AGREEMENT

This Agreement entered into on this date, between the Grand Traverse County Board of Commissioners, a municipal body corporate of the State of Michigan, (hereinafter referred to as the "EMPLOYER") and Teamsters State, County, and Municipal Workers Local 214, General Employees Bargaining Unit, (hereinafter referred to as the "UNION") expresses all mutually agreed upon covenants between the parties.

PREAMBLE

This Agreement has as its purpose the promotion of harmonious relations between the Employer and the Union, the establishment of rates of pay, hours of work and other specified conditions of that employment.

The parties subscribe to the principle of equal opportunities and shall share equally the responsibilities for applying the provisions of this Agreement without discrimination as to age, sex, marital status, race, creed, national origin, political or Union affiliation.

The Employer and the Union encourage to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.

It is the general purpose of this agreement to promote the mutual interest of the Employer and its employees and to provide for the operation of the services provided by the Employer under methods which will further, to the fullest extent possible, the safety of the employees, economy and efficiency of operation, elimination of waste, realization of maximum quantity and quality of output, cleanliness, protection of property and avoidance of interruptions to production. The parties to this Agreement will cooperate fully to secure the advancement and achievements of these purposes.

ARTICLE I RECOGNITION

Section 1.1 Collective Bargaining Unit - The Employer hereby agrees to recognize Teamsters State, County, and Municipal Workers Local 214 as the exclusive bargaining representative, as defined in Act No. 379, State of Michigan, Public Acts of 1965, as amended, for all employees employed by the Employer in the following described unit for the purposes of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment:

All regular full time and regular part time employees of Grand Traverse County excluding elected officials, department heads, supervisory employees, court employees, Assistant Prosecuting Attorneys, Secretary to the Prosecuting Attorney, Secretary to the County Administrator, Secretary to the Board of Commissioners, Sheriff Employees, Medical Examiners, Twin Lakes Camp Employees, Cooperative Extension Employees, up to two (2) employees assigned as Personnel Specialist, temporary employees as defined in the contract and other confidential employees as determined by the Michigan Employment Relations Commission

Section 1.2 Definitions The terms "employee" and "employees" when used in the Agreement shall refer to and include only those regular full-time employees and regular part-time employees who are employed by the Employer in the collective bargaining unit set forth in Section 1.1. For purposes of this Agreement the following definitions are applicable:

- A. Regular Full-Time Employee A regular full-time employee is an employee who is working the official workweek on a regular schedule.
- B. Regular Part-Time Employee A regular part-time employee is an employee who is working less than the full-time requirements required of that position. Regular part-time employees are defined as working a minimum of 18.75 hours per week for those departments working a 37 1/2-hour work week on a regular basis, or a minimum of 20 hours per week for those departments working a 40-hour work week.
- C. Temporary Employee A temporary employee is an employee hired for a specific job of not more than one hundred and eighty (180) calendar days in duration.
- D. Irregular Part Time Employees (Civic Center Pool only): An irregular part time employee shall be an employee who works when needed to cover absences of bargaining unit employees or to supplement bargaining unit employees. Irregular part time employees shall not work on a non-scheduled basis for the purpose of avoiding the payment of overtime to bargaining unit employees. The Employer shall not use irregular part time employees to replace regular employees in excess of six (6) months except by mutual written agreement between the Employer and the Union. Irregular part time employees shall not be covered by the terms of this Agreement.

Section 1.3 Temporary Employees

- A. The Employer may hire temporary employees and these employees will not be covered by the terms of the contract, however, they shall not be used in such manner as to replace, displace or reduce the non-overtime hours of bargaining unit employees, nor in such manner as to have temporary employees performing work regularly and normally performed by bargaining unit employees, on a continuing basis.

- B. If a temporary employee is retained beyond the one hundred and eighty (180) calendar day period they shall have attained seniority, unless the one hundred and eighty (180) calendar days is extended by mutual agreement of the Employer and the Union.

ARTICLE II MANAGEMENT RIGHTS

Section 2.1 Employer's Rights The Employer retains the sole right to manage its affairs, including but not limited to, the right to plan, direct, and control its operation; to determine the location of its facilities; to decide the working hours; to decide the types of services it shall provide, including the scheduling and means of providing such services, to study and/or introduce new or improved methods or facilities; to maintain order and efficiency in its departments and operations; to promulgate work rules unilaterally or in conjunction with consent of the Union; to hire, discipline and discharge for just cause, lay off, assign, transfer and promote employees; and to determine the starting and quitting time, work schedules and the number of hours to be worked; the number and complexion of the work force, and to determine the qualifications of its employees and standards of workmanship, and all other rights and prerogatives including those exercised unilaterally in the past, subject only to clear and express restrictions governing the exercise of these rights as are expressly provided for in this Agreement.

Section 2.2 Right to Discipline The Employer retains the sole right to discipline and discharge employees for just cause, provided that in the exercise of this right it will not act in violation of the terms of this Agreement.

Section 2.3 Right to Subcontract The Employer shall have the right to apportion work by subcontract in order that work may be carried out in the most efficient manner for the benefit of the public when its own working force is not adequate in numbers, skill, or cost competitiveness to perform the work promptly and satisfactorily and agrees to notify the Union thirty (30) days in advance, in writing, of the intent to subcontract.

Section 2.4 Work Rules

- A. The Employer shall have the right to establish reasonable work rules, policies and procedures that are not inconsistent with the terms of this agreement.
- B. When existing rules are changed or new rules are established, the Employer shall provide said rules to each of the Stewards and the Union business agent five (5) working days before becoming effective. If during this time the Union presents an objection, pursuant to (A) above, the parties agree to discuss the issue(s) prior to implementation/enforcement.
- C. Employees shall comply with all existing reasonable rules and newly established reasonable rules that are not in conflict with the terms of the contract, provided the rules are uniformly applied and enforced. Any complaint as to the reasonableness

or application of any existing or new rules shall be instituted at step 2 of the grievance procedure.

Section 2.5 Drug & Alcohol Free Workplace

The County's Drug Free Workplace Policy in effect on date of ratification, applies to bargaining unit employees. Employees violating this policy will be subject to disciplinary action, up to and including termination. Changes to this section of the policy and the impact to the bargaining unit are subject to negotiation.

ARTICLE III UNION SECURITY

Section 3.1 Agency Shop As a condition of continued employment all employees included in the Collective Bargaining unit set forth herein, thirty-one (31) calendar days after the start of their employment in this bargaining unit shall either become members of the Union and pay to the Union the dues and initiation fees uniformly required of all Union members, or pay to the union a service fee equal to the cost of negotiating and administering this agreement, which shall not exceed the amount of the Union dues.

Section 3.2 Union Membership Membership in the Union is not compulsory and is a matter separate, distinct and apart from an employee's obligation to share equally the cost of administering and negotiating this Agreement. All employees have the right to join, not join, maintain or drop their membership in the Union as they see fit. The Union recognizes, however, that it is required under this Agreement to represent all employees included within the collective bargaining unit without regard to whether the employee is a member of the Union.

Section 3.3 Checkoff

- A. During the life of this Agreement, the Employer agrees to deduct Union membership dues and initiation fees or the service fee from each employee's pay, provided the employee has filed with the Employer a proper checkoff authorization form as supplied by the Union.
- B. Dues and initiation fees will be authorized, levied and certified by the Secretary-Treasurer in accordance with the Constitution and by-laws of the Union. Each employee hereby authorizes the Union and the Employer, without recourse, to rely upon and to honor certificates, furnished by the Secretary-Treasurer of the local Union, regarding the amounts to be deducted and the legality of the deducting such Union dues, service fees, and/or initiation fees. The Employer agrees to provide this checkoff service without charge to the employees or the Union.
- C. Upon receiving a properly executed checkoff authorization form, the Employer shall deduct dues, initiation, or service fees, as applicable, from that employee's pay. The Employer shall return all checkoff authorization forms to the Union that have not been properly signed by the employee. Should an employee, for any reason, fail to sign a dues or service fee checkoff authorization form, the Union may, at its

sole discretion, request that all dues or service fees owed under the Agreement be deducted by the Employer pursuant to Law and without a properly signed authorization.

- D. Deduction of dues, initiation or service fees for any calendar month, shall be made from the first pay period of that month, provided the employee has sufficient net earnings to cover the dues and/or initiation fees. Any change in the amount of deduction for an individual must be submitted in writing to the Human Resources Department by the Union. Deductions for any calendar month shall be remitted to the designated Secretary-Treasurer of the Local Union not later than the fifteenth (15th) day of each month.
- E. In cases where a deduction is made which duplicates a payment already made to the Union by an employee, or where a deduction does not conform with the Union's constitution or by-laws, refunds owed to employees shall be made by the Union.
- F. The Union shall notify the Employer in writing of the proper amount of dues, initiation and service fees and any subsequent changes in such amounts.
- G. The Employer's liability under the terms of this Article shall be limited to the deduction of dues, initiation or service fees and remittance of those deductions to the Union. The Union agrees to hold the Employer harmless for any and all claims arising out of its agreement to deduct dues, initiation or service fees.

ARTICLE IV BARGAINING UNIT WORK

Section 4.1 Supervisors Performing Bargaining Unit Work Supervisors shall be permitted to perform bargaining unit work in the following instances.

1. In emergency or where regular employees are not available.
2. To instruct or train employees.
3. To do experimental work on a new job.
4. To fill personnel shortages caused by scheduled employees not reporting to work.
5. In all other cases where unit employees are not displaced, and where the supervisor does not perform the work on a regular or extended basis.

Section 4.2 Union Meetings The Stewards will be allowed two (2) hours per month time off to attend union meetings provided the employees affected are working the night shift. The Employer and the Union will share equally any wages lost by the Stewards who attend said meetings.

ARTICLE V REPRESENTATION

Section 5.1 Stewards The Employer agrees to recognize one (1) Chief Steward and four (4) Job Stewards whose duties shall be limited to the administration of this Agreement including the investigation and processing of grievances. Not more than one (1) Job Steward shall be involved in each situation.

Section 5.2 Super Seniority for Stewards For purposes of layoff and recall only, the Chief Steward shall have super-seniority provided the Chief Steward has the qualifications to perform the required work.

Section 5.3 Union Furnish Names The Union shall furnish the Employer with the names of its authorized representatives and stewards and of all changes in such representation that may occur from time to time.

Section 5.4 Numbers for Negotiations The Employer agrees that up to five (5) employees from the bargaining unit shall be authorized to meet and confer with the Employer during contract negotiations. However, only four (4) of those employees who participate in negotiations shall not suffer a loss in pay for time spent meeting and conferring with the Employer during negotiations. The additional employee may take time without pay, or use accumulated vacation or personal leave for time spent in negotiations.

ARTICLE VI CONFERENCES

Section 6.1 Special Conferences Special conferences for important matters of mutual concern not being processed as a grievance under this Agreement will be arranged between the Employer, Stewards, and any outside parties mutually agreed upon. Arrangements for such conferences shall be made in advance and shall be limited to the agenda presented when such arrangements are made. It is expressly understood that these special conferences shall not be for the purpose of conducting collective negotiations, nor to, in any way, modify, add to, or detract from the provisions of this Agreement unless by mutual agreement.

ARTICLE VII GRIEVANCES

Section 7.1 Grievances A grievance under this Agreement is a written dispute, claim or complaint arising under and during the term of this Agreement and filed by either an authorized representative of, or an employee in, the bargaining unit. Grievances are limited to matters of interpretation or application of express provisions of this Agreement.

All grievances must be filed within five (5) working days after occurrence of the circumstances giving rise to the grievance or five (5) days from when the grievant should

reasonably have known of the occurrence, otherwise the right to file a grievance is forfeited and no grievance shall be deemed to exist.

- Step 1: Any Employee having a complaint or grievance shall first discuss the matter orally with the employee's supervisor or the supervisor's designee. The supervisor or designee shall answer the complaint or grievance within one (1) working day.
- Step 2: If the matter is not resolved in Step 1, the grievance shall be reduced to writing on the regular grievance form provided by the Union, signed by the grievant(s) and presented to the employee's department head within five (5) working days of the Step 1 answer. The department head or his/her designee shall answer the written grievance in writing within five (5) working days of its receipt.
- Step 3: If the matter is not resolved in Step 2, the Union shall, within five (5) working days of the Department Head's (or his/her designee's) answer in Step 2, contact the Human Resources Director who will then arrange a meeting on the grievance. This meeting shall be scheduled within five (5) working days of the request unless an extension of time is mutually agreed to by the parties. Step 3 grievances will be heard by the County Administrator. If the parties are unable to resolve the grievance at this step, the matter may be submitted to Arbitration as provided for elsewhere in this Agreement.

Section 7.2 Final and Binding Any and all grievances resolved at any step of the grievance procedure as contained in this Agreement shall be final and binding on the Employer, the Union, and any and all unit employees involved in the particular grievance subject to the provisions of Article VIII.

Section 7.3 Time Limits The time limits established in the grievance procedure shall be followed by the parties. If the time limits procedure is not followed by the Union the grievance shall be considered settled in accordance with the Employer's last disposition. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, but excluding arbitration unless requested by the Union. The time limits established in the grievance procedure may be extended by mutual agreement, provided it is reduced to writing and the period of extension is specified.

Section 7.4 Period of Back Wages The Employer shall not be required to pay back wages for periods prior to the time the incident occurred provided that in the case of a pay shortage, of which the employee had not been aware before receiving their pay, any adjustments made shall be retroactive to the beginning of that pay period providing the employee files their grievance within five (5) working days after receipt of such pay.

Section 7.5 Notification of Disciplinary Discharge or Suspension When an employee is given a disciplinary discharge or suspension, the Union will be promptly notified in writing of the action taken. Such disciplinary action shall be deemed final and automatically closed unless a written grievance is filed within five (5) working days from the time of

presentation of the notice to the Union. Grievances regarding discharge shall commence at step two (2) of the grievance procedure.

Section 7.6 Calculation of Back Wages All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned less any unemployment compensation or compensation that he/she may have received from any source during the period in question except outside income which was normally earned.

Section 7.7 Reasonable Time for Grievance Meetings The Employer will grant a necessary and reasonable amount of time during straight time working hours to the Stewards who must necessarily be present for direct participation in grievance adjustments with management. Such unit chairpersons or Stewards shall first receive permission from their department head or designated representative to leave their work station and shall report back promptly when their part in the grievance adjustment has been completed. Any employee who takes an unreasonable or unnecessary amount of time in grievance procedure adjustments shall be subject, after a written warning, to disciplinary action.

Section 7.8 Definition of Time Procedures Saturdays, Sundays and holidays shall not be counted under the time procedures established in the grievance procedure.

Section 7.9 Strikes and Walkouts It is the intent of the parties to this Agreement that the grievance procedure herein shall serve as a means for the peaceable settlement of all disputes that may arise between them concerning the terms of this Agreement. Recognizing this fact, the Union agrees that during the life of this Agreement, neither the Union, its agents, nor its members will authorize, instigate, aid or engage in work stoppage, slow-down or strike against the Employer. The Employer agrees that during the same period there will be no lockout. Any individual employee or group of employees who violates or disregards the prohibition of this section may be summarily discharged by the Employer without liability on the part of the County Board of Commissioners or Union.

Section 7.10 Election of Remedies Once an employee elects to pursue through Federal or State Statute or Local Ordinance, the employee shall not have similar resort to the grievance procedure unless the grievance procedure or arbitration procedure would extend beyond any statute of limitations pertaining to the issue.

ARTICLE VIII ARBITRATION

Section 8.1 Time Limit for Requesting Arbitration If the grievance is not settled at Step 3 of the grievance procedure, either party to this agreement may submit such grievance to arbitration by filing for such arbitration in writing within sixty (60) calendar days after receipt of the Step 3 Answer, with written notice to the other party. If timely request for arbitration is filed by either party, the parties to this agreement shall promptly select by mutual agreement, one (1) arbitrator who shall decide the matter. If the parties are unable to agree upon an arbitrator, the arbitrator shall be selected by each party alternately striking a name from a panel of seven (7) Michigan arbitrators submitted by the Federal Mediation

and Conciliation Service. The Union shall exercise the first strike from the list of arbitrators. The remaining name shall serve as the arbitrator.

Grievances involving criminal charges will automatically have the time limits waived pending the legal decision for purposes of scheduling the Arbitration, provided such time limit does not exceed six (6) months from the date the grievance was filed.

Section 8.2 Arbitration Expenses The expenses and fees of the arbitrator shall be shared equally by both parties; however, if either party cancels the arbitration, that party shall be responsible for the cancellation fees as charged by the arbitrator. The grievant, or a representative of the grievant, and the steward shall be allowed to attend the arbitration without loss of pay. In the case of a class action grievance the steward shall be recognized as the grievant. Each party shall make arrangements for and pay the expenses of witnesses which are called by them.

Section 8.3 Power of the Arbitrator The Arbitrator shall have no power or authority to alter, amend, add to or subtract from the express terms of this Agreement, or make any recommendation with respect thereto.

Section 8.4 Appeal The Arbitrator's decision shall be final and binding on the Union, on all bargaining unit employees and on the Employer, and there shall be no appeal except in the limited circumstances provided by law.

ARTICLE IX DISCIPLINE AND DISCHARGE

Section 9.1 Just Cause The Employer shall not discharge, demote, suspend, or otherwise discipline any employee except for just cause. It is agreed that progressive discipline shall be used for all minor offenses and the employee shall first receive an oral warning and a written warning prior to more severe discipline being imposed. The Union acknowledges that the Employer shall not be required to give an oral or a written warning first in cases of major offenses. Discharge must include written notice to the employee and the Steward citing specific charges against the employee.

Section 9.2 Immediate Review of Discharge or Suspension The discharged or suspended employee will be permitted to review his discharge or suspension with his Steward on or outside the Employer's premises upon such discharge or suspension. Upon request, the Employer or his designated representative may discuss the discharge or suspension with the employee and the Steward.

Section 9.3 Removal of Disciplinary Documents from File An employee who maintains an offense-free record for a period of one (1) year upon written request shall have all prior offenses separated from his/her record for purposes of subsequent disciplinary action and not to be used for purposes of subsequent disciplinary action or promotional opportunities under the collective bargaining agreement. The Employer reserves the right to utilize the

documentation for other legitimate reasons and in cases of a chronic history or major infraction.

Section 9.4 Step for Expedited Grievance Should a non-probationary employee who has been discharged consider such discipline to be improper, a grievance may be processed at step two (2) of the grievance procedure, provided the grievance is submitted within five (5) working days from the date discipline was imposed on the grieving employee.

ARTICLE X LAYOFF AND RECALL

Section 10.1 Layoff Order and Notice

- A. The word "layoff" means a reduction in the work force. Provided the remaining employees have the ability to perform the work required, layoff of employees within a department shall be by classification in inverse union bargaining unit seniority in the following order:
1. Temporary employees.
 2. Volunteer senior employees.
 3. Probationary employees.
 4. Regular Part-Time employees.
 5. Regular Full-Time Employees.
- B. Upon being laid off from their department an employee who so requests shall, in lieu of layoff, be permitted to take a position in or below their grade within the bargaining unit, provided the following:
1. They have more seniority than the employee they are to replace.
 2. If the position chosen is held by multiple employees in a department, the least senior employee shall be replaced. Employees who change classification in lieu of layoff shall be paid the salary in accordance with the classification in which they are placed and their years of service.
 3. The employee must be able to perform the required duties of the position. The employee shall be given a sixty (60) working day trial in which to learn the required duties of the position. The employer shall give the employee reasonable assistance to enable them to learn the new job. The time may be extended by mutual agreement between the Employer and the Union. Employees who change classification in lieu of layoff shall be paid the salary in accordance with the classification in which they are placed and their years of service.
 4. The employer shall give the employee reasonable assistance to enable him/her to perform on the new job.

5. When an employee bumps, he/she must accept all hours of the position being bumped into.
- C. In implementing the above mentioned displacement (bumping) procedures, it is understood that any affected employee shall be deemed "eligible for a position" if the employee can meet the following requirements:
1. Minimum qualifications as defined in the job descriptions.
 2. Any licensing, certification, or registration requirements for the position in question in a mutually agreed upon time frame unless such licensing, certification, or registration is a minimum qualification under C. 1.
 3. Other reimbursability requirements by third-party payers such as Federal or State grant providers.
- D. Employees to be laid off for an indefinite period of time will have at least ten (10) working days notice of layoff except in unavoidable emergency situations. The Chief Steward or Steward shall receive a list from the Employer of the employees being laid off on or before the date the notices are issued to the employees.
- E. Employees eligible for and choosing to bump in lieu of layoff shall have a maximum of four (4) working days to notify Human Resources of their decision and the position to which they are qualified to bump. It is the employees' responsibility to confirm that they meet the minimum qualifications for the position as defined in Section 10.1 prior to the deadline. Employees not following the above defined process will not be eligible for bumping rights after the four (4) day period and will be laid off.

Section 10.2 Temporary Reduction In the event of a temporary reduction of the work force which shall not exceed four (4) weeks, at any one time, it may be mutually agreed that the work week may be reduced to not less than thirty (30) hours per week before any employees are laid off.

Section 10.3 Recall A laid off seniority employee, if recalled to a job within one pay grade to the job from which he/she was laid off, shall be required to take the recall. Failure to take such offered work shall result in loss of seniority and discharge.

Section 10.4 Order and Notice of Recall

- A. The order of recalling of laid off employees shall be in the inverse order in which the employees were laid off.
- B. Volunteer seniority employees shall have the right to waive recall at this time. If they choose to waive their recall option their name will be moved to the bottom of the recall list. At such time as there are no additional names on the recall list, the volunteer seniority employee shall be required to take the recall. Failure to take such offered work shall result in loss of seniority and discharge.

- C. Notices of recall shall be sent by certified or registered mail to the employee's last known address as shown on the Employer's records and it shall be the obligation of the employee to provide the Employer with a current address and telephone number or additional information to guarantee receipt of notice of recall. A recalled employee shall give notice of his/her intent to return to work within three (3) consecutive calendar days of receipt of notice and shall then return within ten (10) calendar days of the employer's mailing of notification or recall or their employment shall be terminated, unless an extension is granted by the Employer.
- D. In the event a recall is necessary on less than three (3) days notice, the Employer may call upon the laid off employee(s), either personally or by telephone, until an employee who is able to return to work immediately is located. In such case, the employee able to return to work immediately will be given a temporary assignment not to exceed ten (10) working days, and the employee passed over (because of their inability to return to work immediately) will be given notice to report for work within the said ten (10) day period.

Section 10.5 Payout of Sick Leave Bank on Layoff Employees who are grandfathered under the Sick Leave Plan will be paid fifty (50%) percent of any unused sick leave bank after being on layoff status for one (1) year.

ARTICLE XI SENIORITY

Section 11.1 Seniority Definition Seniority shall be defined as the length of the employee's service within the bargaining unit, prorated for regular part time employees, during their current period of employment with the Employer, reduced for unpaid leaves of absence (excluding FMLA & STD) and layoffs of thirty (30) days or longer. Employees who are employed on the same date in the bargaining unit shall be placed on the seniority list by draw. For purposes of vacation and longevity, the length of service shall be determined by the employee's last date of hire with the Employer.

- A. All regular full and regular part-time employees shall serve a probationary period of six (6) months, uninterrupted by any type of service break of seven (7) days or more, during which time they will be termed "Probationary Employees." In the event of a break of service as defined above, the time of the break will be added to the probationary period.
- B. The Union shall represent probationary employees for the purpose of collective bargaining; however, probationary employees may be terminated at any time by the Employer in its sole discretion. Neither the employee so terminated nor the Union shall have recourse to the grievance procedure over such termination.
- C. During the probationary period an employee shall be eligible for employee benefits as expressly provided in this Agreement consistent with plan documents. After an

employee has successfully completed his probationary period of employment, he/she shall become a regular full-time or regular part-time employee. His/her seniority shall start as of his/her last date of hire as a regular employee into this bargaining unit unless as specified otherwise in the contract.

Section 11.2 Seniority List The Seniority List on the date of this Agreement shall show the names and classifications of all employees in the bargaining unit. The employer will keep the seniority list up-to-date and will furnish the Union an up-to-date list on a monthly basis.

Section 11.3 Seniority of Chief Steward Seniority with reference to the Chief Steward shall be in accordance with Section 5.2.

Section 11.4 Loss of Seniority An employee's seniority with the Employer shall terminate for the following reasons:

- A. The employee quits or retires.
- B. The employee is discharged or terminated and the action is not reversed through the grievance procedure.
- C. The employee is absent for three (3) working days without properly notifying the Employer. Supplying a satisfactory reason for such absence will be justification for reinstatement of full seniority. This section is not to be construed as limiting the right to issue discipline for any unjustified absence. Exceptions may be made due to circumstances beyond the control of the employee.
- D. The employee fails to return to work when recalled or at the specified date at the termination of any leave of absence, unless otherwise excused.
- E. The employee is on a layoff for more than twelve (12) months, or on Workers' Compensation leave for more than twenty-four (24) months, or unless otherwise required by statute.

Section 11.5 Separation from Employment Employees resigning from County employment shall submit said resignation in writing to their department head, with a copy to the Human Resources Department at the same time, stating the effective date and the reasons for leaving, at least ten (10) working days prior to the effective date. In the case of retirement, employees should notify their department head and Human Resources in writing thirty (30) calendar days prior to the effective date. Failure to comply may be cause for denying the person future employment with the Employer, or, in the case of retirement, delay the start of retirement benefits.

ARTICLE XII HOURS OF WORK, PREMIUM PAY, SHIFT PREFERENCE

Section 12.1 Hours of Work The regular schedule of an employee's work week shall consist of seven and one-half (7 1/2) hours per day and thirty-seven and one-half (37 1/2) hours per week, Monday through Friday. Seven (7) day operations are referenced in Section 12.6.

The Employer shall designate the starting and stopping times of each shift; the lunch and rest periods for each shift; and may stagger such times as between various departments and as between groups of employees or individuals within a department.

Any proposed changes from present practice will be reported to and discussed with the Union, and may be subject to negotiations, at least five (5) working days before such changes are made.

Employees may make a request for flexible working hours or job sharing to their supervisor or department head. Such scheduling shall require the department head's approval and must be in keeping with good customer service and the smooth operation of the department.

Section 12.2 Lunch Breaks Employees shall be granted a minimum one-half (1/2) to a maximum one (1) hour non-paid lunch period exclusive of the scheduled full time working hours. - C. All overtime work to which overtime pay is applicable shall be distributed as equally as possible among all employees within the department within a reasonable period of time and within the classification affected, provided the employee is capable of performing the work.
- D. The employees of the bargaining unit will be paid a minimum of two (2) hours at time and one-half (1 1/2) for call-in time.
- E. When an overtime assignment other than scheduled overtime occurs, the qualified employee with the lowest number of overtime hours worked on the overtime distribution sheet in the classification and department needed shall be offered the overtime. If the employee refuses, s/he will be charged with those hours as if worked for purposes of overtime hour calculation. This procedure shall be repeated within the classification and department until each employee on the overtime distribution sheet has been offered the overtime. If none of the above employees accept the overtime, the Employer shall then have the right to offer the overtime to an on-call employee, or to direct the employee with the lowest number of overtime hours actually worked to report to work.
- F. Compensatory time may be awarded in lieu of overtime payment by mutual agreement between the employee and the department head and shall be granted at one and one-half (1 1/2) times the number of overtime hours worked, up to a maximum accumulation of forty (40) hours. When an employee elects to have overtime recorded as compensatory time, it may be used as needed by the employee and as approved by the department head.

Section 12.5 Shift Premium A shift premium of thirty cents (30 ¢) per hour worked shall be paid to all employees working on the second shift, and thirty-five cents (35 ¢) shall be paid to employees working on the third shift. Day shift employees who are scheduled to work beyond their regular scheduled working hours shall not receive shift premium. Second and third shift employees who work beyond their regular scheduled hours shall continue to receive their respective shift premium.

Section 12.6 Shifts for Seven Day Operations

- A. Shifts for the employees working in seven (7) day operations shall be five (5) consecutive days, including not more than one (1) day regularly scheduled on a Saturday or Sunday. Starting time for these employees may be one-half (1/2) hour prior to the opening of a facility.
- B. Shift premium will be thirty cents (30 ¢) per hour for employees whose schedule entails fifty percent (50%) or more of their time to be worked after 4:00 p.m., and thirty-five cents (35 ¢) per hour for those whose shift requires fifty percent (50%) or more of their time after 10:00 p.m. The Shift premium for Facilities Management

- D. For purposes of the distribution of overtime, the Employer need not call from the overtime list if the overtime involves hours adjacent to an employee's regular shift, if the time period is less than two (2) hours for that current job assignment.

Section 12.7 Weather/Safety Closings In the event the Employer determines that any of the County Offices will not open due to weather or safety conditions, the Employer shall endeavor to give notice of the closure to the media on or before 6:30 a.m. Under such circumstances, employees may use any accumulated leave time or be permitted to make up the time within one (1) month provided that the make up time does not cause the hours worked to cause an overtime basis without pre-approval.

In the event the Employer determines any of the County Offices are to be closed early during work hours due to weather or safety conditions, employees who work at such closed office shall suffer no loss of time or pay.

If the employer closes any of its facilities for part or all of any employee's regularly scheduled work day, the employer may assign other work to the affected employees during the time of such closure. If the employee doesn't take the assignment, the employee may use any accumulated leave bank or be permitted to make up the time within one month provided that the make up time does not cause the hours worked to cause an overtime basis without pre-approval.

Section 12.8 Pay Periods The employer shall provide for bi-weekly pay periods. Each employee shall be provided with an itemized statement of his earnings and of all deductions made for any purpose. Pay day will be every other Friday. Should a pay day fall on a declared holiday, pay checks or statements will be distributed by the close of the working day preceding the holiday.

ARTICLE XVII INSURANCE AND PENSION

Section 17.1 Health Insurance During the term of this Agreement the Employer agrees to provide health coverage for all regular full time employees, including those on paid leave, and their families as detailed in Appendix C. The HMO (Health Maintenance Organization) plan, as detailed in Appendix C, will remain as the County's base plan. If the employee chooses any optional plan, the increased premium cost associated with that plan will be the responsibility of the employee. Regular part time employees who elect to do so may be covered, with the County covering the pro-rated amount based on the number of hours the employee is regularly scheduled to work, and the employee reimbursing the County through payroll deduction for the remainder. The Employer's obligation to pay the premium is subject to all of the other provisions of this Article concerning employee payments, co-payments and contributions. Coverage becomes effective the first of the month following thirty (30) calendar days of employment.

Effective January 1, 2011, all employees covered under the health insurance will participate in a premium cost share as outlined below:

Effective January 1, 2011

- **4% premium cost share** (of the HMO base plan) if the employee participates in the County's Health Initiative (currently HealthbyChoice).
 - In order to qualify for the 4% premium cost share (of the HMO base plan), the employee must complete the online questionnaire (Web MD Health Quotient) prior to October 31, 2010.
- **6% premium cost share** (of the HMO base plan) if the employee does **not** participate in the County's Health Initiative

Effective January 1, 2012

- **6% premium cost share** (of the HMO base plan) if the employee participates in the County's Health Initiative
- **8% premium cost share** (of the HMO base plan) if the employee does **not** participate in the County's Health Initiative

Effective January 1, 2013

- **6% premium cost share** (of the HMO base plan) if the employee participates in the County's Health Initiative

- **8% premium cost share** (of the HMO base plan) if the employee does **not** participate in the County's Health Initiative

Employees who are hired during the middle of a calendar year will automatically be enrolled in the lower premium cost share for the remainder of the year when their coverage becomes effective. Upon hire, employees will still be responsible for participating in the Health Initiative that is currently in effect in order to receive the lower premium cost share for the following year.

The Employer reserves the right to modify the County's Health Initiative and content of the online questionnaire and any completion deadline requirements.

The employee is obligated to pay any applicable cost share whether actively at work or on an approved leave. Failure to make the required cost share payment in a timely manner will result in loss of coverage.

Employees whose spouses are also employed by Grand Traverse County will not be eligible to be double covered under the health program. They may each select their own coverage (in the case of regular insurance or HMO) if they wish, and dependents will be covered under the employee whose birth date comes first in the year unless otherwise agreed to by both employees and as provided for in the plan documents.

Payment in Lieu of Health Care Coverage

For employees who otherwise are entitled to health insurance coverage under this section, the employee shall have the option of receiving an annual payment in lieu of such coverage in the amount of two thousand (\$2,000.00) dollars on a pro-rated basis based on FTE and based on months of service, subject to the Employer's policy, carrier regulations, and applicable law. Employees who are insured under a Grand Traverse County health insurance plan provided to their spouse are not eligible for this payment.

Eligibility and benefit provisions are provided subject to plan documents.

The Employer has the right to change the provider and/or plans, provided that substantially equivalent coverage is maintained.

The benefits provided under the health insurance in effect under Appendix C shall be secondary to any personal protection or personal injury benefits carried by an employee through an insurer under a motor vehicle policy described in Section 500.3101(1) of the Michigan Compiled Laws.

Section 17.2 Optical and Dental Insurance The County will provide to regular employees optical and dental insurance coverage substantially equivalent to the Dental and Vision Plans as detailed in Appendix C. Part-time employees will pay a pro-rated share of the premium based on their regular FTE through payroll deduction.

Eligibility and benefit provisions are provided subject to plan documents.

The Employer has the right to change the provider and/or plans, provided that substantially equivalent coverage is maintained.

Section 17.3 Workers' Compensation Each employee will be covered by the applicable workers' compensation laws. Employees will be vested twenty-five percent (25%) after three (3) years of service, fifty percent (50%) after four (4) years, seventy-five percent (75%) after five (5) years, and be fully vested after six (6) years of service.

Employees grandfathered under the MERS Defined Benefit Plan shall receive benefits calculated under B4 plan with the F55/25 rider, FAC 3, six (6) year vesting, and E2 rider of the Municipal Employees Retirement System. This retirement plan is fully funded by the Employer.

Section 17.6 Life and AD&D Insurance All regular full-time and regular part-time employees, including those on paid leave, shall be eligible for term Life Insurance after six (6) consecutive months of service as a regular employee in accordance with the plan

documents. Said insurance shall be in the amount of \$20,000 or one times annual base salary, whichever is greater, for Life and Accidental Death and Dismemberment.

The Employer has the right to change the provider and/or insurance plans, provided that substantially equivalent coverage is maintained.

Section 17.7 Short Term Disability Insurance All regular full time employees and regular part time employees shall be eligible for Short Term Disability Insurance, said coverage to be effective the next day following one hundred eighty (180) calendar days of consecutive service as a regular employee in accordance with the plan documents. The coverage shall begin on the eighth calendar day following injury or illness. Eligibility and benefit provisions are provided subject to plan documents. Health insurance provided by the employer shall continue during the duration of this coverage. Available paid leave will be used to cover the elimination period before Short Term Disability begins.

The Employer has the right to change the provider and/or insurance plans, provided that substantially equivalent coverage is maintained.

ARTICLE XVIII VACANCY, TEMPORARY TRANSFER & PROMOTION

Section 18.1 Regular Vacancies Regular vacancies within the Bargaining Unit shall be given preference to be filled from within the Bargaining Unit. If none of the present employees meet the established requirements, the Employer may open the vacancy to applicants outside the Bargaining Unit. All vacancies shall be posted for a minimum of five (5) days and all interested employees are required to submit an application to Human Resources per County procedure.

Section 18.2 Criteria for Promotions The Department Head will exercise final appointing authority for promotions of employees under this article. By way of example, but not limitation, the following factors may be considered in coming to a selection:

- A. The employee must meet the minimum requirements of the job for which he/she is applying, as stated in the job description and the job posting.
- B. The employee must meet or exceed the minimum score on any standard examinations which are required.
- C. The employee must have the knowledge, skills, and ability to do the work as determined by education, work experience, standard examinations, oral interview, and any other mechanism that may be used to reach this determination.
- D. Attendance records.

- E. Commendations, disciplinary actions, and any other evaluative data available regarding the employee.
- F. Physical qualifications to perform the essential functions of the job as determined by the Human Resources Department.
- G. Reference provided by the employee's current supervisor and co-workers.
- H. The initiative shown by the employee to grow within the County employment, including professional development and willingness to take on additional responsibilities.

In the event that the overall qualifications of the candidates are determined by the department head to be substantially equal, bargaining unit seniority shall govern. Results of any examination(s) taken for the purpose of filling a vacancy shall be available to the employee involved.

Section 18.3 Pay Rate for Promotion If the employee's current pay rate is less than or falls within the range for the new class, it shall be adjusted to the step which gives a minimum of four and one-half percent (4.5%) increase, not to exceed the top step of the new classification. Consideration will be given for an extra step in the event the employee was eligible for a step increase within the next six (6) months, under the guideline that the combination of the rate increases shall not exceed ten percent (10%).

Section 18.4 Probationary Period for Promotion The Employee who is promoted (within or outside of the bargaining unit) shall serve a six (6) month probationary period to prove he/she is capable of performing the work. At any time during this trial period the employee may on his/her own volition, request in writing to be relieved of the new classification and be returned to the former classification and former rate of pay without loss of seniority. At any time during the trial period, if the Employer determines that the employee is unsatisfactory in the new classification, the Employer shall have the right to return the employee to the former classification from which he/she was promoted without loss of seniority and will provide said employee, upon written request from that employee, a written explanation specifying the reasons for the return to the former classification. Union seniority shall not accumulate while the employee is in a position outside the bargaining unit.

Section 18.5 Temporary Vacancy For the purpose of temporarily filling a vacancy in a position of higher classification, the Employer shall offer such assignment to the senior most qualified employee within the department. The Employer shall determine when a temporary vacancy exists, and will proceed to fill such vacancy in accordance with this article as soon as possible. However, no position shall be considered temporary for a period beyond sixty (60) calendar days, without mutual consent of the Employer and the Union.

Section 18.6 New Job Classification When a new job classification is created the Employer will notify the Union of the classification and rate structure prior to its becoming effective. In the event the Union does not agree that the classification and rate are proper, it shall be subject to negotiations.

Should the duties and/or responsibilities of a current bargaining unit classification significantly change during the life of this agreement, the parties agree to negotiate the effects of such changes including rates of pay.

When it comes to the attention of the Employer that the duties and/or responsibilities of an employee covered by the current bargaining unit agreement have changed gradually over a period of time and under the criteria set forth in the Classification Plan it is determined that the employee should be in a different classification, the employee shall be moved to the new classification without posting as set forth elsewhere in this agreement providing the employee has served a minimum of two (2) years in their current classification.

Section 18.7 Equalization of Training Opportunities The Employer agrees that, when practical, Employer sponsored and/or required training shall be offered to employees within the applicable classifications with opportunities for such training equalized among the affected employees.

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply to covered services. For a complete description of benefits, please see the applicable Blue Cross Blue Shield of Michigan certificates and riders. Payment amounts are based on the Blue Cross Blue Shield of Michigan approved amount, less any applicable deductible and/or copay amounts required by your plan. This coverage is provided pursuant to a contract entered into in the state of Michigan and will be construed under the jurisdiction of and according to the laws of the state of Michigan.

Network access information

- **DenteMax PPO network** – DenteMax PPO dentists agree to accept our approved amount as payment in full and participate on all claims. DenteMax is an independent company that leases its network to BCBSM to provide access to Blues members. You'll also receive discounts on noncovered services when you use PPO dentists. You can choose from more than 83,000 dentist access points* nationwide where dental services are available through our partnership with the DenteMax PPO network. To find a DenteMax dentist, please call 800-752-1547 or go to the DenteMax Web site at dentemax.com.

* A dentist access point is any place a member can see a dentist to receive high-quality dental care. For example, one dentist practicing in two locations would be two access points.

- **Blue Par SelectSM** – Most dentists participate with the Blues on a "per claim" basis, so you should ask your dentist if he or she participates before every procedure. These dentists accept payment in full from BCBSM for covered services and you pay the dentist only applicable copays and deductibles, and any fees for noncovered services. You won't be balanced billed for any difference between our approved amount and the dentist's charge. We call this arrangement "Blue Par Select." To find a dentist who may participate with BCBSM, go to bcbsm.com. Select the Dental Professionals subsection of "Where You Can Go for Care" page.

Note: If you receive care from a nonparticipating dentist, you may be billed for the difference between our approved amount and the dentist's charge.

A claim worksheet will be provided showing the calculation of the total amount payable, charges not payable, the reason, and the steps you may take to have the claim reviewed. If additional information is needed for payment of a claim, the Employer will contact you. You may request a review by filing a written application with your Employer. On receipt of the written request for review of a claim, the Employer will review the claim and furnish copies of all documents and all reasons and facts relating to the decision. You may submit your opinion of the issues and your comments in writing. Requests for review must be filed within 120 days after you receive notice of denial. A decision will be made promptly within 60 days and will be delivered to you in writing setting forth specific reasons for the decision and specific references to the pertinent plan provisions upon which the decision is based. The decision will be final.

Rights of Employees (ERISA)

As a person covered under this Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974. This law, called ERISA, provides that all people covered by the Plan are entitled to:

(1) Examine, during the Employer's normal business hours and without charge, all Plan documents, including insurance contracts, bargaining agreements and copies of all documents filed by the Plan with the U.S. Department of Labor, such as annual reports and Plan descriptions; (2) Obtain copies at no more than a reasonable charge of all Plan documents and other Plan information by writing to the Administrator; and (3) Receive a summary of the Plan's annual financial report, if any, from the Administrator.

ERISA also imposes duties upon the people responsible for the operation of the Plan. These persons, referred to as "fiduciaries," must act solely in the interest of Plan participants and must be prudent in performing their Plan duties. Fiduciaries who violate ERISA may be removed and required to make good any losses they have caused the Plan.

The law provides that no one may fire you or discriminate against you to prevent you from obtaining a benefit or exercising your rights under ERISA. The law provides that if your claim for a benefit is denied in whole or in part, you will receive a written notice explaining why your claim was denied. You have the right to have your claim reviewed and reconsidered.

Under ERISA, there are steps that you can take to enforce your rights. For instance, if you request copies of Plan documents from the Employer and do not receive them within 30 days, you may file suit in federal court. In such a case, the court may require the Administrator to provide the documents and pay up to \$100 a day until you receive them, unless they were not sent because of reasons beyond the control of the Administrator. If you are improperly denied a benefit in full or in part, you have a right to file suit in a federal or state court. If fiduciaries are misusing Plan money, you have a right to file suit in a federal court or request help from the U.S. Department of Labor. If you are successful in your lawsuit, the court may, if it desires, require the other party to pay your legal costs, including attorney's fees. If you lose the case, the court may order you to pay these costs and fees.

If you have any questions about the statement of your rights under ERISA, you should contact the Administrator of the nearest Area Office of the Labor-Management Service Administration, Department of Labor.

REVISION NUMBER (1)

Section 17.1 Health Insurance – REVISED as follows:

During the term of this Agreement the Employer agrees to provide health insurance coverage for all regular full time employees, including those on paid leave, and their families as detailed in Appendix B. Said insurance shall be substantially equivalent to the benefits in effect on January 1, 2008, as detailed in Appendix B, with the Priority Health Maintenance Organization, including the \$10 office visit co-pay, and the prescription drug co-pay of \$10 / \$40 with a mail order prescription drug program (90-day supply for one co-pay).

The HMO (Health Maintenance Organization) plan, as detailed in Appendix B, will remain as the County's base plan. If the employee chooses any optional plan, the increased premium cost associated with that plan will be the responsibility of the employee. Regular part time employees who elect to do so may be covered, with the County covering the pro-rated amount based on the number of hours the employee is regularly scheduled to work, and the employee reimbursing the County through payroll deduction for the remainder. The Employer's obligation to pay the premium is subject to all of the other provisions of this Article concerning employee payments, co-payments and contributions. Coverage becomes effective the first of the month following thirty (30) calendar days of employment.

Effective January 1, 2011, all employees covered under the health insurance will participate in a premium cost share as outlined below:

Effective January 1, 2011

- **4% premium cost share** (of the HMO base plan) if the employee participates in the County's Health Initiative (currently HealthbyChoice).
 - In order to qualify for the 4% premium cost share (of the HMO base plan), the employee must complete the online questionnaire (Web MD Health Quotient) prior to **December 10, 2010**.
- **6% premium cost share** (of the HMO base plan) if the employee does **not** participate in the County's Health Initiative

Effective January 1, 2012

- **6% premium cost share** (of the HMO base plan) if the employee participates in the County's Health Initiative
- **8% premium cost share** (of the HMO base plan) if the employee does **not** participate in the County's Health Initiative

Effective January 1, 2013

- **6% premium cost share** (of the HMO base plan) if the employee participates in the County's Health Initiative
- **8% premium cost share** (of the HMO base plan) if the employee does **not** participate in the County's Health Initiative

In **2012**, should the health care premium of the County's base plan exceed a 10% increase over the 2011 premium rates, the parties agree to meet to discuss the increases

and/or alternate coverage to reduce said increases. In **2013**, should the health care premium of the County's base plan exceed a 10% increase over the 2012 premium rates, the parties agree to meet to discuss the increases and/or alternate coverage to reduce said increases.

An employee will only be required to meet the Health Initiative requirements once per plan year.

At Medicare age, the Employer will cover the cost of the Medicare supplement for the retiree only. Retirees may cover eligible spouses or dependents by reimbursing the County the full amount of the premium for those individuals.

Eligibility and benefit provisions are provided subject to plan documents.

The Employer has the right to change the provider and/or plans, provided that substantially equivalent coverage is maintained.

The benefits provided under the health insurance in effect under Appendix B shall be secondary to any personal protection or personal injury benefits carried by an employee through an insurer under a motor vehicle policy described in Section 500.3101(1) of the Michigan Compiled Laws.

Payment in Lieu of Health Care Coverage

For employees who otherwise are entitled to health insurance coverage under this section, the employee shall have the option of receiving an annual payment in lieu of such coverage in the amount of two thousand (\$2,000.00) dollars on a pro-rated basis based on FTE and based on months of service in the given year, subject to the Employer's policy, carrier regulations, and applicable law.
