ARTICLE II PURPOSE AND INTENT

2.1: Both parties are desirous of preventing strikes and lockouts and other cessations of work and employment; and of maintaining a uniform wage scale, working conditions and hours of employees of the Employer; and facilitating peaceful adjustment of all grievances which may arise from time to time between the Employer and its employees; and of promoting and improving peaceful labor and economic relations between the parties.

ARTICLE III RECOGNITION

3.1: The Employer recognizes and acknowledges that the Command Officers Association of Michigan (C.O.A.M.) is the exclusive representative for collective bargaining with the Employer of the classifications of Sergeant, Detective Sergeant, Head Cook and Sheriff's Secretary of the Alcona County Sheriff's Office. Excluded Employees include the Sheriff, Undersheriff and all classifications covered by the P.O.A.M. contract.

ARTICLE IV MANAGEMENT RIGHTS

4.1: The Management of the Alcona County Sheriff's Department, the determination of all matters of management policy, the services to be furnished, the nature and number of facilities and departments to be operated and their location; the direction of the working force, including only by way of illustration and not by way of limitation, the right to hire, discipline, suspend or discharge for just cause, promote, transfer or layoff employees, or to reduce or increase the size of the work force; to establish reasonable rules and regulations, or to make judgments as to the ability and skill; are within the sole prerogative of the Employer, provided, however, that they will not be used in violation of any specific provisions of this Agreement.

The Union hereby agrees that the Employer retains the sole and exclusive right to establish and administer without limitation, implied or otherwise, all matters not specifically and expressly limited by this Agreement.

ARTICLE V AGENCY SHOP

5.1: Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain, or drop their membership in the Union, as they see fit. Neither party shall exert any pressure on or discriminate against an employee as regards such matters.

Membership in the Union is separate, apart and distinct from the assumption by one of his equal obligation to the extent that he receives equal benefits. The Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Union, and this Agreement has been executed by the Employer after it has satisfied itself that the Union is the choice of a majority of the employees in the bargaining unit.

Accordingly, it is fair that each employee in the bargaining unit pay his own way and assume his fair share of the obligation along with the grant of equal benefit contained in this Agreement.

5.2: In accordance with the policy set forth under paragraphs (1) and (2) of this Article, all employees in the bargaining unit shall as a condition of continued employment, pay to the Union, the employee's exclusive collective bargaining representative, an amount of money equal to that paid by other employees in the bargaining unit who are members of the Union, which shall be limited to an amount of money equal to the Union's regular and usual initiation fees, and its regular and usual dues. For present regular employees such payments shall commence thirty-one (31) days following the effective date of this Agreement, and for new employees, the payment shall start thirty-one (31) days following the date of employment.

5.3: If any provision of this Article is invalid under Federal Law or the laws of the State of Michigan, such provisions shall be modified to comply with the requirements of Federal or State Law or shall be renegotiated for the purpose of adequate replacement.

ARTICLE VI EXTRA CONTRACT AGREEMENT

6.1: The Employer agrees not to enter into any agreement with another labor organization during the life of this Agreement with respect to the employees covered by this Agreement; or any agreement or contract with the said employees, individually or collectively, which in any way affects wages, hours or working conditions of said employee, or any individual employee, or which in any way may be considered a proper subject for collective bargaining. Any such agreement shall be null and void.
