3.1 Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain, or drop their membership in the Union, as they see fit. Neither party shall exert any pressure on or discriminate against an employee in regards to such matters.

3.2 Any employee in the Bargaining Unit who is not a Union member and who does not make application for membership shall, as a condition of employment, pay to the Union a monthly service charge in an amount equal to the monthly dues uniformly applied to the members as a contribution toward the administration of this Agreement.

3.3 Employees hired, rehired, reinstated or transferred into this bargaining unit after the effective date of this Agreement and covered by this Agreement shall be required as a condition of continued employment to become members of the Union or to pay to the Union a monthly service charge in an amount equal to the monthly dues uniformly applied to the members as a contribution toward the administration of this Agreement, on or before the 61<sup>st</sup> day following the start of their employment in the Unit.

3.4 Membership in the Union is separate, apart and distinct from the assumption by one of her equal obligation to the extent that she received equal benefits. The Union is required under this Agreement to represent all of the employees in the Bargaining Unit fairly and equally without regard to whether or not an employee is a member of the Union. The terms of this Agreement have been made for all employees in the Bargaining Unit and not only for members in the Union, and this Agreement has been executed by the Employer after it has satisfied itself that the Union is the choice of majority of the employees in the Bargaining Unit.

3.5 If any provision of the Article is invalid under Federal law or the laws of the State of Michigan, such provision shall be modified to comply with the requirements of Federal or State law or shall be re-negotiated for the purpose of adequate replacement.

3.6 **Probationary Employee.** New employees shall be considered as probationary employees for the first six (6) months of employment. After employees have finished the probationary period, they shall be entered on the Police Department Clerical Seniority list and shall rank for seniority from the day they commenced their employment. A new employee shall work under the provisions of this Agreement, and the Union shall represent probationary employees for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment as set forth in this Agreement.

However, probationary employees who have been laid off, disciplined or discharged during the probationary period shall not have recourse to the Grievance Procedure.

ARTICLE 4

Dues Deduction

4.1 During the period of time covered by this Agreement, the Employer agrees to deduct from the pay of any employee all dues or service charges levied in accordance with the Constitution and By-Laws of the Union from the pay of each employee who executes or has executed a "check-off authorization and assignment" in substantially the following form:

"I, \_\_\_\_\_, hereby authorize my Employer to deduct from my wages and to pay to the Michigan Association of Police/Police Clerical Employee Association and/or its authorized representative membership dues, in such amounts as may be established from time to time, and in accordance with the Agreement between such Union and my Employer.

This authorization and assignment shall be irrevocable for the term of the applicable contract between the Union and the Employer, and shall automatically renew itself for successive applicable contract periods thereafter, unless I give written notice to the Employer and the Union at least 60 days and not more than 75 days before any periodic renewal date of this authorization and assignment of my desire to revoke the same.

I do hereby certify that previous deductions from my wages for Union dues were made with my knowledge and consent, and I do hereby ratify, authorize and assign to the Union, all of such deductions as of the time they were made."

4.2 Provided, however, that the Union presents to the Employer, signed authorizations allowing such deductions and payments to be made to the Union. This may be done through the Treasurer of the Union.

4.3 The amount of the dues will be certified to the Employer by the Treasurer of the MAP. Dues or service charges deducted shall commence on the first pay period of the month after becoming a member of the Bargaining Unit, and will be deducted monthly thereafter on the first pay period of the month.

4.4 Dues or service charges deducted for any calendar month by the Employer will be remitted to the Treasurer of the MAP as soon as possible after the payroll deductions have been made. The Employer shall furnish the MAP Treasurer an up-to-date list of those employees who have signed check-off authorizations and whose dues or service charges have been deducted from their checks. Where any employee, who is on check-off, is not on the payroll during the week which deduction is to be made or who has no earnings, or insufficient earnings during the week or is on a leave of absence, double deductions will be made the following month.

#### ARTICLE 34

##### Educational Assistance Program

34.1 The educational reimbursement program is offered to encourage employees to improve their present job skills, thereby increasing their productive value to the City. Such a program will also assure the establishment of a quality work force, assisting employees in preparing for future advancement within the City.

The scope of the program does not include special seminars, or "short courses" of a few days duration which will continue to be considered on an individual and departmental training basis as in-service training.

The following provisions are established to govern the administration of the City's Education Assistance Program:

- B. Applications will not be considered if the employee is eligible for or receiving funds for the same course from any other source (GI Bill, scholarships, vocational rehabilitation, etc.).
- C. Applications are to be submitted for approval by the department and Human Resources Director in advance of beginning the course and only for course work directly related to the employee's present job or directly related to a promotional position. A nexus between the employee's present job or promotional position and the courses undertaken must be established for consideration.
- D. Reimbursement shall be made only for course work completed at accredited high schools, trade schools, colleges and universities.
- E. There shall be a seventy-five (75%) percent reimbursement for tuition and required textbooks to a maximum of \$1,000 per year based upon courses completed with a "C" or numerical equivalent, or for non-graded courses when the grade received is "satisfactory" or "passing".

17.13 Reclassification Committee. A reclassification study team comprised of two representatives from the City and two from the Union will meet once per year to review any reclassification request submitted to the Human Resources Office during the year. The findings of the Reclassification Committee will be subject to the City Manager's approval. If a request for review of an employee's classification is subsequently granted reclassification, retroactive wages will be from July 1 regardless of when the reclassification is finally granted. An employee may only reapply for a reclassification request 24 months or more after the previous request was turned down.

17.14 Deferred Compensation. Effective January 1, 2008, the Employer will contribute \$800 to each employee's established deferred compensation plan. This contribution shall be made through the bi-weekly pay. Employees retiring, new in the bargaining unit, or absent for any reason, shall be eligible for a prorated portion of the deferred compensation payment based on the number of months worked.

#### ARTICLE 18

##### Job Vacancies

18.1 It has been agreed that this Article will supersede existing Civil Service rules. The Human Resources Director shall be utilized in conducting examinations.

18.2 Job Vacancies/Promotions.

18.3 Selection among those applicants determined eligible, as stated above to fill the vacancies is made in the following order:

- A. Demotions - within the Bargaining Unit
- B. Lateral Transfer - within the Bargaining Unit
- C. Promotion - within the Bargaining Unit. The decision of the appointing authority shall be based upon the employee's qualifications, experience, work record, prior education and training, and Bargaining Unit seniority.

When employees are determined to be equally qualified within the order of selection indicated herein, Bargaining Unit Seniority shall be the determining factor.

18.4 If a vacancy still exists, it shall be offered to other qualified City employees not in the Bargaining Unit.

18.5 The successful employee shall be given a probationary period of ninety (90) days to qualify on the job. The department will assist the employee wherever possible. In the event the employee cannot qualify or she voluntarily decides to withdraw from the new position, the employee shall be returned to her former classification within the Bargaining Unit.

18.6 The employee shall receive the regular rate that provides an increase called for in the new classification. The employee shall carry all applicable seniority rights in the new classification. If still unfilled, it shall be posted as open competitive to non-employees. All subsequent openings will be posted in the same manner.

18.7 Promotional Procedure. Promotions in the Bargaining Unit shall be handled by the following procedure:

18.8 Whenever there arises a promotional opportunity within the Bargaining Unit, all employees covered by this Agreement shall be given the first opportunity to compete for the position.

18.9 In order to be eligible to sit for a promotional exam, employees in the Bargaining Unit must first have a minimum of two (2) years bargaining unit seniority and be at pay grade level D or higher before being eligible to compete for promotion.

33.3 A. Health Insurance Allowance. Each employee who chooses not to join Employer-sponsored health care plans (Blue Cross/Blue Shield, Health Alliance Plan, or COPS Trust) and whose spouse or parent has coverage provided, shall be paid One Thousand Five Hundred (\$ 1,500) Dollars each year for every year that the spouse or parent has coverage. Payments will be made annually, in December, to each employee who has not been on any Employer-sponsored health care program, except that payments will be prorated monthly to meet the dates the employee first participates and/or ends participation in this program.

B. Employees shall be required to show proof that a spouse or parent has health care coverage that includes the employee and their dependents before said employee will be declared eligible to receive the One Thousand Five Hundred (\$ 1,500) Dollars annual payment.

C. Re-Enrollment Protection. Employees whose spouse's or parents' health care plans cease to cover the employee and their dependents, must re-enroll in an Employer-sponsored health care plan. In such cases, the employee shall be allowed to enroll in an Employer-sponsored plan immediately subject to the appropriate health insurance carrier's implementation.

D. If an employee's spouse works for the Employer, the employee will not be eligible for any medical coverage provided by this Agreement, but will instead be provided the health allowance of \$1,500 described in the section. If the employee's spouse elects to take the health allowance, then the employee covered by this agreement may keep the medical coverage. In no case will both the employee and their spouse (employed by the City) both receive medical coverage. All employees in the Bargaining Unit shall be entitled to the dental coverage.

33.4 Life Insurance. Life insurance will be carried for full-time regular employees on paid status by the Employer at no cost to the employee. The coverage shall be 1.5 times the employee's annual salary.

## ARTICLE 33

### Health Benefits

33.1 Effective the 1<sup>st</sup> of the month following date of hire, the City shall provide each full-time regular employee, medical, dental, and hospitalization benefits. The base coverage shall be the Blue Cross/Blue Shield Community Blue PPO Plan 10. Appendix C titled "Community Blue PPO Benefits-at-a-Glance Plan 10" is a summary of covered services including deductibles, co-pays, and co-pay dollar maximums. The Employer shall pay one hundred (100%) percent cost of this plan.

Employees shall still have the option to carry Health Alliance Plan (HAP) HMO coverage or the Coalition of Public Safety (COPS) Trust Plan. Members electing any option that becomes more expensive than the BC/BS Community Blue PPO will have the balance of the premium due deducted from their payroll check on a monthly basis. The illustrative rates determined by Blue Cross/Blue Shield for the Community Blue PPO Plan 10 shall be the rates used to determine the excess cost an employee would be responsible to pay.

The medical coverage for Health Alliance Plan (HAP) remains the same. However, employees selecting this option will be responsible for co-pays: as follows: \$10.00 office visit, \$10.00 urgent care, and \$25 emergency room.

For new employees hired after the ratification of this Agreement, the basic medical and hospitalization coverage shall be Blue Cross/Blue Shield Community Blue Plan 7. Appendix E titled "Community Blue PPO Benefits-at-a-Glance Plan 7" is a summary of covered services, including deductibles, co-pays, and co-pay dollar maximums. Health Alliance Plan (HAP) and COPS Trust will be available as options as indicated above. Employees electing any option that becomes more expensive than the base coverage will have the difference in illustrative rate or premium deducted from their payroll check on a monthly basis.

Prescription drug coverage will be provided to employees receiving medical and hospitalization coverage. The generic co-pay is \$5.00 and the brand name co-pay is \$20.00. The City will carve out the prescription drug benefit from the health plans available under this Agreement to the extent allowed by the health plan offered and place the administration of the benefit with a Pharmacy Benefit Manager (PBM) selected by the City. The City reserves the right to change the PBM with 90 days' written notice.

The City will reimburse employees for the cost of childhood immunizations (to age 16). To obtain reimbursement, all immunizations must be performed at the Macomb County Health Department and employees must present original receipts.

The City has the right to offer cost savings health care alternatives at any time to the Union on a voluntary basis.

18.10 Employees who are on probationary status shall not be eligible to compete for promotional opportunities.

18.11 Examination Process. The examination process for promotion for classifications covered by this Agreement shall consist of two (2) parts. The first part shall be a designated written examination, with the second part designated oral exam. The employee competing for a promotional opportunity must receive a passing grade on the written examination before proceeding on to the oral. Failure to achieve a passing grade on the written examination will eliminate the person from the further testing process of that exam. The Oral Examination Board for each vacancy shall be comprised of at least three persons, one of which shall not be an employee of the City. The oral examination portion of the final grade shall be an average of all the examiners' scores. A representative of the Michigan Association of Police may, at the option of the Union, be in attendance, as an observer, during the oral interviews. The results of both the written and the oral examination score shall be combined together to reach the total aggregate score. Employees shall receive one (1) point for each year of bargaining unit seniority, which shall be added to the total score of the written and oral examination. In no circumstances, however, will a person who has achieved a failing grade after the combined written and oral examinations have been averaged together, have seniority points added to their score.

18.12 The weights for the promotional examinations are: Written examination shall count fifty (50%) percent, with the oral exam counting fifty (50%) percent.

Once the examination process is complete and the seniority points have been added to the applicable scores, the Employer will post the final standings with the person with the highest total score (written, plus oral, plus seniority) at the top of the list, the person with the second highest score next on the list, etc. The Employer shall promote from the top of the promotional list. If the person at the top of the list declines the promotion, the promotion shall be offered to the next person on the list; however, the employee who declines the promotion will remain on the list. The list will stay in effect for two (2) years from the date the results have been certified. Any future promotions that come within this two (2) year period shall be made from the list. If the Employer creates a new classification that properly falls within this bargaining unit during the term of this contract, the parties agree to negotiate the weights for the promotional exam.

18.14 When filling a vacancy in the position of Secretary to the Chief, the above-referenced process will be followed with the exception that the Chief of Police will have the right to select from the top three on the promotional eligibility list as well as all interested current Administrative Secretaries.

18.15 Layoffs.

- A. In the event there is a reduction in personnel, layoffs will be by Seniority within the Bargaining Unit. The president shall be the last to be laid off in the event of reduction of the work force.
- B. The Employer will notify the Union, in writing, fifteen (15) days prior to the anticipated date of any layoffs within the Bargaining Unit.
- C. However, before any regular, full-time employees are laid off, the following is the order in which employees are to be laid off first.
  1. Temporary part-time employees performing bargaining unit work.
  2. Temporary full-time employees performing bargaining unit work.
  3. Probationary employees performing bargaining unit work.
- D. Employees to be laid off may exercise their Bargaining Unit Seniority for bumping purposes as follows:
  1. Employees faced with layoff who have greater seniority than employees within the same classification may first bump a less senior employee in the same classification within the Bargaining Unit.
  2. If bumping is not possible, as outlined in (1) above, employees faced with layoffs who have greater seniority may bump a less senior employee within another classification with the same or lower maximum salary provided they meet the minimum qualifications and can perform the work.
  3. Employees bumping into another classification shall serve a thirty (30) day trial period. If the employee is unsuccessful with this bump, the employee may bump only one more time. They may bump the least senior employee within another classification with a lower maximum salary, provided that they meet the minimum qualifications of that classification and can perform the work. If this bump is unsuccessful, the employee will be laid off subject to recall rights. Employees who are unsuccessful in exercising their bumping privileges will be laid off from their original classification.

30.4 Should a full paid holiday fall on Saturday, then the Friday preceding that day will be taken as paid holiday; and if the full paid holiday falls on a Sunday, then the Monday following shall be taken as a paid holiday.

30.5 No Union employee shall be required to work on Labor Day, except in case of emergency.

30.6 Holidays recognized by Section 1 of this Article that fall within an employee's paid leave period will not be considered as part of a paid leave and shall be taken by extending the paid leave one (1) day for each such holiday or credited an additional day at the discretion of the supervisor.

ARTICLE 31

Salary and Wages

31.1 The pay ranges and steps in Appendix A will apply to classifications as indicated effective July 1, 2006. Advancement to the next step in the range assigned to the class (if steps are left) will be at increments of six (6) months from the last regular step raise until the top step is reached. The steps in Appendix A reflect an increase of 2.75% in 2006, and 3.0% in each thereafter (i.e., 2007, 2008, 2009, and 2010).

31.2 The Technical Secretary assigned the additional duties of assisting the Prosecutor will receive twenty (20) cents per hour above the regular pay for this classification.

31.3 New employees or newly promoted employees will normally start at the first step shown in the range or at the first step that provides an increase and progress.

31.4 The following allocation listing in no way dismisses Management's right to change duties and responsibilities assigned to positions and therefore cause possible changes in class assignments to positions.

ARTICLE 32

Shift Allowance

32.1 Employees in the Unit who are required to work either the afternoon or midnight shift shall be paid a shift allowance of 35¢ per hour.

32.2 The afternoon shift is defined as those normally construed to fall within the time frame from 3:30 p.m. to midnight, and the midnight shift from midnight to 8:30 a.m.

32.3 Shift allowance will be paid only for the normal shift and not for overtime worked.

ARTICLE 29

Funeral Leave

29.1 An employee shall be entitled to pay for up to five (5) calendar days, including scheduled leave days, per funeral, to make preparations for and attend the funeral and burial of, and to take care of matters subsequent to the burial caused by the death of the following members of the employee's family: spouse, parents, including father-in-law and mother-in-law, children, step-children, or member residing in the employee's home. Employees shall not receive pay for any scheduled leave days that fall during a funeral leave.

29.2 When death occurs in the remainder of the immediate family, i.e., sister, brother, sister-in-law, brother-in-law, grandparents or grandchildren, payment will be authorized for up to three (3) working days. If the funeral for the above is to be held more than 250 miles from the metropolitan Detroit area, leave will be granted for up to five (5) calendar days.

29.3 For the purposes of the above paragraphs, it is understood that the time off after the funeral under these provisions is only allowed if the employee has to take care of personal or business matters which were caused by the death of the member of their immediate family.
