Any request for a leave of absence shall be submitted in writing by the Employee to the Sheriff. Requests shall state the reasons the leave of absence is being requested and the approximate length of time off the Employee desires.

Section 2. Authorization or denial for a leave of absence shall be granted solely at the decision of the Sheriff, except as required by law and shall be furnished to the Employee by the Employer, and shall be in writing. Such decision shall not be arbitrarily and capriciously made.

Section 3. Family Medical Leave: An employee who has worked at least 1,250 hours in the preceding twelve (12) month period is eligible for a leave of absence pursuant to the Family and Medical Leave Act of 1993 (FMLA). Such leave shall be granted (1) to care for a newborn son or daughter; (2) because of the placement of a son or daughter with the employee for adoption or foster care; (3) in order to care for the spouse, son, daughter or parent of an employee who has a serious health condition; or (4) because of a serious health condition that makes the employee unable to perform the functions of his or her job; or, 5. For any "qualifying exigency" (as defined by the Secretary of Labor) arising out of the fact that the spouse, son, daughter, or parent of an employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

In addition, qualified unit employees may request a single leave of up to a total of 26 weeks of Family and Medical Leave if the employee is the spouse, son, daughter, parent or next of kin of a covered service member and requires leave to care for a "covered service member" who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness."

- A. A "covered service member" is a member of the Armed Forces, including the National Guard and Reserves, "who is undergoing

SIGNATURE COPY

medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for . . . an injury or illness incurred by the member in line of duty on active duty . . . that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating."

- B. The leave provided under this provision is combined with that set forth in paragraph 3 for a combined total of 26 weeks of FMLA leave during a single 12-month period. This means that if an employee also has some other FMLA-qualifying event in that 12-month period (for example, the birth of a child, or the employee's own serious health condition), his or her total amount of FMLA leave during that 12-month period is still limited to 26 weeks. This also means that even if the servicemember's recovery lasts longer than the initial 12 months, the 26 weeks of Servicemember Family Leave cannot be "renewed," and the employee would not be eligible for an additional 26 weeks of Servicemember Family Leave in the following 12 month period.
- C. The Employer may require a certification by the servicemember's health care provider.

Any eligible employee will be granted up to twelve (12) unpaid workweeks of leave during a rolling twelve (12) month period for leaves granted under FMLA. For any FMLA qualifying purpose, if a request is for less than six (6) weeks, use of accrued vacation time or sick leave is the Employees discretion. If a request is for six (6) weeks or greater, accrued vacation time or sick leave must be used until exhausted. When an Employee has used accrued vacation and sick leave for a portion of the FMLA leave, the Employee may request an additional period of unpaid leave to be granted so the total of paid and unpaid leave provided equals (12) twelve weeks. Any request for time off for a reason qualifying as FMLA leave shall be treated and designated as FMLA leave.

Section 4. Administrative Leave: One member of the bargaining unit, always an Employee, elected the Police Officers Association of Michigan unit, to attend a function of the National Lodge and/or State Lodge of Michigan, such as conventions or education conferences, shall be allowed time off not to exceed four days in even years, and not to exceed 10 days on odd years, with one-half of the daily wage paid by the Employer. Provided, however, that the Sheriff shall be given a written notice two weeks prior to the time of such leave of absence.

Section 5. Military Leave:

- A. The County will comply with applicable laws regarding active military leaves of absence
- B. National Guard/Reserve Military Travel. The County will comply with applicable laws regarding national guard or reserve training leaves of absence.

Section 6. An Employee will be allowed an absence of three days with pay as funeral leave days not to be deducted from sick leave for the death of:

- a. the employee's Mother,
- b. the employee's Father,
- c. the employee's Brother or Sister,
- d. the employee's current Wife or Husband,
- e. the employee's Son or Daughter,

-
- f. the employee's Grandparents,
 - g. the employee's current spouse's Mother, Father, Brother and/or Sister.

One day shall be granted for the death of an employee's Aunt or Uncle or the employee's current spouse's grandparents. Two additional days shall be allowed in cases in which the deceased has resided within Employee's household for a period of not less than six months immediately prior to the deceased's funeral. One extra day shall be allowed in cases in which the deceased resided out-of-state and funeral services are held outside the State of Michigan.

Section 7. Personal Leave: Each Employee shall have three (3) personal leave days each year of the Agreement. Said personal leave shall not be used to extend a holiday and shall be given on twenty-four (24) hours notice, provided such leave does not hinder the operation of the Sheriff's Office in times of emergency or other crises. Sheriff will allow personal leave to be used to extend a vacation, if such day is applied for and approved at least 14 days before the vacation. Provided, further, that only one bargaining unit Employee proper classification shall be entitled to take a personal leave day on any one day. Any additional personal leave days may be granted only with the Sheriff's approval. Part-time personnel may be used to fill a shift vacancy caused by use of personal time. For new hires, Personal Leave time shall accumulate at two hours per month. If an Employee is hired before the 15th day of the month, the Employee will receive two hours for that month. For Employees hired after the 15th day of the month, accumulation will begin the following month.

Section 8. Educational Leave: An Employee may be granted up to one year leave without pay, for educational purposes to further the Employee's career in law enforcement. This will be granted solely at the discretion of the Sheriff.

Section 9. Jury Duty Leave:

- A. A full time bargaining unit Employee who is summoned and subsequently assigned by applicable law for jury duty shall be granted the necessary time to serve as required. Jury duty leave shall be with full pay, with reimbursement to the County for any compensation received. Employees shall be expected to return to work, when not serving as a juror, on the day assigned by the Court as a juror. If, however, an employee's shift is required to be changed because of jury duty, the employee will not be entitled to pyramid or double pay for jury duty.
- B. Bargaining unit Employees who are summoned for jury duty and are scheduled by the Sheriff to work on an afternoon or midnight shift shall have their shift changed to a day shift. Employees will be required to give the Sheriff two (2) weeks notice if possible of the scheduled jury duty.

Section 10. If the funeral leave allowed pursuant to Section 6 requires a change in shift for the Employee called upon to cover for the Employee on funeral leave, the Employee whose shift is changed shall not receive overtime pay for said shift unless withholding of overtime pay would violate the applicable wage and hour laws. It is understood that this provision takes precedence over Article 25. HOURS OF WORK AND PREMIUM PAY, Section 7, which might otherwise grant overtime pay in such a situation.

ARTICLE 24. SICK LEAVE

Section 1. All members covered by this Agreement shall accumulate one day per month sick leave not to exceed twelve (12) days per year with pay, with a total accumulation of ninety (90) days. An Employee on sick leave shall be deemed to be on continued employment for the purpose of continuing all benefits of this Agreement. In the event of extended illness, an Employee shall first use all accumulated sick leave and thereafter shall use all accumulated vacation time.

Section 2. Pay for accumulated sick leave shall discontinue when the Employee has accumulated ninety (90) days of unused sick leave. Thereafter an Employee shall accumulate at the same rate twelve (12) days per year but accumulated unused sick leave above ninety (90) days shall be paid by payment of fifty percent (50%) of said accumulated sick leave above ninety (90) days at the Employee's straight time rate in the second pay period in December of each year for all accumulated unused sick leave above ninety (90) days as of November 30th of that year. Such payment shall be paid in lieu of paid time off for sick leave. In the event of severance of the Employee due to either retirement or death, the County will pay to the Employee or his/her estate, a sum of money equal to the total of accumulated sick leave up to ninety (90) days and one-half of accumulated sick leave above ninety (90) days which was earned by the Employee up to the date of retirement or death which was not paid prior to retirement or death. In the event of severance other than retirement or death but under honorable conditions, the County shall pay the Employee a sum of money equal to one-half of accumulated, unused, sick leave whether before or after accumulations of ninety (90) days.

Section 3. In order for an Employee to be entitled to use sick leave, he/she must notify the desk officer at least two hours prior to the start of his/her shift. An Employee absent for three days or more may be required to present a doctor's report on the cause and justification of his/her absence. Employees proven to be abusing sick leave may be subject to progressive disciplinary action. Fraud or misrepresentation on such written form shall be grounds for disciplinary action.

Section 4. All Employees injured on the job may apply prorated sick pay time as to the difference between regular pay and that amount received from Worker's Compensation, to the extent of his/her unused sick leave.

Section 5. If any Employee becomes ill (unrelated to his/her work) to a point that he/she cannot perform his/her work, he/she may, after using all sick and vacation time, request up to a one year's leave of absence without pay; provided, however, the leave is substantiated by a doctor's certificate. If the illness of a member of his/her immediate family makes it impossible for the Employee to work, such leave may be granted at the Sheriff's discretion on showing of medical proof. Such leaves may be extended beyond one year at the discretion of the Sheriff.

Section 6. Employees who do not use any sick leave during the calendar year (January 1 through December 31) shall be credited with two (2) additional vacation days on January 1 in the following year. Employees who use one (1) day of sick leave during the calendar year (January 1 through December 31) shall be credited with one (1) additional vacation days on January 1 in the following year. The additional incentive day(s) shall be taken within one calendar year.

Section 7. An Employee who is injured during the course of his or her employment shall be paid for all hours scheduled to work on the date of the

SIGNATURE COPY

injury and shall be paid for all days scheduled to work during the seven (7) day waiting period. Said payment shall be considered an advance by the County until the employee receives payment from the workers compensation carrier. Payment for scheduled days shall be at one hundred percent (100%) of the Employee's regular rate of pay. Once the Employee has received payment from the workers compensation carrier for the seven (7) day waiting period, the Employee shall be notified in writing that they have five (5) business days to reimburse the County for net wages advanced by the County. Said notice shall include the net amount owed to the County and also state that if the Employee does not comply with the five (5) day time period, said amount shall be deducted from the Employee's next regular scheduled paycheck(s).

ARTICLE 25. HOURS OF WORK AND PREMIUM PAY

Section 1. The Sheriff has the right to assign the hours of work, including but not limited to either an eight (8), ten (10), or twelve (12) hour shift for all persons working as Correction Officers. The Sheriff has the right to assign to assign the hours of work, including but not limited to an eight (8), ten (10), or twelve (12) hour shift for all deputies (Police Officers) assigned to law enforcement duties. For purposes of overtime pay this definition shall not apply where:

- a. The Employee's regular shift is changed at the Employee's request;
- b. The Employee's regular shift has a variable starting time.

If other than an eight hour shift or if a set day off shift (non-rotating) is utilized by the Sheriff, bargaining unit members will have the opportunity, pursuant to Article 25, Sect. 9, to bid on both the shift and schedule (i.e. scheduled days off) which they would prefer to work.

Section 2. No Employee shall be required to work in excess of 16 hours in a 24 hour period except with the Employee's approval or in the event of a Sheriff's Office emergency.

Section 3. Call back time shall be paid at the rate of one and one-half times the Employee's regular rate of pay, with a two hour guarantee. Call back time shall be deemed to include Court time whenever the Employee must appear in Court and deposition time whenever the Employee is required to appear for testimony at the taking of depositions, as well as any hearings on "implied consent" during his/her off duty hours.

Section 4. If an Employee is called into a Sheriff's Office meeting while off duty, he/she will receive one and one-half the Employee's regular rate of pay for the time spent at the meeting, with one hour minimum guaranteed.

Section 5. The Sheriff's Office shall maintain an overtime seniority list. Overtime shall be distributed on the basis of highest seniority with lowest overtime worked. Only overtime worked shall be charged. Forced overtime, if for eight hours or more, shall be charged to the Employees Equalization of Overtime list. It is understood that if an employee has regular days off (including pass days) immediately adjacent to vacation, personal leave or compensatory time off, they may be called and offered overtime during their regular days off, but the overtime will not be forced.

Section 6. Employees who work overtime may be credited Compensatory Time-Off, at a rate of time and one-half, for each hour of overtime worked, in lieu of cash overtime pay. The scheduling of compensatory time off work must be

SIGNATURE COPY

approved in advance by an employee's immediate supervisor or the Sheriff, Undersheriff, or Jail Administrator. If compensatory time is granted, an employee who requests the use of compensatory time off shall be permitted to use such time within a reasonable period after making the request, provided the use of compensatory time off does not unduly disrupt the operations of the Department. If an employee has less than 120 hours of accrued compensatory time, the scheduling of compensatory time off shall be limited to time requested by, or consented to by the employee or unless the employee would otherwise be subject to a short-term layoff or leave of absence. However, if an employee has 120 or more hours of accrued compensatory time, the Department may, in its discretion, thereafter schedule compensatory time to be taken by the employee until such accrued total is reduced to less than 120 hours. Said Compensatory Time shall be earned and taken off under the following procedures:

- a. If an Employee is eligible and elects to be credited with Compensatory Time Off, in lieu of cash overtime payment, the Employee must fill out an Officer's Daily Time Report and turn in said report at the end of his/her shift. If the Employee fails to make such an election, the Employee will then be paid in cash for the overtime worked.
- b. Use of accumulated Compensatory Time-Off shall be scheduled in accordance with the Provisions of Article 26, Section 2(B); with the exception that requests for the utilization of accumulated Compensatory Time, requested less than fourteen (14) days in advance of the date or dates requested for time off, shall be granted at the sole discretion of the Sheriff or his/her designee.
- c. Requests for the utilization of Compensatory Time-Off for a period of less than eight (8) hours, shall be granted at the sole discretion of the Sheriff or his/her designee.
- d. Requests for competing date or dates shall be granted on a first-submitted, first-granted basis.

The employees shall have through the 16th day of January, May, and September in which to set forth their individual shift preference. The Sheriff shall cause the shift schedule to be prepared by which shift preference will be honored in accordance with seniority as shown on the up-to-date seniority list and the same shall be posted on or before the 24th of January, May & September. Thereafter no changes shall be made except by mutual agreement between the parties involved

in the change, provided however that in the event of unusual demands upon the Sheriff's office, such as unusual storms or floods, fires or other acts of nature, medical leaves or unusual crowds caused by visiting dignitaries or entertainment or dislocations caused by strikes, lockouts, or any other unusual disturbances requiring more than the usual amount of work, the Sheriff shall have the right to make such changes as he/she deems necessary under the circumstances, provided always that the provisions for overtime pay set forth in this agreement shall not be nullified by such occasions.

The Employer may place probationary Employees on any shift, irrespective of the shift preference rules until the next shift bid after said Employee's hire date. If an Employee is hired less than three months prior to the next shift bid, this exception to the shift preference rules shall continue until the second shift bid after that Employee was hired.

The notice shall be in such form as to permit Employees to place their names and the dates between which they want to take vacations (e.g. May through May 15). The vacations for the respective periods shall be granted to the Employee with the highest seniority as determined by the most recent seniority list. The notice shall provide a space for second choice and the Sheriff shall award vacation dates or alternate dates as closely as possible to the wishes of the Employees so long as the period sought does not interfere with the operations of the Sheriff's Office. The Sheriff shall post the vacation list as so determined on the same bulletin board within 5 days after expiration of the posting period. The list so posted shall commence on May 1 and November 1 of each calendar year.
- B. Vacations will be taken for a period of at least one day and no less, unless approved in advance by the Sheriff or his/her designee.
