G. In the construction of the words used in this Agreement, whenever the singular number is used it shall include the plural and whenever the masculine is used it shall include the feminine.

H. **CERTIFIED** shall mean a teacher meets all requirements for a specific job assignment as set forth by the Michigan State Department of Education.

I. **SENIORITY** shall mean the total years of service within the district computed from the first day the teacher reported for work.

Section 3. Recognition of Federation

The BOARD recognizes the FEDERATION as the sole and exclusive collective bargaining representative for all certified personnel employed by the BOARD excluding all substitute teachers, all members of other recognized bargaining units, all administrative interns, and all administrative and supervisory positions now in existence and hereafter established by the BOARD. The BOARD agrees that it will not enter into any Collective Bargaining Agreement with any teacher or any other organization on behalf of teachers. The BOARD further agrees to negotiate with the FEDERATION before instituting a program of performance contracting.

Section 4. Authority of the BOARD

The **BOARD** hereby retains all rights and powers conferred upon and vested in it by law to manage the Lake Shore Public Schools and to direct its teachers. Such rights and powers shall include by way of illustration, and not limitation, the following:

A. To establish and carry on such grades, schools, and departments as it shall deem necessary or desirable for the maintenance and improvement of the schools.

B. To determine the courses of study to be pursued and cause the students attending school in the District to be taught in such schools or departments as it may deem expedient.

C. To select and approve the textbooks to be used by the students of the schools of the District on the subject taught therein.

D. The general care and custody of the schools and property of the District and to make and enforce suitable rules and regulations for the general management of the schools and the preservation of the property of the District.

E. The authority to make reasonable rules and regulations relative to anything whatsoever necessary for the proper establishment, maintenance, management and carrying on of public schools of the district. The exercise of the foregoing rights and powers and the use of judgment and discretion in connection therewith shall be limited only by the express terms of this Agreement and then only to the extent such express terms hereof are in conformance with law.

Section 5. Non-Discrimination

The FEDERATION agrees to maintain its eligibility to represent all employees by continuing to admit such employees to membership without discrimination on the basis of race, creed, color, age, national origin, sex, marital status, or any other basis and to represent equally all employees without regard to their membership, participation in, or association with the activities of any employee organization. The BOARD agrees to continue its policy of nondiscrimination against any employee on the basis of race, creed, color, age, national origin, sex, marital status, disability or membership, participation in, or association with the activities of any employee organization.

Section 6. Bond Issues and Millage Elections

Whenever a bond issue or millage election is contemplated, the Superintendent shall meet with the FEDERATION, at its request, so that it may present its views on the subject(s) before any proposals are made final and submitted to the BOARD for action, at which time the FEDERATION, at its request, shall have an opportunity to present its views to the BOARD.

Section 7. Effect on Existing Contracts

Any individual written contracts issued to teachers shall be subject to this Agreement and each of the terms and conditions hereof shall control and supersede any provision of such contracts in conflict therewith.

Section 8. Distribution of Agreement

The BOARD shall make available digital copies of this Agreement. Individual teachers are granted the option to utilize district copiers if they prefer to have a hard copy.

Section 9. Scope of the Agreement

It is mutually agreed that this Collective Bargaining Agreement represents the complete Agreement between the parties, and any other matter outside of this Agreement which has not been incorporated by reference herein shall not be deemed to be part of such Collective Bargaining Agreement.

Section 10. Instructional Services from Other Agencies

A. It is mutually understood that the BOARD reserves on to itself the right to determine the most appropriate vehicle for the delivery of instructional services to its students. This includes the right to cooperatively develop or contract for such services with

vocational education consortiums, other school districts, intermediate school districts and other agencies. If the BOARD enters into any such contracts it may not directly result in the lay-off of any presently employed teacher. However, this provision is not intended to prevent the BOARD from reducing a school's staff due to declining enrollment or budgetary limitations. Should a BOARD decision result in a change in locally offered classes or programs the Superintendent shall meet with the FEDERATION and explain the reason(s) for such decision.

B. Career and Technical Education Consortium

1. The FEDERATION shall be notified prior to the placement of any programs into the Career and Technical Education Consortium.

2. In the event a Lake Shore teacher is assigned to teach in the consortium program in another district, s/he shall maintain all contractual rights and obligations under this Agreement.

3. Although it is recognized that the on-site supervision of Lake Shore teachers shall be conducted by the building involved, it is understood that disciplinary action, if any, to be imposed shall be taken by Lake Shore Administration (after consultation with the on-site supervisor).

4. The BOARD pledges to work for the equal distribution of programs and students in the Career and Technical Education Consortium.

C. Instructional Services from Other Agencies

In situations where the BOARD is unable to fill open positions with certified staff, when posted for a reasonable amount of time, the BOARD may subcontract until such time that the position can be filled by a member of the FEDERATION. The BOARD agrees to consult with the FEDERATION president prior to subcontracting with other agencies.

Section 11. Consolidation

In the event that Lake Shore Public Schools should consolidate with or be annexed to another school district, this Agreement shall continue in full force and effect until the date of its expiration to the extent permitted by law.

Section 7. Release Time for Federation President

A. The BOARD agrees that the President of the FEDERATION shall upon written request from the FEDERATION, be granted released time of .50 FTE consecutively (unless it can be shown that compliance with this provision would mean a curtailment of the educational program which could not otherwise be avoided) with full salary and benefits for the purpose of handling business for the FEDERATION relating to this District.

B. It is understood that the FEDERATION shall be allowed to purchase additional released classroom time provided that all released time shall be for a full school year or a semester and shall commence only at the beginning of a semester. However, should the President of the FEDERATION terminate employment or otherwise be unable to teach for the remainder of any semester, the new President shall receive his/her released time during such semester. If the FEDERATION President is teaching less than two (2) classes, the unassigned time shall be purchased. It is understood that the FEDERATION must notify the BOARD in writing prior to the first semester and/or ten (10) business days prior to the following semester as to the amount of additional released classroom time the FEDERATION President wishes to purchase for the upcoming semester(s).

In months that school is not in session on the fourth Tuesday, then the third Tuesday shall be reserved for FEDERATION meetings.

Section 10. Special Conferences

A. **Conferences with Superintendent**. The BOARD agrees that the Superintendent shall meet once each month during the school year upon request of the FEDERATION with its representatives at a mutually convenient time and place to discuss matters relating to the implementation of this Collective Bargaining Agreement or any other collective bargaining subject, which either party desires to discuss. F. After each pay period in which dues are deducted, the BOARD will forward a check and an itemized payroll report to the FEDERATION treasurer within seven (7) business days.

G. The FEDERATION agrees to defend, indemnify and save the BOARD harmless against attorney fees and court costs, and any and all claims, suits, or other forms of liability because of compliance with this Article, provided that in the event of any such claim, suit, or action, the BOARD shall give timely notice of such action to the FEDERATION. The BOARD reserves the right to require a health examination for any teacher, as the case may be, by such duly licensed physician as the BOARD may designate at its expense.

Section 4. Open Personnel File

A. A central personnel file for each teacher shall be maintained in the Department of Employee Services.

Section 6. Student Discipline

The BOARD and FEDERATION recognize that effective discipline will foster a productive learning environment whereby students develop self-control and self-direction.

C. Nothing herein shall be construed as prohibiting or limiting any special conferences, suspensions, or expulsions of any kind that might otherwise be put into effect.

D. Special education students may or may not be subject to emergency removal under the same conditions and circumstances as for non-special education students, depending upon whether or not the emergency removal constitutes a change in placement.    2. Administrators will evaluate the alignment of teachers' preferences with the following areas: certification(s), level of degree attained, type of degree attained (major, minor, or area(s) of focus), relevant previous experience, grade level of relevant experience, relevant classes or training, previous ratings, effectiveness and overall performance as a teacher, previous disciplinary history and the length of time in the assignment.
   3. Length of service or tenure will be used as a tiebreaker if a decision regarding placement and/or assignment of teachers involves two or more employees and all other factors distinguishing those employees from each other are equal.
   4. The Department of Employee Services, in consultation with administrators, will work to identify suitable alternatives that align with the teacher's preferences and certifications whenever possible. Throughout the placement process, teachers may initiate meetings with any administrator to discuss their preferences.

C. Assignment Notification
   1. Each teacher will be informed of their tentative assignment for the ensuing school year before the close of the current school year.
   2. If there is an alteration in a teacher's tentative assignment (e.g., different subject matter for secondary, different grade level for elementary), the affected teacher will be informed within a reasonable time. The teacher will have the opportunity, at their request, to discuss the matter.
   3. Reasons for a change of assignment will be provided in writing at the option of the affected teacher.

F. Tentative class lists will be provided to teachers placed in K-5 assignments no later than the last teacher work day.

Section 9. Teacher Evaluation

The BOARD and the FEDERATION recognize that the primary purpose of teacher evaluation is professional improvement. The following procedures are implemented in compliance with Public Act 224, as required by the Revised School Code. The BOARD formally adopted The Framework for Teaching: Evaluation Instrument (Danielson, 2013) to evaluate teachers on March 27, 2017. The district shall continue to utilize the Danielson Framework as long as it remains in compliance with Public Act 224.

Prior to the commencement of the evaluation process, those Evaluator(s) who will have responsibility for evaluating teachers shall schedule and hold a conference with the teachers scheduled to be evaluated for purposes of reviewing the evaluation process and procedures, in compliance with Public Act 224.

2. The year-end evaluation rating will be measured using the Danielson Framework and a Student Learning Objective (SLO) metrics. Any other factor

used as a basis for this portion of the evaluation must be mutually agreed upon between the BOARD and the FEDERATION.

3. The year-end evaluation will include specific performance goals that will assist in improving Effectiveness for the next school year. Performance goals must be identified in consultation with the teacher. The school administrator or designee conducting the evaluation will identify training, in consultation with the teacher that would assist the teacher in meeting these goals.
4. The year-end evaluation and feedback concerning the evaluation must be provided in writing to the teacher. If a written evaluation is not provided to the teacher, the teacher is deemed Effective.
5. Final evaluations will be delivered to the teacher no later than five (5) school days before their last contractual work day, unless both the FEDERATION and the evaluator agree on the need for an extension of additional time.

B. Evaluation Ratings and Exemptions:

1. The Danielson Framework for Teacher Evaluation categorizes performance into four proficiency levels. To align with PA 224, the four Danielson performance level terminology utilized prior to July 1, 2024, and from this date thereafter, will be converted as follows:

    a. Ineffective is referred to as Needing Support
    b. Minimally Effective is referred to as Developing
    c. Effective and highly Effective performance levels are combined into the single category of Effective as provided below:

Danielson Performance Rating		**Lake Shore Performance Equivalent**
Ineffective (1)	=	Needing Support (1)
Minimally Effective (2)	=	Developing (2)
Effective (3)	=	Effective (3)
Highly Effective (4)	=	Effective (3)

2. Teachers will be given the designation “unevaluated” according to the following:

a. In cases where the teacher has worked less than 60 days in a school year and absences are excused under Article VII, Sections 1 and 3.
b. In all cases where the teacher's evaluation results are vacated though the grievance procedure described in MCL 380.1249 (l).
c. When extenuating circumstances arise that impede the ability to conduct a comprehensive evaluation process and both the teacher and the evaluator agree to use this designation.
d. When extenuating circumstances arise that impede the ability of the designated evaluator to conduct a comprehensive evaluation process and both the BOARD and the FEDERATION may agree to use this designation.
e. If a teacher receives an "unevaluated" designation, their rating from the school year immediately before that designation must be used for consecutive purposes.

3. A teacher who is not probationary under section one (1) of the Tenure Act and is rated Effective on the three (3) most recent consecutive year-end evaluations will be evaluated triennially instead of annually. If the teacher's rating on one (1) of these evaluations is not Effective, the teacher must again be provided with year-end evaluations.

4. The BOARD shall not assign a student to be taught in the same subject area for two (2) consecutive years by a teacher who has been rated Needing Support on the teacher's two (2) most recent annual year-end evaluations.
    a. If the BOARD is unable to comply with this and plans to assign a student to be taught in the same subject area for two (2) consecutive years by a teacher who has been rated as Needing Support on the teacher's two (2) most recent annual yearend evaluations, the BOARD will notify the student's parent or legal guardian in writing.
    b. The notification shall include an explanation of why the BOARD is unable to comply.
    c. If a teacher requests a review of their evaluation, the BOARD must not issue the notification until the review process is complete.
    d. Prior to any notification being sent to the student's parent or legal guardian, the BOARD will first notify the FEDERATION.

5. A tenured teacher rated as Needing Support on two (2) consecutive year-end evaluations may use the grievance procedure outlined in Article IX to grieve the second evaluation rating.

6. A teacher receiving three (3) consecutive ratings of Needing Support will be dismissed in accordance with Public Act 224.

C. Frequency of Evaluation

1. Teachers who receive three consecutive ratings of Effective will move to evaluations once every three years, but must revert to annual evaluations if they receive an overall rating of Developing or Needing Support.

2. Administration may initiate the evaluation process during an exempt year, but no later than the 60th day of school.

3. Probationary teachers are ineligible for the exemption from annual evaluations.

4. Teachers who receive a rating of Needing Support must receive a midyear progress report, which cannot replace the year-end evaluation.

D. Additional Support for Certain Teachers

The provisions in this section apply to teachers who are in the first year of the probationary period under Public Act 224, all teachers in their first year of employment with the BOARD, and those who received a rating of Developing or Needing Support in the most recent year-end evaluation.

For those teachers identified above, the school administrator or designee who conducted the evaluation must develop, in consultation with the teacher, an individualized development plan (IDP) that includes performance goals and training designed to assist the teacher and to improve the teacher's Effectiveness.

1. The IDP will include a purpose, and a set of goals that will assist in improving effectiveness for the next school year. The purpose will include the specific rationale for implementation, including statements of concern. The goals will list a detailed plan for the teacher, as well as, support given by the administrator.
2. An IDP resulting from an Ineffective or Minimally Effective (or Needing Support/Developing after July 1, 2024) Year-End Evaluation rating shall require

that the teacher make progress towards the individual development goals of the IDP within a specific time period, as set by the evaluator(s).

3. In no event shall the IDP as provided hereunder, exceed 180 days.

E. Nothing shall preclude the District or evaluator(s) from placing a teacher on an IDP at any time that an issue or concern regarding the performance of a teacher occurs. In such instances, the following procedures will be followed:

1. Except in cases where it is not appropriate to delay the implementation of the IDP process, teachers shall first be given thirty (30) days written notice of any matter of concern, affording the teacher an opportunity to address the matter before the formal issuance of an IDP.
2. If the matter remains unresolved, the school administrator or designee will develop, in consultation with the teacher, an IDP that includes performance goals and training designed to assist the teacher and to improve the teacher's Effectiveness.
3. If the teacher is in an exempt year and the evaluation process is not initiated before the 60th day of school, an IDP may be developed, which may or may not include a recommendation to initiate the full evaluation process at the beginning of the following school year.
4. The IDP will include a purpose, and a set of goals that will assist in improving effectiveness. The purpose will include the specific rationale for implementation, including statements of concern. The goals will list a detailed plan for the teacher, as well as support given by the administrator.

F. Teachers identified in Article III, Section D, and those placed on an IDP under Article II, Section E, must receive a midyear progress report developed by the school administrator conducting the year-end evaluation or their designee, in consultation with the teacher which:

1. Is aligned with the teacher's IDP and based at least in part on student achievement.

2. The school administrator responsible for the teacher's performance evaluation must conduct at least one (1) of the observations. Only those observers trained in the use of the evaluation tool may conduct other observations.
3. Classroom observations must be not less than 15 minutes but do not have to be for an entire class period.
4. The observation shall include a review of the teacher's lesson plan, the state curriculum standard being used in the lesson, and pupil engagement in the lesson. These items must be discussed during a post-observation meeting between the school administrator conducting the observation and the teacher.
5. Within 30 calendar days after each observation, the observer must provide the teacher with written feedback from the observation and provide preliminary suggestions for improvement.
6. Teacher evaluations prepared by the Evaluator(s) shall not be limited to the observations of the classroom visitations. Any information that may negatively impact a teacher's evaluation shall be documented and provided to the teacher within thirty (30) days of the occurrence and/or prior to the final conference, whichever may occur first.
7. It is understood that no member of the FEDERATION will conduct observations as part of a teacher's evaluation.
8. Unverified hearsay or unverified anonymous complaints that may negatively impact a teacher's evaluation shall not be included as part of the evaluation process.

I. Student Growth and Assessment Data

Student Learning Objectives (SLO) are measurable, long-term, academic goals, informed by available data, that a teacher sets at the beginning of the year for all students.

1. Twenty percent (20%) of the of the evaluation will be based upon a SLO developed by the teacher in collaboration with PLC and/or department teams, which are aligned with school improvement goals whenever feasible.

   4. Teachers rated as Developing in any one of the evaluation domains shall not receive an overall year-end rating higher than Developing.
   5. After determining the numerical evaluation score, the following rubric is applied to obtain the final effectiveness rating:

Calculated rating falls in the Needing Support range **AND/OR** One (1) or more domains rated Needing Support	Calculated rating falls in the Developing range **AND/OR** One (1) domain rated Developing	Calculated rating falls in the Effective range **AND** No domains rated Needing Support or Developing

K. Evaluation Rating Review

A tenured teacher rated as Needing Support on a year-end evaluation may request a review of the evaluation rating by the Superintendent according to the following:

2. The request for review must be submitted in writing within twenty (20) calendar days after the teacher is informed of the rating.
3. Upon receipt of the request the school district Superintendent shall review the evaluation and rating and make any modifications as appropriate.
4. A review under this section may not be requested more than twice in a three (3) school-year period.

   6. After completion of the investigation, if discipline is to be imposed, it shall be done in accordance with the provisions set forth in Article II, Section B.

B. Discipline
   1. The discharge, demotion, or discipline of any Staff Member may be made only for a reason that is not arbitrary or capricious (MCL 38.101a).

The notice shall include the time, date, location, and purpose of the meeting in order to provide the Staff Member with an opportunity to respond.
   3. It is understood that each meeting called for disciplinary reasons shall be held in private. Prior to or at such meeting, the administrator shall first inquire as to whether the teacher desires FEDERATION representation, and if she/he does, no disciplinary action shall be taken until such representation is present; however, the meeting shall not be unduly delayed to secure the attendance of the teacher's preferred representative.

4. If it is determined that the Staff Member has engaged in an offense, infraction, misconduct, or other behavior warranting discipline, the administration's decision as to the level of discipline shall be guided by principles including but not limited to the following:

11. The Staff Member may submit a rebuttal to any disciplinary action. The rebuttal will be attached to the letter of disciplinary action and will be placed in all files containing the disciplinary action.
12. Discipline less than an unpaid suspension may be contested through Step 1 and Step 2 of the grievance process (Article IX, Section 2, a-b.).
13. Discipline resulting in an unpaid suspension or discharge may be contested through Step 3 of the grievance procedure of the contract (Article IX, Section 2, c).

E. For those transferees who assume the position at the end of the school year, they shall be considered in that position(s) without prejudice for all other provisions of the contract.

F. In all instances, if there is not a laid off teacher on the recall list with the appropriate certification the identified teacher for transfer may assume the vacated position immediately.

G. New Job Classifications Within the Bargaining Unit.

The District agrees to post new job classifications within the unit for at least five (5) school days whenever posible. Such posting will include the minimum qualifications and general duties established by the Superintendent. Teachers currently working will have a minimum of five (5) school days in which to submit an application for such new job classification. If the new job classification occurs when school is not in session, all teachers will be notified by email and/or automated phone message and will have five (5) business days to submit an application. If more than one candidate applies, a fair and reasonable interview will be granted to each applicant by the Superintendent or his/her designee upon request.

2. When there is an excess of teachers in a building, the appropriate administrator will reference teacher preference forms prior to executing a transfer.

3. No involuntary transfer shall cause a teacher a loss of compensation. For the purpose of this provision, compensation shall mean base salary, excluding additional compensation for counselors.

4. K-12 staff who are transferred to another assignment within one week of the start of the teacher work year to a building that they did not work in during the previous school year, will receive a stipend for up to two (2) days at two-hundred-eight ($208) per day to pack and move supplies from one classroom to another. Section 13. Layoff and Related Matters

A. The FEDERATION recognizes the BOARD'S responsibility to operate the school district effectively and efficiently within the bounds of certain financial and legal restraints and the BOARD'S legal charge to adopt, maintain, and modify programs and to determine the number of staff needed for such programs.

B. If the BOARD enters into vocational education consortium it will not directly result in the layoff of any presently employed teacher. However, this provision is not intended to prevent the BOARD from reducing a school's staff due to declining enrollment or budgetary limitations.

C. Prior to finalizing the reduction of staff, the Superintendent or his/her designee, will meet with the FEDERATION to explain and discuss the proposed reduction. The following information will be provided by the Superintendent:

1. A seniority list (by rank order).
2. Tentative information on attrition.
3. Tentative information on certification.
4. Tentative information on staff allocation.
5. Evaluation ratings.

D. When it is determined by the BOARD that it is necessary to conduct a staffing and/or program reduction or any other personnel determination that results in the elimination of a position, said staffing decisions shall be based on retaining effective

teachers after reviewing staff reassignments, both voluntary and involuntary, as well as returns from leave.

E. Length of service or tenure shall not be the sole factor in personnel decisions but will be used as a tiebreaker if a decision regarding reduction in staff or recall of two (2) or more teachers and all other factors distinguishing those teachers from each other are equal.

F. In the event of layoffs, the Superintendent or his/her designee, will meet with the FEDERATION to explain and discuss the proposed reduction. Staff reductions will generally occur in the following order:

1. **Group 1:** Bargaining Unit Members who were rated as Needing Support in their last two or more evaluations, in accordance with seniority and qualifications.

H. Except when it is not possible, each teacher to be laid off will be given sixty (60) days written notice before the end of the school year preceding the year in which such discontinuance of service shall become effective.

I. It is understood that the teacher accepting recall shall be notified by the Department of Employee Services in person, by phone, or by certified mail that s/he in fact is the teacher recalled, and further, that s/he shall have seventeen (17) days from date of that notice to make themselves available for duty within the District.

J. The BOARD has the sole discretion to determine whether a vacancy exists and the certification area, qualifications, and position in which the vacancy exists.

K. The BOARD is not required to involuntarily transfer a tenure teacher to create

vacancy for a probationary teacher.

L. A probationary teacher who is rated as Effective on his/her most recent annual year-end performance is not subject to being laid off by a teacher on continuing tenure solely because the other teacher has continuing tenure.

M. The BOARD shall notify all teachers, including those on layoff, of new programs planned by the BOARD.

N. The Superintendent shall provide the FEDERATION with an annual student enrollment projection by level at that time of the year when it provides such information to the BOARD. Current enrollment figures shall also be provided at the same time.

O. No teacher during any twelve (12) consecutive months shall receive compensation from the BOARD plus unemployment compensation in a total amount exceeding what the teacher would have received had the teacher been employed full time under this Agreement by the BOARD. In the event a teacher receives such excess amount, the teacher's salary for the school year in which s/he is recalled to employment shall be calculated by subtracting the amount of the excess payment from the amount otherwise due under this Agreement.

Section 14. Seniority

A. Seniority shall mean the total years of service within the Bargaining Unit, computed from the first day the teacher reported for work. It is understood that professional, sabbatical, military leave, or union leave shall not be considered as an interruption of years of service. All other leaves shall not count as years of service unless otherwise specified in the Master Contract.

B. Bargaining Unit Members who are on leave of absence or paid suspension will continue to accrue seniority, unless otherwise agreed upon by the parties.

C. Bargaining Unit Members who leave the Bargaining Unit altogether and perform other work for the BOARD will have their seniority frozen until such time that they return to the Bargaining Unit.

C. A Bargaining Unit member will not accrue or maintain seniority if they are no longer employed by the BOARD, except if they are on lay-off. A Bargaining Unit Member will not accrue seniority while on lay-off, but will not lose previously accrued seniority if they are recalled.

D. The FEDERATION shall be given an updated seniority list within sixty (60) days of the start of the school year and an updated seniority list ninety (90) days prior to the end of the school year.

Section 15. The Return of a Resigned Teacher

Any teacher who has left the bargaining unit by resignation from the district may, upon return, be granted credit on the then existing salary schedule for his/her previous experience within the district. It is understood that such teacher shall not regain his/her previously acquired seniority as it pertains to Article III, Section 14.

Section 16. Health and Safety

It shall be the right and obligation of each teacher to report any condition within the assigned teaching facility that s/he or she considers to be a threat to human health or safety. The report shall be made to the designated principal in writing. The principal shall subsequently respond to the teacher's report as to the district's intended action.

In the event of an indefinite prolonged shutdown resulting in the altering of normal school functions, the parties will engage in collective bargaining to develop mutually agreeable solutions.

Section 17. Emergency Building District Closure

A. If the District cancels school due to inclement weather (snow, wind, ice, extreme heat, etc.), or any other short term emergency, staff shall not be required to report to the buildings or to pivot to virtual learning. Note: This provision will be voided if the district has exceeded the allotted number of days allowed by the State and may have days added to the school calendar. In case of long-term closure, staff may be required to report to work (in person or virtually), as agreed upon by the BOARD and FEDERATION President or his/her designee.

B. The district agrees to notify staff (via phone tree, text, email, social media, District websites, Communications, and other local building communication platforms) as early as possible of any school closing so as to prevent unnecessary travel by staff.

Section 18. Student Assistance

In the instance of a toileting accident or other need for a clothing change, for a child who requires minimal assistance and verbal instruction, two available staff members are to be present if the student requires being cleaned and changed.

Section 19. Classroom Visitors

When parent(s) and/or guardian(s) request to visit a classroom, the teacher will be provided reasonable notice and may request a meeting with the principal to prepare for the visit.

All volunteers to the classroom must be approved by the classroom teacher prior to the day of their visit in order to allow the teacher to prepare for the visit.

Section 20. Filling of Vacancies

In accordance with Board Policy 3131:

A. The following factors may be considered when filling vacant positions.

   1. Teacher returning from leave that requires reinstatement.

   2. Teacher currently employed with the district.

   3. Recall of laid off teacher.

   4. New hire.

B. The District agrees to post positions that become vacant via school email within the unit for at least five (5) school days whenever possible. Such posting will include minimum qualifications and general duties. When possible, teachers currently working will have a minimum of five (5) school days in which to submit an application. If the opening occurs when school is not in session, all teachers will be notified by email and/or automated phone message and will have five (5) business days to submit an application whenever possible.

Section 21. International Visitor Program

A. It is understood that a representative from the FEDERATION and the Superintendent or designee shall form a voluntary committee of no less than five (5) people representing each school building to oversee the selection of teachers and staff chosen to chaperone/serve as ambassadors for international trips. Priority will be given to teachers/staff that work with or need knowledge about international programs/students.

B. Should there be unfilled positions the committee would set up a lottery for teachers/staff interested in attending.

C. It is understood that those picked from the lottery may not re-enter the lottery for three (3) years regardless of former destination.

D. The Superintendent has final decision on people attending any international trip.

ARTICLE IV

Section 1. School Calendar

A. The school calendar shall be as provided in Appendix A of this Agreement.

2. All teachers shall have until the close of the work day on such record days to complete marking of report cards and records. The Teacher must notify their building administrator if they choose to work remotely on such days.

3. No teacher shall be assigned to other duties without their consent.

C. In the event that teachers are required to work more than the total number of contracted days, because District buildings were closed due to inclement weather or other emergencies, they will be paid a per diem basis for any extra days worked.

Section 2. Length of Day and Class Load

It is recognized by the parties that daily preparation for effective teaching, correcting papers, recording grades, and attending school-related activities requires many hours outside of the classroom and adds to the professional responsibilities of each teacher. Keeping the dimension of such outside professional responsibilities in mind, the parties agree that the in-school responsibilities for teachers shall be as follows:

A. Elementary Schools.

1. The teacher's workday shall be six (6) hours and forty-five (45) minutes exclusive of the lunch period.

d. He shall have no power to render a decision based upon the law, as expressed by the Legislature and the courts.

7. If the BOARD disputes the arbitrability of any grievance under the terms of this Agreement, the Arbitrator shall first determine whether s/he has jurisdiction to act, and if s/he finds that s/he has no such power the grievance shall be referred back to the parties without decision or recommendation on its merits.

8. The BOARD shall not be required to pay back compensation for more than eleven (11) days prior to the date the grievance was filed. However, this provision may be waived if a grievance occurs during the summer months when school is not in session, provided that the teacher has acted in good faith and neither the teacher nor the FEDERATION has been negligent in pursuing his/her claim.

   No decision in any one case shall require retroactive adjustment compensation in any other case.

9. The fees and expenses of the Arbitrator shall be shared equally by the BOARD and the FEDERATION. All other fees and expenses including administrative fees, shall be assessed according to the Voluntary Labor Arbitration Rules of the American Arbitration Association.

10. Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement shall not be arbitrable.

Section 3. General Provisions

A. The FEDERATION may have a representative present at each step of the grievance procedure who may represent an employee and act in his/her place, with his/her consent. The appropriate administrator, upon receiving a grievance, shall notify the FEDERATION as to the day, time and place of the conference, and no step of the grievance procedure shall be conducted in the absence of the FEDERATION unless the FEDERATION, in writing, has waived its right to be present or fails to attend the conference.

B. Each grievance or appeal shall, on forms printed by the BOARD and available through the FEDERATION, set forth specifically or by reference to the original grievance, who the grievant is, what provision of this Agreement or policy, rule, regulation, or practice is alleged to have been violated, misinterpreted, or misapplied by appropriate reference, when it happened, where it happened, the allegation of the grievant himself, and the relief requested.

C. At any conference under this grievance procedure, the teacher, FEDERATION, and BOARD, may have present any and all witnesses they desire. If any party is to be represented by legal counsel, notice shall be given to the other parties at least twenty-four (24) hours in advance of the conference.

D. Failure to appeal a decision within the specified time limits shall be deemed a withdrawal of the grievance, while failure to communicate a decision on a grievance within the specified time limits shall entitle the aggrieved party to proceed to the next step. However, if an administrator fails to call a conference within the specified time limits the grievance shall then automatically proceed to the next step. If the Superintendent or his/her designee shall fail to hear a grievance within the specified time limits as prescribed in Article IX, Section 2, B of this Agreement, the grievance shall be awarded in favor of the aggrieved party. Nothing in this provision shall prevent the parties from extending the specified time limits by mutual agreement, which shall be expressed in writing.

E. A grievance shall always be filed at that step of the grievance procedure where the authority to render a decision on the grievance. It is understood that the FEDERATION may file an emergency type grievance with the appropriate administrator in which event a conference shall be called and a decision rendered as soon as possible. An emergency type grievance shall be defined as one in which an immediate decision is essential to the aggrieved party.

F. Any conference which may be held under the grievance procedure shall be conducted before or after school hours, except where mutually agreed to the contrary, and at a reasonable place. In the event that a conference or hearing under the grievance procedure is held during school hours, each teacher who is a party or witness shall be excused from his/her regular duties, with pay, to attend such a conference or hearing.

G. Each conference conducted under the grievance procedure shall be conducted as a private conference insofar as it does not violate the provisions of any Open Meetings Act which is now or may hereafter be in effect. Attendance at such conferences shall be restricted to those persons requested by either party to participate in the attempted resolution of the grievance.

H. No grievance or decision rendered on a grievance shall be placed in a teacher's personnel file, nor shall it become a part of the minutes of any Board of Education meeting, except as to reference by number.

I. Once a grievance has been filed, no administrator or member of the Board of Education shall, upon his/her own initiative, attempt to discuss that grievance with the teacher(s) involved at a time other than during conferences or hearings provided for in the grievance procedure.

J. Any individual employee may present grievances to his/her supervisor and have the grievance adjusted, without intervention of the bargaining representative, provided that the bargaining representative has been given an opportunity to be present at such adjustment, but should the adjustment be inconsistent with the terms of this Collective Bargaining Agreement or any policy, rule, regulation, or practice, the FEDERATION may, in its own name, appeal that decision at the step of the grievance procedure immediately following the step where the grievance was temporarily resolved.

K. An Administrative Intern shall have no authority to render a decision on a grievance at any step of this procedure.

APPENDIX C
EXTRA CURRICULAR POSITIONS
SUPPLEMENT

A. The district will provide a minimum of six (6) weeks' notice (prior to first practice) before the cancellation of any sport. This does not apply to positions/sports that may be canceled due to lack of students or financial emergency.

B. It is understood that the position of Academy Coordinator shall not be considered an activity. Thus, a teacher assuming such a position may be assigned two additional activities.

C. The experience categories established in the "Extra-Curricular Compensation Schedule" are based on years of service within Lake Shore Public Schools for the particular sport or activity. Experience from one dissimilar activity to another does not allow for transfer of experience (example: cheerleading to volleyball.)

D. *High School and K-8 SIP/PLC Chair and Districtwide Staff Development Chair may be provided release time in lieu of compensation, Appendix C, Extra Curricular Program/Compensation.

E. Appendix C positions will be posted and filled on a two year cycle each odd numbered school year.

This committee shall be composed of an equal number of members (representative of secondary and elementary levels) from the FEDERATION and the BOARD, not exceed a total of ten (10) representatives.

   FEDERATION representation shall be designated by the President to include representatives knowledgeable in duties related to Appendix C. **All requests in regards to additions and/or alterations to programs and compensation related to Schedule C shall be made in writing on the Appendix C - New Activity Application and/or Appendix C Appeals Form.*

Members represented by the FEDERATION shall receive (upon request) written explanation from the Schedule C Committee and/or the Superintendent or Designee detailing reasons for denial or revision of a proposition.

   The Superintendent shall notify each applicant of the BOARD'S decision within ninety (90) days of the due date of filing the application.

B. Sabbatical leave may be granted for the following purposes.

D. Payment of salary while on such leave will be in accordance with the provisions of this Agreement. Moreover, the teacher will receive all fringe benefits except sick leave.

E. A teacher on sabbatical leave will report to the Superintendent as follows:

1. The teacher will immediately request approval from the Superintendent for substantial changes in the planned program of the leave as outlined in the approved application.

2. An interim report will be filed at the midpoint of the period for which the leave is taken. This report will contain sufficient information to enable the Superintendent to determine that the leave is being utilized in the approved manner.

3. A final report will be filed with the Superintendent in accordance with the provisions as stated in the next section, Appendix D, Section G, 4 of this Agreement

4. The Superintendent may require, and the teacher shall promptly furnish, such additional reports as the Superintendent deems necessary or reasonable to determine that the teacher is fulfilling the agreement and all the requirements of the leave. In the event that the BOARD finds, after a hearing on the matter, that the teacher is not fulfilling the agreement, the entire sum paid to the teacher by the BOARD will become immediately due and all future payments will cease.

Optional Wage Reopener for Changes to Public Act 152

(per Letter of Agreement dated May 27, 2025)

In the event that Michigan Public Act 152 is amended during the term of this agreement and such amendments take effect, resulting in an increase to the BOARD's required contribution to employee healthcare coverage costs that exceeds 5% of the BOARD's total healthcare contribution for the prior calendar year, the BOARD may, at its discretion, initiate a wage reopener. If the BOARD chooses to pursue a wage reopener, it shall provide the FEDERATION with written notice at least 30 days prior to the start of negotiations. Upon providing such notice, the BOARD and the FEDERATION shall meet to renegotiate wages to address the financial impact of the increased healthcare contributions on the BOARD's budget and FEDERATION members' compensation.

Compliance with Michigan Earned Sick Time Act (ESTA)

(per Letter of Agreement dated May 27, 2025)

The BOARD and the CBA shall abide by all provisions of the Michigan Earned Sick Time Act (ESTA), as amended by Public Act 2 of 2025, effective February 21, 2025. The BOARD and the FEDERATION agree to review and, if necessary, revise the sick leave provisions of the collective bargaining agreement to ensure full compliance with the ESTA. In the event that the ESTA is further amended during the term of this agreement, the BOARD and the FEDERATION shall abide by any such amendments and make necessary adjustments to the CBA to maintain compliance with the law, ensuring that sick leave provisions align with the most current statutory requirements.
