Section 3: Agreements reached between the parties to this Agreement shall become effective only when signed by the authorized representative.

Section 4: The Association, its officers, agents and members agree that during the duration of this Agreement there shall be no strikes, sit-downs, or any acts of any kind or form, whatsoever peaceable, that would interfere with the operation of this County. If any of these things take place, they shall be sufficient grounds for discharge.

ARTICLE 3 MANAGEMENT RIGHTS

The Employer, on its own behalf and on behalf of its electors, hereby retains and reserves unto itself, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States. Further, all rights which ordinarily vest in and are exercised by Employers except such as are specifically relinquished herein are reserved to and remain vested in the County, including, but without limiting the generality of the foregoing, the right:

- a. To determine the size of the work force and increase or decrease its size.

- d. To establish and change work schedules, work standards, and the methods, processes, and procedures by which such work is to be performed.
- e. To select employees for promotion or transfer to supervisory or other positions and to determine the qualifications and competency of employees to perform the available work.

- g. To schedule the workdays and the hours of work.

The County reserves the foregoing rights except such as are specifically relinquished or modified by the terms of this Agreement.

It is agreed that these enumerations of management prerogative shall not be deemed to exclude other prerogatives not enumerated, and except as specifically abridged, delegated, modified, or granted by this Agreement, all of the rights, powers and authority the County had prior to the signing of this Agreement are retained by the County and remain within the rights of the County, whether or not such rights have been exercised in the past.

ARTICLE 4 DEFINING PROBATIONARY EMPLOYEES AND REGULAR EMPLOYEES

Section 1: Seniority - Probationary Employees

- a. New employees promoted or hired into the unit shall be considered as probationary employees for the first six (6) months of their employment. The probationary period may be extended an additional six (6) months at the discretion of the Sheriff. When an employee finishes the probationary period, the employee's name shall be entered on the seniority list of the unit, and shall rank for seniority from the date of hire. There shall be no

Section 2: When recalls to active employment are made, those with the most seniority will be recalled first, so long as they are qualified to perform the functions required of those who are recalled.

ARTICLE 10 DISCIPLINE

An employee may be disciplined or discharged for just cause. Discipline shall be progressive where circumstances reasonably permit progressive discipline. Any dispute as to the existence of just cause for discipline or discharge, or the severity of the discipline warranted, shall be subject to the grievance procedure set out in this Agreement.

ARTICLE 11 RESIDENCY

Employees are permitted to live outside of Dickinson County provided that they live no more than twenty (20) miles beyond the Dickinson County border.

Section 2: No leave of absence shall be granted unless request is presented through the Sheriff and approved by the Board of Commissioners.

Section 3:

- a. Any employee who has been employed for six (6) months or more requiring a leave of absence shall make a written request of the Employer for such leave. No employee with less than six (6) months of seniority shall be eligible for a leave of absence. Any leave of absence granted shall be without pay and for a period of not more than ninety (90) days. However, a leave of absence without pay may be renewed.

- b. Any leave of absence granted hereunder shall be reduced to writing, and one (1) copy thereof shall be given to the employee, one (1) copy shall be given to the Association steward, one (1) copy shall be given to the Association, and one (1) copy shall be retained by the Employer.
- c. Upon the expiration of any leave of absence granted hereunder, such leave may be reconsidered for further extension by the Employer if so requested by the employee, and such extension, if granted, shall be reduced to writing and distributed in accordance with (b) above.

ARTICLE 16 OVERTIME CALL-INS

Section 1: When the Employer chooses to fill a shift, the Employer shall have the option of using either bargaining unit members or qualified personnel to fill the shift or provide the special events coverage. The determination of

qualifications of personnel shall be the sole responsibility of the Employer.

Section 2: The employer shall not use non-bargaining unit employees where such use results in a reduction of hours below forty (40) hours per week for any full-time bargaining unit employee, or where such use results in layoff or avoids recall of any bargaining unit employee.

Section 3: In the event a shift is filled by calling in full-time personnel, call-ins will first be made from within the classification being filled, i.e. open dispatch shifts will be offered first to dispatchers, corrections shifts to corrections officers, and road patrol shifts to certified deputies. An effort will be made to divide overtime equally among all bargaining unit members, and employees who refuse overtime shall be "charged" with the actual number of hours refused during the overtime period.

ARTICLE 17 WORKING HOURS

- a. Full-time deputies shall work a regular forty (40) hour week with schedule to be determined by the Sheriff.
- b. Overtime will be paid at time and one-half the regular hourly rate. An employee called in to work overtime shall be guaranteed two (2) hours of overtime if called in from home. If the employee is already on the work site in anticipation of a scheduled shift, no call-out pay shall be provided.
- c. Holidays for hourly employees of the Sheriff's Department shall be paid at straight time (8 hours) if not worked and an additional eight (8) hours at time and one-half will be granted if employee works on any of the designated holidays.

- e. For purpose of this Agreement, members of this bargaining unit shall be known as hourly employees.
- f. Sick Leave shall not be counted as "hours of work" for overtime computation purposes. i.e. employees must actually work forty (40) hours per week (or their normally scheduled work week) or take other approved leave time which together with actual hours of work totals forty (40) hours per week (or the number of hours in their normal work week) before receiving compensation or compensatory time at the rate of time and one-half.

ARTICLE 19 USE OF PRIVATE AUTOMOBILES

2. Vacation shall accrue as follows, to be taken at one (1) full day's minimum:

After 1 year:	5 working days
After 2 years:	10 working days
After 7 years:	15 working days
After 15 years:	20 working days
After 20 years:	One additional day after 20 years of service and one additional day per year of service thereafter subject to a maximum of 30 days.
3. Each employee's anniversary date for purposes of computing vacation shall be said employee's date of hire.
4. When a holiday for which the employee is eligible to receive holiday pay occurs during an employee's scheduled vacation, and the employee would otherwise be scheduled to work the holiday, the employee will receive holiday pay for such holiday but they will not be deemed to be on vacation on such holiday.
5. Provided, further, that upon termination of employment an employee shall be paid for earned vacation not taken, including vacation earned during the year in which employment is terminated, on a prorated basis.
6. It is agreed that only one (1) member of the bargaining unit at a time may schedule vacation. The vacation schedule shall be approved by the Sheriff and seniority shall be the determining factor in the case of conflicting vacation requests. More than one (1) person may be allowed vacation at the same time with the permission of the Sheriff providing that scheduling permits. Vacation requests shall have priority over requests for personal days or compensatory time regardless of seniority.

Section 2: Hospitalization

1. During the term of the agreement (1/01/08 - 12/31/11), the following shall be considered the Basic Health Plan:

Community Blue Option 1, W/CB-PCM \$500, CBD \$250/\$500, CBET \$50, CB-MH 50%, CB-OV \$10, \$10/40 Rx, Basic Dental and Vision Care Coverage. (This is the 2007 Community Blue Suffix 015 with the following changes: deductible is

increased to \$250/\$500 and the Rx is \$10/40).

The Employer's share of the 2008 annual premium cost for the Basic Health Plan for employees hired prior to 1/01/05 shall be:

Single	\$ 6,478.32
Two Person	\$14,576.64
Family	\$17,491.80

For each succeeding year of the contract, the Employer Share shall be the previous year Employer Share multiplied by 108%.

Employees hired on 01/01/05 or thereafter who choose the Basic Health Plan shall pay 15% of the premium cost of the Basic Health Plan by way of a payroll deduction.

Enhanced Dental Coverage shall be an available option with 100% of the additional cost of the options paid by the Employee through a payroll deduction.

The following option shall also be available to all employees, regardless of hire date:

Flexible Blue Plan 2 Medical Coverage with Rx, \$500 Preventive Care, Mammography Benefits, Basic Dental and Vision Care coverage and Chiropractic Coverage, \$1,250/\$2500 deductible.

Effective 1/01/08, the Employer Share shall be 100% of the premium cost and 80% of the deductible.

Effective 1/01/09, the Employer Share shall be 100% of the premium cost and 80% of the deductible.

Effective 1/01/10 and thereafter, the Employer Share shall be up to 108% of the previous year's Employer Share. In no instance shall the Employers share exceed the premium cost plus 80% of the deductible. The Employer Share shall first be applied to the premium cost with the remainder deposited on the first workday of each year, or as soon thereafter as can be processed, into the Employee's HSA account.

Subject to IRS rules and regulations, the Employee may opt to make an additional contribution to his/her HSA through a payroll deduction.

Employees hired during the term of this contract shall have the Employer Share of the HSA contribution prorated by date of hire.

The Employer will establish and maintain a Health Savings Account (HSA) for each employee choosing coverage under the Flexible Blue 2 Plan and will pay all costs associated with the establishment and maintenance of such accounts, subject to IRS rules and regulations.

The Employer's contribution to each HSA account will be deposited on the first work day of the new year or as soon thereafter as can be processed.. During the first year of this contract, it is understood that the establishment of such HSA's may take some time. The Employer will make every effort to expedite this process so that the deposit can be made in a timely manner.

At the time of this agreement, the provider of health insurance coverage is Blue Cross/Blue Shield of Michigan, but the Employer reserves the right to select another carrier provided benefits remain comparable to, or better than those currently provided.

2. Family Continuation Riders, where applicable, will continue to be available for employees whose anniversary dates are prior to 1/1/90, subject to the same provisions for cost sharing as previously stipulated for health care premiums. For employees hired on 1/1/90 or thereafter, Family Continuation Riders will be available at the employee's option provided that the employee pays the full cost of said Riders.
3. Employees electing not to be covered by the County's health insurance plan will be paid an annuity of \$150 per month through contributions to a deferred compensation plan. Employees choosing this option may elect to be enrolled in a Free Standing Benefit Program composed of Enhanced Dental, Vision and \$10/40 Co-Pay Drug Rider Coverage, with said program to be paid for by the Employer. An employee may choose to self-pay for a \$10/\$20 Rx rider under this option.
4. Upon retirement from Dickinson County, and if the employee qualifies for retirement benefits under MERS, the Employer shall continue to pay the same percentage of health insurance benefits for retirees as paid for the retiree at the time of retirement but only for employees hired prior to January 1, 1996. It is agreed that said coverage shall extend and be limited to the employee's current spouse and all eligible biological and adopted children of the employee and all eligible step children of the employee, if applicable, until such a time as the death of the employee at which time the employee's surviving spouse and/or sponsored dependents may elect to "self-pay" so as to continue coverage. The choice of the carrier is to be at the discretion of the Employer provided the benefits remain comparable to, or better than, those currently provided. The Employer will not pay for retiree health insurance coverage for employees hired after January 1, 1996 but such employee's may "self-pay" for continued coverage after the date of their retirement.
5. It is agreed that until the age when a retiree qualifies for and receives supplemental health insurance coverage paid by the Employer as specified in paragraph (4) of this Article that medical coverage shall be as defined in the retiree's health insurance suffix last adopted prior to the date of retirement without dental or vision coverage riders.
6. If in a given year, the cost of health insurance increases substantially, by mutual

agreement of both parties, the bargaining committee may revisit the health insurance coverage, and, upon, mutual written agreement between the Employer and the Union, modify the existing coverage as determined to be beneficial to offset the increased cost. This provision applies to health insurance coverage only.

Section 3: Life Insurance

Life Insurance coverage of \$10,000 shall be provided by the Employer at no cost to the employee until the time of retirement. Upon retirement, Employee may convert the group life insurance to an individual policy at the Employee's expense and according to the terms set by the insurance carrier. Additionally, regular part-time employees shall be permitted to "self-pay" life insurance premiums if the carrier permits.

Section 4: Sick Leave

1. All full-time employees shall be entitled to annual sick leave of twelve (12) days. In the event such sick leave shall not have been used during any one year, then the unused portion of said leave shall accumulate to a maximum of one hundred (100) days. This provision shall be retroactive with regard to accumulation and said accumulation is understood to have accrued for the unused portion of sick leave earned but not taken in each given past calendar year.
2. Beginning on January 1, 1982, upon termination of employment, 25% of sick days shall be paid up to an accumulation of one hundred (100) days.
3. Upon retirement, employee shall be entitled to one-half (½) of sick leave accumulated.
4. As an incentive to limit the use of sick leave, the Employer agrees to pay a bonus to employees who have accumulated the one hundred (100) days of maximum sick leave. The bonus would be granted in the form of payment for 25% of the sick leave days accrued in the calendar year beyond the (100) days allowed. The (100) day limitation would remain in effect for other sick leave payoff provisions. The bonus would be granted as soon as possible after January 1st of the year which follows and shall be based on the regular hourly rate of the employees during the year in which the sick leave subject to this payoff was accrued. It is understood that with the payment of the bonus, the sick leave accumulation reverts back to the (100) day limitation on January 1st. Alternately, any employee that has accrued 104 sick days may trade four (4) days in to receive one (1) vacation day and drop back down to 100 days and may do so three (3) times per year.
5. All employees on sick leave shall be required to inform the Sheriff/Department prior to their regularly scheduled shift, that they will

not be reporting for work and state the reason for not reporting.
Employees may be required to provide a doctors slip if absent for three (3) or more consecutive work days.

6. Anyone who shall take sick leave from his/her duties shall not engage in any other employment or recreational activity during the time the employee was scheduled to be on duty. Visits to a doctor, hospital or pharmacy for the purpose of obtaining medical advice or assistance is permitted.
7. Employees having doctor or dentist appointments may schedule same during working hours with the approval of their department head with time away from work to be deducted from sick leave.
8. Sick leave may be used for the serious illness of an employee's spouse or child which requires the employee's immediate presence and which clearly prevents attendance at work.
9. If a definite pattern of sick leave abuse can be established in conjunction with an employee's regular days off, vacation, compensatory time off or weekends, the Sheriff may require a doctor's slip for future similar infractions after first notifying the affected employee of his intentions to do so.
10. Employees may donate sick leave hours to a fellow employee suffering from an extended serious health condition under the following conditions and qualifications.

For the purposes of this policy an extended serious health condition shall mean a condition which involves continuing active treatment by a physician for a chronic or long-term health condition that is incurable or so serious that, if not treated, would most likely result in death.

The determination of eligibility for sick leave donation shall be made on a case by case basis by the County Board Chairman, Vice Chairman and Controller. This policy does not apply to maternity leave or other planned leaves or job-related injuries. Employees suffering from extended serious health conditions will be eligible for sick time donations only when they have exhausted all of their own paid leave time (including sick, personal, vacation and compensatory time).

A sick leave donation form supplied by the Employer must be signed by the donating employee and witnessed prior to any hours being transferred. The maximum donation per employee per calendar year is 40 hours and the total maximum gift to an employee is 375 hours per calendar year.

11. Sick leave shall not be counted as "hours of work" for overtime

computation purposes.

Section 5: Funeral Leave

When death occurs in an employee's immediate family, i.e. mother, father, mother-in-law, father-in-law, grandparents, step-parents, legal guardian, spouse, brother, sister, and children of the employee, the employee shall be granted up to three (3) days off to attend the funeral. Two additional days shall be granted to employees traveling beyond 250 miles to attend the funeral, without pay, if so requested. The employee excused from work under this paragraph shall, after making written application, receive the amount of wages he/she would have earned by working during straight time hours on such scheduled days of work for which excused. Time thus paid will not be counted as hours worked for purposes of computing overtime.

Section 6: Legal Holidays are as follows:

New Year's Day	Labor Day
Easter Sunday	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas Day

Section 7: Personal Days

Three (3) personal days of employee's choice (not holidays and to be authorized by the Sheriff) will be given as long as the functions of the department are not disrupted. Such days must be taken within the calendar year, to be taken at one full day minimum. Employees must successfully complete their probationary periods before being eligible to receive personal days. Personal days shall not be taken in less than full day increments. Scheduled/requested vacation shall take priority over requested personal leave regardless of seniority.

Section 8: Compensatory Time

Employees may accrue a maximum of four hundred and eighty (480) hours of compensatory time (representing 320 hours of overtime actually worked). Upon reaching such limit, the employee will receive cash for hours of overtime worked in excess of such maximum accrual. Compensatory time is to be authorized by the Sheriff and be given as long as the functions of the department are not disrupted. Within two (2) working days (M-F) if no response is given to a request to use compensatory time, the request will be deemed approved. Compensatory time shall be taken in increments of not less than one-half (1/2) hour. Scheduled/requested vacation shall take priority over requested compensatory time regardless of seniority.

Section 9: Retirement

- a. All eligible employees are required to participate in the Municipal Employee's Retirement System.
- b. The pension provisions now in effect (MERS Benefit B-4 with the E2, FAC3, F50 and RS-50 Riders) shall be continued. Employees shall contribute 2% of the cost of the benefit in 2005 and 2006 and 3% on 1/1/07 and each year thereafter plus 100% of the additional cost of going from the B-3 to the B-4 Benefit Plan. Members of the bargaining unit shall pay their contributions by way of a payroll deduction.
- c. Employer agrees to rebate to each member of this bargaining unit an annual sum of \$500 per year for each year of this contract. This payment will be added to a bi-weekly check issued in January of each year. The revised aggregate will then be treated as if the aggregate were a single wage payment for the regular payroll period. Employee may elect to have payments spread throughout the year .

In order to be a proper matter for the grievance procedure, the grievance must be presented within seven (7) working days of the employee's knowledge of its occurrence. The Employer will answer in writing any grievance presented to it in writing by the Association.

- a. If any employee feels aggrieved, the grievance shall be discussed with the Association President.
 - b. The Association President may discuss the grievance with the Sheriff, or in his absence, his designated representative.

- Step 2: If the answer at Step 1 is not satisfactory to the Association, it shall be presented in writing by the Association President to the County Controller within seven (7) working days after the Sheriff or, in his absence, his designated representative's response is due. The County Controller and the Association shall within fifteen (15) days arrange a meeting with the purpose of resolving the dispute or disputes.
- Step 3: If the answer at Step 2 is not satisfactory to the Association, it shall be presented in writing by the Association President to the Chairman of the Board of Commissioners within seven (7) working days. If the grievance is reinstated, the financial liability shall date only from the date of the reinstatement. If the grievance is not reinstated within thirty (30) working days from the date of withdrawal, the grievance shall not be reinstated. When one or more grievances involve a similar issue, those grievances may be withdrawn without prejudice pending the disposition of the appeal of the representation case. In such event, the withdrawal without prejudice will not affect financial liability.
- d. Any grievance not answered within the time limits by the Employer shall be deemed settled on the basis of the Association's original demand.
- e. Any grievance not appealed by the Association within the time limits shall be deemed settled on the basis of the Employer's last answer.
