

AGREEMENT

BETWEEN

**THE BOARD OF EDUCATION OF
MIO AUSABLE SCHOOLS**

And

**THE NORTHERN MICHIGAN EDUCATION
ASSOCIATION, MEA/NEA**

2006-2010

ARTICLE I

RECOGNITION

- A. This Agreement is entered into this 31st day of August, 2006, by and between the Board of Education of the Mio AuSable Schools, hereinafter called the Board, and the Northern Michigan Education Association, MEA/NEA, hereinafter called the Association, which shall represent all Mio AuSable employees who are included in Section B of this article.
- B. The Board hereby recognizes the Association as the exclusive and sole bargaining agent as defined in Section 11 of Act 379, Public Acts of 1965, for all certified personnel in the appropriate bargaining unit, described and defined as:
- All certified full-time and regular part-time teaching personnel, librarians, and counselors of the Mio AuSable Schools, excluding all administrative personnel, substitute teachers, and all other employees of the Mio AuSable Schools.
- C. The terms "teachers" or "employee," singular and plural, when used hereinafter in this Agreement shall refer to all personnel represented by the Association in the bargaining unit as defined above, and references to one gender shall include the other gender.
- D. The Board agrees not to negotiate with any teacher's organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given opportunity to be present at such adjustment.

E. The term "Board" shall refer to the Board of Education of the Mio AuSable Schools and, where appropriate, its superintendent and administrative personnel.

ARTICLE II

RIGHTS OF THE BOARD

A. It is agreed that the Board hereby retains and reserves unto itself, without limitation and without prior negotiations with the Association, all the powers, rights, authority, duties and responsibilities enumerated in the School Code of 1976, and conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, including, and without limiting the generality of the foregoing, the rights to:

1. The executive management and administrative control of the school district, its properties, equipment, facilities and operation and to direct the activities and affairs of its employees;
2. Hire all employees, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion; and to promote and transfer all such employees;
3. Determine the size of the work force and to expand or reduce the force;
4. Establish, modify, or change any work, business, or school hours or days;
5. Decide upon the means and methods of instruction, including telecommunications instruction, the selection of textbooks and other teaching materials and the use of teaching aids of every kind and nature. The Board will consult with the teachers in affected areas with respect to these matters;
6. Determine class schedules, the hours of instruction, and the duties, responsibilities, and assignments of teachers with respect thereto and non-teaching school activities and the terms and conditions of employment.

The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the

extent that such terms are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

- B. The express inclusion by an affirmative statement or delineation of any specific rights of the Board anywhere in the Agreement shall not by implication exclude or diminish those remaining rights and powers of the Board not so mentioned and hereby retained by the Board.

ARTICLE III

DUES DEDUCTION AND REPRESENTATION FEE

- A. Each bargaining unit member shall, as a condition of employment, (1) on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Association, or (2) pay a legally permissible service fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the administrative procedures adopted pursuant to that policy. The service fee shall not exceed the amount of Association dues collected from Association members and shall be reduced by any amounts required by law. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such service fee directly to the Association, or authorize payment through payroll deduction, the employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Monies so deducted shall be remitted to the Association, or its designee, no later than thirty (30) days following deductions.
- B. Pursuant to Chicago Teachers Union v Hudson, 106 S Ct 1066 (1986). The Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-union bargaining unit members. The remedies set forth in that policy shall be exclusive and, unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim, or complaint by an objecting

bargaining unit member concerning the application and interpretation of this article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure.

- C. Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the employer an assignment authorizing deduction of dues in the Association as established by the Association. Such authorization shall continue in effect from year to year unless revoked in writing during the month of August according to the procedures outlined in the MEA constitution, bylaws, and administrative procedures. Pursuant to such authorization, the employer shall deduct such dues from each regular salary check of the bargaining unit member over the remaining paydays.
- D. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year (December, January, or February). Consequently, the parties agree that the procedures in this article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association's notification to non-members and the employer of the fee for that given school year.
- E. The Association agrees to indemnify and save the Board, including each individual school Board member, and its administrative employees, harmless against any and all claims, demands, costs, suits, or other forms of liability, including back pay, unemployment, and all court or administrative agency costs that may arise out of or by reason of action by the Board for the purpose of complying with this Agreement. The Association shall have control of all litigation arising hereunder and shall be able to settle or compromise any such case in its discretion.

ARTICLE IV

RIGHTS OF TEACHERS AND ASSOCIATION

- A. No teacher shall be disciplined, reprimanded, or reduced in rank or compensation without just cause. Just cause requirements shall not be applicable in connection with the non-renewal of a probationary teacher or with respect to non-reappointment to a position on the Co-Curricular Schedule (Appendix B). Should a teacher or the Association elect to seek relief through the Tenure Commission, courts or other avenues of law, then such discipline, reprimand, or reduction in rank or compensation cannot be arbitrated pursuant to this Agreement and is hereby specifically and expressly excluded from the arbitration provision of Article XI, Grievance Procedure. A probationary teacher who is dismissed or served written reasons for non-renewal pursuant to the requirements of the Tenure Act may utilize the grievance procedure through the Board level to obtain a hearing and opportunity to present arguments in opposition to such dismissal or non-renewal. Such dismissal or non-renewal cannot be arbitrated pursuant to this Agreement and is hereby specifically and expressly excluded from the arbitration provision of Article XIV, Grievance Procedure. The decision of the Board in the case of the dismissal or non-renewal of the probationary teacher is final.
- B. The Association shall have the right to the use of school building rooms and facilities at all reasonable non-contractual hours for meetings, according to the Board's policy on the use of the building. Association business shall not be conducted during the regular workday of any employee except during that teacher's duty-free lunch period or with prior administrator approval. The Association may conduct Association meetings for one (1) hour on the first and last teacher days.

- C. Bulletin boards in the teachers' lounge and school mailboxes shall be made available to the Association, and the public address system may be used for announcements subject to administrative approval. The administration shall receive a copy of general circulation materials.
- D. The Association shall have the right to use school equipment, including word processing equipment, duplication equipment, internet and email access, calculators, and all types of audio-visual equipment at reasonable times, when such equipment is not otherwise in use. The Association shall pay for the prevailing cost of all materials and supplies incident to such use.
- E. The Board agrees to notify the teacher when the Board receives a request for all or part of that member's personnel file. The Board agrees, when responding to FOIA requests, to redact any materials from the file that are allowed by law to be excluded from the materials released.

ARTICLE V

MEDICAL EXAMINATIONS

- A. At the time of initial employment, each employee shall have a satisfactory current health certificate from a physician authorized to practice medicine in the state of Michigan. Said certificate will be filed in the Superintendent's office before taking up assigned duties. Cost of said examination to be borne by the employee.
- B. After five (5) consecutive days' absence due to illness or injury, a teacher may be required to obtain approval by a doctor before returning to work. This approval shall be made by a physician or psychiatrist authorized to practice in the state of Michigan.
- C. Any additional medical examination can be requested by the administration at the expense of the Board of Education.
- D. Medical examination results may be subject to verification by a doctor named by the district.

ARTICLE VI

TEACHING HOURS

- A. The teachers' workday will not exceed a total of 7½ hours per day, including a lunch period and preparation period. In keeping with the Board's rights as listed in Article II of this Agreement, the beginning and ending of the teachers' workday shall be determined by the Board. These workdays shall include, but not be limited to, regular workdays, parent-teacher conference days, early school closings due to inclement weather or other circumstances, days without students, half-days, in-service days, exams, and records days.

Each year 1098 hours of instructional time shall be scheduled at the elementary level. Professional development time shall be counted as instructional time for this purpose. The total amount of classroom time will not fall below amount scheduled in the 2000-2001 school year. If it is necessary, the 1098 hours may be reached through teacher supervision of recess duty. Teachers supervising recess will be compensated at the rate of 0.04% of the BA base salary per recess worked. This recess duty will be on a voluntary basis first. Should sufficient volunteers not come forth, the administration will assign teachers on a rotational basis to recess duty until the required hours are met. Should the Board desire additional hours above the required 1098 hours this may be achieved through voluntary recess duty, which will be compensated as described above. Each year sufficient professional development will be scheduled to meet the state requirements.

- B. Teachers may be required to work a reasonable number of hours, given adequate notice, beyond the normal work day/week for the purposes of staff meetings, curriculum committee meetings, school improvement committee meetings, and parent

conferences. The Board will make such extra hours voluntary. In consideration for volunteered time, the Board will recognize such voluntary service through the following means: conference attendance, school visitation, released time, in-service and professional development activities, compensatory time, compensated time.

The Association will encourage all members to participate in the school-improvement process.

- C. All teachers shall have a duty-free, uninterrupted lunch period of no less than 30 minutes, except as mutually agreed.
- D. Teachers shall not be required to work on scheduled days of student instruction which are not held because of conditions not within the control of school authorities, such as inclement weather, fires, epidemics, mechanical breakdowns, or health conditions as defined by city, county, or state health authorities. The Board may reschedule any such days. Teachers will receive their regular pay for days which are cancelled, but shall work on any rescheduled days with no additional compensation.
- E. The Association shall strongly encourage its members to attend school-sponsored events in which students take part and shall strive to achieve full and appropriate faculty representation at students' academic honors or awards programs sponsored by the Board or administration.

ARTICLE VII
TEACHING CONDITIONS

- A. The administration will make every attempt to meet the recommended class sizes as listed below:
1. Kindergarten through Grade 6 -- 30 pupils.
 2. Special classes for special education students -- 12 pupils at one time, or more as permitted by special education rules with approved deviations.
 3. Grades 7-12 -- 30 pupils, except:
 - a. when work stations limit enrollment;
 - b. Music -- 40 pupils, or 75 pupils with one teacher and an aide.
 4. When class sizes are in excess of the levels above, teachers shall be compensated as follows: Secondary teachers will be compensated at the rate of 0.0065% of the BA base salary per excess student per class period per day where the enrollment is in excess. An elementary teacher shall be compensated at the rate of 0.039% of the BA base salary per excess student per day that the enrollment is in excess.
- B. To relieve teachers of cafeteria, patrol, and bus duty, the Board agrees to engage non-professional people as aides in high school and elementary. The aides will handle patrol duties, duplication of teaching materials, collecting moneys for lunch and milk, and similar nonprofessional responsibilities, subject to economic conditions.
- C. The Board shall make available in each school a lounge, restroom, and lavatory facilities for teacher use and at least one room appropriately furnished which shall be reserved for use as a faculty lounge.
- D. A telephone shall be made available for teachers for their reasonable use in the lounge area. A pay phone or a system of collecting expenses from teachers for non-teaching calls shall be worked out between teachers and the administration.

- E. Adequate designated parking facilities shall be made available to the staff during the normal school day.
- F. The school calendar shall be attached to this Agreement as Appendix C. The maximum number of teacher workdays shall be one hundred eighty-four (184). Scheduled days of student instruction may be rescheduled in accordance with Article VI, Teaching Hours, Section D.
- G. Teaching load and schedule:
1. The normal weekly teacher load in the junior and senior high school will be thirty (30) assigned periods and five (5) unassigned preparation periods. A teacher who chooses to accept a class in lieu of having a scheduled preparation period shall be compensated an additional 7.14% of that teacher's salary and longevity per semester. The normal weekly teaching load in the elementary school will be thirty (30) teaching periods. The administration will notify the Association of schedule changes. If schedules are changed, similar time ratios to the above shall be maintained.
 2. A prep is a class with a unique course title. Classes with the same title may have multiple sections and are not considered separate preps. A teacher who is assigned to teach more than four (4) preps will be compensated at the rate of 2.5% of the BA base salary per semester per extra prep.

Non-instructional classes such as academic support, study skills, or supervision of teacher's assistants or apprentices are not considered preps for the purpose of deciding the total number of preps.
 3. A split class is a class that has more than one course title during the same period. Supervision of a teacher's assistant or an apprentice during a class does not constitute a split class. A teacher may not be assigned a split class without that teacher's consent. A teacher who consents in a given year is not obligated to consent in future years.
 4. A teacher may be compensated under multiple sections at the same time. For example: A teacher who accepts a split class during their preparation period will receive an additional 7.14% of their salary and longevity plus an additional 2.5% of the BA base each semester.
 5. Recognizing those management rights of the Board as stated Rights of the Board in Article II, the Board shall determine the daily teaching schedule. Said daily schedule shall not conflict with the assignment specifications outlined above.

- H. Based upon known conditions, teachers who will be affected by a change in positions in the elementary grades and by changes in subject and assignments in the secondary grades will be consulted and notified by their principals of a tentative position prior to the last day of school. In the event of assignment changes during the summer, the administration will make every effort to notify the affected teacher as soon as possible after the change is known. Such changes will be voluntary to the extent possible. Every effort will be made to avoid reassigning probationary teachers to different grade levels unless the teacher approves or requests such change.
- I. Team teaching situations shall be mutually agreed to by teachers and principals.
- J. The administration shall make the teacher assignments.
- K. The administration agrees at all times to maintain a list of substitute teachers. Teachers shall be informed of a telephone number they may call to report unavailability to work. Teachers shall call this number at least an hour and a half before the regular school day starts, except in an emergency. Once a teacher has reported his unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher.
- L. Supervisors shall make themselves available to the teaching staff.
- M. Complaints by parents or students directed toward a teacher shall be called to the teacher's attention within a reasonable time.
- N. Telecommunications Instruction:
 - 1. Telecommunications instruction assignments shall be voluntary.
 - 2. Telecommunications instructional providers may be evaluated for program effectiveness and student progress. A teacher cannot be terminated because of his/her performance as a telecommunications teacher, unless that teacher was hired specifically as a telecommunications teacher.
 - 3. The telecommunications instructor is telecasting as an employee of the Board; therefore, videotapes of instruction belong to the district and may be reused in the case of student make-up work without the instructor's permission. Use of

tapes for other than student make-up shall be by mutual consent between the teacher and the Board.

4. Any teacher who conducts a class over the interactive television system (ITV) shall be compensated at the rate of 1.62% of the BA base salary per semester for each course being taught. Multiple sections of the same course are considered separate courses.

O. Whenever it is known that a special education student designated as SMI, TMI, SXI, POHI, AI, or EI has unusual special needs due to the severity of the disability, at least fifty percent (50%) of the regular teachers who will be providing instructional services to that student will be invited, in writing, to participate in the IEPC meeting. A substitute will be provided if required for any teacher participating in the IEPC meeting.

The parties recognize the extent to which a handicapped student can satisfactorily participate in regular education programs, and services will partially depend upon the training which will be provided the regular education personnel responsible for instructing the handicapped student as needed.

Bargaining unit members, except trained special education personnel or other medically trained personnel, shall not be required to provide ongoing, repetitive medical or hygienic services for the above-referenced special education students except in an emergency situation.

P. In the event that any provision(s) of a school improvement plan (SIP) or application thereof violates, contradicts, or is inconsistent with the collective bargaining agreement, the collective bargaining agreement shall prevail. The agreement shall not be altered or modified through the school improvement process, absent written mutual agreement through a properly executed letter of agreement between the Board and the Association.

The conditions which follow shall govern employee participation in any and all plans, programs, or projects included in the term "SIP":

1. Participation by the employee outside required work hours is voluntary, pursuant to the provisions of Article VI, Section B.
 2. School improvement and site-based activities may be scheduled during the normal school year and normal school day set forth in the contract. These activities shall be attended, unless the principal excuses a staff member.
 3. Participation or non-participation shall not be used as a criterion for evaluation, discipline, or discharge.
- Q. The Board and Association recognize and accept the concept of participatory management systems that facilitate collaborative decision making on select issues, joint planning, and joint problem solving which focus ultimately on the goals of improving the quality and delivery of educational service and the work environment.
- R. The Board agrees to make available word processing, duplicating equipment, and Internet/email access to aid teachers in the preparation of instructional material.

ARTICLE VIII

PUPIL ADMINISTRATION

- A. It shall be the responsibility of the school district to periodically report to parents or guardians the progress of students. It shall be the responsibility of the administration and teachers to set up a reporting program. Formal methods of reporting shall include (1) report card, and (2) report card and/or a conference. Informal methods of reporting shall include (1) notes, and (2) phone calls. Organizing and establishment of the time schedule and the notification to the parents concerning conferences shall be the tasks of the administration assisted by the teachers.
- B. The teacher shall not be responsible for obtaining records of a student from a previous school district.
- C. No room with children present shall be left unsupervised. Each teacher is responsible to get someone to cover for him if he must leave his class.
- D. In the event that the classroom teacher feels in need of help, the administration may be called upon. Since the teacher's authority and effectiveness in his classroom is undermined when students discover that there is an insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom.
- E. Teachers of Mio AuSable Schools have an obligation to supervise, discipline, and take charge of pupils and all others using school equipment while under their assigned classes and/or activities.

ARTICLE IX

TEACHER EVALUATION

A. The performance of all teachers shall be evaluated in writing which could include a checklist. Probationary teachers shall be evaluated at least twice each year by the administration. Tenured teachers shall be evaluated at least once every three (3) years. Formal evaluations for probationary and tenured teachers should normally be completed by May 1 of each year. However, the administration is not precluded from evaluating teachers informally after that date.

B. Evaluation Procedure:

1. All new teachers in the system may have a tenured teacher advisor assigned to them at a time approximately one month after the commencement of their employment in the system. The selection of said advisor shall be on the mutual agreement of the probationary teacher, the principal, and the advisory teacher. If possible, this assignment will continue until the probationary teacher receives tenure or one or the other of the teachers leaves the system.

It shall be the duty of the advising teacher to meet with and aid the probationary teacher in any way mutually agreed to. The advising teacher may be present at any meetings between the probationary teacher and the principal which are in regard to evaluation.

2. Each teacher may fill out a self-evaluation form to be filed with his personnel records.
3. The administrator shall prepare and submit a written report and recommendation to the teacher within ten days of an evaluation observation. If an administrator believes a teacher is doing unacceptable work, it shall be noted and set forth in specific terms. The administrator shall then set forth written recommendations for improvement. The teacher shall receive a copy of each form that is filled out.
4. Either the teacher or principal may request a conference following a written evaluation for the purpose of clarifying the written report and recommendations. A copy of each written evaluation will be submitted to the Superintendent. A teacher who disagrees with a written observation, evaluation, or recommendation may submit a written answer within twenty (20) days, which

- shall be attached to the file copy of the written observation, evaluation, or recommendation in question.
5. The teacher shall be given reasonable notice of those formal evaluation observations conducted to fulfill the minimum requirements of Section A above. Advance notice need not be given for any additional observations.
 6. All formal monitoring or observation of the work performance of a teacher shall be conducted openly and with the full knowledge of the teacher. Secret surveillance devices shall not be used to evaluate the performance of a teacher. If information obtained as a result of informal observation will be used in the evaluation of the teacher, then such information will be called to the teacher's attention.
 7. Each teacher shall have the right upon request to review the contents of his own personnel file, except confidential, pre-employment references. A representative of the Association may be requested to accompany the teacher to such a review.
 8. The evaluation process shall be continuous and comprehensive. The written evaluations, forms, and conferences may address the teacher's overall performance in the Mio AuSable Schools. A committee of teachers, administrators, and school Board members shall be established to study and make recommendations for improvements in the process of evaluation. This shall include forms, techniques, and criteria. Prior to implementing a change in the evaluation process, the Board shall review any of the recommendations of the committee.
 9. The parties agree that parents, students, or other District employees will not be used to evaluate employees. No student test scores or test results of any kind will be used to evaluate employees.

ARTICLE X

VACANCIES, PROMOTIONS AND TRANSFERS

- A. Whenever any vacancy in any professional position in the district shall occur, the Board shall publish the vacancy by appropriate notice in the teachers' lounge. When a vacancy occurs in the summer, a written notice will be included with the teachers' paychecks or mailed to all other teachers. A vacancy is an opening in a bargaining unit position for a period greater than one hundred fifty (50) school days which the Board intends to fill on a regularly scheduled basis (full- or part-time) with someone other than a teacher who is on leave or layoff status. If a vacancy occurs during a school year after January 1, the Board may temporarily fill the vacancy with a substitute or temporary teacher until the end of the school year, at which time the position would be posted as a vacancy. However, the position need not be posted at that time as a vacancy if the vacancy occurred as a result of a teacher going on leave who is expected to return.
- B. Any teacher may apply for such vacancy. Applicants accepted for a teaching position must be certified from an accredited institution of higher learning or from the State Department of Education.
- C. The Board declares its support of a policy of promotions from within its own staff, including promotions to supervisory and executive levels.
- D. Criteria for qualifications to supervisory and administrative positions shall be spelled out by the Board of Education.
- E. Any teacher who shall be transferred to a supervisory or executive position and shall later return to teacher status shall be entitled to such rights as he had under this Agreement prior to such transfer.

- F. Transfer shall be accomplished through conference, evaluation, and between the administration and the teacher.
- G. All teachers in the Mio AuSable Schools will be given first opportunity to have summer school assignments, provided they meet all qualifications, including highly qualified teacher status per the federal legislation known as No Child Left Behind for all portions of any such assignment.
- H. Part Time Teachers
 - 1. Part time teachers may not be used to fill a vacancy created by the District laying off a full time teacher.
 - 2. Laid off teachers shall have the first rights to be recalled to part time positions.
 - 3. Acceptance or refusal to a position less than full time shall not affect a teacher's recall rights.

ARTICLE XI

REDUCTION IN PERSONNEL

- A. In the event of a reduction in personnel, the Board shall retain tenured teachers in the order of greatest seniority, provided they are certified and qualified to teach in the available positions.

Seniority is defined as years of continuous service as a certified employee of the Mio AuSable Schools from the first day of services rendered under contract. Leaves of absence without pay and periods on reduction in personnel shall not accumulate as seniority but shall not operate as a break in continuous service. A list of teachers' first date of work shall be prepared and published no later than ninety (90) days from the first day of each school year. Prior to serving the notice for reductions in personnel, a seniority list shall be prepared and published. Those teachers with equal seniority shall participate in a drawing to determine their ranking on the seniority list. The Association and teacher(s) so affected will be notified in writing of the date, place, and time of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow the affected teachers and Association representatives to be in attendance. A copy of the seniority list shall be provided to the Association.

Lose seniority – seniority shall be lost for any of the following reasons:

1. Employee quits
2. Employee is terminated
3. Employee retires
4. Employee on layoff does not respond to a recall notice within the fourteen (14) day period stipulated in this CBA.

5. Employee has been on layoff for thirty-six (36) months. (after 36 months of being on the layoff list, the laid off employee is removed from the layoff list and no longer has any employment relationship with the District.)
 6. Employee abandons their position – employee does not report to work for five days and does not report their unavailability to work.
- B. No teacher shall be reduced pursuant to a reduction in personnel unless the teacher is provided written notice of at least sixty (60) days sent by registered mail to the teacher's last known address on file with the Board.
 - C. All compensation shall cease when the teacher is reduced pursuant to the reduction in personnel. The teacher shall be paid all compensation which has been earned up to the date of reduction. The teacher shall be maintained as a member of the employee group for purposes of the reduced teacher continuing health insurance coverage at the group premium rate under COBRA for a period of up to eighteen (18) months after reduction, subject to the permission of the health insurance carrier. The teacher shall submit the required payment to the school district in advance of the district's scheduled payment date to the insurance carrier.
 - D. Teachers who have attained tenure in the Mio AuSable Schools and are reduced pursuant to a reduction in personnel shall be recalled to the first position for which the teacher is certified and qualified in order of greatest seniority among those remaining in reduced status. Notice of recall shall be sent by certified mail, return receipt requested, to the teacher's last known address on file with the Board. The teacher shall have fourteen (14) days from return of the receipt, or notice if undeliverable, to respond and accept recall, after which the teacher shall be deemed a quit.
 - E. Nothing in this article shall supersede rights of a tenured teacher under the Michigan Teachers' Tenure Act.

ARTICLE XII

LEAVE DAYS

A. Sick Leave

Teachers shall be credited with twelve (12) days at the beginning of the school year.

These twelve (12) days may accumulate to one hundred twenty (120) days.

All teachers shall be notified of their accumulated leave days at the beginning of each school year in September. The days must be used for the following reasons:

1. Personnel illness or accidental injury, including the period of personal disability and incapacitation due to pregnancy, childbirth, and recovery or complications therefrom. The following requirements and procedures shall apply to all teachers:
 - a. All teachers aware of an impending period of physical disability or illness shall notify the administration of such as soon as possible. Said notification is to be accompanied by a statement from the attending physician giving the anticipated date of disability or illness. Said notification shall be filed with the Superintendent of Schools.
 - b. The teacher may be required to furnish medical certification of continued ability to perform the duties of employment once a month following initial notification.
 - c. To receive sick leave payments, the teacher must perform all duties until physically disabled and return to service as soon as physically able to perform all duties.
 - d. In cases of extended illness or disability, chronic illness or disability, or mass absence of the teaching staff, the teacher may be required to have a physician's certification verifying the physical illness or disability which prevents performance of teaching duties.
2. Illness or injury to a member of the household under your support.
3. A teacher may borrow up to seven (7) days from his anticipated sick leave, but shall reimburse the school district for leave taken but not earned at the time of severance.

4. If a teacher with a serious illness or injury has used all existing sick days allotted to him/her, a committee of two school Board members, two teachers, and one administrator shall be formed to plan for a possible arrangement of donating of additional days by other teachers, or another plan of assistance for the ill or injured teacher. Any plan developed shall be subject to Board approval and Association approval and shall not be precedent setting.
5. At the end of each school year, teachers shall have the option to exchange unused sick days in excess of the 120 accumulated days at the rate of 0.145% of the BA base salary for deposit into a MEA Financial Services tax deferred annuity.

B. Personal/Emergency Day Absence

1. Each year not more than four (4) days and not more than two consecutive days may be used for personal reasons. The administration reserves the right to limit teachers so as not to exceed four teachers absent at any one time. Requests shall be submitted at least twenty-four (24) hours in advance, except in emergency situations which preclude such notice. When such notice is precluded, the nature of the emergency preventing the notice shall be stated.
2. Teachers with students under their supervision attending a function of the organization for which the teacher acts as advisor shall not have these days deducted from business or personal leave days.
3. Personal business days will not be deducted for attending school-oriented conferences.

C. Bereavement Leave

Each year two (2) days' leave shall be granted for attending funerals. Additional days, as needed, shall be charged against sick leave or personal business leave at the teacher's option.

D. Judicial Leave

Any teacher called for jury duty during school hours or who is supposed to testify during school hours in any judicial or administrative matter, or who shall be subpoenaed to testify in any arbitration or fact-finding, shall be paid the difference between his/her regular salary and any pay received by the teacher for said duty.

E. Association Leave:

1. Each school year, the association shall be granted three (3) days association days by the district. These days are to be used by any association member at the discretion of the association President for association business. The association and the board will work together to schedule days so that substitute teachers are available.
2. If more than three (3) days are needed by the association, such days will be granted with the cost of the substitute teacher being reimbursed to the district by the association.

F. School Business Leave

1.
