MEMBERS ABSENT: Cullen DuBose; Tim Herman

CALL TO ORDER: Mr. Main called the meeting to order at 10:04 a.m.

APPROVAL OF MINUTES: Mr. Main asked for a motion to approve the February 25, 2010 meeting minutes. **Mr. Buckler motioned approval of the minutes. Ms. Shinn seconded the motion.** The motion carried unanimously – 6 ayes; 0 nays; 0 recused; 2 absent

PUBLIC COMMENT: Mr. Main asked if there was any public comment. There was none.

PROPOSED BATTERY CREDIT:

Resolutions 2010-031 and 2010-032: fortu PowerCell (fortu)

Kathy Kleckner, MEDC Project Manager, provided background information and introduced the guest presenters: Alan Greenshields, Chief Financial Officer, fortu PowerCell; Dr. Roger Meister, fortu PowerCell; Ed Garner, President & CEO, Muskegon Area First; and David Kieft, Jr., Township Supervisor, Muskegon Charter Township.

Mr. Meister indicated that he is excited about this project and he would like to publically thank Governor Granholm for her visit to Germany last year. Mr. Meister indicated that the project actually started the beginning of last year and the project would not be here if not for the Governor's visit and the battery legislation which was what attracted them to Michigan. Mr. Meister stated that fortu has a totally new electrolyte system with more focus on the chemistry of the battery, which sets them apart from other battery companies. Mr. Kieft, Jr., stated that the Township is very supportive and very excited to have fortu in Muskegon Charter Township. Mr. Garner stated that this will be the 2nd largest company in the Muskegon area, and thanked everyone for their continued support.

Josh Hundt, MEDC Program Specialist, provided additional information and recommendations.

Mr. Hundt indicated that this is a two phase project and that Phase I will have a capacity of 250 MWh per year and Phase II will have a capacity of 2,500 MWh per year. Phase I is expected to be complete in 2010 with Phase II completed eighteen months later. Mr. Hundt indicated that the company would invest approximately \$623 million and create 726 jobs as a result of this project.

Recommendation: MEDC Staff recommends approval of 100% high-technology employment tax credit for 10 years for up to 726 net new employees. The review panel highly recommends the fortu PowerCell project based on the factors described when compared with the six other applications reviewed. It is recommended that fortu PowerCell receive a Battery Cell Manufacturing Credit in the amount of \$100 million not to exceed \$25 million per year for four years subject to the following: (1) The credit shall not be claimed prior to a tax year beginning 2012; and (2) The company must create 300 jobs related to the project to be eligible for the credit.

Board Discussion: Mr. Garcia gave the Executive Committee report. The MEGA Executive Committee reviewed the proposed Battery Credit and recommends approval.

Mr. Main asked what market this will serve. Mr. Meister responded that they serve the personal transportation market. State Representative Jeff Hanson stated that this is a great fit for Muskegon and they are looking forward to having them.

Mr. Main asked if there were any questions from the Board. Being none, **Mr. Buckler made a motion for approval of Resolution 2010-031. Ms. Shinn seconded the motion.** The motion carried unanimously – 6 ayes; 0 nays; 0 recused; 2 absent. **Mr. Lockwood made a motion for approval of Resolution 2010-032. Mr. Buckler seconded the motion.** The motion carried unanimously – 6 ayes; 0 nays; 0 recused; 2 absent.
