## PREAMBLE

THIS AGREEMENT, made and entered into on the day the contract is signed, by and between THE OTSEGO COUNTY BOARD OF COMMISSIONERS, of Otsego County, Michigan, Sheriff, Otsego County, Michigan, hereinafter referred to as the EMPLOYER and POLICE OFFICERS LABOR COUNCIL, hereinafter called the Union, and COLLECTIVELY are the PARTIES.

WITNESS:

WHEREAS, the above parties are desirous of facilitating peaceful adjustment of all grievances which may arise from time to time between the Employer and Employee; and

WHEREAS, the parties are desirous of promoting and improving peaceful employee, employer and economic relations between the parties.

NOW, THEREFORE, in consideration of the mutual covenants and agreements as contained herein, the parties agree as follows:

### ARTICLE I - RECOGNITION, AGENCY SHOP AND DUES

Section 1. The Employer recognizes and acknowledges that the Union is the exclusive collective bargaining representative for those classifications of employees covered by this Agreement and listed in the attached Schedules.

Section 2. Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain, or drop their membership in the Union, as they see fit. Neither party shall exert any pressure on or discriminate against an employee regarding such matters.

- A. The Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union.

It is agreed that each employee in the bargaining unit pay his/her own way and assume his/her fair share of the obligation along with the grant of equal benefit contained in this Agreement, including dues or service.

- B. In accordance with the policy in paragraph (1) and (2) of this Section, all employees in the bargaining unit shall as a condition of continued employment, pay to the Union, the employee's exclusive collective bargaining representative, an amount of money equal to that paid by other

employees in the bargaining unit who are members of the Union, which shall be limited to an amount of money equal to the Union's dues. For present regular employees, such payments shall commence thirty-one (31) days following the effective date of the execution of this Agreement or employment, whichever is the later.

- C. The Union shall indemnify, defend and save the County harmless against any and all-claims, demands, suits or other forms of liability arising out of or by reason of action taken or not taken by the County under this Article.

## **ARTICLE II - DEDUCTION OF DUES / FEES**

Section 1. During the period of time covered by this Agreement, the Employer agrees to deduct from the pay of employees all dues and fees of the Police Officers Labor Council, provided, however, that the Union presents to the Employer authorizations, signed by such employee allowing such deductions and payments to the Police Officers Labor Council. This may be done through the Steward of the Union.

Dues will be remitted to: 667 E. Big Beaver, Suite 205, Troy, MI 48083

## **ARTICLE III - PROBATIONARY PERIOD, UNIT WORK, TRAINING**

Section 1. A new employee shall work under the provisions of this Agreement but shall be employed on a twelve (12) month trial basis, during which he/she may be discharged without recourse to the contractual grievance procedure, provided, however, that the Employer may not discharge or discipline for the purpose of evading this Agreement or discriminating against Union members. After twelve (12) months, the employee shall be placed on the regular, (non-probationary) seniority list as of date of hire. In case of discipline the Employer shall notify the local Union in writing. Time lost by the employee shall be added to the twelve (12) month probationary period except that absence from the job due to Employer sponsored schooling or training or for personal leave of absence inclusive of illness in any form for up to twenty (20) days shall not constitute time lost. A unit employee rehired after layoff for greater than his loss of seniority period (Article VII -Section 6c) will only have to complete a new six (6) month probationary period if prior to the employee's layoff he had already satisfied the original probationary period set forth above.

Section 2. The Employer recognizes the skills required of the Police Officer. The Employer further recognizes that in the event it becomes necessary by law, public demand or desirable at Employer's discretion to improve and upgrade methods, procedures and/or equipment of the personnel in the Department, the County agrees to

provide all schooling, training or other method of upgrading the personnel while on County time.

(This includes training with all firearms.) The County also agrees to keep First Aid and C.P.R. certifications held by members of the bargaining unit in a current status. It is understood that such training is to be scheduled by the Sheriff so as not to interfere with the functioning of the Department or to result in overtime payment to bargaining unit members.

#### **ARTICLE IV - WAGES**

Attached hereto and marked Schedules are schedules showing the classification and wage rates of the employees covered by this Agreement. Said Schedules further set forth the hours of work, regular working conditions, and other details of employment. It is mutually agreed that said Schedules and the contents thereof shall constitute a part of this Agreement.

#### **ARTICLE V - SUBCONTRACTING**

For the purpose of preserving work and Job opportunities for the employees covered by this Agreement, the employer solely agrees that no work or services hereafter, but not previously assigned to any classification or division of the bargaining unit or other county employee will be subcontracted, transferred, leased, assigned or conveyed in whole or part to any other person or non-unit employees, if it would cause a lay-off or loss of pay to any of its present employees in the bargaining unit at the date of this contract. Excluded from the above are all functions previously performed by non-unit employees as well as at times unit employees. In sum, the parties intent is to maintain the status quo and accordingly, these functions can continue to be performed by such non-unit employees as in the past. Additionally, it is agreed that if the hiring of any additional non-supervisory employees over and above the normal complement for the position to perform these functions in and of itself would directly and immediately cause the layoff of a bargaining unit employee, then the position shall be offered to such employee to be laid-off before the additional employee is employed. It is further agreed that if the employee to be so laid-off accepts such position he/she shall be paid at the rate of such position and not his/her rate of pay prior to being laid-off unless his/her rate of pay at time of layoff is lower.

## **ARTICLE VI - EXTRA CONTRACT AGREEMENTS**

The Employer agrees not to enter into any agreement with another labor organization during the life of this Agreement with respect to the employees covered by this Agreement; or any agreement or contract with the said employees, individually or collectively, which in any way conflicts with the terms or provisions of this Agreement, or which in any way may be considered a proper subject for collective bargaining. Any such agreement shall be null and void.

## **ARTICLE VII - SENIORITY**

Section 1. Seniority shall be defined for the purpose of the Agreement to mean the length of an employee's continuous service with the Department from his/her last permanent hiring date.

Section 2. Classification seniority shall prevail in the layoff and recall of employees. An employee so laid off shall have the right to bump into a lower contractual classification based upon seniority and the ability to perform the work of the new classification without necessity of training. Said employee shall assume the wage rate of the applicable wage grade within the lower classification. The affected employee shall have the right to accept layoff in lieu of bumping rights.

Section 3. In the event, it becomes necessary to reduce the work force because of lack of work or other legitimate cause, all probationary and part-time workers shall be laid off before any member of the bargaining unit who has reached seniority status. Recall from layoff shall be in inverse order of layoff. In the layoff and rehiring of laid off personnel, the particular work performed by said employee shall be considered as an important factor. The Union and the Employer shall jointly decide the extent to which "work performed" shall hold weight in determining the layoff and rehire of personnel.

Section 4. An employee, upon recall from layoff, may be required to take a physical examination by a County-designated doctor at County expense if said employee has been on layoff for a period of thirty (30) calendar days or more to determine whether a condition has arisen since the layoff which would prevent the employee from returning to work due to inability to perform the full scope of duties required of the classification.

Section 5. The Employer shall post a list of the employees arranged in order of their classification seniority. This list shall be posted in a conspicuous position at the place of employment.

Section 6. Seniority shall be broken and the employee terminated by:

- A. Discharge.
- B. Voluntary quit.
- C. Layoff for a period of one (1) year or length of seniority whichever is the lesser.
- D. Failure to return from leave of absence or vacation without proper excuse.
- E. Retirement.
- F. Absence for one (1) or more consecutive scheduled workdays without notification to the Employer unless there are mitigating or extenuating circumstances.

Section 7. In the event of a layoff, an employee so laid off shall be given two (2) weeks notice of layoff and recall to work, mailed to his/her last known address by certified mail. If, in the event of recall the employee fails to make himself/herself available for work at the end of said two (2) weeks, he/she shall lose all seniority rights under this Agreement and be terminated. Exception can be made due to extenuating circumstances acceptable to the employer.

Section 8. The Steward shall be granted super-seniority for purposes of layoff and rehire providing he/she has the ability and qualifications to do the available work.

Section 9. An employee in a classification subject to the jurisdiction of the Union, who has been in the past or will in the future be promoted to outside the bargaining unit, and is thereafter transferred or demoted to a classification subject to the Jurisdiction of the Union shall not accumulate seniority while working in a supervisory position, beyond twelve (12) months from date of promotion. The same seniority continuation will be applicable to a bargaining unit employee who is elected to the office of Otsego County Sheriff. The employee who is so transferred or demoted, or the Sheriff at the conclusion of his/her service as such, shall commence work in a job generally similar to the one he/she held at the time of his/her promotion and he/she shall maintain the seniority rank he/she had at the time of his/her promotion plus a maximum of twelve (12) months as referenced above. It is further understood that no temporary demotions in supervisory positions will be made during the temporary layoffs.

Section 10. Members of the bargaining unit elected and/or appointed to any public office outside the Sheriff's Department which conflicts with his/her ability to perform his/her duties shall be considered as having resigned.

Section 11. It shall be the responsibility of each employee to notify the Department of any change of address or telephone number. The employee's address as it appears on the Department's records shall be conclusive when used in connection with the layoff, recall or other notices to employees.

### **ARTICLE VIII - DISCHARGE OR SUSPENSION**

Section 1. The Employer shall not discharge or suspend any employee without Just Cause. In the event that Just Cause is established, the Employer agrees that discipline, in general, is intended to be corrective, as well as punitive.

Section 2. Employee written reprimands shall not remain in effect for a period of more than two (2) years from the date of such reprimand when referenced for the purpose of subsequent disciplinary action. The employee and Union Representative must be notified of an employee suspension or discharge. Any suspension or discharge can be contested by the timely filing of a grievance at Step 2 of the current Grievance Procedure.

Section 3. Any employee shall have the right to examine any and all personnel files maintained by the Employer regarding said employee (with the exception of employment letters of recommendation), upon written request during the normal business hours construed to be 9:00 a.m. to 5:00 p.m., Monday through Friday, excepting recognized holidays.

### **ARTICLE IX - GRIEVANCE PROCEDURE**

Section 1. It is mutually agreed that all grievances, disputes or complaints arising under and during the terms of this Agreement shall be settled in accordance with the procedure herein provided. Every effort shall be made to adjust controversies and disagreements in an amicable manner between the Employer and the Union.

Section 2. Should any grievance, disputes or complaints arise over the interpretation of application of the contents of this Agreement, there shall be an earnest effort on the part of the parties to settle such promptly through the following steps:

Step 1. By conference between the aggrieved employee, the Steward, or both, and the Sheriff. If not settled in this manner, it shall be the responsibility of the aggrieved to reduce any grievance to writing on the regular grievance form provided by the local Union within five (5) working days of the alleged grievance,

and deliver same to the Sheriff who shall render his/her written response within seven (7) working days thereafter. The time limits to this sub-section can be extended by mutual agreement of the Union and the Sheriff.

Step 2. In the event the grievance is not settled in Step 1, the Steward shall have five (5) working days to forward the grievance to the County Administrator or in his/her absence, to the Chairman of the County's Personnel Committee. A meeting shall be scheduled within ten (10) working days between the grievant, Steward and Union Official (optional), the Sheriff, and the Chairperson of the Personnel Committee. The Personnel Committee or its designate shall issue a written response within five (5) workdays after the meeting. The time limits relative to this subsection can be extended by mutual agreement of the Union and the Administrator and/or Chairperson of the Personnel Committee.

Step 3. If the grievance has not been settled in Step Two (2), the parties, or either party, may submit such grievance to arbitration provided such submission is made within ten (10) working days after receipt of the last step answer. All matters submitted to arbitration shall be submitted to either the Michigan Employment Relations Commission or the Federal Mediation and Conciliation Service in accordance to the respective Rules and Regulations, then existing, within the time specified above and such rules shall govern the arbitration hearing. The Arbitrator shall have no power or authority to alter, amend, add to or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the Arbitrator and that the costs of any arbitration proceeding under this provision shall be borne equally between the parties except that each party shall pay the expenses of its own witnesses.

Section 3. It is further agreed that in all cases of any unauthorized strike, slow-down, walk-out or any unauthorized cessation of work, the Union shall not be liable for damage resulting from such unauthorized acts of its members. While the Union shall undertake every reasonable means to induce such employees to return to their Jobs during any such period of unauthorized stoppage of work mentioned above, it is specifically understood and agreed that the Employer during the first twenty-four (24) hours of such unauthorized work stoppage will have the sole and complete right of discipline including discharge.

Section 4. Any grievance settlement reached between the Employer and the Union shall be reduced to writing and is binding on grievants affected and cannot be changed by any individual.

Section 5. In the event disciplinary action is taken resulting in loss of pay and the Union prevails in arbitration, the Arbitrator, in the event he/she awards back-pay, may also assess interest penalties on wages withheld by the Employer.

Claims for back wages shall be limited to the amount of wages the employee would otherwise have earned, less any unemployment or other compensation that he may have accrued from any source during the period of back pay.

Section 6. The County shall not be required to pay back wages or any monetary amount for any period more than ten (10) days prior to the date the written grievance is actually filed.

### **ARTICLE X - STEWARDS**

The Employer recognizes the right of the Local Union membership to elect one (1) Steward and one (1) alternate from the Employer's seniority list. The authority of the steward and alternate so elected by the Local Union shall be limited to, and shall not exceed, the following duties and activities:

1. The investigation and presentation of grievances with his/her Employer or the designated County representative in accordance with the provisions of the collective bargaining agreement during working hours without the loss of pay;
2. The transmission of such messages and information, which shall originate with, and are authorized by the Local Union or its officers.

The Steward and alternate have no authority to take strike action, or any other action interrupting the Employer's business. The Employer shall have the authority to impose proper discipline, including discharge, in the event the Steward has taken unauthorized strike action, slow-down, or work stoppage in violation of this Agreement. The Steward shall be permitted time to investigate, present and process grievances on the Employer's property without the loss of time or pay, without disclosure until the investigation is complete, during his/her regular working hours. In each and every instance where such time is required, the length of time and the time period within the working hours shall be agreed upon previously by the Steward and the Employer Representative. Permission for extension must be secured from the Employer. Failure to comply with this provision shall result in the complete loss of seniority rights and discharge of the employee involved. Inability to work because of proven sickness or injury shall not result in the loss of seniority rights except as per Section 5 of this Article.

The Employer shall make a diligent effort to notify the Local Union upon the granting of such leaves.

The Employer agrees to grant time off not to exceed a total of three (3) days in any one calendar year for the unit, without discrimination or loss of seniority rights and without loss of pay, to any employee designated by the Union to attend a labor convention, or serve in any capacity on other official Union business, provided one (1) weeks written notice is given to the Employer by the Union, specifying length of time off for Union activities. Due consideration shall be given to the number of employees affected in order that there shall be no disruption of the Employer's operations due to lack of available employees or the creation of a condition which would necessitate overtime pay for an employee filling the position created by such time off.

Section 3. For loss of time due to illness or injury not incurred in the line of duty, the Employer will continue to provide Life Insurance and Hospitalization benefits to eligible employees during the period within which the employee exhausts accumulated sick leave benefits, and for four (4) months thereafter.

This verification must be presented on or before the twelfth (12th) month of the first year.

Section 8. Family Medical Leave Act. The parties agree to comply with the Family Medical Leave Act. It is further agreed that the Employer may require exhaustion of all paid leave prior to taking unpaid leave, except for two (2) personal leave days which may be retained at the employee's option. If the employee has an obligation to pay part of their health care premiums as of the time of the FMLA leave, the employee must make provisions with the payroll department to continue such payments during the leave. Employees, if requested will be required and will submit a report from a doctor following a prolonged illness or injury indicating that he/she is physically able to do work available before his/her return to work.

BY AND BETWEEN  
THE OTSEGO COUNTY BOARD OF COMMISSIONERS, THE OTSEGO COUNTY  
SHERIFF AND THE OTSEGO COUNTY LABOR UNIT OF  
THE POLICE OFFICER LABOR COUNCIL**

**August 16, 2006**

In that both the Otsego County Sheriff and the Local Unit of the Police Officers Labor Council are desirous of implementing a trial period involving a work schedule that initiates two shifts comprised of twelve hours per shift, the following temporary agreement is implemented:

Effective immediately, and continuing through an indefinite period, twelve (12) hours shifts will be in effect for all Road Patrol Officers.

Officers scheduled to work on a particular day will only be eligible for overtime pay after having completed their scheduled (12) twelve hour shift. The call-in overtime policy will remain as in the current Labor Agreement.

Officers scheduled to work on a designated holiday shall receive straight time holiday pay for the number of hours they are scheduled to work as well as overtime pay for all hours worked. For the purposes of this agreement, it is agreed that any contiguous hours of a shift, scheduled to begin on a designated holiday, will be paid at the overtime rate. All officers working in excess of twelve hours, the initiation of which occurred on a designated holiday, will be paid at the double time rate. Officers not working on a designated holiday will receive eight (8) hours of holiday pay at the straight time rate as in the past.

Personal and vacation time will be computed and deducted at an hourly rate, and reflect actual hours earned and /or used.

Court time will continue to be paid in the manner set forth in the current Labor Agreement.

Officers may, by mutual agreement, and with the consent of the Sheriff, exchange shifts where such a change would not cause additional expense or disruption to the Sheriff Department operations.

Shift assignment is to bid by seniority/classification seniority barring a good cause objection by the Sheriff.

It is specifically the intent of all parties that this agreement extend indefinitely. Either party (The Otsego County Sheriff or the Local Unit of the Police Officers Labor Council) may unilaterally end the terms of this agreement and return to the prior scheduling practice without further consequence, by advising the other party in writing forty-five (45) days prior to the reversion. Either party, for good cause, may re-visit the agreement at any time.

It is the mutual intent of both parties that those matters inadvertently not addressed in this agreement which arise during the effective time of the agreement, be settled by negotiations between the Sheriff, the County and the Labor Unit. In such an event, barring a mutual consent agreement, all terms of the current Labor agreement remain in effect and enforceable by the means set forth therein.
