ARTICLE III

RIGHTS AND RESPONSIBILITIES OF THE ASSOCIATION

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Michigan the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, or its designated representative or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. Nothing contained herein shall be construed to deny or restrict to any teacher, rights he/she may have under the Michigan General School Laws or other applicable laws. The rights

granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

- C. The Board specifically recognizes the rights of its employees appropriately to invoke the assistance of the State Labor Mediation Board or a mediator from such public agency wherever differences cannot be resolved in local negotiations pursuant to the provisions of this Agreement.
- D. The Association, or any committee, thereof, shall have the right to use school buildings and facilities without charge for professional meetings during such time as the building is covered by the operating staff. Room reservation shall be made with the principal involved in writing one (1) week in advance. The Association agrees to reimburse the Board for any damages to equipment entrusted to its use and care.
- E. Reasonable requests for use of existing facilities including office, lounge, workroom and bulletin boards shall be granted to the Association by the building principal. Bulletin boards used will be restricted to official organization materials. Building principals will grant the use of boards that are not used for student postings. Interschool mail delivery and E-mail service shall be granted to the Association. The Association agrees to pay for all materials used for its purpose.
- F. The Board agrees to furnish to the Association in response to reasonable requests from time to time all available information concerning the financial resources of the District, including but not limited to: annual financial reports and audits, register of certificated personnel, tentative budgetary requirements and allocations (including county allocation board reports), agendas and minutes of all Board meetings, treasurer's reports, census and membership data, names and addresses of all teachers and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students.
- G. Any teacher who is a member of the Association, or who has applied for membership, may sign and deliver to the Board copies of the membership form and voluntary political action check-off form which authorizes deduction of membership dues and Voluntary Political Action Funds in the Association, including NEA and MEA. Such authorization shall continue in effect from year to year unless revoked in writing between June 1 and September 1 of any year. The monthly deduction shall be one-twentieth of the combined dollar total of membership dues and Voluntary Political Action Funds. This yearly total and biweekly deduction may be of varying amounts depending upon each member's authorization. The Association will provide the Board with the signed membership authorizations and signed voluntary political action authorizations for all new members. Pursuant to such authorizations, the deduction will be made biweekly by deducting one-twentieth of the combined membership dues and Voluntary Political Action Funds for the Association, NEA, and MEA starting with the second full pay and ending with the last payment in June. In the event that a teacher shall not pay such fee directly to the Association or authorized payment through payroll deductions, as

provided in Paragraph G, the Board shall at the end of the semester cause the termination of employment of such teacher. The parties expressly recognize that the failure of any teacher to comply with the provisions of the Article is just and reasonable cause for discharge from employment. Further, it is understood and agreed that, anything to the contrary notwithstanding, the Board shall not be required to terminate the services of any teacher or give notice thereof unless the Association has given a written notice of the failure of said teacher to tender the properly executed authorization previously mentioned and copies of same simultaneously sent to the Superintendent of schools.

However, if at the end of the semester any teacher who has received a termination notice shall be engaged in pursuing any legal remedy contesting the discharge under this provision before a court of law, the Michigan Tenure Commission, or before any other administrative tribunal, then such teacher's services shall not be terminated until the said teacher has either obtained a final determination or decision on the validity and legality of the discharge or has ceased to pursue all available judicial and quasi-judicial remedies.

- I. The Association agrees to assume the legal defense of any suit or action brought against the Board regarding this Article of the collective agreement. The Association further agrees to indemnify the Board for any damages which may be assessed against the Board as the result of said suit or action, subject however, to the following conditions:
 - 1. The damages have not resulted from the negligence, misfeasance or malfeasance of the Board or its agents.
 - 2. The Association, after consultation with the Board, has the right to decide whether or not to appeal the decision of any court or other tribunal regarding the validity of the section or the defense, which may be assessed against the Board by any court or tribunal.
 - 3. The Association has the right to choose the legal counsel to defend any said suit or action.
 - 4. The Association shall have the right to compromise or settle any claim made against the Board under this section.

- J. There shall be twenty-five (25) released days granted to the Association for use by the President or a delegate for Association activities. Additional time shall be granted upon agreement between the President of the Association and the Executive Director of Human Resources based upon a specific situation.

- K. The Plymouth-Canton Board of Education and the Plymouth-Canton Education Association, will jointly agree to release the PCEA President on a full time basis. The Board shall provide the PCEA President with full salary including the placement on the appropriate BA or MA Degree salary schedule, as if the employee were still teaching full time, and full fringe benefits. The President will be entitled to all the rights applicable to a full time teaching position (including seniority, sick time, etc.).

The Plymouth-Canton Board of Education further agrees to provide the PCEA President, upon the completion of the term of office, the right to return to:

- 1. First, to the same position and school, provided an opening is available, or
- 2. Next, to an open endorsed position at same school, if opening is available, or
- 3. Finally, to a full time position in the District for which the President holds appropriate certificate endorsements.

The Plymouth-Canton Board of Education will also provide the PCEA President office space in one of the buildings; provided space is available, (a space where the office can be locked and a phone can be installed for the President's use). The Plymouth-Canton Education Association agrees to pay to the Board of Education, or its designee, one-half (1/2) the salary of a full time beginning teacher's salary on the BA Degree Base, and will pay the full time M.P.S.E.R.S. contribution to the District on behalf of the PCEA President as a full time teacher. The PCEA President will continue to work on District committees, and will participate in half-day inservices, and complete the six (6.0) hour Staff Development commitment.

FAIR PRACTICE

The Board and the Association agree to not discriminate against any employee on the basis of religion, race, color, national origin, age, gender, height, weight, handicap, sexual orientation, marital status, membership or participation in, or association with the activities of the Association, in accordance with the law.

ARTICLE V

GRIEVANCE PROCEDURE

A. PURPOSE:

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed as limiting the right of any teacher with a grievance to discuss the matter informally with any appropriate member of the administration.

B. DEFINITION:

1. A "grievance" is a claim by a teacher that there has been a violation or misapplication of the terms of this agreement, or established Board policies, administrative regulations or past practices relative to terms and conditions of employment.
2. The term "teacher" includes any individual or group who is a member of the bargaining unit covered by this Agreement.

C. TIME LIMITS:

The initiation of any formal grievance to be processed through the procedure as outlined in this Article shall be governed by the following time limitations:

1. All references to time limits herein shall consist of "school days" except when a grievance is submitted on or after May 15, time limits shall consist of all "week days" so that the matter may be resolved before the close of the school term or as soon as possible thereafter.
2. The following time limits shall act as limitations on the institution and filing of grievances, unless mutually extended or waived by both the Administration and the Association:

- a. Grievances pertaining to any disciplinary action taken by the Administration against any member or members of the bargaining unit shall be filed at the appropriate grievance level within twenty-five (25) days from the date written notice is given to the member or members affected by the disciplinary action so taken.
- b. Any other cause for grievance arising during the term of this Agreement shall be filed at the appropriate grievance level within twenty-five (25) days of the occurrence or impact on the teacher.

D. GRIEVANCE REPRESENTATION:

1. The Association shall establish a Grievance Committee to be selected in a manner determined by the Association. The Association agrees that it will identify to the Board, in writing, all current officers and Grievance Committee members.
2. In the event any representative or member of the Grievance Committee is also the grievant in the matter at issue, he/she shall then disqualify himself/herself for the case involved and shall be replaced by another member of the Association in a manner determined by the Association.
3. The building principal or administrator shall be the administrative representative when the particular grievance arises in one building.
4. If the grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by him.
5. The Association Grievance Committee shall approve of, and process, all grievances to be pursued beyond the first step of the Grievance Procedure.

E. PROCEDURE:

1. **INFORMAL PROCEDURE:** The parties acknowledge that it is usually most desirable for an employee and his/her supervisor to resolve problems through free and informal communication. Therefore, if an individual teacher has a personal complaint which he/she desires to discuss with a principal, he/she is free to do so without recourse to the grievance procedure. When requested mutually, by the teacher and principal, the building representative or a member of the Association's Grievance Committee may intervene to assist in resolving the complaint.
2. **FORMAL PROCEDURE:** A teacher is not required to process a complaint as a grievance. He/she may seek informal discussion and adjustment as outlined in Article V, E1 but he/she is not required to do so. If he/she wishes to process the complaint formally, he/she must invoke the formal grievance procedure which is subject to the control of the Association. In the administration of the formal grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.

A formal grievance shall not be adjusted without prior notification to the Association and opportunity for an Association representative, either a member of the Grievance Committee or the building representative, to be present; nor shall any adjustment of a formal grievance be inconsistent with the terms of this Agreement.

- a. **STEP ONE - ASSOCIATION GRIEVANCE Committee.** The formal grievance procedure is invoked only when the grievance is put in writing on a copy of the Grievance Form as set forth in Addendum B. Grievance forms shall be available from the Association representative in each building.

After the necessary information is entered upon the said form such as the date, the cause of grievance occurred, a statement of the grievance, a statement of the relief sought, and the signature of the grievant, the forms shall then be delivered to the Association's Grievance Committee for consideration and for any further action the said Committee may deem necessary. It shall be the duty of the Grievance Committee to discuss, judge and decide on the merits of the particular grievance so filed.

If, in the estimation of the Grievance Committee, the grievance so placed in its hands for determination and disposition puts forth a meritorious claim under the definition of grievance as defined in Article V, B.I then the Grievance Form submitted to the said Committee shall be signed by the Committee Chairperson, and a copy of the said Grievance Form shall then be delivered to the building principal, administrator, or Superintendent whichever is appropriate within twenty-five (25) days of the occurrence or impact on the teacher.

- b. **STEP TWO - BUILDING PRINCIPAL/ADMINISTRATOR.** Within five (5) school days of receipt of the grievance, the principal shall meet with one member of the Association's Grievance Committee in an effort to resolve the grievance. The principal or administrator shall indicate his/her disposition of the grievance in writing within five (5) days of such meeting, and shall furnish a copy thereof to the Grievance Committee.
- c. **STEP THREE - SUPERINTENDENT.** If, within fifteen (15) days, the Grievance Committee is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) school days of such meeting (or eight (8) school days from the date of filing, whichever shall be later) the grievance shall be transmitted to the Superintendent. Within five (5) school days the Superintendent, or his/her designee, shall meet with the Grievance Committee on the grievance and shall indicate his/her disposition of the grievance in writing within ten (10) school days of such meeting and shall furnish a copy thereof to the Association.
- d. **STEP FOUR - BINDING ARBITRATION.** If the Grievance Committee is not satisfied with the disposition of the grievance by the Superintendent or his/her designee, or if no disposition has been made within the period above provided, the grievance may, at the election of the Association, be submitted to arbitration before an impartial arbitrator. The Board of education will be notified that the grievance has been submitted for arbitration.

The rules of the American Arbitration Association shall govern the arbitration proceedings except as modified herein. The Board and the Association shall not be permitted to assert in such arbitration proceeding any grounds or to rely on any evidence not previously disclosed to the other party. The Arbitrator shall have no power to alter, add to, or subtract from, the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator if the decision is within the scope of his/her authority and agree that judgment thereon may be entered in any court of competent jurisdiction. The fees and expenses of the arbitrator shall be shared equally by the parties.

The Board and the Association shall attempt to mutually agree on a panel of three (3) permanent arbitrators who shall be appointed annually. The three (3) arbitrators shall be used on a rotating basis except where the parties mutually agree to use an arbitrator out of rotation. If agreement cannot be reached on the three (3) arbitrators, the parties may opt to use only those arbitrators on which agreement has been reached or use the services of the American Arbitration Association in the rotation process. Except in cases involving the American Arbitration Association, appeals for arbitration shall be sent directly to the arbitrator, in rotation with a copy to the Executive Director for Human Resources. Within one (1) week of filing, a conference call will be scheduled with the Arbitrator, Executive Director for Human Resources and the PCEA Representative in an attempt to schedule a hearing date. The site for the Arbitration hearings shall alternate between the PCEA (or local MEA office) and the Board Office.

Once the appeal for arbitration has been filed, all communications with the arbitrator about that case shall be done jointly, or with prompt notice to the other party in emergencies or where the arbitrator initiates the contact.

- f. The request for arbitration must be within fifteen (15) days after receiving the Board's final answer on the grievance.
- g. The arbitrator shall have no power to establish scales or change any salary set forth in this Agreement.
- h. The arbitrator shall have no power to rule on any of the following:
 - (1) Any matter not involving an alleged violation or misapplication of the terms of this agreement, or established Board policies, Administrative regulations, or past practices relative to terms and conditions of employment.
 - (2) The failure to re-employ probationary teachers.
 - (3) The termination of services or failure to re-employ any teacher to a position on the extra-curricular schedule, except the question of the Board's liability on a written contract.
 - (4) Any matter subject to the procedures specified in the Teacher's Tenure Act (Act IV Public Acts, extra session, of 1937, of Michigan, as amended).

F. SPECIAL PROCEEDINGS:

- 1. At times the Association shall be qualified to prosecute a claim of grievance because the alleged violation has affected an identifiable group of three (3) or more teachers within the bargaining unit. In this event the Executive Committee of the Association will be the grievant and will file the grievance directly with the Superintendent, or his/her designee, at Step Three of the formal grievance proceedings.
- 2. If it is the desire of any teacher to exclude from the grievance procedure those matters which the teacher desires to have submitted to the Tenure Commission

under the provision of the Michigan Teacher Tenure Act, then that teacher may pursue his/her claim notwithstanding the existence of the grievance procedure of this Agreement by invoking the right contained in this section.

G. MISCELLANEOUS:

1. During the pending of any proceedings, and until a final determination has been reached, all proceedings shall be private and any preliminary disposition will not be made public without the agreement of all parties.
2. There shall be no reprisals of any kind by administrative personnel taken against the grievant, any party of interest or his/her Association representative, any member of the Grievance Committee, or any other participant in the procedure set forth herein by reason of such participation.
3. Notwithstanding the expiration of this Agreement, any claim or grievance for which cause arose hereunder may be processed through the grievance procedure until resolution.
4. If either party refuses to arbitrate a grievance arising under this Agreement, the arbitrator appointed according to the above grievance procedure shall proceed on an ex parte basis.
5. For the purpose of assisting a teacher or the Association in the prosecution or defense of any contractual, administrative or legal proceedings, including but not limited to grievances and tenure proceedings, the Board shall permit a teacher access to and the right to inspect and acquire copies of his/her personnel file and any other files or records of the Board which pertain to the teacher or any issue in the proceeding in question. A representative of the Association may accompany and assist the teacher in this regard. Confidential letters of reference secured from sources outside the school system may be excluded from the materials available for the teacher's inspection.
6. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participants.
7. It is hereby understood and agreed by the parties that references in the contract to a decision being "final" will be interpreted by the parties as not grievable.

ARTICLE VI

TEACHING CONDITIONS

The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end.

A. PHYSICAL ENVIRONMENT

1. The preservation of safe, wholesome and pleasant surroundings is a paramount concern of both the Board and the Association. There shall be a continued alertness by the Board and the teachers to prevent hazardous conditions at all times

in all buildings. The arrangement of furnishings in the classroom shall be for the optimum educational setting as determined by the teacher subject to the approval of the principal.

2. To the extent feasible in existing buildings and in designing new buildings and rehabilitating existing buildings, the Board will provide in each school building:
 - a. Lounges, conference rooms and lavatories, appropriately furnished and maintained shall be conveniently available for the professional staff. The lounge and conference room facilities will not be used for regularly scheduled meetings without prior consultation with the building faculty.
 - b. A teacher workroom and storage space of suitable size and location containing adequate equipment and supplies to meet the needs of teachers in preparing instructional materials.
 - c. Each teacher shall be provided with sufficient storage facilities to meet the needs of his/her assignment; the location of such facilities shall be accessible to the teacher without disruption of others.
 - d. A system whereby teachers can effectively and expeditiously communicate with the main building office in the event of an emergency.

The Board or its designated representative agrees to meet and confer with the Association to seek mutually acceptable solutions where these conditions do not prevail.

3. Safe and adequate parking facilities will be maintained and the Board will provide additional parking facilities where needed.
4. Outside telephone lines shall be available for teacher use for professional and/or emergency purposes. All toll and long distance calls must be recorded in the school.
5. The Board recognizes that appropriate textbooks, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests, questionnaires and similar instructional materials are the tools of the teaching profession. The Board shall make every effort at all times to keep the schools reasonably and properly equipped with such materials. The Board further recognizes the value of teacher participation in the selection and use of instructional materials and agrees to the participation of teachers in the process of selection of school materials, but the Board reserves the right to approve final purchase and selection of such materials of instruction.
6. No teacher shall be required to work in a building in preparation for the daily teaching assignment beyond the contractual teacher's day.

B. HIGH SCHOOL

1. The high school administration, working cooperatively with teachers, will determine teacher's class structures using the following guidelines:
 - a. A six period assignment, one of which shall be a planning period, excluding the lunch period, shall be considered a teaching day for the high school.

The normal full week for all high school teachers shall not exceed twenty-five (25) teaching or classroom supervision periods.

- b. Teachers will be responsible for conducting a homeroom to administer a counseling/attendance period. Teachers not assigned to homerooms may be assigned hall supervision for this period.
- c. Teachers shall have forty (40) consecutive minutes of time for lunch each day, which shall be scheduled during the 4th period.
- d. Teachers will have a pre/post time of thirty-five (35) minutes. Teachers shall arrive fifteen (15) minutes before and shall remain not less than twenty (20) minutes after the regularly scheduled pupil day. However, teachers shall be permitted to report on adjusted schedules (20 -15 or 35 -0). Teachers on adjusted schedules shall have the same continuous time and the same amount of total pre- and post-student time as teachers on regular schedules as described above.
- e. A teacher shall not be assigned more than four (4) preparations without his/her consent. Except where necessary a teacher shall not be assigned more than three (3) preparations. If it is necessary to assign a 4th preparation to a teacher and the teacher objects to a 4th preparation, he/she may, after consultation with the building principal, appeal to the Executive Director of Secondary Education for relief.

C. MIDDLE SCHOOL

- 1. The Middle School day shall consist of a six (6) period assignment, one of which shall be a planning period, excluding the lunch period. The normal full week for all Middle School teachers shall not exceed twenty-five (25) teaching or classroom supervision periods.
- 2. Every effort shall be made to correct class size inequities among teachers. If possible, this shall be done prior to the first class meeting.
- 3. Any change in the Middle School pupil/teacher ratio which is inconsistent with district-wide pupil/teacher ratio changes shall be subject to Association Agreement.
- 4. Teachers shall have forty (40) consecutive minutes for lunch each day, which shall be cooperatively worked out by the building administrator and staff minimizing the use of passing time. Teacher lunch time shall be scheduled during the student lunch periods unless a teacher agrees to a variation.
- 5. A teacher shall not be assigned more than four (4) preparations without his/her consent. Except where necessary a teacher shall not be assigned more than three (3) preparations. If it is necessary to assign a fourth preparation, he/she may, after consultation with the building principal, appeal to the Executive Director of Secondary Education for relief.
- 6. Teachers assigned to more than one building shall be provided travel time exclusive of the lunch and planning periods. Any variation of this provision shall be agreed to by the teacher.

7. Both parties agree to unique organization for instruction, such as block time, team teaching, and flexible scheduling. Such scheduling shall be equivalent to the teaching time identified above.
8. The continuous work time for a Middle School teacher shall not exceed 435 minutes including class time, passing time, lunch time, planning time, travel time, and pre- and post- student time.
9. All teachers shall have a total of twenty (20) minutes of pre- and post-student time (10-10, 20-0) except that teachers adjusted schedules shall have the same continuous work time as teachers on regular schedules.

D. ELEMENTARY SCHOOLS

1. The Elementary School Day shall consist of the following:
 - a. A 32 minute pre- and post- flex planning time will be allotted. At least 5 minutes must be prior to the start of the student day. This time may be used for planning, as well as pre- and post-student time and will still allow for students to enter the classroom 5 minutes prior to the start of the daily instruction. It is recognized that individual schools, may desire the flexibility to incorporate their staff meetings during this time. No more than one 32 minute planning period per week may be used for meetings. No teacher shall be required to attend any meeting during his/her planning period without his/her consent, beyond one per week.
 - b. A lunch period equal to the student lunch period, but not less than fifty (50) minutes.
 - c. During periods when art, music, physical education, media, or other special area classes are being conducted, the regular classroom teacher will not be required to attend the special class with his/her students unless there are special circumstances, but shall perform other teaching related duties upon mutual agreement with the principal. In the event it becomes financially necessary to reduce any special programs, the use of the 195 minutes per week shall be mutually agreed upon by the parties. With the increase in mandated student hours to 1,098, the 135 minutes will increase to 150 minutes and the library/media time will be increased to 45 minutes per week. Total planning time as a result of special classes will be 195 minutes per week.
 - d. Each section of kindergarten will receive thirty-five (35) minutes of physical education, thirty (30) minutes of media, and thirty-two and a half (32.5) minutes of music or art. This will give a.m. and p.m. kindergarten classes ninety-seven and a half (97.5) minutes of special classes. The six minutes of planning time at lunch will be eliminated. All full time kindergarten teachers will have one hundred and ninety-five (195) minutes of planning time and ninety-seven and a half (97.5) minutes of planning time for part-time kindergarten teachers.

Kindergarten classes will receive thirty-five (35) minutes of physical education, thirty minutes of media and thirty-two and a half (32.5) minutes of art or music unless a flexible schedule is mutually agreed upon by the special area teacher and principal. A self-contained special education class will be considered one class.

Staff schedules will be determined based on the number of eligible limited English proficient students in each elementary school building.
 - b. **MIDDLE SCHOOL ELL/BILINGUAL TEACHERS**

Staff schedules will be determined based on the number of eligible ESL/Bilingual students in each building.

2. ELL/Bilingual teachers will be provided travel and planning time.

G. ALL SCHOOLS

1. The continuous work time of an elementary and high school teacher shall not exceed 455 minutes and middle school teachers shall not exceed 435 minutes including class time, passing time, lunch time, planning time, and pre- and post-student day time, with the exception of Alternative Education teachers who may agree to flexible scheduling.

4. Both parties agree to unique organization for instruction, such as block time, team teaching, and flexible scheduling. Before an administrative decision is made to initiate or dissolve a unique instructional program, the administration will inform and consult with the affected parties, seek input and review relevant data. Such scheduling shall be equivalent to the contact time and planning time identified in Sections B and C above, on a weekly basis, and will supersede any conflicting provisions, provided all affected teachers agree. This provision shall not permit more than five teaching assignments in any one day.
5. In the event of new curriculum adoptions and district-wide assessments, the following considerations shall take place prior to implementation:
 - a. Training: Training, as determined by the Assistant Superintendent for Instructional Services, shall include a comprehensive initial training period; as well as necessary on-going staff development training.
 - b. Materials: Essential materials shall be purchased and available for classroom use before the new curriculum is implemented. Funds shall be made available for the replacement of essential consumable supplies related to the new curriculum.
 - c. It is important for the potential success of any new curriculum, that a period of 3-5 years be given to the staff member to assimilate this change into their total program. The parties agree that this language is not intended to allow a teacher to refuse or unreasonably delay implementation of any new curriculum.

6. Teacher Leaders may guide but not supervise or evaluate other teachers.

H. MEDIA CENTER

The parties hereto recognize the importance of the concept of the Media Center in each school as part of the district education program. In recognition of this concept, the following guidelines are desirable:

I. FACULTY MEETINGS

It is the responsibility of teachers to attend and participate in building faculty and grade/departmental meetings held before or after the regular school day. Where possible, these should be regularly scheduled meetings not to exceed four (4) in any given month. The length of teachers meetings shall be limited to forty- five (45) minutes unless there is mutual agreement to extend the time. One of more staff meeting(s) a month will be designated for staff collaboration / professional learning communities (PLC). J. RELIEF FROM NON-TEACHING DUTIES

1. Teachers shall have a duty-free lunch period as long as the students' lunch period. However, classrooms will be open under the supervision of teachers at the first bell.
2. The Association acknowledges that, with minor exceptions, the Administrative Policies toward non-teaching duties have been highly satisfactory. The Board and the Association recognize that teaching is a profession and teachers shall not be assigned but may volunteer to assist in the following non- teaching duties:

- a. Supervision of playgrounds before and after school.
 - b. Supervision of the normal loading and unloading of buses.
 - c. Collecting money from students for non-educational purposes.
 - d. Preparing form letters to parents and other similar clerical functions.
 - e. The distribution and inventory of books and supplies except in their classrooms and/or departmental areas.

Under usual circumstances teachers should be available immediately before and after school in or near their classroom to assist students.
 4. All teachers and administrators share a responsibility for the movement of students within the building.
 5. Substitute teachers are to be employed to replace art, physical education and music teachers who are absent or are removed from regular duties for other school functions.

K. EDUCATIONAL AIDE

If financially feasible there will be an Educational Aide program to assist teachers in the performance of their duties. This program will include no less than one (1) half-time person in each Elementary Administrative Unit and one and one-half (1 1/2) persons in each of the Middle Schools.

The Association, through its members, agrees to assist in the training of Educational Aides.

The Educational Aide shall be directly responsible to the building principal who will arrange for a schedule of work assignments. Teacher's requests for service will be arranged with a Building Administration Teacher Committee on a shared basis with the total teaching staff in each building. Educational Aides will be assigned to an individual teacher only upon the request and/or approval of the teacher involved and the administrator. A teacher administrator team has reviewed the guidelines for the use of educational aides in the Plymouth-Canton Community Schools and will be submitting these recommendations to the Superintendent.

L. MEDIA AIDE

M. STAFF DEVELOPMENT COMMITMENT

Providing opportunity for professional growth is basic to teacher effectiveness and instructional improvement. Fostering such opportunity through a variety of experiences offers staff the flexibility to meet individual and group needs within the context of both interest and expertise.

In recognition of a responsibility toward professional growth, teachers shall participate in six (6) hours of staff development activity beyond the regular teacher workday. Sessions, as determined by the school district and held during the normal workweek, shall commence within one-half hour after the end of the student day. Such sessions must be at least one (1), but not more than two (2) hours in length. Two or more teachers may use flexible time for collaboration / PLC and it will be accepted as staff development (inservice credit). Staff may avail themselves of other growth opportunities as deemed appropriate by the school district.

Teachers shall be required to make written application to receive inservice credit on a form provided by the district. The approval process must begin with the teacher's immediate supervisor (i.e., building principal or program administrator) and proceed through the Assistant Superintendent for Instructional Services. The decision of the Assistant Superintendent for Instructional Services, or his/her designee, as to the appropriateness of an activity and the amount of inservice credit to be granted for that activity shall be final.

A minimum of two (2) weeks prior notification of the date and time of a district inservice shall be provided. In the event of specific building level staff development activities, requiring the participation of all teachers or certain department(s) staff, a date shall be scheduled by the building principal or program administrator not later than the end of the first semester and the staff fully informed. Such inservice activities shall not exceed two (2) hours in length unless mutually agreed to by a majority of staff directly involved.

The six (6) hour staff development/inservice requirement and the notification and the time schedule set forth above may be changed if agreed to by the school district through the office of the Assistant Superintendent for Instructional Services, or his/her designee, and a majority of the teachers involved.

Leave days may not be used by a teacher in fulfillment of all or part of the six (6) hour staff development requirement. Part-time teachers shall have the inservice requirement adjusted proportionate to their assignment (e.g., .5 FTE/3 hours; .6 FTE/4 hours).

N. OPEN HOUSE

All building staff shall participate in an annually scheduled fall parent Open House conducted on a building-wide basis. The purpose of such an Open House would be to inform parents about classroom standards and activity, general building operation (e.g., rules and regulations), and to share essential curriculum goals and objectives for the year. The open house format and evening will be determined by the building staff. Open house for the high schools (P-CEP) will be scheduled on the first Thursday after classes begin. Other open houses will be determined in the following order – by middle schools and then

by elementary schools. The dates of the open house will be reported to the Assistant Superintendent of Instruction by the end of the school year prior to the open house.

For the elementary and Middle Schools, the open house will be at least 1 and ½ hours in length.

For the high schools, a total of eight (8) hours will be scheduled between the open house and parent teacher conferences. Representatives from the teaching staff and the building administration will mutually determine how to divide this time.

O. PARENT/TEACHER CONFERENCE SCHEDULING

Opportunity for parent/teacher communication regarding student performance and school progress is an important part of the home- school relationship. In support of this effort, provision is made in the school calendar for a period of regularly scheduled parent/ teacher conferences.

The dates and times of parent/teacher conferences, as set forth in the calendar, may be changed if agreed to by the Assistant Superintendent for Instructional Services, or his/her designee, and a majority of the teachers directly involved.

Full-time kindergarten teachers will receive two (2) additional full days or four (4) half days for parent teacher conferences. Part-time kindergarten teachers will receive one (1) additional day or two (2) half days for parent teacher conferences. A substitute teacher will provide the release time for parent teacher conferences. Scheduling of the parent teacher conference(s) will be determined between the teacher and the building administrator.

If the district established full-time kindergarten sections, the kindergarten teachers will receive the same conference time as 1-5 teachers.

P. SKILLS TRAINING

1. The Board of Education is desirous of having all staff trained in skills and concepts designed to support and extend the effectiveness of their instruction.
2. If the staff member is scheduled to participate in a session that takes place during a time school is in session, they will be released from their duties.
3. If a staff member is required to participate at a time outside of their contracted commitment, they will be reimbursed at the daily substitute rate.

ARTICLE VII

CLASS SIZE

- A. The Board and the Association recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality education that is the goal of both teachers and the Board.

- B. Because the teacher-pupil ratio is an important aspect of an effective Educational Program, the parties agree that the following professional staff-pupil ratio guidelines are desirable:
1. Elementary Schools
 - a. Grades K-3 --- 25 pupils
 - b. Grades 4-6 --- 28 pupils
 - c. Split level classes should be limited to:
 - Grades K-1, 1-2 - 20 pupils
 - Grades 2-3, 3-4 - 23 pupils
 - Grades 4-5, - 25 pupils
 2. Split Classes

The administration and faculty at each building will design a written plan yearly of how support will be provided to split classrooms when they exist in all curriculum areas. This plan will then be submitted to the Instructional Service Department for approval and a copy to the PCEA President.

The maximum number of students in split classes is three (3) less than the straight grades unless a higher number is necessary to avoid exceeding the Board class size mandate.
 3. Secondary Schools
 - a. Grades 6-12 --- 30 pupils
 - b. Vocational and Industrial Education, Laboratories, Industrial Arts, Art, and Home Economics --- 20 pupils.
 - c. The number of students should not exceed existing facilities and work stations.
 4. All Schools
 - a. The ratio of students to Counselors should normally be 300 - 1.
 - b. The ratio of students to Nurses should be as per the State Department of Education recommended guidelines.
 - c. Special Services and Special Services Staffing should be as provided by Michigan Law.
 - d. Special Education and Consultant class sizes and case loads should be in accordance with recommended State standards.
 5. Because the teacher-pupil ratio is an important aspect of an effective education program, the parties agree that the Board, or its designated representative, will meet with the Association representatives on the first Wednesday of each month to examine both the enrollment within buildings and between buildings and to reconcile inequities between teaching loads for all teachers. The Superintendent's or his/her designee's report on class size will be available for review at these meetings.
- C. Special Education - Mainstreaming. Certified Special Education students who are in a regular class will be included in the class counts using a weighted factor of two (2) to one (1).
- D. To the extent possible, in the high school and Middle School, all classes of the same course shall be balanced as to student load. In the elementary school, all classes of the same grade level shall be balanced as to student load. To the extent possible, this shall be done prior to the first class meeting or as soon thereafter as possible. The Employer shall provide the Union a listing of individual class sizes at all schools.
- E. The goal for remedial class size shall be a limit of twenty (20) students.

F. Any elementary class reaching a count of 32 or more students will be provided with an aide on the following basis or money for supplies, as determined below, to be decided by the affected teacher:

1. Certified EI, CI or LD students who spend one-half or more of their assigned time in a regular classroom will be counted on a two (2) to one (1) count basis.

<u>Class Size</u>	<u>Aide Time (Hours per day)</u>
32	2.0 hours
33	2.5 hours
34	3.0 hours

2. Aide time shall be assigned or reassigned on three (3) count dates. Those dates are:
 - a. The first student school day after the Fourth Wednesday of the school year.
 - b. The end of the first semester
 - c. The last work day in March

The aides will be placed in the classroom as quickly as possible thereafter.

3. An aide, once assigned, shall continue to be assigned for the duration of the count period.
4. On the first count date, (the fourth Wednesday of the school year), a teacher may elect, in lieu of aide time, to use the dollars as calculated below, for additional supplies and teaching materials. Once the decision is made, that option will be in place for the remainder of the year with modifications made based on the subsequent count dates. The amount of money to be allocated will be based on \$9.00 per hour of aide time the teacher is entitled to receive multiplied by the hours until the next count date. These dollars will be placed into an account for the sole use by the teacher to be spent only by that teacher for the direct benefit of students for things such as field trips, substitute teacher costs related to approved school business, teaching supplies and materials, etc. The department of instruction will clarify any questions regarding the use of the monies. All monies must be spent within the school year earned and are not cumulative. (EX: A class with 32 students would get 2 hours per day X \$9.00 per hour X the number of days until the next count date).

G. Teachers with large class sizes may appeal for relief to a Joint Union-Administration Committee comprised of three (3) Union representatives and three (3) administrators. Where a decision cannot be reached, the Superintendent will decide. The decision of the Superintendent is appealable to the Board of Education, whose decision will be final.

H. The following governs the inclusion of handicapped/medically fragile students into the regular classroom environment.

1. No teacher shall be required to perform procedures for handicapped/medically fragile students such as suctioning, catheterizing or attending to the personal hygiene needs of the student(s).
2. Upon teacher request, additional assistance, such as reduced class size and/or additional personnel, shall be provided in all inclusive education classrooms in order to accommodate increased individualized attention for the handicapped student(s) and for all students in the program. The decision of how much, and what type of assistance, will be made by a committee of three (3) Union representatives and

three (3) administrators. Where a decision cannot be reached, the Superintendent will decide. The decision of the Superintendent is appealable to the Board of Education, whose decision will be final.

I. STUDENT TRANSFER

PCCS & PCEA realize that students may need to be transferred from one class to another for many different reasons and student confidentiality is a factor. The Department of Instructional Services will develop a process for this. This process will be explained at all building staff meetings K-12. After ten (10) student days of instruction before a student is moved a meeting will be held with both the teacher receiving and the teacher losing the student and administrator who activated this change. The teachers will receive a written explanation for the change of class for the student. If a student transfer is requested after four (4) weeks of student instruction then the PCEA President will join the meeting. If a final agreement is not reached then administration will decide on the move for the student.

ARTICLE VIII

 - 2. The administrators will evaluate the performance of all teachers in writing.

Probationary teachers shall be formally observed at least twice during the school year with only one evaluation being completed by **the** administrator(s) during each year of probation. The two formal observations shall be at least 60 days apart.

Tenure teachers shall be evaluated once every three years by administration. Only one evaluation report will be written for teachers who have tenure in the District. While there may be more than one administrator involved in the evaluation, only one written evaluation report will be completed.

- 3. Within five (5) work days of each formal observation (30 consecutive minutes) by the administrator, a conference will be held with the teacher and may include a self evaluation by the teacher. At the conference the administrator and teachers will

discuss the observation and goals, if appropriate. If the observation identifies areas that are less than satisfactory, a written report, which identifies those areas and provides preliminary suggestions for improvement, will be drafted and provided to the teacher at that meeting. Within five (5) work days following the conference, a written report, as specified in Section 4 below, will be provided to the teacher. If there are no areas identified as less than satisfactory, it is not required that a written draft report or conference summary be given to the teacher.

The teacher may submit additional comments to any written observation in the event that he/she does not agree with the contents. All written formal evaluations are to be placed in the teacher's personnel file. The Summary Teacher Evaluation Report will be signed by the teacher and the administrator by this date. The administrator will write a narrative that includes a summary of the teacher's goals, a summary of the observations, and an overall qualitative statement of the teacher's professional performance. Each teacher is required to submit a reflection on his or her goals.
6. Teachers whose services are being considered for termination under provisions of the Tenure Act shall receive a registered letter of notification and statement of charges from the Superintendent, or his/her designee, and advised of their rights under the Tenure Act for a hearing and appeal.
7. The only evaluation forms used shall be those approved by the joint committee.
8. An evaluation team consisting of an administrator from Student Services and all building principals for whom he/she serves, may evaluate the school nurse.
9. Teachers may be requested to provide evidence of proper planning, but shall not be regimented as to the format of lesson plans and shall not be routinely requested to hand in lesson plans on a regular basis unless on a Program of Assistance.
10. The Employer and the Association recognize that there are many effective teaching methods, styles of presentation and techniques. Teachers shall not be regimented as to a particular method, style of presentation or technique.
11. In the event that a Tenure Teacher received an evaluation that is a Needs to Improve or Unsatisfactory, a written notice of intent to be placed on an Individual Development Plan (IDP) must be provided to the teacher, with specific reason(s) stated for this action. The IDP shall be designed by the committee below by June

10th of the year of the Needs to Improve or Unsatisfactory Evaluation. The IDP will serve as the evaluation for the subsequent year.

- a. An IDP resulting from a Needs to Improve evaluation shall end by the following June 1st unless all the members of the committee below agree to an earlier or later date. The IDP resulting from a Needs to Improve evaluation shall include four (4) mutually agreeable written updates. These updates will be comprehensive and should address the areas of concern from the previous evaluation, as described on the Goal Setting and Action Plan Worksheet.
- b. An IDP resulting from an Unsatisfactory evaluation shall end by the following April 1st unless all the members of the committee below agree to an earlier or later date. The IDP resulting from an unsatisfactory evaluation shall include three (3) mutually agreeable written updates. These updates will be comprehensive and should address the areas of concern from the previous evaluation, as described on the Goal Setting and Action Plan Worksheet.

There will be no requirement to extend an IDP beyond the above timelines, or develop a second IDP for a teacher, even if an IDP started due to a Needs to Improve evaluation results in an Unsatisfactory IDP. If an IDP results in a Satisfactory evaluation, the subsequent on cycle evaluation will be three (3) years after the satisfactory IDP.

An IDP will be instituted and carried out in the following manner.

- A committee consisting of the employee, the immediate supervisor, a Central Office Representative of the Department of Instruction, and the PCEA President, or his/her designee, shall be formed.
- The immediate supervisor shall share with the committee what the deficiency(ies) are in writing and shall outline activities that will correct the deficiency(ies). The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault. 5. The Board will continue to carry Workers' Compensation Insurance coverage for all teachers in the manner required by the Laws of Michigan. Insurance carriers are to be selected by the Board.

The Board shall continue to provide, in sufficient quantity, special and protective clothing and safety devices as required by law or by the nature of the teaching assignment (to be determined by the District Safety Committee), furnished and uniformly used throughout the school system and shall provide for the maintaining or replacement of such articles.
9. It is recognized that discipline problems are less likely to occur in classes where a high level of student interest is maintained. It is likewise recognized that when discipline problems occur; they may most constructively be dealt with by encouragement, praise and emphasis upon the child's desirable characteristics. In situations where a teacher has exhausted all positive avenues for correcting a specific discipline problem, the student in question may be removed from class and referred to the building administrator responsible for student discipline along with a written description of the problem and corrective measures previously attempted. Every effort shall be made to have communication between the teacher and administrator occur before the student is readmitted to class.

The administrator shall, upon receiving this written request of the referring teacher, submit within five (5) school days a written reply to the referring teacher stating a course of action taken to correct the discipline problem.

- a. Teachers may use such reasonable physical force as may be necessary to:

However, teachers shall not be obligated to risk their own physical safety to perform such functions. The parties agree that the use of physical force as described does not constitute corporal punishment.

- b. Teachers shall not use or threaten to use corporal punishment. As used in this section, "corporal punishment" means the deliberate infliction of physical pain by any means upon the whole or any part of a pupil's body as a penalty or punishment for a pupil's offense. The Association recognizes that abuses of sick leave or other leaves, chronic absence or tardiness, or willful deficiencies in professional performance by a teacher, reflect adversely upon the teaching profession and create undesirable conditions in the school system and may constitute failure on the part of the teacher to carry out his/her contractual responsibilities. The Association will use its best efforts to correct breaches of professional behavior by a teacher and in appropriate cases, may institute proceedings against the offending teacher.

B. PERSONAL AND PRIVATE LIFE

The private and personal life of any teacher is not within the appropriate concern of attention of the Board as long as it is consistent with the high standards which the teaching profession has set.

No restriction, other than that of good judgment, is placed upon the freedom of teachers to use their own time for gainful employment or other activities insofar as it does not interfere with satisfactory performance of their school duties.

C. MONITORING

 - b. If such adequate changes continue for an additional year, the derogatory material shall be removed from the teacher's personnel file.
 - c. CHANGE OF ASSIGNMENT/TRANSFERS

A. CHANGE OF ASSIGNMENT - Administrative Positions

1. Whenever a vacancy in any administrative position in the district shall occur, the Superintendent, or his/her designee shall make a general announcement of the vacancy throughout the school system and shall post a position description in all of the buildings.
2. The Superintendent, or his/her designee, shall acknowledge receipt of all requests for consideration and shall inform the staff member as soon as possible as to the disposition of that request.

B. TEACHING ASSIGNMENTS, TRANSFERS, AND POSTINGS

1. In order to assure that pupils are taught by teachers working within areas for which they are highly qualified as defined by the Michigan Department of Education, teachers shall be assigned, except in accordance with the regulations of the Elementary and Secondary Education Act (ESEA) and the Michigan Department of Education to subjects and/or grades or other classes within the scope of their teaching certificates and/or their major or minor fields of study.
2. A teacher who desires a change in grade and/or subject assignments in his/her own building shall file a written request with his/her building principal.
3. Any teacher to whom the District has an obligation to increase up to his/her original FTE must notify the Executive Director of Human Resources by April 15 of the year prior to placement.
4. Teachers shall be notified in writing of any changes in their assignments for the ensuing school year, including the schools to which they will be assigned, the grades and/or subjects that they will teach and any special or unusual classes or assignments that they will have, as soon as practicable and under normal circumstances not later than July 15, provided that in the event of a change in circumstances or conditions subsequent to July 15 (e.g. resignation) such assignments may be changed as required to meet the situation. The teacher shall be informed of the reasons for any changes that become necessary after July 15.
5. In the determination of transfer requests, the convenience and wishes of the individual teacher will be honored to the extent that these considerations do not conflict with the instructional requirements and best interest of the school system and the pupils. In the event that an involuntary transfer is made, the teacher shall be notified of the reasons for the transfer at the time. Such transfers will be made on the basis of certification, experience and length of service in the district. When certification and experience of the teachers are substantially equal, the teacher with the least seniority will be transferred first.
6. In arranging schedules for teachers who are assigned to more than one school, an effort will be made to limit the amount of inter-school travel. Such teachers shall be notified of any change in their schedules as soon as practicable.
7. Teacher assignments and transfers shall be made in accordance with Article IV, Fair Practices.

8. All vacant positions will be posted after teachers to whom the District has an employment obligation, who are certified and highly qualified, have been placed. There will be no transfer list produced by PCCS. Postings will be for at least five (5) workdays, and will be posted both internally and externally at the same time. The Executive Director of Human Resources shall be responsible for these postings. Postings shall be sent to each building principal, the PCEA Chairperson in each building, and the PCEA President. The posting shall include, at a minimum, the subject assignment, if applicable, and qualifications. Any special education vacancy, which arises after the first day of the second semester, may be filled by a long-term substitute teacher. Any general education vacancy, which arises after April 1st may be filled by a long-term substitute teacher.

Current members of the PCEA will be guaranteed an interview provided that the teachers meet the posted qualifications and are certified and highly qualified for the assignment. These teachers will be interviewed and considered before external applicants are interviewed. However, if an opening is posted two (2) weeks or less before teachers report for the new school year, the mandatory interview of internal applicants may be waived. The administrator may interview internal and/or external applicants at this time.

An internal applicant who was not selected for a posted position will at least be given verbal feedback from the administrator about the reason(s) he/she was denied the position.

In most transfers the current teacher will not leave his/her current assignment until his/her position is filled. However, both parties recognize that there will be flexibility by Administration in determining when the actual transfer occurs.

9. Two teachers who wish to switch positions may do so prior to the beginning of a school year. Any such requests for a job switch must be made on a form provided by the Human Resources and signed by both teachers. Any such requests must be submitted to the Human Resources by June 15 each year. The final decision to grant any request rests with the Executive Director of Human Resources and is final.
10. Two teachers who wish to job share a position may submit a request on a form provided by the Human Resources. It is understood that time and benefits will be appropriately reduced and that the commitment is for a full year. At the end of the year, the teachers will be returned to their previous FTE level commensurate with the positions held prior to the job share arrangement, for which the teachers are certified. The high seniority teacher in the job share will stay in that position. Any such request must be submitted to the Human Resources by May 1 each year. The final decision to grant any request rests with the Executive Director of Human Resources and is final.
11. Current employed teachers will not be required to teach a lesson in order to be considered for a transfer.
12. A part time teacher to whom the district has no obligation to increase his/her FTE, will be assured of an interview, prior to out of district applicants, if seeking a change between buildings. If the increase is within a building, it will be accomplished upon recommendation of the building principal.
13. The following procedure will be used in placing Alternative Education and ELL teachers into their assignments each year. For ELL teachers language specialization may be considered when making assignments.

- Subject to enrollment and demand and the following procedures, Alternative Education and ELL teachers will be assigned at least the same FTE as the previous year.
- Before each semester a preliminary draft of the Alternative Education schedule and assignments will be prepared by the administration. Based on the enrolled student count and the nature of the classes selected, additional classes may be added or those tentatively scheduled, which have already been started, may be dropped.
- If a class or classes are added after the semester starts, based on student demand, those additional classes will be offered first to less than full time staff (less than six (6) classes) based on seniority, who are certified and highly qualified to teach the classes. If no less than full time staff are interested in the position then it will be posted.
- If a class or classes are dropped after the beginning of the semester, a more senior teacher who loses a class or classes will be entitled to displace classes of the least senior teacher for which the more senior teacher is certified. All full time teachers will retain full time status, providing there is sufficient enrollment.
- After the assignments are made in accordance with the above provisions, any teacher who is assigned less hours than the previous year and is not full time shall be subject to Article XIX (staff seniority, reduction, and recall). However, probationary teachers shall not be allowed to displace any teacher outside the Alternative Education or Bilingual programs.

14. Alternative Education or ELL teachers shall have the same transfer rights as the K-12 teachers, including the right to an interview for another building.

C. RELIEF FROM SUBSTITUTE RESPONSIBILITY

Teachers shall not be required to assume the responsibilities of absent teachers except on the day during which an emergency occurs.

However, the parties acknowledge that the District has the right to assign teachers to covers classes for which a substitute teacher is not available through the substitute calling system.

In situations where a classroom teacher is assigned to cover a classroom during his/her regularly scheduled planning period, the teacher will either earn credit towards a sick day or be paid based on the following formula:

Daily substitute teacher rate, divided by six (6), multiplied by 2. (Example: If the daily rate is \$77.00 per day, the formula would be $\$77.00 / 6 \times 2 = \25.67 for the period.)

A teacher who wishes credit towards sick time rather than payment must notify the Human Resources Department and his/her principal by November 1st. This election may be changed one time by written request received prior to the start of the second semester to be effective the second semester. Sick leave credit will be earned in one-half day increments with three (3) periods covered resulting in a half day.

Teachers whose students are at the sixth grade camp may be reassigned while their students are at camp as long as their assignment does not exceed the normal teaching day.

The Board and the Association agree that in no case shall the teacher be responsible for providing a substitute teacher. The Board agrees to make every reasonable effort to provide qualified substitute teachers when needed.

D. PROFESSIONAL CONFERENCES

In the belief that attendance at professional meetings is desirable to maintain and improve professional competence and proficiency and enhance the educational program of the school district, teachers shall be encouraged to participate in such meetings within budget limitations.

This could include military service, Peace Corps, VISTA and other job related experience, which would be in the same field as the teaching area assigned and a direct relationship exists. Ordinarily this would be work, which may be required for vocational certification. Any decision regarding related work experience shall be subject to review at the request of the Association or an individual teacher. However, the Superintendent's, or his/her designee's, decision on related experience shall be final.

The credit which may be granted for other than public school or college teaching experience shall be no more than three (3) years and maximum credit allowed for both teaching and other experience shall be limited to five (5) years unless additional years credit for total outside teaching and related experience has been recommended by the Executive Director of Human Resources and Superintendent, or his/her designee.

This section relating to previous experience credit shall be effective only for all newly hired teachers following the ratification date of this Agreement and shall not be retroactive in any respect to teachers presently employed by the Board.

- C. Teachers on an unpaid leave of absence of forty-five (45) school days or less in one school year shall receive full credit on the salary schedule for the year. - D. All full and part time teachers will advance a full step on the salary schedule every school year. CONFORMITY TO LAW - SAVING CLAUSE

If any provision of this Agreement is or shall at any time be contrary to law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law.

In the event that any provision of this Agreement is or shall at any time be contrary to law, all other provisions of this Agreement shall continue in effect.

ARTICLE XVII

CONTRACTUAL OBLIGATIONS

The Board and the Association subscribe to the principle that differences shall be resolved by appropriate and peaceful means, in keeping with the high standards of the profession, without interruption of the school program. Accordingly, the Association agrees that during the term of this Agreement it shall not direct, instigate, participate in, encourage, or support any strike against the Board by any teacher or group of teachers.

ARTICLE XVIII

ACADEMIC FREEDOM

The Board recognizes and respects the right of citizens to make suggestions for the improvement of public schools but maintains that no group can deny academic freedom to educators. The Board recognizes that the education profession has both the right and the responsibility to insist that children must be free to learn and teachers free to teach broad areas of knowledge, including those considered controversial. The teacher recognizes that the student has the right and freedom to form opinions or conclusions on the factual information presented on both sides of a controversial issues, and further, that the teacher will refrain from indoctrinating the student with his/her own predetermined opinion on the issue.

- A. Therefore, academic freedom shall be guaranteed to teachers and no special limitations shall be placed upon study, investigation, presenting and interpreting facts and ideas concerning man, human society, the physical and biological world and other branches of learning subject to accepted standards of professional responsibility set forth in the Code of Ethics of the Education Profession.
- B. Whenever any group or individual brings charges against a teacher concerning the teacher's freedom to teach, or whenever any teacher faces charges made by any group or individual for violating either the letter or spirit of this Article, or for abusing the right guaranteed under the Article in any respect, that teacher is entitled to "due process under the law," of which shall include at least:
 - 1. Reasonable notice of the charge.
 - 2. Specific notice of the charges or charge so that he/she may be able to defend against and rebut such allegations.
 - 3. The names comprising the group or the name of the individual bringing the charges or charge.
 - 4. The right to be represented by legal counsel.
 - 5. The right and opportunity to rebut charges at an impartial hearing.
 - 6. The right and opportunity to rebut them in a competent court of law, if the teacher's future employment is threatened, due to or related in any way to the charges or charge brought against that teacher by any group or individual.

ARTICLE XIX

STAFF SENIORITY, REDUCTION AND RECALL

- A. To the full extent permitted by law, this Agreement shall be binding upon the Board and its successor personnel and upon any school district into which or with which this district shall be merged or combined.
- B. No teacher shall be discharged or laid off pursuant to a necessary reduction in personnel unless there is substantial decrease in the students enrolled in the school district or there is substantial decrease in per pupil revenues. Whenever possible, notice of discontinuance of service shall be given to both probationary and tenure teachers at least sixty (60) days before the end of the school year proceeding the year in which such discontinuance of service shall become effective. It is recognized, however, that circumstances may dictate a

reduction in force subsequent to such notice period, and in such event the Board will make every reasonable effort to give such advance notice as is possible under the circumstances. In any event thirty (30) days notice shall be given prior to discontinuance of service.

The following layoff procedures shall prevail:

1. Specially certified teachers in the specific positions being reduced or eliminated shall be laid off first, provided there are qualified certified teachers to replace and perform all of the duties of the laid off teachers.
 2. If reduction is still necessary then probationary teachers will be laid off, provided there are highly qualified, certified (Article XII, C) teachers to replace and perform all of the duties of the laid off teachers.
 3. If reduction is still necessary a teacher with the least district wide seniority in that building and department whose position has been eliminated shall be transferred to any existing vacancy for which he/she is highly qualified and certified (K-12, K-8, 7-12). If no vacancy exists, the teacher whose position has been eliminated and therefore, required to transfer involuntarily shall replace the teacher with the least seniority for whose position he/she is highly qualified and certified (K-12, K-8, 7-12) at the time of reduction. The teacher will be returned to his/her original position when a vacancy occurs if he/she wishes to return.
 4. A teacher returning from laid off status prior to the beginning of the school year shall be returned to his/her original position if the position exists, seniority permitting.
- C. Recall will be based on a reversal to Section B above, i.e., the last laid off will be the first recalled, providing that all tenure teachers on leave, have been reinstated prior to recall of probationers.
- D. Teachers being recalled will be given ten (10) days from the date of the mailing of a registered letter of recall to indicate their acceptance or rejection of reemployment. Failure to respond within the ten (10) day period will end the employee's seniority rights, except that a teacher who is sick shall notify the Board of his/her intent to return as soon as possible, and from the date of his/her notifying the Board, shall be deemed to be on sick leave. A substitute shall be hired in his/her place until he/she returns from sick leave. A substitute position of this nature shall be offered first to any remaining teachers who are yet laid off.
- E. No new teacher shall be hired in a subject area until all laid off teachers, who are highly qualified, from that subject area have been recalled or decline the opening.
- F. No new teachers shall be hired in a subject area before teachers who are laid off from other subject areas who may be qualified, and who possess the necessary certification, are recalled or decline the opening.
- G. Layoff means removal from the payroll with no employment rights, other than retention of seniority status and recall rights as noted above. Such rights shall extend through the duration of this Agreement.
- H. Seniority for full or part time professional staff shall be defined as total years of contractual certified service to the Plymouth-Canton Community Schools as defined by the Association recognition clause in Article I computed from the first day they reported for work.

All leaves of absence shall not be an interruption of seniority.

Teachers will receive one (1) year of seniority for each year the teacher is employed or on an approved leave of absence.

If a person resigns, or otherwise leaves the employ of the district other than on an approved leave of absence, and subsequently returns, he/she will be entitled to reinstatement of his/her previous earned seniority if: A) written notice is received by Human Resources Department from the teacher by July 1st of the year of the termination, B) the teacher does not terminate his/her employment prior to the end of a school year, and C) he/she is re-employed by the district prior to the beginning of the school year which begins three (3) years after the termination date. If any of the above three (3) conditions are not met, seniority will be computed from the first day he/she reports to work after returning to the employ of the Board. (e.g., written notice of termination is received June 1, 1996 to be effective at the end of the 1995-96 school year and the teacher is rehired by the district August 15, 1999. The teacher will receive previously earned seniority).

All administrators who have accrued seniority in the teachers bargaining unit prior to September 1, 1976, pursuant to Article XIX, Section H., may fill only a vacant position within the bargaining unit as defined by Article I. Any administrator hired after September 1, 1976, shall not accrue seniority in the teacher bargaining unit.

Part time employees will receive a full day of seniority for each day worked. If the assignment is for a full school year, regardless of the schedule, the teacher will receive a full year of seniority.

It is understood that these seniority provisions have no impact on any provision affecting salary including but not limited to salary step placement or longevity.

- I. A seniority list shall be compiled each school year. This year shall take into account the actual or projected days of seniority to the end of each school year, and a finalized listing, with any corrections, shall be available by May 1st of each year. All teachers shall be ranked on the list computed from the first day they reported to work as a member of the bargaining unit.

In determining layoff or recall for any subsequent school year, this projected and corrected May 1st list shall prevail and be the effective list used for the full subsequent year, and shall remain as the seniority standing for employees until the new list is projected and/or finalized.

Nurses shall have a separate seniority list. All layoffs and recall of school nurses shall be by seniority.

- J. In the circumstances of more than one individual teacher with the same number of service years defined as seniority in Article XIX, Section H., the individuals so affected will participate in a drawing, by lot, to determine position on the seniority list. The Human Resources Department will notify the Association and teacher so affected in writing of the date, place and time of the drawing. The drawing shall be conducted openly and at a time and place which will reasonably allow affected teachers and P.C.E.A. representatives to be in attendance.

- K. The Association and the Board agree that the general interpretation of the procedures of the Master Agreement dealing with certification, recall, and seniority, and specifically the timelines and procedure related to school district's recognition of teacher certification, re-certification, or the addition of endorsements, shall be as follows:

1. By March 15th of each school year, teachers who intend to secure additional endorsements or certification, shall notify the Human Resources Department in

writing and include the change sought, the university involved, and the expected completion date.

2. By the last teacher workday of that school year, any teacher who has submitted a written intent as set forth in Paragraph 1 above, shall supply the Human Resources Department with written proof from the teacher certification office of the university that all work has been completed by such date, and that recommendation by the university will be made to the Michigan Department of Education and Certification Office to be effective by the beginning of the subsequent school year.
3. Prior to the first teacher workday of the subsequent school year, the teacher must present to the personnel office an official certificate indicating any such change in certification or endorsement.

For purposes of recall or reassignment, the Association and the Board agree that no change in endorsement or certification will be recognized or honored unless the afore-listed procedure and timelines have been adhered to strictly and specifically. Failure to adhere strictly to the procedure and timelines shall delay the recognition of such change, and accordingly delay recall or reassignment, until the following year's seniority list has been developed and the afore-stated procedures have been met, except that should a vacancy or new position arise after the opening of school, then any valid certification shall be recognized in the recall process.

- L. Certified and highly qualified positions will be posted after teachers to whom the District has an employment obligation, consistent with certification, have been placed. Postings will be for at least five (5) work days. The Executive Director for Human Resources shall be responsible for these postings. Postings shall be sent to each building principal, the PCEA Chairperson in each building, and the PCEA President. The posting shall include, at a minimum, the subject assignment, if applicable, and qualifications. Any special education vacancy which arises after the first day of the second semester, may be filled by a long term substitute teacher. Any general education vacancy which arises after April 1st may be filled by a long term substitute teacher.

ESY off-track teachers shall not be called as daily substitutes unless they have previously volunteered in writing to substitute.

- H. When necessary, and on a schedule determined by mutual agreement of the individual teacher and building principal involved, up to twelve (12) additional hours per track vacation period shall be granted for the purpose of setting up and taking down. These shall be in excess of inservice time and shall be paid at the teacher's per diem rate of pay. It is understood that the number of hours agreed upon may be less than twelve (12). A teacher must be on at least the tenth (10th) step of his/her salary schedule to be eligible for the benefits described in this section.

All Starkweather/ELL teachers will qualify for the voluntary retirement compensation of \$7,500 with ten years of teaching experience in PCCS and/or until they reach the top of the salary schedule.

Retirement means the teacher must make application for benefits under the MPSERS (Michigan Public School Employee Retirement Services) with reasonable assurance that the employee qualifies and cannot service the Plymouth-Canton Community Schools in any future paying capacity without the approval of the Superintendent. This section applies to bona fide retirement and does not apply to other separations or conditions that are not purely voluntary in nature.

12. 403(b) SPECIAL PAY PLAN

Plymouth-Canton Community Schools, the employer, has adopted a 403(b) special pay plan. Therefore, the following items currently in PCCS/PCEA Master Agreement, voluntary retirement compensations, retirement allowance, and any other "special pays" (tax qualified and retirement severance pays) will be paid through Plymouth-Canton Community Schools 403(b) Special Pay Plan.

For those employees participating in the 403(b) plan, who are less than 55 years of age in the year of separation of service, will have 60 days from the day of 403(b) special pay payment to be held harmless. The 403(b) special pay plan allows for a "hold harmless" provision for those under 55 years of age who liquidate their account. The plan sponsor, Plymouth-Canton Community Schools, will make the individual whole with regard to the IRS penalty of 10% on the special pay plan distribution amount.

13. 21 PAY / 26 PAY PLAN

All contract teachers will be paid on a twenty-six (26) pay plan extending for a twelve (12) month period. Teachers may exercise the option of being paid on a twenty-one (21) pay plan extending for a ten month period, if they sign such an option form prior to August 15. Option will be on a continued basis unless changed by the employee by the proper time limitation.

14. PAYROLL DEDUCTION

The Board agrees to continue to make voluntary payroll deductions from the salaries of teachers according to existing practices, and any other, as approved by the administration, including Credit Union, U.S. Savings Bonds, Tax Sheltered Annuities and Community Fund.

Commencing January 1, 2009, IRS rules and regulations place the responsibility on the school district of monitoring all 403(b) carriers and school district employees to insure compliance with IRS guidelines. To assist the parties in this process, a third party administrator (TPA) has been selected.

All current 403(b) providers (including flow through providers) that sign an information sharing agreement will be allowed to continue as vendors. The district will provide the PCEA with the plan document or its successor prior to any adoption of the same.

The parties further understand and agree that the regulations regarding the administration of the 403(b) plan continues to evolve, and it is the intent of the parties to comply with all legal requirements. A joint committee with representatives from the administration and from the PCEA will evaluate and recommend changes to the current plan and/or vendors at least once a year.

Roth 403(b) and 457 tax-deferred retirement plans will be available to employees.

15. LONGEVITY PAY

The teacher longevity stipend will be as follows:

1. Beginning the 16th year of teaching in the district, a stipend of \$300.00 annually, until -
2. Beginning the 21st year of teaching in the district, a stipend of \$550.00 annually, until -
3. Beginning the 26th year of teaching in the district, a stipend of \$800.00 annually, until -
4. Beginning the 31st year of teaching in the district, a stipend of \$1,000.00 annually.
5. Teachers whose date of hire falls prior to January 1st shall receive their longevity pay in September. Teachers whose hire date is January 1st or later shall receive longevity pay in January.

16. FAMILY MEDICAL LEAVE ACT (FMLA)

Teachers are entitled to FMLA leave in accordance with the law. Further, beyond the minimum requirements of the FMLA, the parties agree that a tenured teacher who is scheduled to teach at least 900 hours (approximately 0.7 F.T.E) will be eligible for FMLA.

Paid leave periods will count toward the FMLA eligibility period. Unpaid absences do not count toward FMLA eligibility.

17. PCEA SICK BANK

It is hereby agreed by and between the Plymouth-Canton Board of Education and the Plymouth-Canton Education Association as follows:

- A. Teachers with 166 to 180 days in their personal leave banks at the beginning of each school year will donate only those newly loaded days which total in excess of over 180 days to the PCEA sick bank. If the bank falls below 500 days, the PCEA has the right to assess individual contributions from its members to whatever extent is needed.
- B. A sick bank committee will govern the use of the bank. The committee will consist of two (2) individuals appointed by the Executive Director of Human Resources and two (2) individuals appointed by the PCEA President. The committee will convene whenever a request by a teacher is made for use of days from the bank. The request must be in writing by the teacher to the Executive Director of Human Resources with a copy to the PCEA President. The committee will make its decision by secret ballot vote. A majority of the committee must approve all use of bank days and the decision of the committee shall be final.
- C. Days from the bank will be available for illness of the teacher only and will not apply to requests related to family illness, bereavement, etc. Requests will be considered for catastrophic situations which are sudden, unexpected, and of a long-term nature. The bank is not intended to remove the obligation and expectation that sick leave is to be used only as needed and that each teacher must be accountable for the amount of sick time he/she may have accumulated.
- D. The committee will consider requests for use of the bank provided:
 - 1. The personal sick leave accumulation and 30 day extension will be exhausted.
 - 2. Use of the bank days will cease when the teacher becomes eligible for long-term disability coverage.
- E. Teachers who deplete their sick/personal business day bank may write a letter to the PCEA President and the PCCS Executive Director of Human Resources and request a loan of five (5) sick days. These days will be granted with the teacher repaying all five (5) days back to the PCEA sick bank from their new allotment of sick days the following school year.

18. ALTERNATIVE EDUCATION and ELL/BILINGUAL TEACHERS

Alternative Education and ELL/Bilingual teachers will be entitled to all of the fringe benefits as provided in this SALARY SCHEDULE–FRINGE BENEFITS article that the current K-12 teachers.

POLICY STATEMENTS - B and C

1. It is agreed that the building principal, after conferring with other necessary persons within the building, will declare positions open. All Appendix B positions will be posted with the minimum qualifications listed for the position.
2. It is agreed that teachers holding positions listed or referred to on B and C Schedules in order to maintain them on a continuous basis in subsequent years need not reapply for these positions provided that the assigned duties are performed satisfactorily and that no substantial evidence to the contrary is presented by the supervising administrator prior to June 30TH. Should any teacher not wishing to hold his/her current B and C assignment in the following year, notification of same must be given to the supervising administrator.
3. The appropriate administrator has the responsibility to see that the assigned duties are performed satisfactorily.
4. A regular PCEA member who meets the posted qualifications of the vacancy and is equal to non-staff applicants, shall be given preference over non-staff members. A staff member is an individual who is employed in a regular teaching assignment within the district, excluding Appendices B and C positions, ad hoc positions, and per diem positions.
5. All PCEA members who apply for an Appendix B position will be interviewed. If a PCEA member applies for a middle school coaching assignment and meets the minimum qualifications as posted, that member will be hired. If more than one member applies for a middle school position, the decision will be made by the administrator in charge of the program. Teachers not hired for any Appendix B position will be provided with the reason(s) for their denial.
6. Except for good causes (i.e., participation, available money, qualified teacher, etc.) all assignments of the B and C schedules will be filled.
7. Any changes whatsoever must be approved by the Executive Director of Human Resources and President of PCEA.
8. Schedule "B"
 - a. Each position on Schedule "B" will be placed on a percentage level ranging from 3%-11%.
 - b. The percentage figure will be that of the B.A. teacher's salary schedule (1-10 steps). Experience will be determined by the years of experience in subject area, not years of teaching, within this or other districts up to step 5 for assistant coaches and step 10 for head coaches. No current coaches will be expected to take a reduction in salary as a result of this limitation.
 - c. All longevity and vacation pay presently in contract would be deleted.

Any recommended adjustment of Appendix B by the committee shall be made no later than April 1 of the school year prior to implementation.

12. In regards to riders for extra duty stipends, the following is understood:

APPENDIX I

**Memorandum of Agreement
Plymouth-Canton Board of Education
And the
Plymouth-Canton Education Association**

The parties agree that the following payroll issues and pay periods will be established for the 2009-2010 school year as these resolves pertain to the Plymouth-Canton Community Schools (PCCS) payroll department and the Plymouth-Canton Education Association (PCEA):

- All members of the Plymouth-Canton Education Association will enroll and participate in a direct deposit program with any financial institution(s) of their choice.
- The Plymouth-Canton payroll department will no longer issue paper vouchers to members of the PCEA. The members will be instructed to set up accounts with WCRESA in order to access individual payroll records.
- For the 2009-2010 payroll year, the PCCS payroll department will issue 27 pay periods, with the first pay commencing on August 28, 2009, and following every two weeks. PCEA members may exercise the option of being paid on a 22 pay plan, if they sign such an option form prior to August 15.
- The pay period for January 1, 2010 (legal holiday) will be moved to December 31, 2009. The Association understands that this earlier pay will affect employees' total compensation for 2009 IRS reporting purposes, and that it is the employees' responsibility to adjust payroll deductions such as 403b contributions in accordance with legal and financial restrictions.
- For the 2010-2011 payroll year, if possible, the parties agree that the PCCS payroll department will issue 24 pay periods, the first and fifteenth of each month except January 1, which will be paid on the first legal bank day of January. PCEA members may exercise the option of being paid on a 20 pay plan, if they sign such an option form prior to August 15.
