The recall notice shall state the time and date on which the employee is to report back to work. It shall be the employee's responsibility to keep the Employer notified as to his/her current mailing address. A recalled employee shall be given five (5) calendar days form receipt of notice, excluding Saturday, Sunday, and holidays, to report to work. The Employer may fill the position on a temporary basis until the recalled employee can report for work providing the employee reports within the five (5) day period.

H. Seniority Accrual

Employees on layoff shall accrue seniority during the period of such layoff in the classification from which the employee was laid off but shall not acquire service or experience credit. Upon recall the employee shall continue to accrue seniority only in the classification of his/her assignment.
