WHEREAS, the Board has a statutory obligation to bargain with the Association with respect to hours, wages, terms and conditions of employment, and;

WHEREAS, the parties have reached certain understandings which they desire to confirm in the Agreement.

THEREFORE, in consideration of the following mutual covenants, the parties hereby agree as follows:

ARTICLE I

Recognition

- 1.1 The Board recognizes the Association as the sole and exclusive bargaining representative for all full and part-time secretaries, classroom assistants, clerks, bookkeepers, switchboard operators and receptionists, print shop manager, and bookstore manager, but excluding the executive secretaries to the Superintendent, Assistant Superintendents, the Accountant, Head Payroll Clerk, and all other employees.
- 1.2 The term "employee", when used hereinafter in this Agreement, shall refer to all personnel represented by the Association in the bargaining unit defined above.
- 1.3 Any bargaining unit member shall make application for membership in the Association or authorize a service fee to the Association equal to the amount of dues uniformly required of members of the Association including local, state and national dues. The employee may remit the entire sum of annual dues, or service fees, to the Association or pursuant to proper authorization, the Board shall deduct as dues, or service fees, from the regular wages of all such employees according to procedures established in Article XX. The Association shall deliver to the Board within thirty (30) days from the date of commencement of duties or the ratification date of this Agreement, whichever is later, proper dues assignments, or service fee assignments, signed by the employee. Such authorization shall continue in effect from year to year unless revoked in writing between August 1 and August 31 of any year.
- 1.4 The following employees shall be exempted from the provisions of Section 1.3:
 - A. Any employee, employed prior to July 1, 1983, and on active employment status as of the ratification of this Agreement.
 - B. Any employee, employed prior to July 1, 1983, on layoff status as of the ratification of the 1983-86 Agreement, and subsequently recalled to active employment.
 - C. Any employee, employed prior to July 1, 1983, on Board granted leave status as of the ratification of the 1983-86 Agreement, and subsequently returns to active employment.

Any such exempted employee shall have the option of joining the Association, paying a service fee to the Association, or in lieu of the aforementioned, shall make a contribution equal to the dues of the Association to a bona fide, tax-exempt charitable organization of the employee's choosing. Such contributions shall be made in full through the Association no later than thirty (30) days from the ratification of this Agreement, or no later than October 15 in subsequent years. If said employee authorizes payroll deduction, the deducted monies shall be retained by the Association until the contribution is paid in full, at which time the Association shall forward the money in the employee's name to the designated charitable organization. It is expressly understood that contributions to a charitable organization under this Section do not entitle the employee to any Association membership benefits. However, said employee is a member of the bargaining unit and entitled to all benefits of this Agreement.

- 1.5 In the event that the bargaining unit member shall not pay the aforementioned Service Fee, or charitable contribution, directly to the Association, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277 (7) and at the request of the Association, deduct the Service Fee, or charitable contribution from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Monies so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction.
- 1.6 Pursuant to Abood v. Detroit Federation of Teachers, 431 US 209 (1977), the Union, established a procedure set forth in the "Policy Regarding Objectives to Political-Ideological Expenditures." If any bargaining unit member paying service fees hereunder objects to the expenditure by the Union, (including MEA or NEA) of any funds collected from him/her pursuant to provision 11.1.1 above, such bargaining unit member may present such objection pursuant to that Policy and the procedures therein set forth; however, challenge to any such expenditure shall not relieve the bargaining unit member of the obligation of paying the service fee or any portion thereof pending final determination thereunder. The remedies set forth in such Policy shall be exclusive, and unless and until such procedures, including any judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by such objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure.

He/she shall notify the administration by May 1 of which program has been selected.
- D. Any employee unassigned after the implementation of the above procedures shall be notified of layoff.
- E. An employee scheduled to work fewer than thirty (30) hours per week at the time of layoff or reduction, may not displace an employee scheduled to work thirty (30) or more hours per week.

The notification shall include a listing of all positions that will be available for selection at the meeting. These dates shall not be changed except by mutual agreement between the Association and the Administration.
 - D. Displaced classroom assistants shall attend the job selection meeting. All other classroom assistants have the right to attend the meeting and all non-displaced classroom assistants shall notify the administration of

their intent to attend by filing a "Change of Assignment" form by five (5) workdays prior to the job selection meeting.

- E. At the job selection meeting, employees shall select a position based on the following criteria:
1. All employees shall make job selections by wage classification and in the order of seniority. Most senior employees shall select first.
 2. If an employee who has a position for the next school year selects a different position, the original position shall be placed on the selection list and employees may select that position by wage classification and seniority order.

The employee shall respond in writing to the notice of recall within forty-eight (48) hours of the date the employee receives the certified letter.

If the employee fails to respond within forty-eight (48) hours from the receipt of the notice of recall, the employee will be deemed to have refused the position offered and will be removed from the recall list and terminated. Acceptance of a position that offers less time than the employee had at the time of layoff will not affect the employee's later recall rights to a position equivalent in time to the position held by the employee at the time of layoff except as modified by requirements in classification article.

If the employee responds within the forty-eight (48) hour period mentioned above and refuses a position, which offers less time per day or is in a lower wage classification than the employee had at the time of layoff, the employee's later recall rights shall not be affected.

- 8.7 In recalling employees from layoff, no employee will be terminated, lose recall rights or seniority, if the employee is at the time of recall working for another school district and the person provides the Assistant Superintendent of Human Resources a statement in writing indicating a desire to be left on the recall list. Rights of recall shall cease after ten (10) months from the date of initial recall in this instance or refusal of a second recall.

ARTICLE IX Vacancies, Promotions and Changes of Assignments

- 9.1 A vacancy shall be defined as any new position or any position that is vacated, which the Board intends to fill with a permanent employee.
- 9.2 When a vacancy exists in any position in the bargaining unit, all employees shall be notified by a job posting sent to each building. Job posting will include job title, classification, program and/or building assignment, hours of work, length of work year and qualifications. A copy of the current, complete job description as defined in Article 4.4 shall be attached to each posting. All bids must be submitted to the Human Resources Office in writing.

Postings shall be mailed to all buildings on Friday with the effective date of the posting the following Monday. No vacancy may be filled permanently from outside the bargaining unit until it has been posted for a minimum of five (5) working days and no bids are received from within the bargaining unit in accordance with the provisions of 9.3.

- 9.3 The following factors shall be considered in selecting employees for the filling of vacancies and/or granting

promotions:

- A. Seniority in the same wage classification or in a higher wage classification shall be the first criteria. Laid off employees who have accepted a lower wage classification in order to retain employment, shall continue to have priority for vacancies in the wage classification they held at the time of layoff.
- B. Qualifications to meet responsibilities contained in the job description will be secondary criteria. If any testing is necessary, it shall be related to the responsibilities of the position. Testing required of any position shall be known to all employees through job descriptions and postings. The Board shall notify the Association if any additional testing is required prior to administering such tests.
- C. The work record of the employee will be secondary criteria.

Prior to awarding a position, the selected applicant and/or the responsible administrator may request a meeting with the Assistant Superintendent of Human Resources to discuss the position prior to the selected applicant deciding to accept appointment to the trial period defined in 9.9.

When exceptions to seniority are made by the Board, the Association is to be apprised of the Board's reasons. The Association reserves the right to grieve on the merits of the assignment through the grievance process.

- 9.4 If an internal applicant is to be selected for a vacancy, the selection will be made within ten (10) working days after the posting expires.
- 9.5
 - A. If an employee is on an extended leave medical or family leave for a period of up to, 6 months the position will be filled with a substitute. After 6 months, the job may be posted. Should the employee return prior to the expiration of one year, they will be able to return to their original position. The employee who fills the position of the employee on a leave of absence shall retain rights as specified in the layoff and recall article.
 - B. If an employee is on an extended leave for any purpose other than medical, family illness, military or jury duty for a period of up to 6 months, the position will be filled with a substitute. After 6 months of unpaid leave or receipt of resignation whichever occurs first the job may be posted.
- 9.6 Temporary positions may be created by the Board occasionally to meet specific needs. Such positions shall not exceed three (3) months in duration. If the position extends beyond three (3) months, it will be posted as a vacancy.
- 9.7 During the summer months, when regular school is not in session, the following procedure will be followed:
 - A. The District shall mail copies of all vacancies within the bargaining unit to those employees who make written requests for such postings. The employee shall furnish the District with the appropriate mailing address.
 - B. Additionally, a copy of all vacancy postings shall be sent to the Association President, all Building Representatives and shall be prominently posted in all buildings in operation in which bargaining unit members work.
- 9.8 An employee who is assigned additional duties in writing by his/her administrative supervisor because of the absence of another employee for more than two (2) consecutive days, shall be paid beginning with the third day an additional eight (8) percent of his/her regular hourly wage for the specific time during which the employee is responsible for the additional assigned duties.
- 9.9 Employees moving to a different bargaining unit position shall be required to satisfactorily complete a forty (40) working day trial period before the new assignment shall be considered awarded. During the first ten (10) working days of this trial period, the employee shall have the right to elect to return to his/her former job assignment without penalty and the former position will not be assigned until the eleventh (11th) work-day.

Should an employee's performance prove to be unsatisfactory during the trial period, and providing the employee's previous work record was satisfactory, the employee may be returned to his/her previous position, if vacant, or any comparable position if an opening exists. If no vacancy exists the employee shall be laid off.

An employee moving to a less than 52-week position in a school building, may request that the first ten working days of the trial period (as referred to above) be extended the number of working days required to provide ten

working days when students are in attendance. This shall not apply to employees moving from their current position to a similar position in a different school building. (An example of this would be the First or Second Clerk from McLaughlin moving to First Clerk at Nims.)

- 9.10 Handbooks outlining the specific job tasks and procedures of each clerk and classroom assistant position shall be available for review at the work site. Handbooks will be developed, as practical, by representatives of the Board and the Clerical/Classroom Assistant Association to explain such duties and procedures that are common throughout the district. More specific job tasks unique to the building or classroom will be developed by the employee and the supervisor. In the case of classroom assistants, the classroom teacher should be involved in developing the handbook.

All handbooks shall be subject to review and approval by the Assistant Superintendent of Human Resources or designee.

ARTICLE X Substitute Employees

- 10.1 A substitute employee, when available, shall be obtained whenever a regular clerical or classroom assistant employee is absent from work and the immediate supervisor requests a substitute. If the absence of the clerical or classroom assistant causes any additional workload for another bargaining unit member, the supervisor shall be encouraged to request a substitute in the usual manner.

In the hiring of substitutes, preference shall be accorded to (1) laid off employees from the bargaining unit and (2) retired employees from the bargaining unit. If, after twenty (20) consecutive working days, a substitute employee is still working in the same position, the following provisions shall apply:

Benefits. The benefits* listed below will commence on the twenty-first (21st) working day and become retroactive to the beginning date of employment in the substitute position:

- A. Seniority - Substitutes shall not accumulate seniority. (Those substitutes who have attained seniority prior to ratification of this agreement, shall retain seniority rights.)
- B. Sick leave.
- C. Wage scale of the job being filled.

- 10.2 If the substitute employee is a laid off bargaining unit member, all rights and benefits incorporated in this Agreement shall accrue to the employee after the sixtieth (60th) consecutive working day in the same position.

*Insurance and vacation benefits shall be provided after completion of the sixtieth (60th) working day.

ARTICLE XI Employee Rights

- 11.1 Pursuant to the Michigan Public Employment Relations Act, the Board agrees that every bargaining unit member has the right to freely organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiations and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the color of the law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by the Act or other laws of Michigan and the United States; that it will not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any lawful activities of the Association or collective negotiations with the Board, the institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms of conditions of employment, so long as the same does not interfere with the full, faithful, and proper performance of the duties of employment.
- 11.2 Nothing contained herein may be construed to deny or restrict any employee the rights he/she may have under the laws of the State of Michigan and the United States. The rights granted to employees in this Agreement are in addition to those provided by law.
- 11.3 The Board may not discriminate against any employee or applicant for employment in the performance of this

Agreement, with respect to his/her hire, terms, conditions, or privileges of employment, or any matter directly or indirectly related to employment, because of age, race, religion, color, national origin, or sex.

- 11.4 Upon request for an appointment an employee shall have the right in the presence of the Assistant Superintendent of Human Resources or his/her designee, to review the contents of his/her personnel file, excluding initial references and/or confidential material for the Board pertaining to said individual originating prior to initial employment, and to have an Association representative present at such review.
- 11.5 No evaluative material originating after initial employment shall be placed in an employee's personnel file until he/she has had an opportunity to review said material. The employee may submit a written notation, which shall be attached to the material in question.
- 11.6 If an employee is requested to sign material to be placed in his/her file, the signature shall be understood to indicate awareness of the material, but in no instance shall the signature be interpreted to mean agreement with the content.
- 11.7 The employee shall have the right, upon request for an appointment, to review the contents of his/her personnel file. If, upon reviewing his/her files, an employee believes that material placed in such files is inappropriate or in error, such material shall be corrected or expunged from the files, provided that proper cause is shown. A representative of the Association may accompany the employee if requested to do so.

ARTICLE XII Association Rights

- 12.1 Association requests for specific information and materials pertaining to the financial resources of the district or which are needed to process any grievance or complaint shall be honored by the Board provided such information and/or materials are readily available.
- 12.2 The Association has the right to use school building facilities at all reasonable hours for meetings. The Association also has the right to use school equipment at times when such equipment is not otherwise in use. The Association shall furnish or pay for the materials and supplies incidental to its operation.
- 12.3 All bargaining unit employees, including newly hired employees, when hired, shall be provided by the Board with a copy of this Agreement. In addition, the Association shall be provided with at least twenty-five (25) copies of this Agreement by the Board.
- 12.4 The Association shall be provided with a maximum of one-hundred fifty (150) hours of release time for the purpose of conducting Association business. Association officials granted such time shall suffer no loss of pay. Additional release time may be granted by the Assistant Superintendent of Human Resources. (Requests for such release time shall be made to the Assistant Superintendent of Human Resources by the Association President at least twenty-four (24) hours in advance. In cases of emergency, the time limit may be waived by the Assistant Superintendent of Human Resources.)

Association time reimbursed to the District by the Muskegon Clerical/Classroom Assistant Association, the Michigan Education Association or the National Education Association shall not be deducted from the one hundred fifty hours provided above.

ARTICLE XIII Working Hours and Conditions

- 13.1 Full-time employees are employees who are employed by the Board for a minimum of thirty (30) hours per week. Part-time employees are employees who work less than thirty (30) hours per week.
- 13.2 The normal work-week for a full-time employee shall be 30-40 hours per week. Normally, employee working hours shall be equally divided over a five (5) day work-week. In the case of forty (40) hour per week employees, the work-week shall normally consist of five, eight-hour days. The Museum of Art and MCEC operate on a year-round schedule. Hours for full-time employees shall be consistent with the normal work-weeks stated above. Daily work hours at these two sites may vary from the normal work-day to fit the specific department's hours of operation.

During the summer vacation period, the normal work-week for forty-hour employees shall be thirty-five (35)

hours consisting of five, seven-hour days. Employees working less than forty (40) hours per week shall have their summer hours proportionately decreased.

Summer hours shall be in effect the Monday following the end of the student school year and shall end on Monday, three weeks prior to students returning to school.

Any employee working a reduced day during the summer vacation period shall not suffer any reduction in pay. Working days shall not include lunch periods. When an immediate administrative supervisor determines that an employee working less than forty (40) hours per week requires more time to complete a specific assignment, additional time may be requested by such administrative supervisor according to the procedures established in Section 5. Time worked over regularly scheduled hours up to forty (40) hours shall be compensated at the regular rate of pay.

No group of employees in a given classification or seniority group will suffer a reduction in hours to avoid application of the layoff provisions of this Agreement.

- 13.3 Office workers will generally be employed for terms of forty (40) weeks (elementary schools) or fifty-two (52) weeks (central offices and some secondary school positions). Other periods of employment may be allowed to serve particular needs of individual offices.

Specific needs will be reviewed annually.

- 13.4 Ordinarily the work year consists of 261 working days. From time to time, however, the calendar in certain years (leap year) includes one "extra" work-day. When that "extra" work-day occurs, compensatory time may be taken whenever agreed upon by the employee and the immediate administrative supervisor. However, employees shall not be required at any time to work without being paid for such work according to the wages set forth in this Agreement.
- 13.5 All work over forty (40) hours per week shall be paid at the rate of one and one-half (1 1/2) times the hourly rate of pay. All such overtime requests, however, must be submitted by the immediate administrative supervisor and have written approval in advance by the Assistant Superintendent of Human Resources.
- 13.6 Every reasonable effort shall be made to avoid situations whereby a clerical or classroom assistant employee would be the only person on duty in a given building. Where possible, work schedules shall be coordinated so that, except in cases of emergency, an employee is not the only person on duty in a building. In situations where a clerical or classroom assistant employee is alone in a building and has reason to be concerned for his/her safety, such employee may call their immediate administrative supervisor and request permission to leave that building. If the supervisor is not available, such request may be directed to the Assistant Superintendent of Human Resources or the Assistant Director of Human Resources.

Notwithstanding the provisions above, newly hired clerical and/or classroom assistant employees may, as a condition of employment, be assigned to a building where he/she is the only employee on duty. The above stated concern for personal safety also will apply to employees who are alone as a condition of employment.

There will be a designated administrator available at all times to handle issues regarding the safety of clerical and classroom assistant employees.

- 13.7 Employees shall not be required to be responsible for the supervision of students who have been referred to the office for disciplinary reasons except for special education classroom assistants and/or employees assigned such responsibilities as a condition of employment. When the building principal is absent from the building, he/she shall make every reasonable effort to provide for the supervision of such students in accordance with the terms of this Agreement.
- 13.8 Clerks shall be allowed two (2) fifteen (15) minute duty free coffee breaks per day. In those cases where there is only one clerk in a building, arrangements will be worked out with the building supervisor to insure equivalent break time per day.

Classroom assistants shall be granted two (2) fifteen (15) minute coffee breaks per day. In lieu of an afternoon coffee break, the classroom assistant, with approval of the immediate administrative supervisor, may be allowed to leave fifteen (15) minutes earlier than the end of the normal working day.

- 13.9 Employees are entitled to a duty free lunch period. Any employee who is required to work during the normal lunch period shall be given an alternate lunch period, which is mutually agreeable to the employee and the immediate administrative supervisor. The length of the employee's lunch period will be established by mutual consent of the employee and supervisor.
- 13.10 Employees who are asked to use their personal automobile for school business, other than to attend meetings, shall be reimbursed for that usage at the allowable rate set by the Board. No employees shall be required to use their personal automobile for school business except as a condition of their employment for a particular position. No employees shall be asked to transport cargo, which may cause damage to their vehicle.
- 13.11 Whenever possible, all employees will be provided a secure improved parking space.

On Good Friday and Hackley Day employees may leave at students' early dismissal or when busses pull out, whichever is later.

When teachers work evenings, clerks and classroom assistants may be requested to work that evening. If the evening was worked, the employee shall leave on the compensation day at the students' early dismissal time or when the busses pull out, whichever is later. If the employee does not work the evening, the employee shall be allowed to leave at the students' normal afternoon dismissal time without loss of pay.

- 13.13 All employees shall be given one mid-winter break day with pay. It shall be scheduled during the time period for mid-winter break. Each employee shall express her preference for either a Friday or Monday break day with the concurrence of such schedule by the employee's direct supervisor.

Exception to the above rule is as follows:

In the case of MCEC or the Muskegon Museum of Art, a Friday or Monday when work is not scheduled shall be paid straight time with the alternate Friday or Monday required as a work-day.

- 13.14 A building administrator/designee is to have the responsibility for the control and supervision of the administration of medication in school during the school day. Methods to deal with dosages over fifteen per day including having someone else distribute medication in excess of fifteen dosages, having someone else cover clerical duties (answering the phone, duplicating materials, etc.) while the clerk continues to distribute medication in excess of fifteen dosages, or any combination of relief that is satisfactory to the employee and the administrator. Whenever an employee is required to dispense more than fifteen (15) total doses of medication per day, the employee and the administrator shall meet for the purpose of determining how to deal with the amount of medication to be dispensed. If the employee is not satisfied with the resolution, he/she may request a meeting with the Association and Assistant Superintendent of Human Resources or designee to discuss the situation.

In no case shall an employee be required to perform diagnostic procedures (i.e. urinalysis, blood/sugar analysis) nor shall an employee be required to dispense medication based on the results of such diagnostic procedures.

- 13.15 Clerks will be responsible for establishing a CA-60 file for new or transferring students. Clerks will be responsible for maintaining and generating district immunization and attendance records. It is understood that maintaining student CA-60 files is primarily the responsibility of the teacher/counselor. Maintaining CA-60 files is not the primary work responsibility of clerks or classroom assistants. A clerk or classroom assistant may be asked to assist with CA-60 files if it does not prevent the employee from carrying out his/her primary work responsibilities.

- B. No sick leave may be used by a new employee before he/she has completed four (4) weeks of assigned work.
- C. Employees who have accumulated sick leave due to previous service but who are unable to begin a new contract year because of personal illness or personal injury shall be allowed to draw upon such sick leave accumulated until it is depleted or until resumption of assigned work, whichever occurs sooner.
- D. Accumulation of sick leave days shall be without limit.
- E. Employees who may have accumulated sick leave days under the provision of this Article and who terminate their employment with this school system shall not be compensated by unused sick leave days and said unused sick leave days may not be carried forward in the case of subsequent re-employment by this school system. However, employees employed in this district continuously for at least ten (10) consecutive years, shall, upon retirement, receive twenty (20) dollars for each unused day of accumulated sick leave.
- F. Additional absences beyond the employee's personal accumulation of sick leave shall result in deduction on a per diem basis.
- G. Deductions made for illness when the employee has not accumulated sick leave to cover the illness may be repaid to the employee upon the employee's written request to the Assistant Superintendent of Human Resources, when the sufficient days have been accumulated to cover such sick leave.
- H. Any employee who is absent because of injury or disease in compliance with the Michigan Worker's Compensation Law shall receive from the Board the difference between the allotted amount and his/her

regular salary for the duration of the illness limited to and deducted from any accumulated sick leave. The number of days of sick leave deducted would be proportionate to the dollar amount contributed in salary by the Board. However, the employee may elect not to receive the aforementioned current difference from the Board and therefore suffer no loss of accumulated sick leave. However, if an employee suffers an injury as a result of intervention in a dispute between students or as a result of an assault upon the employee by a student and/or a parent/guardian and the resulting injury causes an absence from work, such absences shall not be charged against the employee's sick leave, providing the injury does not involve negligence on the part of the employee or the employee did not exercise reasonable care.

- I. The Board reserves the right to consider all sick leave problems extending beyond the limitations set forth herein on the merits of each individual case. Any employee whose personal illness extends beyond the period compensated under this Article shall be granted a leave of absence without pay for such time as is necessary for complete recovery but not to exceed twenty-four (24) months. Upon return from leave, an employee shall be assigned to the same position, if available, or, a substantially equivalent position except as limited by the Layoff and Recall Article of this Agreement (Article VIII).
- J. The Board contemplates that the use of sick leave will be on an ethical basis in keeping with the high standards of the school profession.
- K. An employee may be required to provide a doctor's certificate for an absence of ten (10) working days or if a pattern of absence is in evidence.

16.3 Leave (Illness in Immediate Family).

- A. Absence of a reasonable length of time but not to exceed five (5) days per year caused by the critical illness of a member of the employee's own household or a member of the immediate family whose care is the direct responsibility of the employee and requiring the personal attention of the employee will be compensated by payment of the contractual salary. Requests for exceptions shall be submitted for approval through the Assistant Superintendent of Human Resources.
- B. Additional absence shall result in a deduction on a per diem basis.
- C. Absence in this Section shall be counted as sick leave and deducted under the regulations of Part 2 of this Article.

ARTICLE XVII Other Leaves

- E. Out-of-state deaths may entail an extension of time in ratio to travel time. Such extension is at the discretion of the Assistant Superintendent of Human Resources.
- F. Absence in this section shall be counted as sick leave and shall be deducted under sick leave regulations.

17.2 Absence with pay not chargeable against the employee's sick leave allowance shall be granted for the following reasons:

The personal leave allowance shall be pro-rated according to a mutually agreed upon formula whenever actual on-the-job days are less than full term employment. Except for emergency circumstances, personal leave shall be allowed only when the principal or other supervisory head has been notified of intended absence twenty-four (24) hours or more in advance. No personal leave days shall be allowed during the first fifty (50) days of initial employment except for emergency approved by the Assistant Superintendent of Human Resources. Employees who have used two (2) personal leave days and terminate their employment at the end of six (6) months or earlier shall have one day of personal leave pay deducted from their final check. Personal leave days shall not be allowed immediately prior to or following a holiday or vacation or on a Friday preceding a Sunday or Monday holiday or vacation except in cases of emergency approved by the Assistant Superintendent of Human Resources.

Personal leave may be taken in units of one-half day. Unused personal leave days shall be added to the sick leave accumulation of the employee in units of one-half day. The practice of extending holiday or vacation by combining personal leave with unpaid leave shall be disallowed.

- B. The Administration may request a medical statement indicating the last day the employee is available to work and the expected date of return. Sick leave days for maternity would terminate when the doctor indicates the employee is no longer disabled.
- C. An employee shall be entitled, upon request, to a leave of absence for up to two (2) years without pay to commence at the end of her confinement, due to child birth, or at any time during the first year after receiving de facto custody of said infant child, or prior to receiving such custody if necessary in order to fulfill the requirements for adoption.
- D. An employee who is granted a parental leave of absence pursuant to the section above, shall, after notifying the Assistant Superintendent of Human Resources of a desire to return to active employment, be assigned to the first available vacant position in accordance with the terms set forth in Article IX (Vacancies, Promotions and Changes of Assignment). If no vacancy exists, the employee may displace the least senior employee in the seniority group and wage classification in which the employee worked prior to going on leave provided that the more senior employee is qualified to fill the position to be taken, or the employee may displace the least senior employee in the seniority group and a lower wage classification than the employee previously held, or the employee may choose to remain on leave pending notice of a future vacancy. It is understood that the employee's seniority must entitle him/her to such displacement.

17.4 Military leaves of absence shall be granted to any employee who shall be inducted or shall enlist for military duty to any branch of the Armed Forces of the United States, in accordance with the requirements of applicable law.

17.5 The Board shall grant a leave of absence without pay to any employee to campaign for, or serve in, an elected public office for a period not to exceed two (2) years. 17.8 To obtain a leave of absence for any reason other than those provided elsewhere in this Agreement, an employee must file a request in writing with the Assistant Superintendent of Human Resources stating the reason for the request in detail. No employee, however, shall be granted leave of absence to seek employment elsewhere. Seniority shall be retained but not earned during leaves of absence. To be eligible for a leave of absence under sections 5, 6, and 7 of the article, an employee shall have served satisfactorily for a period of not less than two (2) years.

17.9 An employee on leave shall be entitled to return to service in the first available vacant position in accordance with the terms set forth in Article IX (Vacancies, Promotions and Changes of Assignment). If no vacancy exists, the employee may displace the least senior employee in the seniority group and wage classification in which the employee worked prior to going on leave provided that the more senior employee is qualified to fill the position to be taken, or the employee may displace the least senior employee in the seniority group and a lower wage classification than the employee previously held, or the employee may choose to remain on leave pending notice of a future vacancy. It is understood that the employee's seniority must entitle him/her to such displacement.

The Assistant Superintendent of Human Resources shall be notified not less than fifteen (15) working days prior to the time when an employee desires to return to work following a leave of absence. If, however, a position previously held by an employee on leave is an open position or is filled by a temporary or substitute employee, the employee wishing to return from leave shall be awarded the position he/she previously held, within fifteen (15) working days following proper notification as specified above.

17.10 Miscellaneous Provisions Regarding Absence

- A. The chief building administrator or his/her administrative designee shall certify to the legitimacy of a claim for compensation for absence covered in Sections 2 and 3 of Article XVI and Sections 1 and 2 of Article XVII by entering on the payroll the dates and causes for such absence, provided the provisions covering absence due to personal illness, death in the family, or death of a relative are complied with. Employees shall not be required to sign on the payroll unless they have been absent during the pay period, except for the first payroll period of each school year.
- B. No employee shall absent himself/herself from regular duties for causes other than personal illness, illness in the immediate family requiring the personal attention of said employee, death in the immediate family, or death of a relative, except with the prior permission of the immediate administrative supervisor. In questionable cases, the immediate administrative supervisor will confer with the Assistant Superintendent of Human Resources.
- C. When, in the judgment of the immediate administrative supervisor or Assistant Superintendent of Human Resources, such absence contributed to the general interest of the school system, compensation may be paid on a full or partial basis.

17.11 Family Medical Leave Act:

Under Federal law and in addition to any leaves granted under any other terms of this agreement, a twelve week unpaid family and medical leave of absence shall be granted to any employee for any of the following purposes:

- (1) the birth of or care of a child;
- (2) the placement for adoption or foster care of a child
- (3) because of the serious health condition of a spouse, son, daughter, or parent;
- (4) because of the employee's own serious health condition.

For further information about a Family and Medical Leave Act leave of absence, contact the Human Resources Office for leave provisions and application procedures.

ARTICLE XVIII

- 18.2 Consistent with or in addition to the requirements of the Compensation Act, employees shall do the following:
- A. Report immediately, and in any event within twelve (12) hours, any accident or injury occurring on the premises or while engaged in services for the Board.
 - B. Such reports shall be made to the immediate supervisor, who shall thereupon require the employee to make a written report, which shall be forwarded, to the Assistant Superintendent of Human Resources. In the event the immediate supervisor is not available, the report shall be made directly to the Human Resources Office.
- 18.3 Sick leave may be used in conjunction with Worker's Compensation as allowed in Article XVI, 16.2, H.

ARTICLE XIX

- 19.1 No employee shall be absent from his/her assignment without prior approval from the immediate administrative supervisor or his/her representative, except in cases of emergency, in which case the principal or his/her representative shall be notified of absence as soon as possible.
- If an employee is unable to report for work because of illness, the immediate administrative supervisor shall be notified at least one (1) hour before employee is to report for work.
- 19.2 Evidence indicating abuse of leave privileges or failure to report for work without notification to the immediate administrative supervisor shall be considered just cause for disciplinary action up to and including discharge.

ARTICLE XX

- C. Every effort shall be made to equalize payroll deductions between the first and second pay periods in any month if such equalization is feasible. Deductions other than those required by law shall not be made from any third pay period in a month unless agreed to by the employee.

ARTICLE XXI

Probation, Dismissal or Change in Classification

- 21.1 If, in the judgment of the immediate administrative supervisor, an employee is not performing his/her duties in a satisfactory manner, the immediate administrative supervisor shall notify the employee at least twenty-four (24) hours in advance so that the employee may seek Association representation if he/she desires. The following procedure shall then be applicable:
- A. A private meeting to discuss concerns shall be provided with the immediate administrative supervisor, (and in the case of classroom assistant employees, such meeting may include the supervising teacher), at the request of either party. The employee may request Association representation at such meeting. In addition, if at any time during this meeting the employee determines the need for Association representation, the meeting shall be adjourned for up to forty-eight (48) hours to allow for an Association representative to be present.
- B. If, in the judgment of the immediate administrative supervisor, (in the case of classroom assistant employees, the supervising teacher may be consulted), the employee has not shown significant improvement after ten (10) working days, a written notice of unsatisfactory performance with specific recommendations for improvement shall be issued to the employee. An additional copy of such notice shall be given to the employee for use by the Association. The date of issuance of the notice of unsatisfactory performance shall institute a probationary period for said employee of thirty (30) calendar days.
- C. If, after the probationary period of thirty (30) calendar days, the employee's work is still unsatisfactory, a conference will be held with the employee's immediate administrative supervisor, the supervising teacher when applicable, the employee involved and the Assistant Superintendent of Human Resources. The employee may request Association representation at such meeting. In addition, if at any time during this meeting the employee determines the need for Association representation, the meeting shall be adjourned for up to forty-eight (48) hours to allow for an Association representative to be present. On the basis of such conference, the Assistant Superintendent of Human Resources shall determine whether said employee shall be dismissed, demoted or transferred to another position in accordance with the terms of this Agreement.
- 21.2 No employee shall be dismissed, disciplined or demoted except for just cause. In general, the Board subscribes to the concept of progressive discipline with the normal step progression of oral reprimand, written reprimand, probation, hearing with the Assistant Superintendent of Human Resources and dismissal, but reserves the right to take whatever action it deems necessary depending upon the nature of the offense.

ARTICLE XXII

Resolutions of Concerns

- 22.1 In the event an employee is experiencing difficulty in carrying out his/her responsibilities, a private meeting with the immediate supervisor shall be provided at the request of either party. The employee may have an Association representative present at the meeting.
- 22.2 In the event an irresolvable conflict develops between an employee and his/her supervising teacher or administrative supervisor, the employee shall have the right to submit a written request for transfer and to request an interview with the Assistant Superintendent of Human Resources. The Assistant Superintendent of Human Resources shall interview the employee for the purpose of ascertaining the problem, and to consider placing the employee in a vacancy for which he/she is qualified provided the employee holds sufficient seniority to be entitled to the position. If two (2) or more employees seek a transfer pursuant to this section, the administration agrees to investigate the feasibility of switching assignments among the employees involved.

ARTICLE XXIII

Grievance Procedures

23.1 Definition

- A. A grievance is defined as an alleged violation, misinterpretation or misapplication of any provision of this Agreement. A grievance may be filed by an employee, a group of employees or the Association.
- B. Nothing shall prohibit any aggrieved employee from discussing his/her grievance informally with any member of the administration.

23.2 Procedure

- A. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level is maximum, and every effort should be made to expedite the process. However, the time limits may be extended by mutual agreement of the parties.
- B. No grievance need be considered by the Board unless the procedure set forth below is followed:

Step One

- a. All grievances, except Association grievances, shall begin as verbal complaints with the employee's immediate supervisor. The employee shall be entitled to have an Association representative present, if desired. Such discussion must take place within ten (10) working days of the alleged infraction or within ten (10) working days of the discovery thereof.*
- b. Within five (5) working days after the discussion of the alleged grievance the administrator shall give his/her answer orally to the aggrieved employee.

Step Two

All grievances not settled orally shall be reduced to writing on forms mutually agreed upon by the Board and the Association. The grievance shall state the nature of the complaint in reasonable detail, including reference to the section number or numbers of this Agreement alleged to have been violated. This written grievance shall be presented to the employee's immediate supervisor within five (5) working days after the verbal response. The immediate supervisor shall within five (5) working days after receiving the grievance give the aggrieved person his/her written answer.

Step Three

- a. If the grievance is not resolved in Level Two, the employee may, within five (5) working days of the immediate supervisor's answer submit the grievance to the Assistant Superintendent of Human Resources.
- b. The Assistant Superintendent of Human Resources or a designated representative shall give the employee a written answer no later than five (5) working days after the receipt of the written grievance. If further investigation is needed, additional time may be allowed by mutual agreement of the Assistant Superintendent of Human Resources and the Association.

Step Four

If the Association is not satisfied with the disposition of the grievance at Step III, the Association may submit the grievance to binding arbitration within twenty (20) days of the response from the administration. If the parties cannot agree as to the arbitrator, the arbitrator shall be selected by American Arbitration Association in accord with its rules, which shall likewise govern the arbitration proceeding.

- 1. It is expressly agreed that the scope and authority of the arbitrator shall be limited in each case to the resolution of the question submitted to him.
- 2. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement.
- 3. The decision of the arbitrator shall be binding on both parties.

4. The fees and expenses of the arbitrator shall be shared equally by the Board and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.
5. No advice in any one (1) case shall require a retroactive adjustment in any other case.
6. Paid leave time, not deductible from Association leave time, shall be provided any bargaining unit member identified as the aggrieved party whose presence is necessary at the arbitration hearing.

*If the alleged grievance involves a single building, it shall be initiated with the building principal or supervisor. If the alleged grievance involves more than a single building, the aggrieved person(s) may elect to institute the informal discussion at Level Three.

ARTICLE XXIV
Notice to Employees

- 24.1 All new employees, employees who change positions, or employees who are changed in classification, shall be given a written notice designating classification, salary, hours, terms of employment and other pertinent information.
- 24.2 Not less than two (2) weeks prior to the first day of work, all returning employees shall receive written notice of the date, time and place they are to report on the first day of work.
- 24.3 All employees shall be furnished a written notice of employment not later than the first day of work, or not later than two (2) weeks after the ratification of a successor contract whichever is later. Said notice shall contain the following information:
 - a. Employee's name
 - b. Classification and position
 - c. Date when employee shall start to work
 - d. Date when employee will end work
 - e. Hours per week
 - f. Weeks per year
 - g. School or department where assigned

 - i. The employee's hourly rate and yearly salary
 - j. Longevity and vacation entitlement
- 24.4 If externally funded programs (government grants or projects) are acquired by the District, which create additional positions for clerks or Classroom Assistants, the President of the Association shall be notified.

ARTICLE XXV
Miscellaneous

- 25.1 Building Responsibility - Absence of the Principal. It is understood by both parties that the operation of a school building and the decisions pertaining thereto are the responsibility of the building principal. When it is necessary for the principal to be absent from his/her building, the clerk shall be advised where he/she can be reached in an emergency. Should an emergency arise and the clerk is unable to reach the principal, he/she may call the switchboard operator at the Hackley Administration Building who shall notify the administrator available to handle the emergency and/or unusual situations requiring decisions beyond the authority of the employee.

ARTICLE XXVI
School Closing

- 26.1 Whenever the Board determines that weather conditions are such that schools will not be conducting regular classroom schedules, notice of this decision shall be communicated by radio, television, or other means, as soon as this can reasonably be accomplished. Unless specifically notified to the contrary, clerks and classroom assistants shall not be expected to report for work. If clerks and classroom assistants are expected to report for work, reasonable extra time shall be allowed for employees to report for work beyond the normal starting time.

- 26.2 Should weather conditions cause the closing of schools during the school day, employees shall remain in school until all students have been dismissed or until the employee has been released by the immediate supervisor.
- 26.3 When schools are open and employees are unable to report for work because of severe inclement weather, an act of God, or their health and safety are threatened by attempting to report, such employees may utilize a personal leave day without the required twenty-four (24) hour prior notice being given. However, the employee must report his/her absence at the earliest possible time.
- 26.4 In case of closing when employees are not required to report for work, the following shall apply:
- A. On the first three days the employees shall not suffer any loss of pay.

ARTICLE XXVII
In-Service Training

- 27.1 Each employee shall be allowed one (1) day with pay per year for Professional Improvement. This day may be used in increments of one-half (1/2) days. Such day may be used at the employee's discretion for, but not limited to, such activities as: seminars, workshops, in-services, and educational visitations, which are relevant to the job.
- A. Two (2) work-days notice shall be given to the employee's administrative supervisor.
 - B. The day shall not be used to extend a holiday or vacation unless specifically approved in advance by the Human Resources Office.
 - C. Professional improvement days may be accumulated from year-to-year. When using more than one (1) of these days consecutively, five work-days notice shall be given instead of the two work-days notice required in 27.1 A. above.
 - D. Use of (3) three or more consecutive days requires prior approval of the Assistant Superintendent of Human Resources.
- 27.2 Employees required, by the district, to attend in-service training shall be released for such training without loss of pay. Such training shall not be counted as a Professional Improvement day (as defined in 27.1).
- 27.3 In the event that employees are requested to work or attend in-service training on days when school is not normally in session, employees shall be compensated at the regular hourly rate.
- 27.4 In addition to the training defined in 27.1, 27.2 and 27.3 above, each employee who has responsibility for any special needs student(s) shall receive in-servicing on those with special emotional, educational, physical and/or medical needs. Such training shall include necessary training (i.e., catheterization) for handling the student(s).
- 27.5 It is the intent of the school district to train employees in basic first aid, CPR, and the Heimlich Maneuver. The Board will attempt to train up to twenty employees per year until all are trained.

APPENDIX II
EMPLOYEE EVALUATION SYSTEM

Philosophy and Purpose

The purpose of evaluation is not only to find out whether an employee is doing the job; it is also to find out what problems there are and how they can be resolved.

The evaluation should:

1. Be a positive experience.
2. Improve school climate.
3. Develop awareness of the responsibilities of all participants.
4. Open areas of constructive communication between employees and administrators.
5. Build a bridge of trust between the evaluator and the employee.
6. Emphasize the team approach.

It is recognized that evaluation is an important aspect of employment. Therefore, it must be given extremely high priority in terms of time for observation and consultation, fairness and cooperation by all parties concerned.

Assumptions

A humane and effective system of personnel evaluation must have, as its base, certain assumptions about an individual's potential as a satisfied, productive worker. The employee evaluation system must be built on a working relationship between individuals based on the following assumptions:

1. Respect for the worth and dignity of an individual makes that individual better able to respect the work and dignity of others.
2. Participation in setting both personal and organizational goals increases motivation for achievement and produces greater satisfaction in the results.
3. Mutual participation in the total work situation and the evaluation process allows more imaginative and creative involvement by all participants.
4. Opportunity for recognition of work well done stimulates better performance and greater satisfaction.
5. Self-appraisal is an important element of the valuation process and contributes to improved performance.

Goals

A primary goal of the evaluation system is not to complete an evaluation report, but to help employees improve their effectiveness. Important secondary goals are as follows:

1. To achieve the goals of the Muskegon Public Schools, individual schools and classrooms.
2. To produce good morale through just and equitable personnel practices and by developing greater self-acceptance.
3. To stimulate continuing improvement in employee performance. To increase communication and cooperation among employees another staff, students, and the community.

Procedures

The following procedures will be followed in the evaluation process:

The administration will notify all employees, in writing, with reasonable specificity, of the duties or responsibilities of their position upon the commencement of their employment in such positions. No evaluation shall pertain to the performance or non-performance of any duty or responsibility for which the employee was not notified pursuant to this section.

Observations

Employees being evaluated during the current school year will be observed in accordance with the time lines and provisions outlined herein. An observation(s) refers to the collection of data through visitation(s). The intent of the observation(s) is to develop a database for validating job performance.

It is agreed that:

1. This step is the recording of observable behaviors within the scope of the performance areas.
2. All evaluations will be conducted by the employee's immediate supervisor. In the case of Classroom Assistants, the supervising teacher is expected to provide input into the evaluation process.
3. Observations will be done openly and with full knowledge of the employee.

Steps Necessary to Complete the Evaluation Process

A. Observation and Evaluation Definitions

1. Observation refers to seeing and hearing, recording, reviewing and analyzing performance. This is an ongoing process.
2. Evaluation refers to the making of judgments for the completion of evaluation forms.

B. Forms

1. Each employee must be given a copy of the current evaluation instrument prior to the evaluation. The employee may request to discuss this with the evaluator prior to evaluation.
2. All evaluations shall utilize the current form agreed to by the Board and the Association. The narrative statements are to be made in correlation with the specific job descriptions.
