4.5: The Union shall notify the Employer in writing of the proper amount of dues, initiation, and service fees and any subsequent changes in such amounts.

4.6: If a dispute arises as to whether or not an employee has properly executed or properly revoked a written check off authorization form, no further deductions shall be made until the matter is resolved.

4.7: The Employer shall not be liable to the Union by reason of the requirements of this Article of the Agreement for the remittance of payment of any sum other than that constituting actual deductions made from employee wages, and the Union agrees to hold the Employer harmless for any and all claims arising out of its agreement to deduct dues and initiation fees.

8.1: Arbitration Request. If the grievance is not satisfactorily resolved in Step 111, the Union may request arbitration by notifying the office of the County Clerk in writing within twenty (20) days after receipt of the Employer's answer in Step 111. from the parties, the arbitrator acknowledges his limitations of authority and agrees not to decide an issue which is outside of his jurisdiction under this Agreement. The arbitrator recognizes that the Employer is governed by certain laws of the State of Michigan, and the arbitrator agrees that this Agreement shall be interpreted and construed consistent with such laws. For suspensions under five (5) days, the record will be retained for twenty-four (24) months, provided there are no further disciplines for the same or similar offense. Suspensions of five (5) days or more will be permanent records.

9.4: Disciplinary Meetings. Whenever practicable, the Sheriff or his designee will meet with the employee involved and his Union Representative prior to the employee's suspension or discharge.

9.5: Suspensions Pending Investigation. The Sheriff or his designated representative may suspend an employee pending

If the investigation discloses that the employee did not commit the alleged offenses, he shall not suffer any loss of pay or benefits while on suspension. Time limitations provided for in the Grievance Procedure set forth in this Agreement shall not begin to run, or shall any grievance be processed or filed, until the employee receives notification of what disciplinary action, if any, will be imposed as a result of the suspension pending investigation. The Employer, in ordinary circumstances, will give a written statement to the employee suspended pending investigation and to a steward setting forth in general terms the reasons for the suspension pending investigation.

9.6: Notice of Disciplinary Action. At the time of the disciplinary suspension or discharge of a non-probationary employee, the Employer will notify a Local Union Representative in writing of the reasons therefore and will, within the same period of time, cause a copy to be issued to the employee involved.

- C. He is absent from work, including the failure to return at the expiration of a leave of absence, vacation, layoff, or disciplinary layoff for five (5) consecutive working days without notifying the Sheriff, excepting extenuating circumstances. - E. He is convicted of or pleads guilty or nolo contendere to a felony (excepting an out-of-state concealed weapons charge) or on-duty work-related misdemeanor involving dishonesty or theft;

Further layoffs from the affected classification or rank shall be accomplished by the inverse order of seniority, provided, however, that remaining senior employees have the experience, ability, and training to perform the required work.
 1. For purposes of this article only, the seniority list shall only have the classifications of "A" sergeants and "B" lieutenants.
- C. 13.3: Recall. Employees who have been laid off or who have been demoted at their request in lieu of layoff, shall be recalled to their former classification or rank in order of their seniority when the work force is to be increased, provided that the employee has not lost his seniority.

13.4: Notification of Recall. Notification of recall from layoff shall be sent by certified mail, return receipt requested, to the employee's last known address. The notice shall set forth the date the recalled employee is expected to return to work. reinstated in their former position or to the same grade and step level when he/she is ready to return to work. That decision will be at the discretion of the Employer. The twelve (12) week guaranteed period shall be extended for up to twelve (12) months if a medical doctor selected by the County confirms the need for continued leave. However, if the necessity for the continued leave is not confirmed by the County designated physician, or is disputed under section 14.1L the employee shall;

1. Immediately return to work if a third physician selected under section 14.1L does not confirm the need for the continued leave; or

 3. Shall be placed on lay off status, if they are medically able to return, but there are not available vacant positions which they are qualified to fill.
- I. Notice. For leave taken due to the birth of a child or the placement of the child with the employee, and where the leave is foreseeable based on the expected birth or placement, the employee shall provide the Employer with not less than thirty (30) days notice before the date the leave is to begin, except that if the date of the birth or placement requires leave to begin in less than thirty (30) days, the employee shall provide such notice as soon as practicable. When the employee's leave is due to care of a spouse, child or parent or to the employee's serious health condition and the leave is foreseeable based on planned medical treatment, the employee:
1. Shall make a reasonable effort to schedule the treatment so as not to unduly disrupt the operations of the Employer, subject to the approval of the health care provider and;

2. Shall provide the Employer with not less than thirty (30) days notice before the date leave is to begin, except that if the date of treatment requires leave to begin in less than thirty (30) days the employee shall provide such notice as is practicable.

1. The date on which the serious health condition commenced;
 2. The probable duration of the condition;
 3. The appropriate medical facts within the knowledge of the health care provider regarding the condition;
 4. When applicable, a statement that the eligible employee is needed to care for child, spouse or parent and an estimate of the amount of time that the employee is needed to provide such care;
 5. When applicable, a statement that the employee is unable to perform the functions of the position of the employee;
 6. In cases of certification of intermittent leave or leave on a reduced leave schedule for planned medical treatment, the dates on which the treatment is expected to be given and the duration of the treatment;
 7. In cases of intermittent leave or leave on a reduced schedule due to an employee's serious health condition, a statement of the medical necessity for the intermittent leave or leave on a reduced schedule and

the expected duration of the intermittent leave from the leave schedule; and

- K. Second Opinion. In any case where the Employer has reason to doubt the validity of the certification as outlined above, the Employer may require, at the Employer's expense, if not covered by insurance, that the eligible employee obtain the opinion of a second health care provider designated or approved by the Employer concerning any information certified by the original certification. The provider of the second opinion shall not be employed on a regular basis by the Employer.

- L. Resolution of Conflicting Opinions. When the second opinion described above differs from the opinion in the original certification, the Employer may require, at the expense of the Employer, if not covered by insurance, that the employee obtain the opinion of a third health care provider designated or approved jointly by the Employer and the employee concerning the information certified above. The opinion of the third health care provider shall be final and binding on both Employer and employee.

- M. Subsequent Re-certification. The Employer may require that the eligible employee obtain subsequent medical re-certifications on a reasonable basis.

14.2: Military Leave.

- A. Any employee who enters active military service of the Armed Forces of the United States, National Guard, or Reserve shall receive a leave of absence without pay for the period of such

duty. DRUG TESTING POLICY

I. PURPOSE

The purpose of this order is to provide all employees with notice of the provisions of the departmental drug testing program.

II. POLICY

It is the policy of this department that the critical mission of law enforcement justifies maintenance of a drug-free work environment through the use of a reasonable employee drug testing program.

The law enforcement profession has several uniquely compelling interests that justify the use of employee drug testing. The public has a right to expect that those who are sworn to protect them are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances and other forms of drug abuse will seriously impair an employee's physical and mental health and, thus, job performance.

Where law enforcement employees participate in illegal drug use and drug activity, the integrity of the law enforcement profession and public confidence in that integrity are destroyed. This confidence is further eroded by the potential for corruption created by drug use.

Therefore, in order to ensure the integrity of the department and to preserve public trust and confidence in a fit and drug free law enforcement profession, this department will implement a drug testing program to detect prohibited drug use by all employees on January 1, 2003.

III. DEFINITIONS

- A. Employee - All personnel of the department including all full time, part-time and seasonal employees.
- B. Supervisor - Those employees assigned to a position having day-to-day responsibility for supervising subordinates, or who are responsible for commanding a work element.

- C. Drug Test - The compulsory or voluntary production and submission of urine, in accordance with departmental procedures, by an employee for chemical analysis to detect prohibited drug usage.
- D. Reasonable Suspicion - That quantity of proof or evidence That is more than a hunch, but less than probable cause. Reasonable suspicion must be based on specific, objective facts and any rationally derived inferences from those facts about the conduct of an employee. These facts or inferences would lead the reasonable person to suspect that the employee is or has been using drugs while on or off duty.
- E. Probable Cause - That amount of facts and circumstances within the knowledge of a supervisor or the administration which are sufficient to warrant a prudent person to believe it is more probable than not that an employee is or has been using drugs while on or off duty.
- F. Probationary employee - For the purpose of this policy only, a probationary employee shall be considered to be any person who is conditionally employed with the department as a recently hired employee.
- G. MRO - Medical Review Officer - The medical review officer is a physician knowledgeable in the medical use of prescription drugs and the pharmacology and toxicology of illicit drugs. The MRO will be a licensed physician with knowledge of substance abuse disorders. The MRO shall have appropriate medical training to interpret and evaluate an employee's test results in conjunction with his or her medical history and any other relevant biomedical information.
- H. Last Chance Agreement - A standard letter of conditions for continued employment that is offered by the Sheriff, or the right to same is invoked by an employee under certain conditions outlined in this order, after it has been determined that the employee has violated this order.

 - a. The Sheriff or his designee shall determine the frequency and timing of such tests.

The employee shall be permitted no more than eight hours to give a sample. During that time the employee shall remain in the testing area, under observation. Reasonable amounts of water may be given to the employee to encourage urination. Failure to submit a sample shall be considered a refusal to submit to a drug test except for good cause as determined by the M.R.O.
 6. The urine sample will be split and stored in case of legal disputes. The samples must be provided at the same time, and marked and placed in identical specimen containers by authorized testing personnel. One sample shall be submitted for immediate drug testing. The other sample shall remain at the facility in frozen storage. This sample shall be made available to the employee or his labor association representative prior to disciplinary action, should the original sample result in a legal dispute. Phencyclidine	25
Amphetamines	1000

Cocaine metabolite 150**
Opiates:
Morphine 300+

* Delta-9-tetrahydrocannabinol-9-carboxylic acid **
Benzoyllecgonine
+ 25ng/ml if immunoassay-specific for free morphine
Barbiturates 300

6. The initial and confirmatory test cutoff levels of this order are the same as that of the united states government which were published in the Federal Register, volume 54, number 230, dated December 1, 1989.
7. The laboratory selected to conduct the analysis shall be experienced and capable of assuring quality control, documentation, chain-of-custody, technical expertise and demonstrated proficiency in urinalysis.
