The Board shall review this contract with the Superintendent annually, and shall, on or before March 31 of each year take official action determining whether or not it is extended for an additional year and notify the Superintendent of this action in writing.

   B. Operation of Law. Unless the Board of Education gives written notice of non-renewal of this contract to the Superintendent at least 90 days before the contract’s termination date, this contract will, without further action, be automatically renewed for an additional one-year period as provided by Public Act 183 of 1979. The salary shall be paid in 26 equal installments. The Board of Education retains the right to adjust the salary during the continuation of this contract, but an adjustment shall not reduce the annual salary below the figures specified in this paragraph.

7. Benefits. The Superintendent is entitled to the following specific benefits:
