AGREEMENT

THIS AGREEMENT, made and entered into this 15th day of January 2008, effective the 1st day of January 2008, by and between the COUNTY OF LEELANAU and the SHERIFF OF LEELANAU COUNTY, hereinafter referred to as the "Employer," and COMMAND OFFICERS ASSOCIATION OF MICHIGAN (COAM) Corrections Sergeants, hereinafter called the "Union."

PREAMBLE

WHEREAS, both parties are desirous of preventing strikes and lockouts and other cessations of work and employment; and of maintaining a uniform wage scale, working conditions and hours of employees of the Employer; and facilitating peaceful adjustment of all grievances which may arise from time to time between the Employer and the employees; and of promoting and improving peaceful industrial and economic relations between the parties;

WITNESSETH

- 0.1: Unless otherwise expressly defined in this Agreement all words shall connote their common meaning.
- 0.2: The headings used in this Agreement and exhibits neither add to nor subtract from the meaning, but are for reference only.
- 0.3: Wherever, in this Agreement the masculine or feminine pronouns "man," "men," "he," "she" or related pronouns may appear, either as words or as parts of words, they have been used for literary purposes and are meant in their generic sense (i.e., to include humankind - both female and male sexes.)
- 0.4: Unless otherwise provided, wherever in this Agreement the term Employer is used in a communications context, such communication shall be directed to the Sheriff and copied to the County Board of Commissioner's Office. Similarly, wherever the term Union is used such communication shall be directed to the Local President unless otherwise provided.
- 0.5: Non-Discrimination. It shall be the joint concern of the Sheriff and the Union to afford equal employment and advancement opportunity to all qualified individuals regardless of their race, color, sex, religion, age, national origin, physical or mental handicap, Vietnam Era or Disabled Veteran Status, and to conform to all applicable laws and regulations.

ARTICLE I - RECOGNITION

- 1.1: Collective Bargaining Unit. The Employer hereby agrees to recognize the Union as the exclusive bargaining representative, as defined in Act 335 of the Public Acts of 1947, as amended by Act 379 of the Public Acts of 1965, for all of the employees employed by the Employer in the following described unit:

All Corrections Sergeants in the Leelanau County Sheriff's Department, BUT EXCLUDING the Sheriff, Undersheriff, and all others.

- 1.2: Definitions. The terms "employee" and "employees" when used in this Agreement shall refer to and include only those regular full-time employees who have completed their probationary period as set forth in this Agreement and who are employed by the Employer in the collective bargaining unit described in Section 1.1 of this Agreement. For purposes of this Agreement, the following definitions shall be applicable:

Regular Full-time Employee. A regular full-time employee is an employee who is working the normal workweek on a regular schedule at a job classified as permanent.

ARTICLE II - UNION SECURITY

- 2.1: Agency Shop. Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain, or drop their membership in the Union, as they see fit. Neither party shall exert any pressure on or discriminate against any employee regarding such matters.

A. Membership in the Union is separate, apart and distinct from the assumption by one of his equal obligation to the extent that he received equal benefits. The Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Union, and this Agreement has been executed by the Employer after it has satisfied itself that the Union is the choice of a majority of the employees in the bargaining unit. Accordingly, it is fair that each employee in the bargaining unit pay his own way and assume his fair share of the obligation along with the grant of equal benefit contained in this paragraph.

3. In accordance with the policy set forth under Sections 1.1 and 2.1 of this Agreement, all employees in the bargaining unit shall share fairly in the financial support of their exclusive bargaining representative by paying to the exclusive bargaining representative a service fee which may be equivalent to the amount of dues uniformly required of members of the exclusive bargaining representative. For present regular employees, such

payment shall commence thirty-one (31) days following the effective date or on the date of execution of this Agreement, whichever is the later. For new employees, the payment shall start thirty-one (31) days following date of employment.

- 2.2: Check Off. During the period of time covered by this Agreement, the Employer agrees to deduct from the pay of any employee all dues and/or initiation fees of Local, provided however, that the Union presents to the Employer authorizations, signed by such employees, allowing such deductions and payments to the Local Union. This may be done through the steward of the Union.
- A. Amount of initiation fee and dues will be certified to the Employer by the Secretary-Treasurer of the Union.
 - B. Monthly agency fees and initial agency fees will be deducted by the Employer and transmitted to the Union under the same circumstances as prescribed above for the deduction and transmission of Union dues and initiation fees.
 - C. The Union shall indemnify and save the Employer harmless from any and all claims, demands, suits or any other action arising out of these provisions or from complying with any request for termination of these provisions.

ARTICLE III - REPRESENTATION

- 3.1: Collective Bargaining Committee. The Employer agrees to recognize a collective bargaining committee composed of not more than two (2) employees plus one representative from COAM. Members of the collective bargaining committee shall act in a representative capacity for the purposes of contract negotiations and processing grievances as provided in the grievance procedure. The Union shall advise the Employer in writing of the names of the committee members in advance of the Employer's recognition.
- 3.2: Lost Time. On-duty officers who are members of the bargaining committee shall be paid for lost time from their regular schedule during negotiations. It is intended, however, that bargaining shall be scheduled when the least number of persons on the negotiating team are on duty. If, in the course of a bargaining session, it is necessary for the on-duty officer to perform duties in the jail, bargaining sessions will be postponed and rescheduled, if necessary. The processing of grievances may also be done during on-duty time without loss of pay or benefits provided, however, that off-duty time is unavailable.

ARTICLE IV - MANAGEMENT RIGHTS

- 4.1: Employer's Rights. It is understood and hereby agreed that the Employer reserves and retains, solely and exclusively, all of its inherent and customary rights, powers, functions and authority of management to manage the Employer's operations, and its judgment in these respects shall not be subject to challenge. These rights vested in the Employer include, but are not limited to, those provided by statute or law along with the right to direct, hire, promote, transfer, assign and retain employees in positions within the County consistent with the employee's ability to perform the assigned work. Further, to suspend, demote, discharge non-initial probationary employee for just cause, or take such other disciplinary action which is necessary to maintain the efficient administration of the Employer. It is also agreed that the Employer has the right to determine the method and means of work and the number of personnel, by which the business of the Employer shall be conducted and to take whatever action is necessary to carry out the duty and obligation of the Employer to the taxpayers thereof. The Employer shall also have the power to make rules and regulations relating to personnel policies, procedures and working conditions not inconsistent with the express terms of this Agreement, and said rules and regulations shall be reasonable.
- 4.2: Temporary Employees. The Employer reserves the right to hire temporary or irregular employees provided these employees are not hired to displace regular full-time employees. Such employees shall not be subject to the terms of this Agreement.
- 4.3: Rules and Regulations. The Employer reserves the right to establish and publish, from time to time, reasonable rules and regulations of which it shall deem proper to govern the conduct of its employees, not inconsistent with this Agreement. The Union shall receive a copy of such rules.

ARTICLE V - GRIEVANCE AND ARBITRATION PROCEDURE

- 5.1: Grievance Procedure. It is mutually agreed that all grievances, disputes or complaints arising under this Agreement shall be settled in accordance with the procedure herein provided. Every effort shall be made to adjust controversies and disagreements in an amicable manner between the Union and the Employer.

No grievance shall be presented based on facts or events the employee had knowledge of which occurred prior to five (5) days before the grievance is presented; and in any event, no grievance shall be presented in writing based on facts or events which have occurred prior to twenty (20) days before the grievance is presented. Any grievance not carried to the next step by the Union within the time limits herein, or such extension as may have been agreed to in writing, shall be automatically closed on the basis of the last disposition.

The County shall not be required to pay back wages or make a monetary settlement covering any period beyond twenty-five (25) days prior to the date a written grievance is presented; provided, however, that in the case of pay

shortage of which an employee may not have been aware before receiving his pay, any adjustment made shall be retroactive to the beginning of the pay period in which the shortage occurred, if the employee presents his grievance within ten (10) days after he/she knew or should have known of the pay shortage.

Time limits may be mutually extended by the County and the Union in writing, in which case then the mutually extended date shall prevail.

When reference to days is made, only weekdays, Monday through Friday, will be considered. Saturday, Sundays and Holidays shall not be considered in those time periods. Time limits set forth in this grievance procedure shall be strictly adhered to unless time shall be extended by mutual written agreement of the parties.

- 5.2: Grievance Procedure. If any such grievances shall be pending at the effective date of this Agreement or arise during the term of this Agreement, such grievances shall be submitted to the following Grievance Procedure:

Step 1. An employee having a grievance as defined above shall first present the matter orally to the employee's supervisor or the Undersheriff. If requested, the employee's steward or other Union representative may be present.

Step 2. If the grievance is not resolved in Step 1, it shall be reduced to writing and presented to the Sheriff or Undersheriff. The written grievance shall be presented within five (5) days of the Step 1 meeting. The written grievance shall name the employee(s) involved, shall state the facts giving rise to the grievance and the specific provision or provisions of the contract alleged to have been violated, shall indicate the relief requested, and shall be signed by the employee. The Sheriff shall answer the grievance in writing no later than ten (10) days after receipt of the written grievance.

Step 3. For grievances solely of an economic nature (grievances concerning pay and/or benefits), if the grievance is not resolved in Step 2, the grievance shall be presented in writing to the County Administrator within five (5) days of Step 2. The County Administrator shall answer the grievance in writing no later than ten (10) days after receipt of the written grievance.

- 5.3: If the Employer does not answer a grievance within the time limits prescribed in this Article, the grievance will be considered automatically referred to the next step of the Grievance Procedure.
- 5.4: Any grievance which arose prior to the effective date of the Agreement, except grievances pending as of the effective date, shall not be processed.
- 5.5: Any agreement between the Employer and Union representative(s) is binding on all employees affected and cannot be changed by any individual.

- 5.6: The sole remedy available to any employee for any alleged breach of this Agreement will be pursuant to the grievance procedure.
- 5.7: If a grievance is not resolved at Step 2 (or Step 3 for economic grievances) of the grievance procedure, and it involves a seniority employee, either party may, at its option, submit the grievance to arbitration by written notice delivered to the other party ten (10) days after receipt of the Employer's last answer. The written notice shall state the issue involved, the position of the parties filing for arbitration, and the relief requested. If no such notice is given within the ten (10) day period, or if the matter is not otherwise properly in arbitration, the Employer's answer shall be final and binding on the Union and the employee(s) involved.
- 5.8: Following receipt of the notice to arbitrate, the Union and the Employer shall proceed to select an Arbitrator. If the Arbitrator is not mutually selected within the ten (10) days following receipt of the written notice, either the Union or the Employer may, within the next five (5) days, apply in writing to the Federal Mediation and Conciliation Service (FMCS) for appointment of an arbitrator under its rules, with a copy to the other side. It is agreed that the application to FMCS will stipulate that all members of the panel proposed shall be members of the American Academy of Arbitrators. It is further agreed that no more than one grievance may be submitted to the same Arbitrator at the same time unless otherwise mutually agreed in writing.
- 5.9: The jurisdiction of the Arbitrator shall be limited to the case presented before him. The Arbitrator shall have no power to substitute his judgment for that of the Employer. If either party shall claim before the Arbitrator that a particular grievance fails to meet the tests of arbitrability, the Arbitrator shall proceed to decide such issue of arbitrability, including giving both sides the opportunity to file post-hearing briefs, before proceeding to hear the case upon the merits. If the grievance concerns matters not subject to arbitration, the Arbitrator shall return the grievance and all documents relating thereto, to the parties without decision.
- 5.10: The Arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. The Arbitrator shall be at all times governed wholly by the terms of this Agreement, and he shall have no power or authority to amend, alter, or modify this Agreement in any respect. By accepting a case from the parties, the Arbitrator acknowledges his limitation of authority and agrees not to decide an issue which is outside of his jurisdiction under this Agreement. The Arbitrator shall not imply obligations or conditions binding upon the Employer from this Agreement, it being understood that any matter not specifically set forth herein remains with the reserved rights of the Employer. The Arbitrator shall have no power to substitute his/her discretion for the Employer's in cases where the Employer is given discretion by this Agreement. However, the Arbitrator shall be empowered to return an employee to full duty if his decision is to make the employee whole. The Arbitrator shall have no power to interpret any state or federal law or state or federal administrative rule or regulation.
- 5.11: Records. Employer records, which are not confidential, pertaining to a pending grievance shall be made available to the Union upon written request.

- 5.12: At the time of the Arbitration Hearing, both the Employer and the Union shall have the right to examine and cross-examine witnesses. Upon request of either the Employer or the Union, or the Arbitrator, a transcript of the hearing shall be made and furnished to the Arbitrator with the Employer and the Union having an opportunity to purchase their own copy. At the close of the hearing, the Arbitrator shall afford the Employer and the Union a reasonable opportunity to furnish briefs.
- 5.13: Each party shall pay its own costs of processing grievances through the Grievance and Arbitration Procedures. The fee of the Arbitrator, his/her travel expenses, and the cost of any room or facilities and the expenses of the arbitration, including the expense of a transcript, if any, shall be borne equally by the parties. The fees and wages of representatives, counsel, witnesses, or other persons attending the Hearing on behalf of a party and all other expenses shall be borne by the party incurring the same, provided that the Grievant shall not be subject to pay reduction while attending the Hearing.
- 5.14: After a case has been appealed to the Federal Mediation and Conciliation Service, it cannot be withdrawn except by mutual written agreement of the parties.
- 5.15: The decision of the Arbitrator, if within the scope of his/her authority as set forth above, shall, subject to the judicial review, be final and binding on both parties.
- 5.16: Any grievance not appealed to arbitration prior to the expiration of this Agreement shall not be subject to arbitration but may be referred to negotiations by the moving party unless otherwise mutually agreed in writing.
- 5.17: Election of Remedies. The Union agrees to limit its representation of employees, covered by this Agreement, in matters involving grievances, to one proceeding related to each such grievance, whether that proceeding involves a grievance arbitration, which the Union shall determine in its sole discretion, veteran's preference hearing, civil rights claim, or other claim before another tribunal or court, unless the additional proceeding involves an unfair labor practice charge before the Michigan Employees' Relations Commission.

ARTICLE VI - SENIORITY

- 6.1: Seniority Definition. Seniority shall be defined as the length of the employee's continuous service in the Department and classification affected commencing from his last date of assignment. Seniority shall continue to accumulate for up to a maximum of twelve (12) months during all approved leaves of absence. Employees who were assigned on the same date shall be placed on the seniority list in alphabetical order of surnames. Seniority shall entitle an employee only to such preferences as are expressly provided in this Agreement. Departmental

seniority shall be used for benefit purposes. Classification seniority shall be the length of the employee's continuous service in his current rank.

6.2: Probationary Period. All supervisory employees shall be on probation for a period of twelve (12) months following their date of promotion. During the employee's probation the employee may be reduced in rank to his former rank by the Employer without regard to or recourse to this agreement, provided said action shall not be taken in an arbitrary or capricious manner. The employee shall have the burden of showing arbitrariness, or capriciousness. If the employee is reduced in rank by the Employer during his term of probation he shall revert back to his former rank without loss of seniority. The employee's probationary period shall be extended for a like amount of days for absences exceeding five (5) consecutive work days, except for vacations.

6.3: Loss of Seniority. An employee shall lose his seniority and the employment relationship shall end for any of the following reasons:

- A. If he quits or resigns.
- B. If he is discharged or terminated and is not reinstated pursuant to the terms of this Agreement.
- C. If he retires.
- D. If he is absent from work for two (2) consecutive days without prior notice to the Sheriff and unless a satisfactory reason for such absence is given.
- E. If he fails to return to work at the specified time upon the expiration of a leave of absence or vacation, unless other arrangements are reasonably agreed upon. Exceptions to paragraphs (D) and (E) hereof may be made at the discretion of the Employer.
- F. If an employee is absent from work for twenty-four (24) consecutive months due to a compensable condition or injury. At the request of an employee, the Employer may under extraordinary circumstances extend the twenty-four (24) month time limit.
- G. He/she is convicted or pleads guilty to a felony or high court or domestic violence misdemeanor.
- H. Knowingly falsifies his/her employment application or any Employer required report.

6.4: Shift Assignments. In making a shift assignment and choice of pass days, consideration and recognition will be given to the seniority of the individuals within the unit. However, because of the small department and the need for experienced personnel at all times, the consideration shall not be limited to seniority.

Sergeants will be afforded the opportunity to bid their shifts (work schedules) by seniority on a quarterly basis (top to bottom.) In the fourth quarter, management shall reassign staff to a different shift if they haven't changed or attempted to change shifts during the first three quarters.

When operational considerations or employee personal situations (including, but not limited to, court appearances, training, special details, special qualifications or training and discipline) require the presence of a particular officer on a given shift, the Sheriff may assign or re-assign Sergeants as required to meet the needs of the department.

In the event the Sheriff determines the need to assign an employee from one shift to another and it is necessary to replace the employee who was reassigned, volunteers will be sought. If there are not any volunteers to take the place of the reassigned employee, the selection will be made by seniority from the shift having an extra person with the junior person in that shift being assigned. An employee that has been reassigned by the Sheriff will not be eligible to trade shifts. Employees that feel they were unreasonably reassigned may file a grievance as a result of a reassignment.

- 6.5: Layoff and Recall. Employees shall be laid off or recalled by classification according to their seniority to bump an employee with less seniority in the unit.
- 6.6: Recall. Employees who are laid off shall be recalled to their former classification in order of their seniority when the work force is to be increased. Notice of recall shall be sent to the employee by registered or certified mail at his address of record with the Employer. If an employee fails to report for work within five (5) calendar days of receipt of the notice of recall, he shall be considered a "Quit."
- 6.7: An employee who is transferred to a job outside the bargaining unit shall retain and accumulate classification seniority whether such transfer was made before or after the Association was first recognized as a bargaining representative for the unit. If such employee is later transferred back to the bargaining unit, he may exercise accumulated classification seniority credits in a classification he last held or in a classification in which he had seniority. This shall not limit the County's right to discipline the employee for cause while resigned to a job outside the bargaining unit. Employees who are transferred or promoted out of the bargaining unit shall, if demoted or transferred back into the bargaining unit, retain their previous seniority and may bump the least senior person in the bargaining unit.

ARTICLE VII - WORKWEEK

- 7.1: Normal Workweek. The normal work period shall consist of eighty (80) hours in the bi-weekly pay period. Pass Days shall be routinely scheduled to include at least two (2) consecutive days off.

7.2: Work Schedule. Work schedules are defined as an employee's assigned hours, days of the week, and days off (pass days.) The work schedule shall be established by the Sheriff and shall be posted at least twenty-eight (28) days in advance of the start of the new schedule.

7.3: Overtime. All employees shall be expected to work reasonable amounts of overtime. Overtime, other than of an emergency nature, must be authorized by the Sheriff or his designee. An employee shall not be required to work more than sixteen (16) hours in a twenty-four (24) hour period, except under emergency conditions. An employee shall not be required to work more than four (4) scheduled pass days in any two consecutive pay periods as overtime. For purposes of this section only, holidays shall be treated the same as pass days.

It is recognized by the parties that there are different bargaining units employed by the same employer, with the difference being that members of the COAM are in supervisory positions.

It is also recognized that members from the Bargaining Unit, where the overtime was created, will have the first priority for filling the whole shift and will also be responsible for filling the shift if it cannot be filled voluntarily.

For purposes of overtime, the parties recognize four (4) types of overtime.

1. Scheduled Overtime. Whenever it is necessary to fill a shift for overtime, and it is fourteen (14) days or more between the scheduling date and the date of the shift to be filled.
2. Unscheduled Overtime. Whenever overtime is necessary to fill a shift and there are less than seven (7) days between the scheduling date and the date of the shift to be filled.
3. Posted Unscheduled Overtime. Whenever overtime is necessary to fill a shift and there are between seven (7) and fourteen (14) days between the scheduling date and the date of the shift to be filled.
4. Transport/Hospital Guard Shift Assignment. Whenever overtime is necessary in order to fill a transport (shift) assignment and without regard to time.

Scheduled Overtime. Scheduled overtime will be assigned as equally as possible by the Bargaining Unit and by the person responsible for the schedule. Scheduled overtime will be filled in the prescribed manner except in cases of an emergency. The overtime shift shall be posted. Members of both Bargaining Units, who are on pass day, may sign up for the shift. Members who are working the previous shift or the shift after the overtime may sign up for four-hour blocks of this overtime shift. These four-hour blocks are limited to only those individuals working a previous shift or a shift immediately following. If a member on pass cannot fill the shift, then the shift will be designated as a "split shift," providing that two members have signed up and agree to split the shift. If designated as a "split shift," volunteers who sign up shall have preference. If

there are not volunteers, then the shift may be deferred to the other Bargaining Unit.

Unscheduled Overtime. The most senior person on pass of the respective Bargaining Unit will be called at home and requested to work. If there is no answer at the home telephone, or the person refuses the overtime, the next senior person on pass from that Bargaining Unit shall be called at home and requested to work. If this officer refuses the overtime, or is not available at home, the overtime will be offered to the next junior officer on pass. If the junior officer refuses the overtime, or is not available at home, the overtime will be offered to the next junior officer on pass. If the junior officer on pass is not available and all other junior officers on pass have been exhausted, then the shift will be deferred to the other Bargaining Unit, utilizing the same procedure(s) for filling the shift. If the shift cannot be filled, then the shift working will be required to hold over four (4) hours and the shift after required to come in four (4) hours early. Members of the Bargaining Unit where the overtime originated shall be responsible for filling these vacancies unless other members volunteer for the time.
