AGREEMENT

This agreement entered into this 12th day of March 2009, between the Delta County Board of Commissioners (hereinafter referred to as the "Employer") and the Employees of the Delta County Courthouse, Chapter of Local #2755, affiliated with Council #25, AFL-CIO (hereinafter referred to as the "Union").

NOTE: The headings used in this Agreement and exhibits neither add to nor subtract from the meaning, but are for reference only.

PURPOSE AND INTENT:

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the employees and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing proper services to the community.

To these ends, the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 1. RECOGNITION.

Section 1.1 Collective Bargaining Units. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement of all employees of the Employer included in the bargaining unit described below:

Irregular part time, temporary and seasonal employees are employees who are scheduled to work a specific assignment, for a specified amount of time, with the understanding that employment will terminate with a pre-established date or condition with the exception of vacation relief.

(d) Supervisor. A supervisor is any person with the authority to hire, transfer, layoff, discharge, promote, or effectively discipline employees, or who has the responsibility to direct employees or effectively recommend such action if, in connection with the foregoing, the exercise of such authority or responsibility is not a mere routine or clerical act, but requires the use of independent judgment and skill.

(e) Employer. The definition of the Employer contained in this Agreement is for the sole purpose of defining rights and responsibilities under this Agreement, and it shall not be binding upon the parties hereto for other purposes to the extent that an Employer may be otherwise defined under the laws of the State of Michigan.

ARTICLE 2. AID TO OTHER UNIONS.

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union. The Union agrees not to coerce employees into the Union membership and further agrees not to make agreements with any other union for the purpose of coercing the Employer.

ARTICLE 3. UNION SECURITY (Agency Shop).

(a) Employees covered by this Agreement at the time it becomes effective and who are members of the Union at that time shall be required, as a condition of continued employment, to continue membership in the Union or pay a service fee to the Union equal to dues and initiation fees uniformly charged for membership for the duration of this Agreement.

(b) Employees covered by this Agreement who are not members of the Union at the time it becomes effective shall be required as a condition of continued employment to become members of the Union or pay a service fee equal to dues and initiation fees required for membership commencing thirty (30) days after the effective date of this Agreement, and such condition shall be required for the duration of this Agreement.

(c) Employees hired, rehired, reinstated or transferred into

the bargaining unit after the effective date of this Agreement and covered by this Agreement shall be required as a condition of continued employment to become members of the Union or pay a service fee to the Union equal to dues and initiation fees required for membership for the duration of this Agreement, commencing the thirtieth (30) day following the beginning of their employment in the unit.

ARTICLE 4. DUES CHECKOFF.

(a) The Employer agrees to deduct from the wages of any employee, who is a member of the Union, all Union membership dues and initiation fees uniformly required, if any, as provided in a written authorization in accordance with the standard form used by the Employer herein (see paragraph "d"), provided, that the said form shall be executed by the employee. The written authorization for Union dues deduction shall remain in full force and effect during the period thirty (30) days immediately prior to the expiration of this contract. The termination must be given both to the Employer and the Union.

(b) Dues and initiation fees will be authorized, levied and certified in accordance with the Constitution and bylaws of the Local Union. Each employee and the Union hereby authorize the Employer to rely upon and to honor certifications by the Secretary/Treasurer of the Local Union, regarding the amounts to be deducted and the legality of the adopting action specifying such amounts of Union dues and/or initiation fees.

(c) The Employer agrees to provide this service without charge to the Union. The Union shall indemnify and save the Employer harmless from any and all claims, demands, suits or any other action arising from this article or from complying with any requests for termination under this article. The employee's earnings shall be regularly sufficient, after other legal and required deductions are made, to cover the amount of the appropriated Union dues. When a member in good standing of the Union is in non-pay status for an entire pay period, and the wages are not sufficient to cover the full withholding, no deductions shall be made. In this connection, all other legal and required deductions have priority over Union dues. Deductions shall be made only in accordance with the provisions of said authorization forms, together with the provisions of this Agreement. The employer shall have no responsibility for the collections of initiation fees, membership dues, special assessment,

service fees or any other deductions not in accordance with this provision.

(d) See the Payroll Department for authorization form.

(e) PEOPLE Check Off. The employer agrees to deduct from the wages of any employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to the employer and the Union. The employer agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

ARTICLE 5. REPRESENTATION FEE CHECKOFF.

(a) The Employer agrees to deduct from the wages of any employee who is not a member of the Union, the Union representation fee, as provided in a written authorization in accordance with the standard form used by the Employer herein (see paragraph "d"), provided, that the said form shall be executed by the employee. The written authorization for representation fee deduction shall remain in full force and effect during the period thirty (30) days immediately prior to expiration of this contract. The termination notice must be given both to the Employer and to the Union.

(b) The amount of such representation fee will be determined as set forth in Article 3 of this contract.

(c) The Employer agrees to provide this service without charge to the Union.

(d) Authorization form available from Union Representatives or Administration Office.

(e) The Union shall indemnify and save the Employer harmless from any and all claims, demands, suits, or other actions arising from this Article or from complying with any requests for termination under this Article.

ARTICLE 6. REMITTANCE OF DUES AND FEES.

(a) When deductions begin:

Check off deductions under all properly executed authorizations for check off shall become effective at the time the application is signed by the employee and shall be deducted from the first pay period of the month and each month thereafter.

(b) Remittance of dues to financial officer:

Deductions for any calendar month shall be remitted to such address designated to the designated financial officer of Michigan Council #25, AFSCME, AFL-CIO, with an alphabetical list of names and addresses of all employees from whom deductions have been made no later than the fifth (5th) day of the month following in which they were deducted.

The Employer shall additionally indicate the amount deducted and notify the financial officer of the council of the names and addresses of employees who, through a change in their employment status, are no longer subject to deductions and further advise said financial officer by submission of an alphabetical list of all new hires since the date of submission of the previous month's remittance of dues.

(c) The Union shall indemnify and save the Employer harmless from any and all claims, demands, suits or any other actions arising from this Article or from complying with any requests for termination under this Article. The employee's earnings shall be regularly sufficient, after other legal and required deductions are made, to cover the amount of the appropriate representation fee. When an employee is in a non pay status for an entire pay period, and the wages are not sufficient to cover the full withholding, no deductions shall be made. In this connection, all other legal and required deductions have priority over the Union representation fee. Deductions shall be made only in accordance with the provisions of said authorization form, together with the provisions of this Agreement. The Employer shall have no responsibility for the collection of any representation fee or any other deductions not in accordance with this provision.

ARTICLE 7. UNION REPRESENTATION.

(a) Stewards, Alternate Stewards and Chapter Chairperson. The employees covered by this Agreement shall be represented by not more than three (3) stewards. The Employer shall be notified of the names of the stewards and alternate stewards and the Chapter Chairperson. If the Chapter Chairperson or the appropriate Steward wants time off during working hours to investigate and present grievances, they shall give advance notice to their supervisors and work out a mutually acceptable time which shall not be unreasonably withheld, and which shall be without loss of pay.

(b) Union Bargaining Committee. Employees covered by this Agreement shall be represented in negotiations by negotiating committee members. Bargaining by parties shall commence either during regular working hours or outside of regular working hours. Members of the bargaining committee shall be paid by the Employer for time spent in negotiations (maximum to be two members to be paid), during regular working hours.

(c) Union members will not engage in Union activity on the Employer's time or engage other employees in Union activity while such employees are on the Employer's time, except as specifically provided by this Agreement or as allowed in advance by the Administrator. Failure or refusal on the part of any employee fully to observe and obey any and all provisions of this Section shall, at the option of the Employer, be sufficient grounds for discipline up to and including discharge.

ARTICLE 8. RIGHTS OF THE EMPLOYER.

The Employer, on its own behalf and on behalf of the electors, retain and reserve unto themselves, without limitations, all powers, rights, authority, duties, and responsibilities conferred upon and vested in them by the laws and the Constitutions of the State of Michigan and of the United States. Further, except as limited by the provisions of this Agreement, the Employer shall have the right to establish the overall direction of the working force, including the right to determine the size, deployment, scheduling, and duties of the work force; to determine the qualifications required of all employees; to direct, plan, and control the work force; to direct, plan, and control its operations; to hire, assign, direct, layoff, recall, transfer, or promote employees; to demote, suspend for just cause, discipline, and discharge any employees for just cause; to

establish, change, combine, or discontinue job classifications and to establish the number of people needed or used in all classifications and establish job descriptions for all classifications and positions; to introduce new and improved operating methods and/or facilities; to change existing operating methods and/or facilities; to prohibit or limit smoking or tobacco use; to establish policies and rules for the work force not in violation of this agreement; and to manage in the traditional manner, are all vested exclusively in the Employer.

ARTICLE 9. SPECIAL CONFERENCES.

(a) Special conferences for important matters will be arranged between the Chapter Chairperson and the Employer or its designated representative upon the request of either party. Such meetings shall be between at least two representatives of the Union and two representatives of management. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conference shall be confined to those included in the agenda. Conferences shall be held at a mutually agreeable time between the Employer and the Union. This meeting may be attended by representatives of the Council and/or representatives of the International Union.

(b) The Union representatives may meet on the Employer's property for at least one half hour immediately preceding the conference.

ARTICLE 10(A). GRIEVANCE PROCEDURE.

A grievance shall contain the specific facts upon which it is based and shall set forth the section or sections of this Agreement which have allegedly been violated. It is the intent of the parties to this Agreement that the grievance procedure set forth herein shall serve as a means for a peaceful settlement of disputes that may arise between them as to the application and interpretation of this Agreement or other conditions of employment. In order to be a proper matter for the grievance procedure, the grievance must be presented to the Employer, in writing within ten (10) working days of the employee's knowledge of its occurrence, or when the employee should reasonably have known of its occurrence, whichever occurs first. The Employer will answer, in writing, any grievance presented to it in writing by the Union. In the absence of the Administrator, the

Assistant Administrator will sign for the Administrator, and in the absence of the Chapter Chairperson, the Chief Steward will sign for the Chapter Chairperson. All time limits within this article may be extended upon mutual agreement, in writing, by both parties.

STEP 1. Any employee having a grievance shall present it to the Supervisor as follows.

(a) In a conference between the aggrieved employee, his or her Union representative, if desired, and the employee's immediate supervisor. The supervisor will attempt to adjust the matter. If no Union representative is involved and the matter is resolved before written and filed as a grievance, this shall not act as a precedent. If not resolved in this fashion, the employee will present his grievance to his immediate supervisor and the Director of Administration and Finance with a copy to his Steward and Chapter Chairperson. Upon receipt of the grievance, the Supervisor and the Director of Administration and Finance shall sign and date the Steward's copy of the grievance.

b) The immediate Supervisor shall give his answer to the steward within three (3) working days of receipt of the grievance stating reasons in writing.

STEP 2.

If the grievance has not been settled in Step 1 it shall be presented to the Delta County Director of Administration and Finance by the Chapter Chairperson within three (3) working days after receipt of the Supervisor's answer to Step 1.

The Director of Administration and Finance shall answer (in writing) within five (5) working days stating the reason the issue could not be resolved.

STEP 3.

(a) If the Director of Administration and Finance's answer to Step 2 is not satisfactory and the Union wishes to carry the matter further, the Chapter Chairperson, within five (5) working days, shall request a meeting with the Employer and a committee designated by the Board of Commissioners. The Employer and designated committee will meet with the Union representatives within fifteen (15) working days from the date of said request and notify the Union of any decision

made within fifteen (15) work days following such meeting.

(b) If after Step 3(a) Council #25 considers the dispute to be grievable, the Chapter shall file a demand for arbitration within thirty (30) working days in accordance with the American Arbitration Association's Rules and Procedures.

(c) The arbitration proceedings shall be conducted in accordance with the American Arbitration Association Rules and Regulations.

(d) There shall be no appeal from any arbitrator's decision. Each such decision shall be final and binding on the Union, its members, the employee or employees involved, and the Employer. The arbitrator shall make a judgment based on the express terms of this Agreement, and shall have no authority to add to, or subtract from any of the terms of this Agreement. The expenses for the arbitrator shall be shared equally between the Employer and the Union, except in cases involving similar issues where a previous award was in the Union's favor, the Employer shall pay the full cost of arbitration.

(e) A grievance may be withdrawn without prejudice, and if so withdrawn, all financial liabilities shall be canceled. If the grievance is reinstated, the financial liability shall date only from the date of reinstatement. If the grievance is not reinstated within fifteen (15) calendar days from the date of withdrawal, the grievance shall not be reinstated. When one or more grievances involve a similar issue, those grievances may be withdrawn without prejudice pending the disposition of the appeal of the representation case. In such event, the withdrawal without prejudice will not affect financial liability.

(f) If the Employer(s) does not respond to a grievance in a timely fashion, the grievance will be deemed granted. If the employee or the Union does not file a grievance or appeal to the next step of the process in a timely fashion, the grievance will be deemed denied.

ARTICLE 10(B). PAYMENT OF BACK PAY CLAIMS.

If the Employer fails to give an employee work to which his/her seniority entitles him/her, and a written notice of his/her claim is filed with the Immediate Supervisor and Director of Administration and Finance within thirty (30) days of the time the Employer first

failed to give him/her such work, the Employer will reimburse him/her for the earnings he/she lost through failure to give him/her such work.

ARTICLE 11. COMPUTATION OF BACK WAGES.

No claim for back wages shall exceed the amount of wages the employee would otherwise have earned.

ARTICLE 12. DISCIPLINE, DISCHARGE AND SUSPENSION.

(a) The Employer agrees that all written disciplinary action will be presented to the appropriate bargaining unit employee within five (5) working days of the occurrence or within five (5) working days of the employer's knowledge of the occurrence.

(b) The Employer agrees, promptly upon the discharge or suspension of an employee to notify, in writing, the employee and his/her steward of the discharge or suspension. Said written notice shall contain the specific reasons for the discharge or suspension.

(c) The discharged or suspended employee will be allowed to discuss his/her discharge or suspension with his/her steward, and the Employer will make available a meeting room where he/she may do so before he/she is required to leave the property of the Employer. Upon request, the Employer or designated representative will discuss the discharge or suspension with the employee and the steward.

(d) Appeal of Discharge or Suspension. Should the discharged or suspended employee and/or the steward consider the discharge or suspension to be improper, it shall be submitted to Step 2 of the grievance procedure. If Article 12 is used as a means of implementing the grievance procedure, said implementation shall take place within ten (10) working days of the discharge or suspension.

(e) In imposing any discipline or discharge on a current charge, the Employer will not take into account any prior infractions which occurred more than thirty months or two and one half years previously.

ARTICLE 13. SENIORITY (Probationary Employees).

(a) New employees hired in the Unit shall be considered as probationary employees for the first 90 days of their employment. When an employee finishes the probationary period, he/she shall be entered on the seniority list of the unit and shall rank for seniority

for the 90 days prior to the day he/she completes the probationary period. There shall be no seniority among probationary employees.

(b) The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment as set forth in Article 1 of this Agreement, except discharged and disciplined employees for other than Union activity.

(c) Seniority shall be on a unit wide basis.

ARTICLE 14. SENIORITY LISTS.

(a) Seniority shall not be affected by the age, race, sex, marital status, or dependents of the employee.

(b) The seniority list on the date of this Agreement will show the date of hire, names and job titles of all employees of the Unit entitled to seniority. (See Appendix J.)

(c) The Employer will keep the seniority list up to date at all times and will provide the Chapter Chairperson with up to date copies upon request.

ARTICLE 15. LOSS OF SENIORITY.

An employee shall lose his seniority for the following reasons:

(a) He/she quits.

(b) He/she is discharged and the discharge is not reversed through the procedure set forth in this Agreement.

(c) He/she is absent for two (2) consecutive days without notifying the Employer. In extenuating circumstances, exceptions may be made at the discretion of the Employer and the Union. Said working days must be two (2) completed scheduled shifts. After such absence, the Employer will send written notification to the employee at his/her last known address that he/she has lost his/her seniority, and his/her employment has been terminated. It shall be the responsibility of the employee to notify the Employer of any change of address. If the Employer violates these provisions, the matter may be referred to the grievance procedure.

(d) If he/she does not return to work when recalled from layoff as set forth in the recall procedure. In unusual circumstances, exceptions may be made at the discretion of the Employer and the Union.

(e) If the employee is not recalled from a layoff for a period equal to the employee's seniority or two (2) years whichever is less.

(f) Return from sick leave and leaves of absence will be treated the same as (c) above.

ARTICLE 16. SENIORITY OF OFFICERS AND STEWARDS.

The Chapter Chairperson and stewards shall head the seniority list of the Unit during their term of office solely for the purposes of layoff and recall and only if said Chapter Chairperson and stewards are full-time employees.

ARTICLE 17. LAYOFF.

(a) The word "layoff" means a reduction in the work force due to a decrease of work or lack of funding. In the event that a reduction in personnel occurs, the Employer agrees to lay off the least senior employee in the given department first and thereafter use the inverse order of seniority, provided that the remaining senior employees meet the minimum requirements and are capable of performing the required work with the necessary qualifications. An employee who is laid off may, within three (3) calendar days of notification of layoff, exercise his/her seniority by taking the job of a lesser senior employee in the bargaining unit who is working in a classification for which they have the necessary qualifications, etc. The bumped employee may thereupon be given immediate notice of layoff, the provisions concerning advance notice of layoff notwithstanding, and such bumped employee shall also have the right to elect to bump as above provided. Lateral or down bumping only will be allowed.

(b) Employees shall receive the wages for the classification into which they bump based on their years of continuous service with the Employer.

(c) In the event it becomes necessary for a layoff, the Employer shall inform the employee to be laid off with fourteen (14) calendar days advance notice, in writing, and shall provide a list

of the number of employees scheduled for layoff, their names, seniority, job titles and work locations, to the proper Union representatives.

(d) Employees of the bargaining unit shall be allowed to bump across department lines in the event of a layoff. However, any such bumping shall not displace the Chief Deputy Clerk, Chief Deputy Register of Deeds, Chief Deputy Treasurer, Assistant to the Prosecutor/Paralegal and the Assistant Zoning and Building Administrator.

(e) Any bumping that occurs as outlined in (a) through (d) above shall not result in the bumping of individuals at the Airport so that there are less than two certified full-time employees on the duty roster at any time. This would allow for a period of time to certify the individuals bumping in before any additional bumping could occur. Furthermore, in the case of multiple layoffs with several individuals being laid off meeting the minimum requirements and wishing to bump to the Airport, the most senior individual with more seniority than an individual at the Airport will bump first and be trained and certified before any additional bumping may occur. The additional individual and/or individuals meeting minimum requirements and seniority thresholds wishing to bump to the Airport but who are restricted by the above provisions shall be on layoff status until there are three certified full-time employees on the roster, one of whom is less senior than them. Upon meeting this requirement, they may bump that individual and start the process as stated above with the above restrictions applying.

ARTICLE 18. RECALL.

When an employee is recalled, said recall shall be according to Unit seniority, with the most senior employee on layoff being recalled first, subject to the terms and requirements of Article 17. Notice of recall shall be sent to the employee at his/her last known address by registered or certified mail and a copy shall be sent to the Chapter Chairperson. If the employee fails to return to work within fifteen (15) calendar days from the date of mailing of notice of recall, he/she shall be considered a "quit". In unusual circumstances, exceptions may be made by mutual agreement. Upon recall, an employee must be returned to his/her former classification.

However, notwithstanding any language to the contrary in the

preceding paragraph, upon recall from a layoff, the given vacancy shall be posted and filled as a new vacancy according to Article 20. Further, any individual applying for the vacancy must meet the requirements of Article 20 with regard to filling a vacancy.

ARTICLE 19. TRANSFERS.

(a) Transfer of Employees. If an employee transfers to a position under the Employer not included in the bargaining unit, and thereafter within six (6) weeks, transfers back to a position within the bargaining unit, he/she shall have accumulated seniority while working in the position to which he/she transferred. Employees transferring under the above circumstances shall retain all rights accrued for the purpose of any benefits provided in this Agreement.

(b) If and when operations or divisions or fractions thereof are transferred from one location to another for a period of more than thirty (30) calendar days, employees affected will be given the opportunity to transfer on the basis of seniority, desire and classifications.

ARTICLE 20. JOB POSTING AND BIDDING PROCEDURES.

(a) All vacancies and/or newly created positions within the bargaining unit shall be posted no later than seven (7) working days of the date the vacancy occurs. All vacancies or newly created positions within the bargaining unit shall be filled on the basis of seniority and qualifications. All vacancies will be posted for a period of seven (7) working days, setting forth the minimum requirements for the position in a conspicuous place on bulletin boards in each building, and such postings shall indicate whether or not testing will be required and the location of any such testing, if known. Employees interested shall apply, in writing, within the seven (7) working days' posting period. The Employer shall consider the applicant's experience, qualifications, work history including attendance, tardiness, discipline, and performance, and seniority in filling the vacancy, and, if these are equal, the qualified applicant with the greatest seniority shall be given the job. The Employer reserves the right to fill vacancies from outside sources, if there are no qualified applicants. The senior employee applying for the position who meets the minimum requirements shall be granted up to a ten (10) working day trial period to determine:

1. The employee's ability to perform the job.

2. The employee's desire to remain on the job.
3. Testing may be used to verify qualifications.

(b) The job shall be awarded or denied within seven (7) working days after the posting period. In the event the senior applicant is denied the job, reasons for denial shall be given in writing to the employee and his/her steward. In the event the senior applicant disagrees with the reasons for denial, it shall be a proper subject for the grievance procedure. The Employer shall furnish the Chapter Chairperson with a copy of each job posting at the same time the postings are posted on the bulletin boards, and at the end of the posting period, the Employer shall furnish the Chapter Chairperson with a copy of the list of names of those employees who applied for the job and thereafter notify the Union's Chapter Chairperson as to who was awarded the job.

(c) During the ten (10) working day trial period, the employee shall have the opportunity to revert back to his/her former classification, whether it is at the request of the employee or Employer. If the employee is unsatisfactory in the new position, notice and reasons shall be submitted to the employee and his/her steward, in writing. In the event the employee disagrees, it shall be a proper subject for the grievance procedure.

(d) During the trial period, employees will receive the rate of the job they are performing.

(e) Sections (a) through (d) above do not apply to the Airport regarding a trial period the employee meeting the minimum requirements will be awarded the job at the Airport and will not be allowed to return to his/her old position. He/she will be required to remain and perform satisfactorily until a new position opens up which he/she is qualified to apply for and if successful in the bidding process can then move to the new position.

ARTICLE 21. VETERANS (Reinstatement Of).

The re-employment rights of employees and probationary employees will be in accordance with all applicable laws and regulations.

ARTICLE 22. EDUCATIONAL LEAVE OF ABSENCE FOR VETERANS.

PROGRAM HIGHLIGHTS**

Fact Sheet No. ESA 95-24

THE FAMILY AND MEDICAL LEAVE ACT OF 1993

The U.S. Department of Labor's Employment Standards Administration, Wage and Hour Division, administers and enforces the Family and Medical Leave Act (FMLA) for all private, state and local government employees, and some federal employees. Most Federal and certain congressional employees are also covered by the law and are subject to the jurisdiction of the U.S. Office of Personnel Management or the Congress.

FMLA became effective on August 5, 1993, for most employers. If a collective bargaining agreement (CBA) was in effect on that date, FMLA became effective on the expiration date of the CBA or February 5, 1994, whichever was earlier.

FMLA entitles eligible employees to take up to 12 weeks of unpaid, job-protected leave in a 12-month period for specified family and medical reasons. The employer may elect to use the calendar year, a fixed 12-month leave or fiscal year, or a 12-month period prior to or after the commencement of leave as the 12-month period.

The law contains provisions on employer coverage; employee eligibility for the law's benefits; entitlement to leave, maintenance of health benefits during leave, and job restoration after leave; notice and certification of the need for FMLA leave; and, protection for employees who request or take FMLA leave. The law also requires employers to keep certain records.

EMPLOYER COVERAGE

FMLA applies to all:

-public agencies, including state, local and federal employers, local education agencies (schools), and

-private sector employers who employed 50 or more employees in 20 or more workweeks in the current or preceding calendar year and who are engaged in commerce or in any industry or activity affecting commerce—including joint

employers and successors of covered employers.

EMPLOYEE ELIGIBILITY

To be eligible for FMLA benefits, an employee must:

- (5) work for a covered employer;
- (6) have worked for the employer for a total of 12-months;
- (7) have worked at least 1,250 hours over the previous 12-months; and
- (8) Work at a location in the United States or in any territory or possession of the United States where at least 50 employees are employed by the employer within 75 miles.

LEAVE ENTITLEMENT

A covered employer must grant an eligible employee up to a total of 12 workweeks or unpaid leave during any 12-month period for one or more of the following reasons:

- for the birth and care of the newborn child of the employee;

-for placement with the employee of a son or daughter for adoption or foster care;

-to care for an immediate family member (spouse, child, parent) with a serious health condition; or

condition.

-to take medical leave when the employee is unable to work because of a serious health condition. Spouses employed by the same employer are jointly entitled to a combined total of 12 workweeks of family leave for the birth and care of the newborn child, for placement of a child for adoption or foster care, and to care for a parent who has a serious health condition.

Leave for birth and care, or placement for adoption or foster care must conclude within 12-months of the birth or placement.

Under some circumstances, employees may take FMLA leave intermittently - which means taking leave in blocks of time, or by reducing their normal weekly or daily work schedule.

-If FMLA leave is for birth and care or placement for adoption or foster care, use of intermittent leave is subject to the employer's approval.

-FMLA leave may be taken intermittently whenever medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work.

Also, subject to certain conditions, employees or employers may choose to use accrued paid leave (such as sick or vacation leave) to cover some or all of the FMLA leave.

The employer is responsible for designating if an employee's use of paid leave counts as FMLA leave based on information from the employee.

"Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves either:

-Any period of incapacity or treatment connected with inpatient care (i.e. an overnight stay) in a hospital, hospice, or residential medical-care facility, and any period of incapacity or subsequent treatment in connection with such inpatient care: or

-Continuing treatment by a health care provider which includes any period of incapacity (i.e. inability to work, attend school or perform other regular daily activities) due to:

A health condition (including treatment therefore or

recovery there from) lasting more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition that also includes:

-- Treatment two or more times by or under the supervision of a health care provider; or

-- One treatment by a health care provider with a continuing regimen of treatment; or

Pregnancy or prenatal care. A visit to the health care provider is not necessary for each absence; or

A chronic serious health condition which continues over an extended period of time, requires periodic visits to a health care provider, and may involve occasional episodes of incapacity (e.g. asthma, diabetes). A visit to a health care provider is not necessary for each absence; or

A permanent or long-term condition for which treatment may not be effective (e.g., Alzheimer's, a severe stroke, terminal cancer). Only supervision by a health care provider is required, rather than

active treatment; or

Any absences to receive multiple treatments for restorative surgery or for a condition which would likely result in a period of incapacity of more than three days if not treated (e.g., chemotherapy or radiation treatments for cancer).

Continued on next page

"Health care provider" means:

-nurse practitioners, nurse-midwives and clinical social workers authorized to practice, and performing within the scope of their practice, as defined under state law; or

- Christian Science practitioners listed with the First Church of Christ, Scientist in Boston, Massachusetts; or

- Any health care provider recognized by the employer or the employer's group health plan benefits manager.

MAINTENANCE OF HEALTH BENEFITS

A covered employer is required to maintain group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee had continued to work. If applicable, arrangements will need to be made for employees to

- Doctors of medicine or osteopathy authorized to practice medicine or surgery by the state in which the doctors practice; or

- Podiatrists, dentists, clinical psychologists, optometrists and chiropractors (limited to manual manipulation of the spine to correct a subluxation as demonstrated by X-ray to exist) authorized to practice, and performing within the scope of their practice, under state law; or

pay their share of health insurance premiums while on leave.

In some instances, the employer may recover premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave.

JOB RESTORATION

Upon return from FMLA leave, an employee must be restored to the employee's original job, or to an equivalent job with equivalent pay, benefits, and other terms and conditions of employment.

In addition, an employee's use of FMLA leave cannot result in the loss of any employment benefit that the employee earned or was entitled to before using FMLA leave, nor be counted against the employee under a "no fault" attendance policy.

Under specified and limited circumstances where restoration

to employment will cause substantial and grievous economic injury to its operations, an employer may refuse to reinstate certain highly-paid "key" employees after using FMLA leave during which health coverage was maintained. In order to do so, the employer must:

- Notify the employee of his/her status as a "key" employee in response to the employee's notice of intent to take FMLA leave;

- Notify the employee as soon as the employer decides it will deny job restoration, and explain the reasons for this decision;

- Offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and

- Make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

A "key" employee is a salaried "eligible" employee who is among the highest paid ten percent of employees within 75 miles of the work site.

NOTICE AND CERTIFICATION

Covered employers must post a notice approved by the Secretary of Labor explaining rights and responsibilities under FMLA. An employer that willfully violates this posting

Employees seeking to use FMLA leave are required to provide 30-day advance notice of the need to take FMLA leave when the need is foreseeable and such notice is practicable.

(Over)

Employers may also require employees to provide:

- Medical certification supporting the need for leave due to a serious health condition affecting the employee or an immediate family member;

- Second or third medical opinions (at the employer's expense) and periodic recertification; and

- Periodic reports during FMLA leave regarding the employee's status and intent to return to work.

When intermittent leave is needed to care for an immediate family member or the employee's own illness, and is for planned medical treatment, the employee must try to schedule treatment so as not to unduly disrupt the employer's operation.

requirement may be subject to a fine of up to \$100 for each separate offense.

Also, covered employers must inform employees of their rights

and responsibilities under FMLA, including giving specific written information on what is required of the employee and what might happen in certain circumstances, such as if the employee fails to return to work after FMLA leave.

UNLAWFUL ACTS

It is unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided by FMLA. It is also unlawful for an employer to discharge or discriminate against any individual for opposing any practice, or because of involvement in any proceeding, related to FMLA.

ENFORCEMENT

The Wage and Hour Division investigates complaints. If violations cannot be satisfactorily resolved, the U.S. Department of Labor may bring action in court to compel compliance. Individuals may also bring a private civil action against an employer for violations.

OTHER PROVISIONS

Special rules apply to employees of local education agencies. Generally, these rules provide for FMLA leave to be taken in blocks of time when intermittent leave is needed or the leave is required near the end of a school term.

Salaried executive, administrative, and

professional employees of covered employers who meet the Fair Labor Standards Act (FLSA) criteria for exemption from minimum wage and overtime under Regulations, 29 CFR Part 541, do not lose their FLSA-exempt status by using any unpaid FMLA leave. This special exception to the "salary basis" requirements for FLSA's exemption extends only to "eligible" employees' use of leave required by FMLA.

The FMLA does not affect any other federal or state law which prohibits discrimination, nor supersede any state or local law which provides greater family or medical leave protection. Nor does it affect an employer's obligation to provide greater leave rights under a collective bargaining agreement or employment benefit plan. The FMLA also encourages employers to provide more generous leave rights.

FURTHER INFORMATION

The final rule implementing FMLA is contained in the January 6, 1995, Federal Register. (An interim final rule was published in the Federal Register on June 4, 1993.) For more information, please contact the nearest office of the Wage and Hour Division, listed in most telephone directories under U.S. Government, Department of Labor, and Employment Standards Administration.

APPENDIX "G"

DRUG AND ALCOHOL POLICY

OBJECTIVE:

Ensure a Drug Free Workplace. The increased use of drugs and alcohol in our society and, in particular, the work place has become a national problem. The misuse of drugs and alcohol is a serious problem for employees, their families, and the general public, as the costs, dangers and adverse effects are well documented. Unfortunately, the County of Delta cannot escape this national problem, and a formal policy is needed to clarify the County of Delta's action in these cases. This formal policy maintains the County of Delta's position that misuse of drugs or alcohol is unacceptable.

POLICY:

A. Introduction: It is the County of Delta's belief that the misuse of drugs, alcohol or any substance having a physiological, psychological or biochemical effect impairs employee health, employee performance and creates unsafe working conditions. The County of Delta is committed to maintaining a productive, safe and healthy work environment free of unauthorized drugs and unauthorized alcohol use. In implementing this policy, the County of Delta will encourage educational programs and, in appropriate circumstances, initiate rehabilitation or disciplinary measures.

B. County of Delta's Drug and Alcohol Policy

Drug Policy: The possession, distribution or sale of non-prescribed, unauthorized drugs by County of Delta employees while on the County of Delta premises or while engaged in the County of Delta business is prohibited. Further, the conviction of any drug related offense and the use of any non-prescribed controlled substances are considered violations of this policy.

Alcohol: The consumption, use or possession of any alcoholic beverages on the County of Delta premises is prohibited, while engaged in County

of Delta Business. Further, reporting to work while under the influence of alcohol by any employee is prohibited. Any employee with a blood alcohol level of .04 or above shall be construed as being under the influence of alcohol.

DEFINITIONS:

Unauthorized Drugs: For the purposes of this Policy, the term "unauthorized drugs" shall mean any substance other than an authorized substance, which is, or has the effect on the human body of being a narcotic, depressant, stimulant, hallucinogen or cannabin, their precursors, derivatives or analogues, and includes, but is not limited to, those substances scheduled as controlled substances pursuant to the Federal Controlled Substances Act.

Authorized Substances: Substances having a physiological, psychological or biochemical effect which are lawfully prescribed or which are available without a prescription, which are lawfully obtained by an employee and which the employee possesses and uses in the appropriate manner, in the dosages and for the purposes for which the substances were prescribed or manufactured, are considered "authorized substances" for the purposes of this Policy.

County of Delta Premises: County of Delta premises includes, but is not limited to, County of Delta owned, rented, used or leased property; County of Delta work site locations, County of Delta owned, rented or leased vehicles, or employee owned vehicles if being used to transport County of Delta program participants or employees on department business.

MEDICATION/SUBSTANCE REPORTING:

It is the employee's responsibility to notify the County Administrator in writing when he/she is taking any prescription or nonprescription medicine or substance which may impair his/her mental faculties and physical abilities.

EMPLOYEE ASSISTANCE AND REHABILITATION:

Rehabilitation referral assistance shall be available for any employee who feels the need for assistance in dealing with any alcohol or drug problem.

Employees, who feel they need assistance with drug or alcohol problems, are encouraged to volunteer for rehabilitation assistance before the problem leads to a situation which could jeopardize their employment. Employees, who volunteer for such rehabilitation before they have performance problems or before the County of Delta is aware of a violation of its policies, will not be subject to discipline on the basis of their voluntary request for rehabilitation. Employees participating in an assistance and rehabilitation program for drug or alcohol treatment will be governed by the terms of Article 23(I) with respect to accumulated paid leave days or unpaid health leave during their absence.

CRIMINAL OFFENSES:

Any employee convicted of a drug related criminal offense must notify the Administrator immediately and in all cases within five (5) days.

VIOLATIONS OF THE POLICY:

Any violation of the County of Delta's Drug and Alcohol Policy, will subject the employee to discipline, up to and including discharge, for the first offense. The County of Delta's Administrator may also take any or all of the following actions:

1. The Administrator may refer the employee for substance abuse evaluation and may make compliance with any recommended rehabilitation program a condition of future employment.
2. The Administrator may require a health leave of absence immediately if medical conditions warrant the same. The employee will be governed by the terms of Article 23(I) with respect to

accumulated personal leave days, vacation, comp. time and sick leave when applicable, however, if the employee is required to take a health leave of absence.

3. The Administrator may reassign the employee until the problem(s) is corrected.

4. The Administrator may terminate the employment of the employee if the problem(s) is not corrected within one (1) year, or in the case of a non-prescribed unauthorized drug, the problem reoccurs after the initial incident.

5. The Administrator may take disciplinary actions in accordance with the County of Delta work rules and policies, including discharge.

6. Notwithstanding the foregoing, any employee distributing, selling or discovered in the act of using unauthorized drugs on the County of Delta premises or while engaged in the County of Delta business will be subject to immediate discharge in all cases.
