## **ARTICLE 1 RECOGNITION**

- A. The Lincoln Consolidated Board of Education hereby recognizes the Washtenaw County Education Association, an affiliate of the MEA/NEA, as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, otherwise known as the Public Employment Relations Act (PERA) for full-time and regularly scheduled part-time certified professional personnel employed by the Board of Education, including social workers, guidance counselors, school psychologists, certified librarians, deans of students and nurse.
  
- B. The words "personnel," "employees," "teachers," "members," or the singular forms of the preceding, when used in this Agreement, refer to everyone within the scope of the bargaining unit, as defined above, unless specifically designated otherwise. The term "Association" in this Agreement shall mean, for the purposes of recognition only, the officers, members, and agents of the WCEA/LEA/MEA/NEA. The term "Board" shall include its officers, members and agents. The term "Superintendent" shall include the superintendent of the district or the superintendent's designee.
  
- C. The Board agrees not to negotiate with any other organization purporting to represent any employees within the scope of the bargaining unit as defined in "A" above, in regard to wages, hours, or working conditions except the bargaining representative as herein specified for the duration of this Agreement.
  
- D. If any existing classifications not listed above or any new classification is established by the Board, the Association shall promptly be notified. It is understood that classifications created or existing which are similar in function and powers to the classifications included in the above bargaining unit shall be added thereto. The Association shall have the right upon notification as previously mentioned or in lieu of notification, upon its own request, to negotiate for the inclusion of new or existing classifications into the above described bargaining unit.
  
- E. The Lincoln Consolidated Schools ("the School District") and the Washtenaw County Education Association/Lincoln EA ("the Association") recognize and agree that, as a result of the enactment of Public Act 103 of the Public Acts of 2011, the provisions of the parties' collective bargaining agreement identified below are not enforceable as they apply to bargaining unit members who are subject to the Michigan Teacher Tenure Act, but these provisions continue in full force and effect for those bargaining unit members who are not subject to the Teacher Tenure Act. Those provisions are: Article 9, Article 10, Article 16, Article 18, and Article 20.

## **ARTICLE 2 ASSOCIATION AND TEACHER'S RIGHTS**

- A. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every teacher of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection that are not contrary to law. As a duly-

elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act, this contract or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of membership in the Association, participation in any activities of the Association or collective professional negotiations with the Board, or institution of any formal or informal grievance or complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment. Conversely, nothing herein shall require any teacher to be a member of, or participate in the activities of NEA, MEA, or the Association and the Association undertakes and agrees that it will not directly or indirectly interfere with any teacher in the performance of professional duties.

- B. The Association shall have the right, upon prior request to the building principal, to use school room(s) at all reasonable hours that do not interfere with regular or previously scheduled uses, provided that such requests shall be initiated by a member of the bargaining unit as defined in Article I of this Agreement.
- C. Authorized representatives of the Association including MEA and NEA representatives shall have the right to enter the school building, or buildings, during the school day. Provided that, prior to conducting business in the building, the representative shall inform the principal's office, and upon completion of such business, shall inform the principal's office. It is expressly understood that any Association representative shall not, during the course of any visit, interrupt or interfere with normal school operation nor take a teacher away from a duty station or interrupt the instructional activity. This does not apply to "E" below.
- D. The Association shall have the right to post notices of activities and matters of Association concern on teacher bulletin boards, at least one (1) of which shall be provided in each building. . All such communications shall be either official documents of the Association or be signed by the member of the Association originating the communication.
- E. The Board agrees to furnish access to the Association, all information concerning the financial resources of the District, tentative budgetary requirements and allocations and such other information as will assist the Association in developing intelligent, accurate, informed, reasonable and constructive proposals on the behalf of teachers, provided that such requests are in writing stating the specific information desired and the reasons for requesting such information. This access will be granted during normal office hours or at such other times as may be mutually agreed upon. Further, the Association may examine any public records at the Board of Education office under the above conditions. The Association agrees to reimburse the Board for extra expenses involved in furnishing such information. Extra expenses shall be interpreted as materials and/or work in addition to furnishing normal access to existing records. It is also agreed that the Association may have access to such public records as may be necessary to process any grievance or complaint provided that the grievants or complainants have authorized, in writing, the Association to act on their behalf.
- F. Recognizing the desirability of public solidarity between the Board and the Association, the Board, through its designated representatives, will draw upon teachers' knowledge

concerning fiscal, budgetary or tax programs, construction programs and major revisions in educational policy.

- G. The teacher shall be entitled to full rights of citizenship and the Board agrees not to discriminate with respect to professional employment of such teacher because of exercising the rights of citizenship. The private and personal life of any teacher is not within the appropriate concern or attention of the Board provided such private and personal life does not in any way interfere with the teacher's performance of duties for which he or she is employed.
- H. The provisions of this Agreement shall be applied without regard to race, creed, religion, color, national origin, age, sex, or marital status. Membership in the Association shall not be denied to any teacher because of race, creed, religion, color, national origin, age, sex, or marital status.
- I. The Association may request that an item be placed on the Board agenda. The Superintendent will consider the request provided it is filed in the Superintendent's office no later than the Wednesday at 12:00 p.m. preceding the regular Monday meeting of the Board of Education. If the item is not to be considered by the Board at that meeting, the Superintendent will give the reasons for denial in writing to the Association officer making the original request.
- J. Nothing herein contained shall be construed to prevent any individual teacher from presenting a concern and having it adjusted without intervention of the Association if the adjustment does not violate the expressed terms of this Agreement.

### **ARTICLE 3 BOARD'S RIGHTS**

- A. The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitutions of the State of Michigan and of the United States, but without limiting the generality of the foregoing, the right:
  - 1. To the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees in the performance of their duties;
  - 2. To hire all employees and subject to the provisions of the law, to determine their qualifications and the conditions of their continued employment or their dismissal or demotion, and to promote and transfer all such employees;
  - 3. To establish grade levels and courses of instruction, including special programs, and to provide for athletic, recreational and social events for students, all as deemed necessary or advisable by the Board; and
  - 4. To decide upon the means and methods of instruction, and the duties, responsibilities, and assignments of teachers and other employees with respect

thereto, and with respect to administrative and non-teaching activities, and the terms and conditions of employment.

- B. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only to the specific and express terms of this agreement, and then only to such extent as such specific and express terms hereof are in conformance with the Constitutions and laws of the State of Michigan and the United States.

#### **ARTICLE 4 PAYROLL DEDUCTIONS**

- A. Upon appropriate written authorization from the teacher, the Board shall deduct from the teacher's salary and make the appropriate remittance for plans or programs such as credit union, savings bonds, United Fund, tax sheltered annuities, MEA auto insurance, Flexible Spending Account, or other such plans as are jointly approved by the Association and the Business Manager.
- B. Any dispute between the Association and the Board which may arise as to whether or not an employee properly executed or properly revoked an authorization card pursuant to this Article, shall be reviewed with the employee by representatives of the Board and the Association. Until the matter is disposed of, no further deductions shall be made. The Board assumes no liability for the authenticity, execution or revocation of the authorization form.
- C. The Association agrees to hold the Board harmless from any liability incurred in implementing this Article.

Preschool program instructional time shall not exceed that of elementary teachers on an annual basis unless otherwise specified in any grant funded positions.

Provided, that in the event that quality blocks of daily preparation time for elementary teachers are eliminated, the lunch period for elementary teachers will revert to forty-five (45) minutes.

- D. It is expressly understood that the lunch period for teachers shall correspond with the lunch period for students and each teacher shall have a duty-free, uninterrupted lunch period.
- E. During scheduled working hours, teachers are expected to be at their duty stations or on school business.

Recess shall be considered a valuable part of the planned instructional day. Elementary teachers may include the option of a recess in their daily plan. Elementary teachers will supervise recess other than noon recess and supervise the loading of children onto the school buses at the close of the student day in accordance with a schedule mutually agreed upon between the staff and the building principal.

An effort will be made by the administration to minimize teacher responsibility to escort children to buses at the end of the instructional day.

- F. The Board will endeavor to schedule the dismissal of elementary students from the buses no earlier than ten (10) minutes prior to the start of the student day (fifteen (15) minutes for

secondary students). Emergency or extenuating circumstances may cause an earlier student arrival time.

- G. The hours set forth above are to be followed without deviation except in the event of emergency or act of God. Either party may request that the hours set forth above be reopened for negotiations should financial difficulties necessitate a change.
- H. In regard to secondary teachers in the Senior High School, it is to be understood that the normal class day will have six (6) periods, or thirty (30) periods per week and each individual teacher shall have not more than five (5) teaching periods per day or twenty-five (25) teaching periods per week. Secondary specialists who have classroom responsibilities are to be considered as classroom teachers with the same class load. Librarians, counselors, elementary specialists, and elementary and middle school teachers shall have a scheduled preparation period as equal as possible in time as that guaranteed to high school teachers. Librarians, counselors, and middle school and elementary specialists shall develop their work day with their respective supervisors. Elementary specialists are to have a normal working day no longer than other elementary teachers, with a thirty-five (35) minute lunch. In order to address elementary concerns, elementary preparation time will be developed after consultation with interested building staff.
1. The administration agrees that it is important that elementary students be with their classroom teachers the first half day of school. Therefore elementary special teachers will not see students the first half-day.
  2. The elementary librarians will close their work station a week early in order to do inventory and collect outstanding books.
  3. The elementary art teachers will not teach the last day of school in order to clean their equipment, inventory their room, and do the added work necessary in order to run a quality program.
  4. The daily elementary special teacher's schedule will not be modified without the agreement of the special teacher involved.
  5. Any modification of the elementary special teacher's schedule will be discussed with the teachers involved in a timely fashion, and if necessary with the Association if determined by the affected teachers.

In order to address staff concerns, preparation time will be developed after consultation with interested building staff.

- I. Elementary and kindergarten teachers may use for preparation time all time during which their classes are receiving instruction from various teaching specialists except when the specialist reasonably requests their presence with that teacher's class. Any reduction in currently maintained specialist positions would be implemented only after consultation with the Association and in accordance with Article 20 of this agreement.

Further, the Board of Education will provide quality blocks of preparation time on a daily basis for elementary and kindergarten teachers.

- J. The Board reserves the right to assign a teacher, with that teacher's consent, to undertake additional teaching loads in excess of the normal teaching day, as above specified. Prior to the implementation of the above, the Association shall be notified and have the right to advise said teacher. The rate for teaching staff subbing on their planning period will be set at \$35.00 for a prep period on a regular day of school and will be pro-rata on early release and half-days. If and when the Board finds it necessary to alter the normal teaching schedule to "split shift or twelve (12) month school," the Board shall confer with and call upon the expertise of the Association in making such decisions.

The Board shall pay to the teacher in addition to the normal daily rate, one sixth (1/6) of the daily rate of pay or a pro rata amount thereof for additional FTE above 1.0 for the course of the school year.

- K. Teachers shall be required to attend open houses/capsule nights and parent-teacher conferences, but attendance at P.T.O. meetings and other P.T.O. sponsored activities is to be voluntary. If an open house/capsule night is not scheduled at the high school, teachers will elect attendance at either honors convocation or commencement. If an open house/capsule night is not scheduled at the middle school, teachers will elect attendance at either the fall school picnic or their grade level honors night. In addition to these meetings, the teachers shall also be required to attend a maximum of three (3) staff meetings per month. The three meetings a month include any after-school meetings such as department meetings or cross-district grade level meetings. Staff meetings should be used to share information about what is happening in the building, district, and upcoming events. If there is no need to meet, the staff meeting should not be held. In cases of absolute necessity an administrator may request an additional meeting. Staff meetings would last no longer than one (1) hour and staff is not expected to stay longer than the additional one hour required on dates with scheduled staff meetings than normal contractual time. The Board agrees, when possible, to provide a forty-eight (48) hour notification prior to staff meetings.

1. If staff meeting time is used as Professional Development (PD) it must count towards the required PD time that the district provides. If more than 30 hours of professional development time is provided, staff may choose to attend or not attend the professional development over 30 hours, unless otherwise required by law.

- L. If the district returns to a.m. and p.m. kindergarten, in keeping with past practice and the Board's recognition of the kindergarten teachers' double load, the kindergarten teachers shall be given two (2) additional half days prior to the midyear work day and final records day.
- M. Any professional staff required to participate in IEPT meetings held outside the normal work day (including recess, lunch, and/or preparation periods) shall be compensated for the time spent in these meetings. Compensation will be based on the hourly rate for substitute teachers. The minimum compensation will be for 1/2 hour, up to a maximum of 2 hours. Professional staff will be required to attend no more than two meetings per week scheduled outside of the normal work day.

- N. Should the Channel One program currently in place be removed for any reason, the currently designated time period will revert to its original use as instructional time.
- O. Due to the change to the middle school concept, the parties agree to discuss concerns regarding the middle school program (grades 6-8) as they arise.
- P. The parties agree that on the first teachers report day, members will participate in building level staff meetings and the welcome back breakfast hosted by Central Office. The building level staff meeting shall last no longer than 90 minutes in order to give teachers adequate time to work in their rooms. No additional duties will be assigned for this day unless otherwise mutually agreed.
- Q. For each day they provide service, teachers who provide homebound services will be compensated for the required amount of time they must see the student plus an additional 30 minutes for travel and preparation time. Mileage will also be compensated. The Board shall pay to the teacher in addition to the normal daily rate, one-sixth (1/6) of the daily rate of pay for each additional hour or a pro-rata amount thereof for each portion of an hour. The daily rate shall be computed by dividing the teacher's annual salary by the number of teaching days in the agreed upon calendar.
- R. Both parties understand the importance of a consistent schedule in the educational lives of students. Instructional staff with less 1.0 FTE will work with the building administrator(s) to determine an effective schedule. In the event a schedule cannot be mutually agreed upon, the executive director for human resources will make the final determination after consultation with association leadership.
- S. No staff meetings may be held on scheduled Teacher Report Days without the express consent of the Lincoln Education Association.
- T. No district wide or building level meetings shall be scheduled during the first or second semester final exam half days.

**ARTICLE 6  
JOB SHARING**

- A. A maximum of ten (10) full-time positions for the purpose of job sharing may be made available:
  1. at the discretion of the Board;
  2. upon recommendation of the Superintendent or designee;
  3. with the approval of the building principals in whose buildings shared positions will be located;
  4. within the allocated staff positions for the current school year; and
  5. on a purely voluntary basis.

- B. For the purpose of this Agreement, job sharing shall mean the occupation of a single staff position by two (2) individuals with each assignment being approximately half-time. In order for a shared position to be approved, the two (2) individuals must complete an application for such on a form mutually agreed upon by the Board and the Association or agree to such a position subject to the conditions of this Article if contacted by the Superintendent or designee.
- C. The Board may approve shared positions to a maximum of ten (10) for the current school year dependent upon the following:
1. The teacher parties not filing for unemployment benefits while employed in a shared position of a voluntary nature. Failure to comply with this provision will result in assigning the teacher as a substitute to provide for full employment.
  2. When a shared position is terminated, each partner will return to full employment only in accordance with Article 20 or Article 24 as appropriate.
  3. The ability of the district to create a shared position without rescheduling large number of students. In lower elementary positions or in self-contained classrooms, shared time positions will be approved only if the students whose parents object to the arrangement can be accommodated without substantial disruption of classes.
  4. Teacher partners having joint responsibility for the same students will substitute up to a maximum of three (3) days, which need not be consecutive. In no event shall either partner be obligated to the other for more than three (3) days.
  5. The teacher partners having taught at Lincoln Consolidated Schools a minimum of two years with satisfactory evaluations.
  6. An agreement by the teacher partners that joint planning will be undertaken whenever they have joint responsibility for the same student. In order to accommodate this requirement, individual arrangements will be made with the administration prior to implementation.
  7. The Board and the Association shall work closely together on the implementation and evaluation of the shared time program.
  8. No teacher in the district shall be involuntarily transferred in order to create shared time positions.
  9. Job sharing assignments shall terminate at the end of each school year, if indicated in writing by either partner, or if the Board decides to eliminate one or all of the job sharing assignments. Early termination of any previously approved job sharing shall be by mutual agreement of building administrators and/or the teachers involved. In the event a layoff becomes necessary which affects a teacher involved in a job sharing position, the position may be terminated.
- D. Shared time positions will be compensated as follows:

1. Teaching salary will be pro-rata to reflect the fraction of the position shared. The experience and educational step for the teacher will be the same as the teacher would be entitled to if employed on a full-time basis. This step will determine the base salary from which the salary fraction will be computed. In no case will computed salary and benefits equal more than the whole entitlement of the most senior teacher in the shared position.
2. Sick and personal leave will be pro-rata according to the fraction of the position for which the person is employed.

The teacher partners will jointly decide how to divide the fringe benefit package. The cost to the district for the fringe benefit package shall not exceed the prorated cost of full family benefits for a full-time employee. Any additional costs will be the responsibility of the teacher partners.

- E. Prior to the end of the school year, an evaluation of the job sharing position will be conducted by all parties involved.
- F. All staff meetings shall be attended on an alternate basis, the procedure to be mutually agreed upon between teachers participating in the job sharing program and the administration. Other professional commitments, parent meetings and in-services shall be attended as part of each teacher's regular duties with no extra compensation.
- G. A parent-teacher conference must be approved by the building principal prior to conference scheduling.
- H. Half-time is defined as: three (3) consecutive teaching periods at the High School and half (1/2) the student day at the Elementary and Middle Schools.

## **ARTICLE 7 SPECIAL STUDENT PROGRAM**

- A. If a teacher suspects that a possibly handicapped student is assigned to his/her classroom, the teacher needs to refer that child to the building administrator. The referral shall then be forwarded through a procedure determined by the administration. Regular education teachers will be involved or advised prior to class assignment. After evaluations have been completed, the administration shall commence an Individualized Education Planning Team (IEPT) meeting for such child to consider the problems of the classroom teacher and possible options in the child's programming. The classroom teacher of a special needs student with an IEP, if known, shall participate in the IEP Team deliberations and meetings as required by law, and both special and regular education teachers may offer suggestions relative to placement. The administration shall take into account input from the regular education teacher when determining revisions, or need for revisions, in the child's IEP. The co-teaching model in special education can be a desirable choice in meeting the multiple challenges of special needs students within the regular classroom environment, certain conditions must be met before it can be expected to work:

1. Availability and flexibility of the special education teaching staff in respect to fulfilling requirements for caseload and BC/TC requirements for students being served.
  2. Known number of students eligible to receive support services.
  3. Plans developed to include the use of existing resources, i.e., teachers and paraprofessionals to their maximum benefit.
- B. The parties will cooperate to ensure that the psychological testing and social worker programs meet the needs of special students in the community.
- C. Problems regarding the special student program, to include but not be limited to, student/counselor ratio and employment of additional special education personnel shall be referred to the Curriculum Development Committee, which in turn shall study the matter and make recommendations through the procedures established in Article 19, Section C.
- D. In accordance with law, the Administration shall designate the appropriate teacher(s) to attend and participate in the meeting of an Individual Education Planning Team (IEPT) which may initially place (or continue the placement of) a student in a regular educational classroom. Any teacher not so designated, but who has said student in a class taught by such teacher, may request to attend such meeting provided however, that 1) such attendance shall be without compensation or compensatory time under Article 5.M. and 2) such teacher(s) shall not be entitled to release time during the school day unless explicitly approved by their building principal. All building principals shall ensure that such non-attending teachers offer written input to the principal prior to such IEPT.
- E. Any teacher who in good faith believes that the current IEP for a particular student assigned to such teacher is not meeting the student's unique needs may communicate such concerns to their building principal orally or in writing.
- F. There is recognition that identifying special needs students grades K-2 is difficult due to developmental stages, time to gather appropriate and accurate documentation, and our Response to Intervention requirements. To aid in this process, the district will attempt to provide supplementary support to the general education classroom if grant funding is available.
- G. If a teacher with a student who is medically fragile or has special healthcare needs or requires hygienic function assistance or who has a history of emotional or violent physical outbursts is having difficulty with the absence of a second adult, and the matter is not being resolved satisfactorily at the building level, the teacher may request a meeting with the principal, a representative from central office, and a representative from the association in an attempt to solve the problem.
- H. To ensure that students Individualized Education Plans are being met, special education teachers involved in co-teaching will have substitutes provided in their absences. If pulled for school business or training purposes, a substitute will be provided.

- I. Lincoln Consolidated Schools will follow Michigan Administrative Rules for Special Education (MARSE) and federal special education law.

Social Work caseloads will be capped at 75 students. Occupational Therapists (OT) will be capped at 75 students. Teacher Consultant (TC), Resource Room, and Speech Therapist case limits will be established per MARSE and federal education law.

1. Should any caseloads rise above the legal limit or be projected to rise above the limit in MARSE and federal law or the limits in Article 7, the district will immediately meet with the Lincoln Education Association to develop a solution. Until a solution is in effect, the district shall compensate the affected teacher as follows:
  - a. Beginning with the first day after October student count day: \$2.00 per student per school day over caseload limits.

- K. All elementary and secondary buildings will have a Building Level Teacher Consultant (BLTC). The BLTC shall perform the functions of the department chair at the high school and the equivalent role at the middle school and elementary level. All BLTC's will receive Schedule B payment for department heads. The BLTC will be a Teacher Consultant with a caseload as described in special education law R.340.1749. The BLTC caseload will be twenty-three (23) students maximum.

The BLTC has the following responsibilities:

1. Caseload of twenty-three (23) students maximum
2. Initial IEP's and evaluations
3. Transfer student paperwork
4. Testing Center at the high school
5. Special Education Test Coordinator for MSTEP, PSAT/SAT/Work Keys and help facilitate MI-Access Testing
6. Paraprofessional schedules
7. Caseload assignment for the building
8. Consult with Special Education teachers and staff
9. Consultation with Special Education Office and Building Administrator
10. Consultation with outside professionals
11. Attendance at meetings

## ARTICLE 8 TEACHING CONDITIONS

The parties recognize that optimum school facilities for both students and teachers are desirable to ensure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward ensuring that the energy of the teacher is primarily utilized to this end.

- A. Both parties recognize that the pupil-teacher ratio is an important aspect of an effective educational program. Likewise, both parties recognize that certain limitations exist given present facilities. Therefore, in an attempt to address the existing situation, the parties agree that teacher-aide assistance shall be provided to the professional staff, whenever at least a half-time position can be created. The parties further agree that the Administration, in conjunction with counselors, shall make a good faith attempt to balance classes with equitable distribution across the grade level among affected teachers at the beginning of the school year and at each card marking. If requested by the Association, reasonable documentation will be provided that shows that classes are balanced.

In determining annual assignments for secondary teachers, the Administration agrees to minimize excessive and unnecessary disparities in the number of teaching preparations between core academic teachers within a single department by paying fifty dollars (\$50.00) per marking period for every additional preparation hour over two (2).

1. It is the goal of both parties to endeavor to attain in the young fives and kindergarten class size of twenty (20). However, once a class size exceeds twenty-five (25) students, one (1) hour of aide time per day, shall be provided to the teacher. For each additional student assigned to the classroom above twenty-six (26), one-half (1/2) additional hour of aide time shall be provided. Instead of additional aide time the affected teacher may choose to receive compensation of two dollars (\$2.00) per day for each student above twenty-five (25).
2. It is the goal of both parties to endeavor to attain a first grade class size of twenty-five (25). However, once a class size exceeds twenty-seven (27) students, two (2) hours of aide time, per day, shall be provided to the teacher. For each additional student assigned to the classroom above twenty-eight (28), one-half (1/2) additional hour of aide time shall be provided. Instead of additional aide time the affected teacher may choose to receive compensation of two dollars (\$2.00) per day for each student above twenty-seven (27).
3. It is the goal of both parties to endeavor to attain in the second through fifth grades a class size of twenty-eight (28). However, once a class size is at thirty (30) students, two (2) hours of aide time, per day, shall be provided to the teacher. For each additional student assigned to the classroom above thirty-one (31), one-half (1/2) additional hour of aide time shall be provided. Instead of additional aide time, the affected teacher may choose to receive compensation of two dollars (\$2.00) per day for each student above thirty (30).

When class numbers for elementary and kindergarten specials (except media) exceed the goal of thirty (30), the affected teacher will receive compensation of two dollars (\$2.00) per day for each student over thirty (30) for each day that the numbers enrolled and in attendance in a class exceed thirty (30) students. The payment calculation shall not begin to accrue until the first day after the state count day, providing the state count day occurs in October. Otherwise, determination will occur the Monday of the first week of October. Pay will be calculated and paid at the end of each semester.

In the event a media specialist is not provided a media aide, the specialist will be compensated at the rate of one dollar (\$1) per day for additional students for each day the numbers enrolled and in attendance in a class (not to include open library) exceeds thirty (30) students.

For purposes of this Article, "in attendance" shall mean that the student has appeared as a student in the classroom and is on the current class roster daily.

The student count date to determine the need for classroom aides will be the first day after the state count day, providing the state count day occurs in October. Otherwise, determination will occur the Monday of the first week of October. By Thursday of that week, aides will be placed in classrooms which qualify.

For succeeding marking periods the classroom count will be taken on the Monday preceding the marking period and the aides will be in place on the first day of the marking period.

4. All split classes must maintain a class size of two (2) less than the goal class size for Kindergarten through fifth grade. In the event that the split occurs between two grades with different class size goals, the lower class size will be used. It is understood that multi-age model is not the same as a split class. All additional students will be placed in the respective single grade taught classrooms.

The district will pay a stipend of \$1,000.00 to any elementary teacher assigned a split class, or any multiage teacher assigned to three grade levels.

5. It is the goal of both parties, at the secondary level, that the combined total of students assigned to a teacher not exceeds one hundred fifty (150) per day.
  - a. No more than thirty-three (33) students shall be placed in a class, including health, without consent of the teacher. This language shall not apply to the curriculum areas of physical education, instrumental music, vocal music, and study hall.
  - b. It is the goal of both parties that the number of students admitted to a class shall not exceed the number of work stations available. In no case shall the number of students admitted to a class exceed the number of work stations, by more than two (2), without consent of the teacher.

- c. If the total size exceeds one hundred fifty (150) students per day or an individual class exceeds thirty-three (33) students, the affected teacher will be compensated at the rate of two dollars (\$2.00) per day for each student over thirty-three/one hundred fifty (33/150) for each day the class exceeds 33/150 students. This payment will be made for students who are enrolled and in attendance in the class the day after the state count day, providing the state count day occurs in October. Otherwise, determination will occur the Monday of the first week of October. Payment will be made to the teacher at the end of each semester. Middle School home-based students and High School Advisory students will be excluded from the one hundred fifty (150) students per day calculations, unless at any point the planning and preparation is not completed by an advisory content/curriculum planning group.

The limit of 150 students per day shall not apply to the curriculum areas of physical education, instrumental music, vocal music, and study hall.

A physical education class that exceeds forty (40) students will have a classroom aide added for that class. When middle school vocal music classes exceed 150 students per day, a full time accompanist will be provided to the vocal music teacher.

It is the goal of both parties that the advanced placement writing and research classes not exceed an average of twenty-four (24) students.

6. It is expressly understood that no teacher shall be required to accept the services of an aide unless an IEP requires that an aide be in attendance to service the needs of a student.
- B. The Board recognizes that appropriate text, library reference facilities, maps and globes, laboratory equipment, audio/visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires and similar materials are tools of the teaching profession; further, that efforts shall be continued to seek and use textbooks and supplementary reading materials which contain the contributions of minority groups to the historic, scientific and social development of the United States. The parties will confer from time to time for the purpose of improving the selection and use of such educational tools. The Board agrees at all times to keep the schools reasonably equipped and maintained.
- C. The Board and the Association mutually recognize the importance of continuous use of adequate teaching reference materials in maintaining a high level of professional performance. In furtherance of that recognition, the Board shall provide professional reference libraries and include therein texts which are reasonably requested.
- D. The Board agrees to make available and provide maintenance for adequate teacher computer work stations, network space, printers, copiers, and related equipment for staff use at each building.
- E. The Board shall provide:

1. A separate desk for each teacher in the district with a lockable drawer space or sufficient lockable filing space.
  2. Suitable closet space for each teacher to store coats, overshoes and personal articles.
  3. Copies, exclusively for each teacher's use, of all texts used in each of the courses s/he is to teach. There will be a teacher's edition when available.
  4. Adequate instructional materials and storage space for them.
  5. Access to all relevant curriculum materials.
  6. Adequate instructional board space shall be provided in each classroom.
  7. When a written request is submitted to the building principal and approved by the administration, uniforms for physical education teachers, smocks for art and home economics teachers, laboratory coats for laboratory science teachers, and shop coats for vocational and industrial education teachers shall be provided and/or maintained.
- F. The administrative staff in each building shall identify as early as possible those personnel in the building with first aid training and make available to all staff a roster of those so identified. In the event it is determined that no staff exists in the building with such training, the Association and the Board will cooperate in expediting the provision of training to interested staff members. The parties also agree to cooperate in assuring that the equipment necessary to ensure proper first aid treatment is available in every building. No teacher of record will be held legally responsible for the failure of building personnel to respond in case of an emergency.
- G. The Board, recognizing the desirability of relieving teachers of clerical, cafeteria and other non-teaching duties, agrees to engage sufficient clerical help and aides in the high school, middle school, and elementary schools, when possible.
- H. Teachers shall not be required to drive a school bus as part of their regular assignment.
- I. The Board shall make available in each school adequate lunch room, rest room and lavatory facilities for employee use except where facilities do not now exist in buildings presently in use, and at least one (1) room reasonably furnished, which shall be reserved for use as a lounge. Provisions for such facilities will be made in all future buildings.
- J. Upon the request of the Association, vending machines shall be installed in the lounges and dining rooms. The Association shall administer the machines and shall be responsible for all profits and losses.
- K. Adequate off-street parking facilities shall be provided and properly maintained and identified exclusively for teacher use.

- L. Teachers shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health or safety as defined by MIOSHA. A current copy of MIOSHA Statute shall be available in each building of the district.
- M. The Board shall provide a phone in each teacher's lounge in each school building.
- N. All teachers shall be informed of the status of their written budget or program requests submitted to the building principals. They shall be informed what items have been ordered; what items are being held for further consideration; and what items have been denied along with the reasons for denial.
- O. Teachers shall not be required to change diapers or administer injections, do tracheotomy suctioning, clean intermittent catheterization or do tube feeding for students except in emergency situations.
- P. The classroom teacher shall determine whether a student passes or fails a class. The parties agree that the evaluation of student performance, grades and promotion, is the responsibility of the professional staff within the bargaining unit, since such individuals have firsthand knowledge of the student's skills, abilities, and achievements. The grade given to a pupil by a teacher shall not be changed unless the teacher agrees to the change or a majority of a Review Panel approves the grade change.

If a parent or student appeals a grade, it must be made within thirty (30) days after the grade was issued to the student. Only marking period, semester, or final grades may be appealed. The burden of proof shall be on the party requesting the change.

The decision regarding the promotion or retention of an elementary child shall be the joint responsibility of teacher and principal. In the event the teacher and principal of the elementary student do not agree on promotion or retention of the elementary student, then it shall be decided by the Review Panel.

The Review Panel shall consist of three (3) bargaining unit members, selected by the Association, and two (2) administrators, selected by the district. The decision of the Review Panel is final.

- Q. The district will be providing for teachers Network (electronic mail and electronic bulletin board) and internet access, hereinafter referred to as network, for educational purposes. As such this access will (1) assist in the collaboration and exchange of information (2) increase productivity, efficiency, and effectiveness of teachers, and (3) enhance information gathering and communication skills. The intent of this agreement is to ensure that the district has a reliable, safe and effective communication network available at all times. In recognition of the complexity of the district computer network system, and the necessity of each teacher to have access to the system, we agree that:
  - 1. Each teacher will be responsible for policing his/her own actions by using the system for appropriate uses only.
  - 2. The district will provide training opportunities in the use and application of available district technology and may require demonstrated proficiency, prior to authorize use.

3. The district network resources are intended for the exclusive use of registered users of the district.
  4. The teacher is responsible for the use of his/her account/password and/or access privilege.
  5. Each teacher will be responsible for making an effort to monitor the actions of students in the appropriate use of technology.
- R. Middle school and high school teachers will complete progress reports and report cards according to the end date of scheduled marking periods and grading periods. High school and middle school staff will have a two additional district business days after the end of the grading period to import data. Grades may be captured as early as the second district business day after the end of the card marking at 11:59 p.m. at the secondary level.
- S. Elementary teachers will report to parents three (3) times a year, the first two (2) in conjunction with parent/teacher conferences and the final report date in June. Working with the school improvement teams, building staff will develop guidelines for communicating to parents all student performance on district or state mandated standardized tests. Elementary specialists will report to parents twice (2) yearly coinciding with the last two (2) elementary reporting cycles. Elementary staff will have five (5) school days after the end of the marking period to import data. Data must be uploaded by midnight of the fifth school day after the end of the marking period.
- T. In order to comply with a provision inherent in Title One, opportunities will be offered for extended day learning for qualified students. These extended day opportunities will be collectively agreed upon at individual buildings, with qualified Title One staff volunteering for the resulting change in a work day schedule. No Lincoln Education Association member will be mandated to accept this change in work day hours. If more than one LEA member volunteers for a shift, the decision will be made by the building principal. No other terms or conditions contained in the Lincoln Education Association collective bargaining agreement will be impacted. Schedules for elementary extended hours would be 7:35-3:00 and 9:35-5:00. At the middle school and high school extended hours would be 6:25-1:50 and 8:35-3:50.

## **ARTICLE 9 PROFESSIONAL ASSIGNMENTS**

- A. The district will endeavor to give teachers their tentative assignments on the first school day in June, but no later than the last day of school. In the event that changes in such schedule are proposed, all teachers affected shall be notified promptly and consulted. Changes shall only be made when necessary. The secondary administration shall communicate with staff regarding the criteria used in the scheduling process.
- B. Any assignments except student teaching assignments consistent with the terms of this Agreement, in addition to the normal teaching schedule during the regular school year, including adult education courses, driver education, extra duties enumerated in Appendix B, and summer school courses, shall not be obligatory but shall be with the consent of the

teachers. In making such above-listed assignments, the Board will give first consideration to present employees where their qualifications are equal to those of other candidates. It is understood that these are annual and not continuing assignments and that no tenure in position shall accrue by virtue of previous assignment. Teachers denied a Schedule B assignment will be given the reasons for denial. The reasons for failure to employ a teacher in a Schedule B assignment will be given in writing if requested by the teacher. If teachers are to be evaluated for Schedule B assignments, the form for such evaluation will be discussed with the Association and teacher prior to use. Schedule B contracts for the next school year will be distributed to teachers by June 1.

### C. Mentor Teachers

1. Recognizing the special needs of probationary teachers in becoming oriented to the teaching profession and to the School District, and to improve the quality of instruction, the School District commits to establishing a mentor teacher program. The duties of mentor teachers shall include, but are not limited to, assisting, observing and counseling the probationary teacher for the purpose of acclimating the probationary teacher to the teaching profession and to the District.
2. The Board reserves the right to appoint persons to serve as master or mentor teachers for all purposes for which such persons are required by law. Such individuals will be selected from the District's mentor pool applications. Appointments shall be for three years unless the mentor, mentee, and building administrator will meet, confer, and reach a consensus on the request. If consensus is not met, the matter will be referred to the Executive Director for Human Resources, with input from the Association.
3. Minimum requirements for mentor teaching positions shall include five (5) years of successful teaching within the Lincoln Consolidated Schools; a Master's degree; proven leadership abilities in district committees, professional learning communities or community involvement, and familiarity with current educational philosophies of instruction or as co-determined by the LEA and building Principal(s).
4. The compensation rate for mentor teachers shall be determined by the three year mentor cycle. Year one shall be compensated at 4.5% of the BA base salary. Year two shall be compensated at 3.0% of the BA base salary. Year three shall be compensated at 1.5% of the BA base salary. Compensation for mentoring shall be pro-rata based upon start and end dates.
5. No member of the bargaining unit shall be involuntarily assigned to serve as a mentor teacher.
6. Any member of the bargaining unit that is appointed as a mentor teacher shall be provided with release time if necessary for training as a mentor and may be scheduled during their regular duty hours.
7. If a mentor is to be appointed to a tenure teacher, the mentor shall be compensated for one year at the rate of 3.0% of BA base salary.

#### D. Department Chairs/Curriculum & Instructional Leaders

1. The high school will have a department chair for each of the following departments: Language Arts, Science, Social Studies, Math, and Special Education. Special Education Department Chair includes transition from eighth grade into high school only.
2. The teachers in each department shall, six weeks prior to the end of the school year, recommend 2-3 persons to the building principals as potential department chairs or declare the department without a chair for the year. Those teachers nominated for department chair shall be teaching a majority of their assignment in the department. The building principal shall select from among the recommendations prior to the beginning of the next school year.
3. The department chair shall provide leadership and coordinate departmental activities including curricular review and instructional improvement. The department chair shall serve as an instructional liaison between the teachers of the department and the school administration. The position of department chair will not be considered a supervisory position.
4. If administration finds it necessary to establish department chairs/curriculum & instructional leaders at the middle school or elementary level, the Association will be consulted to determine protocol. Until that determination curricular or procedural decisions will be made with input from the entire department/grade level.
5. Duties and Responsibilities:
  - a. Participate on curriculum sub-committees that develop new curriculum and adopt textbook and curriculum materials.
  - b. Be responsible for preparing departmental budget in the Spring of each year with input from members of the department.
  - c. Assist in the aligning of the curriculum in their subject area.
  - d. Serve as spokesperson for the department at faculty meetings.
  - e. Encourage teachers to work toward continuity in K-12 objectives.
  - f. Chair scheduled department meetings.
  - g. Share professional information with department members.
  - h. Act as liaison for area resources.
  - i. If they desire, the department chair must be included on the interview committee for members of the department or they will meet and confer with the building principal as to who will serve as an alternate representative.

- j. In the instance that more than one co-chair or co-department head are sharing the same responsibilities, the schedule B payment will be split.

#### E. Teacher Notification

1. No teacher shall be laid off except in cases mandated by state and federal law or out of necessary reduction in personnel. Advance written notice of the necessary reduction shall be given to the Association in writing. Each teacher who is to be laid off shall be given ten (10) days written notice.
2. Any bargaining unit member who has been laid off in cases of necessary reduction in personnel shall be considered to be in a continuous state of layoff until such time as that member resigns, refuses a proper recall to a position in the district, or is reinstated, however no employee shall remain on the layoff list for a period longer than five (5) years at which time they shall lose all recall rights. Teachers will be notified by registered letter no less than six weeks before they are to be removed from the recall list.

### **ARTICLE 10 VACANCIES, PROMOTIONS, AND TRANSFERS**

The provisions of this section shall only apply to those employees that are subject to the terms and conditions of this collective bargaining agreement and furthermore, are explicitly exempt from the provisions of the amended Teachers' Tenure Act and/or Revised School Code provisions of Michigan Public Act 336 of 1947, as amended:

- A. A vacancy shall be defined as any position, either newly created, restored, or a present position, administrative or teaching, that is not filled but which the Board intends to fill. This vacancy will be posted at each school building on the bulletin boards where notices to teachers are usually posted and posted on the Lincoln web page. A notice of any vacancy in any position at Lincoln consolidated school will be emailed to the teachers.

During the summer months when regular school is not in session, the Board will post all vacancies, as described above, in the Personnel Office. In addition, a copy of the posted vacancy shall be forwarded to the Association President. Bargaining unit members should check the Lincoln Web page, for current postings.

- B. Teachers will be expected to file a letter of interest for any openings and complete the internal application on frontline education. The teacher will be interviewed and/or contacted regarding their status in relation to positions for which they have applied. Transfer, for the purposes of this Agreement, shall be defined as either a voluntary or involuntary move from one position to another within the bargaining unit.
- C. If a teacher requests, a building administrator, within his/her own building, may reassign a teacher to a position for which they are certified and qualified, before a vacancy is posted. A teacher may have a request on file with central office, appropriate building administrators and department heads their desire to seek a transfer. This request must be renewed annually. If a request is on file, the teacher must be notified of applicable vacancies in a timely manner by their building administrator or central office.

At the high school, departments shall make recommendations for teaching assignments within the department, based on certification, qualifications, requests of members and contract language. If administration finds it necessary to not honor the recommendation of the department, it will be discussed with the Association.

- D. Teachers shall not be denied a new assignment or transfer during the school year purely because it may cause disruption to affected programs and students. Instead teachers will be given normal consideration. If a teacher is selected a date for the start of the new assignment or transfer shall be determined by the Superintendent and the Association and the teacher shall be reassigned/transferred at that time.
- E. The Board agrees that involuntary transfers will be minimized by avoiding involuntary transfers unless such a transfer is deemed educationally necessary or in the best interest of students. Ten (10) days prior to the effectuation of any involuntary transfer, the Board shall provide the affected bargaining unit member and the Association with reasons for the transfer. The administration will confer with the Association regarding transfers when a new building is opened or grade levels of a building are reconfigured. Whether looking at the entire teaching staff, or a subset of the staff, seniority will always be determined by the established seniority list for the WCEA at Lincoln Consolidated Schools. All transfers will be based upon a teacher's certification and qualification for the vacant position.
- F. When sections of a grade are moved to another building, and there are no volunteers to move, the least senior teachers, according to the district seniority list, teaching in that grade in that building will make the move. If sections of a grade are being eliminated or moved to another building, displaced teachers will be reassigned before vacancies are posted. Also, displaced teachers will be placed within their grade level as a first consideration. This language will be followed, when possible, for elective area and special education teachers.

The following steps will be followed:

1. Volunteers will be solicited to transfer.
2. If the volunteers are from that same grade level and same building, then they will transfer to a vacant position in that same grade level in a building of their choice where the vacancy exists. If there are more volunteers than are needed, then the administration will select from the volunteers. The selection process may include an interview.
3. If there are not enough volunteers (or if displaced teachers are not selected for a vacancy of their choice) and displaced teachers remain in that grade and building, then those displaced teachers will be given a choice of moving to another building where there are vacancies in any grade or remaining in their current building in another grade. If more than one teacher wants a position, then administration will select which of those teachers will transfer. The selection process may include an interview. If displaced teachers request to remain in their current building, then volunteers to transfer will be solicited from other grades in that same building.

4. If there are no volunteers, then the displaced teacher will be asked to choose from current vacancies in any grade in any building. If more than one displaced teacher chooses the same position, seniority will determine the selection.
  5. A displaced teacher who has ten or more years seniority and s/he is the least senior, according to the district seniority list, s/he may displace the least senior teacher in the same grade in the district or the least senior teacher in their current building.
  6. When a new building is opened, if a teacher with more seniority than the person that the above process identifies as eligible to transfer would like to transfer, he/she will be considered for a position in the new building.
- G. Before any voluntary transfers or assignments are honored, an involuntarily transferred teacher will be given priority for the first three years of the involuntary transfer, upon written request to central office, for return to his/her former position, if available, or priority for reassignments in a building, or program or grade level as identified by the teacher's written request. This priority is in effect until an offer consistent with the teacher's annual written request is made and will be provided by the LEA to central office.

## **ARTICLE 11 ILLNESS OR DISABILITY**

- A. At the beginning of each school year, each teacher with zero (0) through four (4) years of experience at Lincoln shall be credited with a ten (10) day sick leave allowance. If the individual teacher has taught at Lincoln for five (5) or more years, the teacher shall receive a twelve (12) day sick leave allowance. Teachers rendering part-time service shall receive sick leave in proportion to their time worked. Such allowance is to be used for absences caused by illness or physical disability of the teacher. For the period the district provides Long Term Disability Insurance the unused portion of such allowance shall accumulate from year to year with a total amount not to exceed ninety (90) days. Employees who have accrued more than ninety (90) days as of the date of June 30, 2014, will be allowed to keep all such days. A member at the end of any fiscal year with totals of more than ninety (90) days, including any personal days as agreed to in Article 24.B.1, has the option to sell the days back to the district at a value of fifteen (\$15.00) dollars per day. Any request to sell days to the district must be done by June 30 of the current fiscal year. In the event a teacher leaves the employ of the Board before the end of the school year, that teacher's sick leave for that year shall be computed at the rate of one (1) day per month for zero (0) through four (4) years' experience or one and two tenths (1.2) days per month for five (5) or more years' experience. Any negative balances will be deducted from the member's final paycheck. In the absence of applicable leave credit, payroll deductions for the time lost shall be made for the work period in which the absence occurred. Sick leave days may be taken by a teacher for the following reasons and subject to the following conditions:

1. Personal Illness or Disability:

A teacher may use all or any portion of accumulated sick leave to recover from illness or disability. In the event a teacher is absent more than three (3) consecutive

days, a certificate of illness from a duly licensed medical, osteopathic or chiropractic practitioner may be required in order that these days be counted as sick days.

2. Illness in the Immediate Family:

The teacher may use accumulated sick leave for illness in the family. In the event a teacher is absent more than three (3) consecutive days, a certificate of illness from a duly licensed medical, osteopathic, chiropractic practitioner, physical therapist, dentist, psychiatrist or psychologist may be required in order that these days be counted as sick days. The certificate of illness is due to the Human Resources Department upon the teachers return to work.

Immediate family member shall be defined as spouse, children, stepchildren, mother, father, brother sister, grandparents, grandchildren, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, and any other relative or non-relative living and residing in the employee's household.

3. Funeral or Death:

A teacher may charge sick leave with no more than five (5) consecutive days for funeral or death in the immediate family as defined above. More days may be granted at the discretion of administration. Up to five (5) days may be provided for funeral or death of any other person whose relationship to the teacher warrants such attention with the approval of the Superintendent or designee.

4. Medical or Nursing Care:

The teacher may use accumulated sick days to make arrangements for a member of the immediate family.

5. When a teacher chooses to use accrued sick leave in conjunction with a pregnancy or adoption, said pregnancy or adoption shall be treated like any other illness or disability to the extent required by law. Additional leave, without pay, is available to teachers in Article 11, Section D. Paternity leave will be treated the same as maternity leave.

6. Additional days may be utilized for the above reasons on the approval of the Superintendent.

B. In the event a teacher received benefits under the Worker's Compensation Act due to injury during the course of employment, accumulated sick leave days may be used to supplement the award until exhausted, but not in such a manner as to exceed the normal daily rate of pay. In no event shall a teacher's sick leave account be charged more than the exact portion of the day used to supplement the award. Should this supplemental pay be found to be subject to the coordination requirements of Worker's Compensation, such that the amount of the Worker's Compensation benefit is reduced, the teacher shall not be allowed the use of sick leave and shall receive only the Worker's Compensation benefit provided by that statute.

- C. In the event of an absence due to personal, critical, or emergency illness, teachers will be required to make proper notification not later than 7:00 a.m. for grades K-5, and 6:00 a.m. for grades 6-12 of the expected day of absence so that a substitute may be obtained, unless circumstances make such notification impossible or unreasonable to do. In order to receive payment for the day of absence without proper notification at the time herein above specified, it will be necessary for the teachers to file with the Human Resources Department a written statement concerning the reasons for failure to notify. Notification for leave for a funeral or a death of a person is expected as soon as practicable to the Superintendent or the building principal.
- D. 1. A teacher who is unable to teach because of personal illness or disability and who has exhausted all sick leave, shall be granted a leave of absence without pay for the duration of such illness or disability, up to the end of the school year. Any such leave may be renewed each year upon written request of the teacher, within the discretion of the Board.
2. In the event an employee is absent because of illness or injury and has exhausted accrued sick leave, the insurance provision as provided in this contract shall be continued for up to 90 days until the Long Term Disability provided by the negotiated consortium agreement takes effect. If at any time the district no longer pays for Long Term Disability those employees having ten (10) or more years of service, shall be eligible for health insurance coverage only for an additional total of twelve (12) months. Additionally any cap on accruing sick days will be removed.
- E. A teacher's sick leave allowance shall be charged accordingly in any situation defined in this Article.
- F. A teacher shall not have sick leave days deducted if after calling in sick, school is subsequently closed, i.e., act of God days.
- G. A teacher may be required to present evidence of illness or other circumstances defined in this Article for absence immediately preceding or following a vacation or holiday period for these days to be counted as sick leave. A teacher may be required to present evidence of illness or other circumstances defined in this article for absence on the second consecutive professional development day for these days to be counted as sick leave. In determining second consecutive professional development day, absences from the previous year will be included. Such reasons, depending upon their validity may be approved or disapproved.
- H. The Board agrees to provide written notification to each teacher at the beginning of the year as to the status of that teacher's sick leave allowance accumulation.
- I. If at such time the Washtenaw County Consortium decides to pursue Long Term Disability benefits, the Lincoln Education Association and the Lincoln Consolidated Schools will meet to discuss the possibility of capping the number of leave days members may accrue at 180 leave days.

- J. The time limits provided in this article shall be strictly observed, but may be extended by written agreement of the parties. In the event a grievance is filed after May 15<sup>th</sup> of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- K. Notwithstanding the expiration of this Agreement, any claim or grievance filed during the life of the contract may be processed through the grievance procedure until resolution.

D. Retirement and Severance.

1. Retirement. In recognition of service to the district, teachers who are eligible for the Michigan teachers retirement benefit and who retire from Lincoln Schools shall receive a payment equal to one percent (1%) of their highest base teaching salary paid to them as a Lincoln teacher times the number of years of service as a Lincoln teacher since September 1, 1989.
2. Severance. For those teachers not eligible for the retirement benefit, and who choose to leave the district (i.e., are not asked to leave for cause) shall, after twenty-one (21) years of teaching service to the district be eligible for a severance pay benefit. The severance pay shall be equal to one-half percent (.5%) of the teacher's highest paid base teaching salary at Lincoln times the teacher's years of service at Lincoln.
3. Employees shall be eligible for only one (1) of the benefit payments offered.
4. The retirement and/or severance payment will be made fifteen (15) months after the effective date of retirement or severance and will be reduced by the amount of unemployment compensation the retiree may have drawn which was charged to the school district.
5. In the event the eligible staff person dies, the amount of retirement benefit which could have been collected by the employee on the date of death will be paid to the employee's estate.
6. Those teachers employed in the bargaining unit on the date of the signing of this Contract will have all retirement benefits accrued as of that date frozen at the current payout rate (1989-90 salary schedule) for currently accrued days and will be eligible upon retirement for a payment of the accrued monies in accordance with other provisions of Section D.
7. Employees who have frozen retirement benefits as of the date of the signing of this Contract will have accrued benefits in accordance with the following language:

LEA members hired prior to 1989 who are eligible and chooses to retire after the 2013-14 fiscal year, and prior to the first teacher report day for the 2014-15 school year, will receive full (100%) compensation for their sick days accrued and unused as calculated from the beginning of the 1985-86 school year and ending with the accrued sick days on June 15, 1989, and full (100%) compensation for sick days accrued and unused prior to the 1985-86 school year, in accordance with the provision of the 2011-2013 Master Agreement Article 24.7.a &b.

LEA members hired before 1989 who are eligible and who choose to retire after the 2014-15 fiscal year, and prior to the first teacher report day for the 2015-16 school year, will receive fifty percent (50%) compensation for sick days accrued and unused as calculated for the beginning of the 1985-86 school year, in accordance with provisions of the 2011-13 Master Agreement Articles 24, 7, a & b. The

compensation for this accrued benefit will be paid out over a five (5) year period, in equal increments, into the Special Pay Plan in accordance with Article 24.8.

LEA members hired before 1989 who choose to retire at any point after the 2016-17 fiscal year will receive no additional compensation for their sick days accrued prior to 1989, other than the provision for the sick day sell back as outline in Article 11.A in the Master Agreement.

- a. For all sick days accrued, calculated from the beginning of the 1985-86 school year and ending with the accrued sick days on June 15, 1989 and which remain unused until retirement, the Board will pay fifty percent (50%) of the teacher's total unused sick leave at retirement if the teacher is eligible for retirement under the Michigan Public School Employees Retirement System.
- b. For sick leave days accrued prior to the 85-86 school year, and which remain unused until retirement, the payout will be at seventy-five percent (75%) of those accrued days, i.e., a teacher who had accrued one hundred (100) sick leave days at the end of the 84-85 school year would receive payment of seventy-five percent (75%) of those days if the teacher's accrual never dropped below one hundred (100) days prior to retirement. If the accrual dropped below one hundred (100) days, the seventy-five percent (75%) payout would be given only for those days remaining of the one hundred (100) original days.

Teachers will receive an annual accounting of days accrued/remaining under the section 7 benefit.

8. All monies paid out as a retirement benefit will be paid into the Special Pay Plan operated by the mutually agreed upon third party administrator.
9. The Board and the Association recognize the importance of each employee pursuing an active retirement savings program and in providing sound investment alternatives to assist them in achieving their retirement savings goals. The parties agree that the decision as to the third party administrator (TPA) for the school district's tax sheltered deferred retirement plan and any vendors involved in the plan will be mutually determined.

The parties further understand and agree that the regulations regarding the administration of 403(B) plans continue to evolve, and it is the intent of the parties to comply with all legal requirements. Accordingly the parties agree that:

- a. A plan document, consistent with all legal requirements, shall be mutually developed by the parties by December 31, 2008.
- b. Any monies taken under a salary agreement shall be remitted to the appropriate approved vendor under the plan within ten (10) business days following the act of reduction of salary for the purpose.
- c. All bargaining unit members are eligible to participate in the plan.

E. Placement on Salary Schedule. Placement on the salary schedule will be determined by degree status, and years of experience subject to the following conditions:

1. Teachers with outside experience hired after the ratification date of this contract shall receive no less than the following placement on the salary schedule.

Outside teaching experience may be in public or non public schools. The teacher must have at least two (2) consecutive years with the same school district and have received an effective or highly effective evaluation both years to be granted credit for years of service upon hire at Lincoln Consolidated Schools. If the teacher does not have at least two (2) consecutive years in the same school district and an effective or highly effective evaluation, no outside experience shall be granted and the individual hired will start at Step 1. The teacher must have possessed a valid teaching certificate while earning the outside experience in order to receive experience credit. The experience must also closely resemble a classroom teaching situation. Home schooling experience will not count. Professional staff who is not eligible for tenure, such as a school social worker, school psychologist, school nurse, etc., must meet the criteria listed above as closely as possible in a school setting. Proper documentation of outside teaching experience will be required for verification of eligibility for credit on the salary schedule.

If the Lincoln Education Association is under a Step Freeze or the Lincoln Consolidated School District is under a Deficit Elimination Plan (DEP), all new hires with outside experience, with the exception of critical shortage areas, must start at Step 1. Positions with critical shortages may be granted credit for outside experience per the table provided.

For critical openings with the Lincoln Consolidated School District, the district may offer Step 5 for 9 years of experience and above.

<b>Years of Outside Experience</b>	<b>Step</b>
1-2	1
3-4	2
5-6	3
7+	4

2. Credit on the salary schedule shall not be granted for less than a full year of service. A full year shall be defined as 75% plus one day of the teacher work year. Any numeral to the right of the decimal will be dropped. Semesters shall be counted only to the extent that they equal full years (e.g., two semesters equal one year; nine semesters equal four years). Experience as a substitute shall not be counted in the accumulation of experience credit. The provisions of this section shall not apply to teachers under contract to the Lincoln School District during the 1976-77 school

year. They shall remain as currently placed on the salary schedule and shall continue to move forward as provided in the agreement.

3. In order to move from one (1) section of the schedule to another (B.A. to M.A. or M.A. to M.A. plus 30, or B.A. or M.A. to B.A. plus 60 with a master's degree), the teacher must file evidence with the Superintendent of Schools, of the granting of the degree or accumulation of approved semester hours, ten (10) school days after the beginning of school in the fall, if payment is to be received during the current year. If evidence is filed after ten (10) school days, payment will begin in the ensuing school year. Any teacher who anticipates that he/she will gain credits during the summer that will cause them to change lanes on the salary schedule, should notify the Superintendent by May 1<sup>st</sup> of the year preceding the anticipated lane change.
4. Only graduate credit hours from an accredited college and/or university can be used to move to the B.A. plus 60 hours with a master's degree or the M.A. plus 30 salary lanes. The credits must be earned after the granting of the B.A. degree. B.A./M.A. also includes B.S./M.S. With prior written approval of the Director of Curriculum and a recommendation from the Professional Development Committee, a maximum of six hours of undergraduate credit may count towards the M.A. plus 30, or the B.A. plus 60 hours with a master's degree.

  3. Prohibition of Dual Coverage. It is understood that insurance coverage paid for by the District is not to provide double coverage for employees or their families. If an employee and/or family is covered under another policy, the employee shall elect which coverage to receive and must notify the District of the election. Each employee who receives health insurance shall sign a form stating that he/she is not insured through his/her spouse and acknowledging the ramification if such information is false. Falsification of information concerning double coverage may result in loss of insurance coverage for the employee for up to 12 months and disciplinary action up to and including discharge and/or repayment to the District of all monies expended during the period of time in which the employee was doubled covered.

An exemption to the prohibition of dual coverage will be made only in cases where the employer of the employee's spouse requires the spouse to be covered by the policy. In order to be eligible for this exemption, the employee must provide the District with a letter from the spouse's employer verifying that the spouse and/or Lincoln employee must be carried on the spouse's policy.

#### G. Coverage Rules and Regulation.

1. Employee coverage for all insurance paid for by the Board shall be subject to the rules and regulations of the carrier.
2. An Employee is responsible for coverage application and/or notification of change in family status. Failure to apply for proper coverage and/or notification of change in

H. Counselors and Librarians.

The administration must make this request by May 1<sup>st</sup> for work after the close of the teacher's year and the last day of school for work prior to the opening of school.

I. Manner of Payment.

Compensation paid under Schedule A shall be paid in 21 or 26 installments, at the option of the teacher, provided that option is exercised in writing to the payroll department, no later than the first day teacher's return from summer break, if changing the number from 21 to 26 pays or from 26 to 21 pays. Teachers hired during the year shall have the same option on a pro rata basis. Failure to submit the written request will result in a default to 26 pays per year.

Compensation for Schedule B may be paid in 21 or 26 installments with their regular pay or in a lump sum for fall activities in the first payroll in December; winter activities in the first payroll in March; and spring activities in the first payroll in June. Teachers who participate in a full school year schedule of activity may have their pay spread over 21 or 26 pay periods, matching their regular pay periods or in a lump sum the first payroll in June.

There will be no increase or decrease in a teacher's pay amount, unless it has been authorized in writing by the teacher or the teacher has been notified by the business office three weeks prior to the applicable pay. This will not apply to the teacher's final paycheck or to deductions for taxes, FICA, retirement or overuse of sick time.

J. Summer School Pay.

Therefore, the Board and the Association, for the life of this agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge
