Deductions shall become effective the first (1st) day of the month following the month the authorization is delivered to the Employer and shall be deducted from the second pay of the month and each month thereafter. An Employee shall cease to be subject to check-off deductions beginning with the month immediately following the month in which she/he is no longer a member of the Bargaining Unit. An Employee who declines to sign the proper authorization card shall pay his/her dues or fees directly to the Treasurer of the Union. The Union Treasurer shall advise the County Personnel Division of the amount of fees and monthly dues to be deducted, (which shall not be computed on the basis of a percentage of earnings) and the Union agrees that fees and monthly dues amounts shall not be changed more than once every 12 months.

The Union will invoice the employer, monthly in advance, by union member, for the amount of dues required and will accept payment from the employer by electronic funds deposit, if such payment method is required by the employer, and compatible with the Union's ability to receive such payment.

In the event an Employee has no pay due or insufficient pay to permit the deduction on the second pay of the month, the deduction shall be made on the second pay of the next following month. The Employer shall not be liable for the remittance or payment of any sums other than those constituting actual deductions made. If for any reason it fails to make a deduction for any Employee as above provided, it shall make that deduction from the Employee's next pay in which such deduction is normally deducted after the error has been called to its attention by the Employee or the Union.

The Employer agrees to cooperate with the Union in identifying new and terminated Employees and those with insufficient pay to permit Union dues deduction.

In the event that a refund is due any Employee for any sums deducted from wages and paid to the Union, it shall be the responsibility of such Employee to obtain the appropriate refund from the Union.

The parties shall engage in good faith bargaining for the purpose of arriving at a mutually satisfactory resolution. The Employer shall not unilaterally implement any changes in the insurance benefits provided herein, or the carriers thereof, unless there is an agreement thereto by the Union, or a bonafide impasse reached on the issues exists.

All costs associated with a New Employee's election to purchase a plan other than PPO8 shall be borne exclusively by the affected New Employee and the County shall incur no costs or expenses whatsoever related to any New Employee's election to choose a plan other than PPO 8. The Employee shall cooperate with the Employer should an Employer's physician examination be requested by the Employer. Reasonable post exam treatment orders must be followed.

The Employer shall maintain the right to remain in communication with an Employee who is absent due to a compensable injury to determine the nature of the disability, prognosis and expected date of return.

The County reserves the right to provide fringe benefits as allowed by appropriate workers compensation rules, regulations or law. Fringe benefits which will continue for one year are Health, Dental, Vision and Life insurance with appropriate co-pays required.

Section 7.5 - Continuation Upon Retirement for CURRENT EMPLOYEES only

Retirees and authorized covered dependents shall be able to continue with the current plan in which they are enrolled at the time of retirement (either Community Blue 1 or PPO Option 8, Blue Preferred Program; and possibly other plans that may be offered by the Employer) or provided comparable coverage. There will be no opportunity to switch to other existing group health options at the time of or during retirement. An Employee who retires under this Agreement shall contribute to the payment of the health insurance premium required for coverage of the Employee. Part-time Employees are ineligible for health insurance upon retirement.

Employees who retire or terminate employment, and who are eligible for health insurance coverage, may elect to receive a monthly stipend of one hundred fifty dollars (\$150) per month in lieu of said coverage, provided that they are not covered under a County paid health plan. This election is irrevocable.

Current Employees may make an irrevocable election to refuse the retirement health insurance provided in this section and instead choose the RHS Plan described in section 7.5A below for New Employees. Current Employees making this election to the RHS Plan shall never be eligible for the retirement health insurance provided in this section or any other retirement health insurance provided by the County at any time in the future. Current Employees who refuse retirement health insurance and elect the RHS Plan shall be paid a one-time incentive of fifteen thousand dollars (\$15,000.00) by the County. This paragraph shall expire and be null and void one (1) year after the effective date of this Agreement.

Section 7.5A Retirement Health Care Savings Program for NEW EMPLOYEES.

NEW EMPLOYEES shall not be eligible for retirement health insurance provided under Section 7.5 above or any other retirement health insurance that may be provided by the County in the future. NEW EMPLOYEES and those employees previously enrolled in the former RHS plan shall thereby be enrolled in an employer-sponsored Health Care Savings Program (HCSP) per the Employer's agreement with MERS. The County will contribute 1% of enrolled employees' salary to the HCSP and those enrolled are mandated to contribute a percentage of their salary ranging from 0.25% to 10%. This amount may be increased at any time, but never decreased, per the HCSP's rules. Other mandatory pre-tax contributions and elective post-tax contributions may apply to the HCSP. See HCSP Agreement for more details.

Regular part-time employees are not entitled to nor shall they receive an HCSP account.

Section 7.6 - Medicare Complementary Coverage

The hospitalization insurance for retirees, and authorized dependents shall be converted to Medicare complementary coverage at County expense upon either the subscriber or a covered dependent becoming eligible for Medicare. It is each Employee's personal responsibility to contact the Social Security Administration regarding Medicare. The subscriber and his/her dependent must enroll for both Parts A and B of Medicare. If the plan member who becomes eligible for Medicare conversion dies before the other plan member is eligible for Medicare, the surviving plan member shall be transferred to the PPO Plan in which he/she was enrolled prior to the conversion.

Section 7.7 - Continuation Upon Layoff

In the event of layoff, an Employee's hospitalization/medical and life insurance shall be continued at the Employer's expense for a period of sixty (60) days from the end of the month in which the Employee last worked.

Section 7.8 - Continuation Upon Leave of Absence

Life insurance shall continue in force for a period of up to six months from the first day of

the month in which a leave of absence commences for all leaves of absence other than service in the armed forces. Health and Dental insurance shall be continued during an Employee's absence as a result of being off work and receiving disability benefits.

Section 7.9 - Health and Dental Insurance

With respect to the insurance coverage designated in Section 7.1 and Section 7.3 of this Article, it is agreed that Employees shall pay ten percent (10%) of the cost of the Community Blue 1 health plan and dental insurance, and zero percent (0%) of the cost of the PPO8 Health Plan. The Employer shall pay the remaining premium; provided, however, the Employee shall be responsible for the additional cost of sponsored dependent riders (Dependent over age 19 is not eligible for a family continuation rider unless the subscriber provides more than half of the support of the dependent, and the dependent is related to subscriber by blood, marriage or legal adoption, and the dependent is a member of subscriber's household). Proof of the preceding may be requested by the County. Applicable rates for the year are those in effect at the beginning of the premium year. The Employee's contribution shall be changed only once each year coinciding with the beginning of the premium period, unless the Employee's dependent status changes during the year in which event the new rate will be based on the rate currently in effect for the new dependency class. Regular part-time Employees hired on or after January 1, 1996, shall not receive insurance benefits.

Section 7.10 - Option to Health Insurance Coverage

A full-time Employee upon becoming eligible to receive or presently enrolled in a County Health Insurance Program may choose to receive one hundred fifty dollars (\$150.00) for full-time Employees per month in lieu of such insurance coverage, provided however, the Employee provides proof of another source of health insurance and signs a statement attesting to said insurance coverage and further, meets other-eligibility requirements herein mentioned.

Employees and retirees shall not be eligible for dual coverage as both a sponsor and a dependent for any insurance coverage under this Agreement. Employees who are covered by another Saginaw County Employee's health care coverage are not eligible to receive the payment in lieu of coverage.

If an Employee's status changes such that he/she is no longer covered under another policy (divorce, death of spouse, change of spouses's employment status, etc.) the Employee may reenter County coverage subject to the terms and conditions of the carrier. In the event that a lapse in coverage occurs due to the Employee not notifying the Employer in a timely manner, or for any other reason not directly attributable to Employer, the Employer shall in no way be held liable for health coverage during such lapse.

Section 7.11 - Liability Insurance

The County shall provide, at no cost to the Employees, a policy of professional liability insurance to indemnify and protect Employees against liability on any claim brought against an Employee arising out of the performance of the Employee's official duties. For the purposes of this Section, official duty shall be construed to be acts done pursuant to authority conferred by law or within the scope of employment or in relation to matters committed by law to the

Employee or to the County under whose authority the Employee is acting, whether or not there is negligence in the doing of such acts. Where there is willful Employee misconduct the same shall not constitute the performance of the official duties of any Employee within the operation of this Section. The coverage provided shall be in accordance with the limits of the Saginaw County general liability insurance policy (currently at \$15,000,000) (Fifteen Million Dollars) and shall include the cost of defense, including attorney fees.

Section 7.12 - Change In Insurance Coverage

The County may select or change insurance providers carrying out the provision of this insurance coverage outlined above, providing comparable benefits at comparable or less cost to Employees are maintained.

Section 7.13 - Vision Insurance

Full time members of this bargaining unit, after the first day of the month following 180 days of service, and their dependents as defined by the Federal Internal Revenue Service, shall be eligible for vision insurance through Vision Service Plan. Employees must enroll in the program and follow the requirements of the program. Vision benefit includes eye exam, lenses and frames or contact lenses; once every 24 months. Commonly used frames and lenses are covered in full, after co-pay requirements have been met. Contact lens allowances are \$210.00 if medically necessary, and \$150.00 if elective. Fully covered services are received from participating providers. Services from non-participating providers are partially reimbursed. Co-pays are as follows: \$25.00 for eye exams and \$25.00 for lenses and frames or contact lenses.

Section 7.14. Wellness Activity Reimbursement.

The EMPLOYER shall provide wellness reimbursement to qualified employees pursuant to County Policy 353, attached hereto and incorporated herein, up to the amount of \$200 per calendar year.

Section 7.15. Blue Cross/Blue Shield Michigan Savings Refund.

Historically, the County of Saginaw receives an annual Michigan Savings Refund (Refund) from Blue Cross/Blue Shield of Michigan (BCBSM). This annual Refund has been based on physician and other medical provider settlements; pharmacy recoveries; and prescription drug rebates. The EMPLOYER agrees to provide each bargaining unit employee who is eligible to receive employer-sponsored health benefits a pro-rata share of the annual Refund on or before March 31 of the following year for "refund years" 2010, 2011 and 2012 (e.g. 2010's annual Refund share, if any, will be distributed by March 31, 2011). For purposes of this Section, "refund years" mean the 12-month periods recognized by BCBSM (historically from December 1 through November 30). The pro-rata share shall be based on the total number of County employees eligible to share the annual Refund amount. Eligibility for the pro-rata share of the Refund is contingent on the employee having been employed the entire "refund year," as no shares will be prorated.

By way of example only, using 2008's Refund in the amount of \$246,071.91, if 500 employees had been eligible to receive the annual Refund, each employee who was employed during the

entire 2008 "refund year" would have received approximately \$492 by March 31, 2009. Further, if an employee had left employment on November 29, 2008, said employee would not have been eligible for nor would he/she have received any share of the Refund for that "refund year."

The UNION acknowledges and agrees that the EMPLOYER has no control whether an annual Refund is provided by BCBSM or the amount of the annual Refund, if provided. The UNION further understands that no promises or representations have been made by the EMPLOYER as to any future amount of the annual Refund, if any.

Section 7.16. Participation in Union/Management Health Insurance Committee.

The UNION agrees to provide one representative to participate on a Union/Management Health Insurance Committee to be established by the Employer.

ARTICLE VIII

LEAVES

Section 8.1 - Time Off for Illness

(A) Should an Employee be absent because of illness during the first six (6) months of employment, such absence shall be without pay.

(B) Any Employee of the County who finds it necessary to be absent from work due to illness shall notify the Prosecutor or designee prior to the beginning of the work day. Such notice shall be given as much in advance as possible.

(C) The Employer has the right to require documentation of illness if sick leave abuse is suspected.

Section 8.2 - Leaves of Absence

(A) Employees shall be eligible to apply for a leave of absence after one (1) year of service with the Employer. A Leave of Absence is for an Employee who, in addition to personal and vacation time, requires time off from his/her employment. Such leaves shall be unpaid and without benefits unless otherwise specified. However, employees shall first be required to utilize any Paid Time Off (PTO) available to them while on an approved leave of absence. The employee may elect to maintain a maximum balance of no more than forty (40) PTO hours in his/her bank throughout the leave of absence, if requested and approved by the Prosecutor prior to approval of the leave of absence.

(B) A request for leave of absence shall be submitted in writing by the Employee to the Prosecutor. The request shall state the reason the leave of absence is being requested and the approximate length of leave the Employee desires. The Prosecutor may approve or deny the leave of absence.

(C) Authorization or denial for a leave of absence request shall be furnished to the Employee by the Prosecutor, and it shall be in writing stating the reason for denial, if applicable.

(D) An Employee on an approved leave of absence will continue to accumulate seniority, however, the Employee's next Anniversary Date, as hereinafter defined, for the purpose of implementing salary step increases, shall be delayed by the length of the leave of absence.

(E) Further extension beyond the return date designated may be granted by the Prosecutor.

(F) Any gainful employment during a leave of absence must be approved in advance by the Prosecutor.

(G) It shall be the duty of the Employee to keep the Prosecutor informed of his/her current address and telephone number at all times, while on leave of absence.

Section 8.3 - Military Leave

Except as herein provided, the re-employment rights of Employees and Probationary Employees after military service will be limited by applicable laws and regulations. However, regular employees involuntarily called to active military duty shall have the same benefits as those afforded to non-union employees in County Policy No. 363, as amended on October 25, 2005.

Section 8.4 - Jury Duty

Employees shall be granted a leave with pay when they are required to report for jury duty. Employees shall be paid the difference between any jury duty compensation they receive and their regular wages for time spent in jury service. Seniority will continue to accrue to the Employee while on jury duty. Employees will be paid for the full day after endorsing the jury check to the Employer.

Section 8.5 - Disability Leave

Section 1. A non-probationary regular full-time employee who is unable to work for reasons due to injury or illness of a non-work related nature is eligible to apply for disability leave (described in Section 2). Upon approval, the disability plan works in concert with the Paid Time Off process described in the Paid Time Off Article (Article V). The plan requires an unpaid 14 calendar day waiting period during the disability before the disability compensation program begins, however, the employee may use his/her Paid Time Off bank during the 14 calendar day period, if such PTO time is available. If a subsequent disability occurs, solely resulting from the same illness or injury, the original 14-day waiting period described above shall be considered the waiting period required for the subsequent disability, if the subsequent disability occurs within one year. If the disability continues beyond the 14 calendar days the employee shall receive 60% of his/her pay up to one year, which may be supplemented with the Paid Time Off bank. PTO shall only accrue for the first ninety (90) days of the disability. (PTO accrual shall discontinue for an employee on disability more than ninety (90) days). The disability plan will also provide for health, optical and dental coverage to continue during the entire period of disability (up to one year) with the same employee co-pay or percentage of premium contribution. Basic life insurance coverage will

also continue without cost during the disability. Voluntary additional coverage will be maintained based on continuous employee premium payments.

Section 2. Eligibility. Under no circumstances will an employee be eligible for benefits described in Section 1 except by County approved medical disability. Requests are submitted and processed through the Budget and Benefits Division or the designated court official(s). Benefits will not be paid unless the employee submits the attending physician's certificate of disability stating the nature of illness or injury and anticipated period of disability. In all cases of alleged disability, the County retains the right to verify said certificate(s) and may refer the employee to a physician of its choice whenever it deems necessary, which will be paid for by the County. An eligible employee requesting disability leave who may also be eligible under the Family Medical Leave Act (FMLA) requirements (Section 8.7) shall have the time used counted towards the annual (FMLA) entitlement of twelve (12) total weeks.

Section 3. Employer/Supervisor Review. The decision to grant a disability leave, reduce hours of work, provide reasonable accommodation or other favored work will not be made unless and until the Prosecuting Attorney has been contacted and allowed time to discuss the proposed job modification.

Section 4. Final Determination. The Budget and Benefits Division will exclusively make the final determination to grant a disability claim and notification will be provided to the affected Prosecuting Attorney along with any work restrictions.

Section 5. Termination. Disability payments shall terminate when the employee is able to return to regular work or restricted work if directed by medical authority and approved by the County or when the treating physician's statement of disability expires and an extension is not provided; or when the employee retires as a result of disability or normal service retirement; or upon layoff, death or discharge, or resignation.

Section 6. Social Security Offset. Disability payment described herein shall be offset by any Social Security disability payment due or received by the employee. An employee determined to be disabled for an indefinite period shall be obligated to apply for benefits from the Social Security Administration and in such case any disability payments received by the employee from the County for any period paid by Social Security shall be repaid by the employee to the County.

Section 7. Light Duty. All employees are subject to the Light Duty rules as listed below:

All employees who may become unable to perform their normal job description duties due to medical restrictions associated with either non-work related or work-related injuries or illnesses shall be assessed for light duty and shall comply with the requirements of the Light Duty Job Program outlined within this section. The goal of the program is to get the employee back to productive employment and normal duties as soon as medically possible. Light duty jobs have been developed to enable the County of Saginaw to assign employees to work, which will accommodate their medical restrictions.

The County of Saginaw will assign light duty jobs after review of and consistent with medical evidence of restrictions associated with the employee's injury. These light duty jobs may or may not:

- be located in the department where the employee is normally assigned,
- be within the bargaining unit where the employee is normally assigned,
- consist of duties which the employee normally performs,
- take place during shifts, which the employee normally works.

All employees assigned to a light duty job will report to that work site as directed, take directions as given by the job site supervisor and perform duties as instructed.

Section 8.6 - Funeral Leave

- (a) Immediate Family: In the event of a death in the employee's immediate family (spouse, child, stepchild, parent, legal guardian, part-in-law, brother/sister, grandparent, grandchild, daughter-in-law, or son-in-law), the employee shall be excused without loss of pay on the days scheduled to work for a period not to exceed three (3) consecutive days, one of which must be the day of the funeral. The Prosecutor may authorize an extension of the leave up to a total of five (5) days if circumstances, such as extensive travel, require the employee to be absent. Extensive travel is defined as any distance over 300 miles one way.
- (b) Close Relative: In the event of the death of a close relative (spouse's brother or sister) the employee shall be excused without loss of pay for the purposes of attending the funeral provided such funeral day is one of the employee's normally scheduled work days. The Prosecutor may authorize an extension of the leave up to a total of three (3) days if circumstances, such as extensive travel (as defined above) require the employee to be absent.
- (c) Employees Excluded: Funeral Leave is not authorized for other than regular full time employees; provided, however, the Prosecutor may reschedule part-time personnel to provide for lost time.

Section 8.7 - Family and Medical Leave

The provisions of this Agreement will be applied to assure that Employees who have actually worked for at least one year and who have actually worked at least 1250 hours during the one year period immediately preceding the request for leave will be afforded the entitlement set forth in the Family and Medical Leave Act of 1993 (FMLA) and as prescribed in County Policy No. 364, as amended on January 20, 2009, subject to law.

Section 12.2 - Private Practice or Employment

Employees shall not engage in the practice of law for profit on a private basis without the express approval of the Prosecuting Attorney. This provision in no way prohibits or restricts Employees from providing legal counsel to family, friends or others, which may otherwise be viewed by professional or ethical standards as equating to the practice of law, provided such counsel is not for profit and does not take time away from the proper and appropriate functioning of the Employees' official duties and obligations.

Section 12.3 - Professional Dues

The Employer shall timely pay for each employee any professional dues required by operation of law, rule or otherwise to maintain the employee's license to practice law within this State, including any expenses related to mandatory continuing legal education. The Employer also shall timely pay dues for membership in the Saginaw County Bar Association and the Prosecuting Attorneys Association of Michigan. Membership dues of any other association or professional organization not required by operation of law or rule will be the responsibility of the employee.

Section 12.4 - Other County Benefits

Employees shall be entitled to take advantage of any optional or elective benefit

programs offered to other non-union county employees, as of the effective date of this Agreement, under the same eligibility requirements applicable to those other non-union county employees, provided that the benefit program does not conflict with any provision of this Agreement. Such benefit programs include, but are not necessarily limited to, the Deferred Compensation Program, Supplemental Life Insurance Coverage, Tuition Expense Reimbursement, Payroll Direct Deposit, Child Care Reimbursement, Eye Examination Reimbursement, Travel Mileage Reimbursement, Employee Family Assistance Program and any programs instituted during the period of this Agreement. This provision in no way requires or implies the continuation of any benefit program when otherwise eliminated for those other non-union county employees.

ARTICLE XIII

GRIEVANCE PROCEDURE

Section 13.1 - Purpose

The purpose of the grievance procedure shall be to provide a method for complaints to be voiced in an orderly manner such that the proper authority can resolve such matters fairly and in a timely manner.

Section 13.2 - Definition of Grievance

A grievance is a complaint regarding a violation or misinterpretation of the articles or provisions of this Agreement, or a complaint of unfair or inappropriate application thereof. The fact of discharge and the Employee's classification are not subject to the grievance procedure.

Section 13.3 - Grievance Committee

Within fourteen (14) days of the effective date of this Agreement, the Union will elect the members of a Grievance Committee, not to exceed three (3) Assistant Prosecuting Attorneys, and advise the employer of the names of those persons so elected. Those persons elected shall be members of the Union. One of those elected members shall be designated as the Grievance Representative who shall serve as the primary contact person with the Employer.

Section 13.4 - Investigation of Grievances

The Grievance Committee, during regular working hours and without loss of pay or time, in accordance with the terms of this Agreement, may investigate and present grievances to the County and the Prosecuting Attorney, provided that the time taken does not interfere with scheduled office duties and responsibilities to the Prosecuting Attorney. In the sole discretion of the responsible Committee member, she/he may request that his/her role in the investigation, with privileges described herein, be conducted by another member of the committee who is readily available to participate. This request will be on a grievance by grievance basis. The Prosecuting Attorney and Personnel Department are entitled to notice, orally or in writing, of the Committee member handling the specific grievance. The privilege of allowing working hours to be used to address appropriate matters without losing time or pay is subject to the understanding that the time will be used for processing the grievance and will not be abused. The Prosecuting

Attorney may request that such time spent processing grievance matters be documented.

Section 13.5 - Special Meetings

At any time, the County or the Prosecuting Attorney or the Union, through a member of the Grievance Committee may request a meeting with the other parties to discuss matters of concern outside the normal grievance procedures. Such a request by mutual consent will be honored and arranged within a reasonable period of time. Should the meeting be scheduled within normal working hours, those employees attending will not lose time or pay. The meeting may be attended by no more than two (2) bargaining unit members unless the Prosecuting Attorney agrees to permit more.

Section 13.6 - Grievance Procedure

A grievance of an Employee shall be handled in accordance with the following procedure.

Step 1 - The Employee or his/her Union representative shall within ten (10) working days of the date of the cause of the grievance, or within ten (10) working days of the date s/he could reasonably be expected to have knowledge of the cause of the grievance, appeal in writing to the Prosecutor, with a copy to the Personnel Department, stating the nature of his/her grievance, the specific section(s) of the contract allegedly violated or misinterpreted, and the remedy requested. The Prosecutor shall reply in writing to the Union representative within five (5) working days.

Step 2 - If the Union, after appeal to the Prosecutor, feels that a proper adjustment has not been made, the Union shall within ten (10) working days of the receipt of the Prosecutor's reply appeal in writing to the Personnel Department requesting a meeting to discuss the grievance. Such meeting shall be held within ten (10) working days.

Step 3 - At this meeting the Union may be represented by not more than two (2) non-Employee representatives in addition to one (1) member of the Union Grievance Committee, and the grieving Employee. The County must give a written answer within ten (10) working days from the date of the meeting.

Step 4 - In the event such answer is not acceptable to the Union, they may, at their option, appeal the grievance to the State Mediation Service by notifying the County Personnel Department. If the matter is not settled at the mediation step (in the event such step is elected), the Union shall notify the County Personnel Department that the grievance is appealed to binding arbitration or is settled, as the case may be.

Step 5 - In the event the dispute has not have been satisfactorily settled, the matter may then be referred within fifteen (15) working days from the Personnel Department's answer in Step 4 to an arbitrator to be appointed by mutual agreement of the parties hereto. If the parties cannot agree as to the arbitrator, s/he shall be selected by the American Arbitration Association, or Federal Mediation and Conciliation Service, in accordance with its rules which shall likewise govern the arbitration hearing. The arbitrator shall have no power to alter, or add to or subtract from the terms of this Agreement, but shall have authority only to interpret and apply the provisions of this Agreement which shall constitute the basis on which the arbitrator's decision shall be

rendered. The arbitrator will be without power or authority to make any decision which requires the commission of any act prohibited by law which violates the terms of this Agreement. An arbitration hearing will be held which both parties will be privileged to attend. Each party may present the testimony of witnesses and any pertinent written evidence. The decision of the arbitrator shall be binding on the parties. The cost of the arbitrator shall be borne equally by the County and the Union.

Section 13.7 - By-Pass Steps

The parties may mutually agree to by-pass any step.

Section 13.8 - Failure to Proceed

After the grievance has been reduced to writing, the failure of a grievant to proceed to the next step of the grievance procedure within the time limits as set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance. The failure of the County or its representative to respond to any step within the time limits specified shall permit the grievant to proceed automatically to the next step. All time limits may be extended by mutual agreement.

Section 13.9 - Time Off For Grievance Meetings

Members of the Grievance Committee and the grieving Employee shall be granted necessary and reasonable paid time off from work for scheduled grievance meetings, except however, no more than two (2) Employees shall be paid for such time spent.

ARTICLE XIV

Section 14.1 - Waiver Clause

The parties acknowledge that during the negotiations which resulted in the Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employers and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered by this Agreement and with respect to any subject or matter not specifically referred to or covered in this Agreement.

Section 14.2 - Savings Clause

If any Article, Section or provision of this Agreement, or any addendum hereto should be held invalid by operation of law or by determination by any court of competent jurisdiction, or if compliance with or enforcement of any Article, Section or provision should be reinstated by operation of law or by a court of competent jurisdiction, the remainder of this Agreement shall not be effected thereby. Should any Article, Section or provision of this Agreement be deemed invalid for any reason or become invalid by operation of law subsequent to its effective date, or

become unenforceable for any other reason, the parties agree to enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such portion or provision.

Eligibility Information	
Member	Eligibility Criteria
Dependents	Your spouse, and unmarried children until the end of the year in which they turn age 19.
Family Continuation	Your unmarried children until the end of the year in which they turn age 25.

Medicare Supplemental coverage is provided to Medicare enrollees who have both Medicare Part A and Part B coverage.

We pay for covered services described in your certificate, less those amounts payable by Medicare. The distinctions between "in-network" and "out-of-network" providers are removed. You are required to pay only "in-network" cost-sharing requirements described in your certificate when you receive services covered by Medicare.

In instances where Medicare does not cover preventive care services, the calendar year frequency restriction is amended to "once every 12 months", except for well-baby and child care visits.

If a service is not covered by Medicare, but it is a benefit under your certificate, payment is based on the BCBSM approved amount minus the applicable deductible and copayment requirements.

Note: Services from a provider for which there is no PPO network and services from a non-network provider in a geographic area of Michigan deemed a "low access area" by BCBSM for that particular provider specialty are covered at the in-network benefit level. If you receive care from a nonparticipating provider, even when referred, you may be billed for the difference between our approved amount and the provider's charge.

Prescription Drug Preauthorization

Requires approval for select prescription drugs before prescription are filled

Requires approval for select prescription drugs before prescription are filled

Drug interchange and generic copay waiver

Certain drugs may not be covered for future prescriptions if a suitable alternate drug is identified by BCBSM, unless the prescribing physician demonstrates that the drug is medically necessary. A list of drugs that may require authorization is available at bcbsm.com.

If your physician rewrites your prescription for the recommended generic or OTC alternate drug, you will only have to pay a generic copay. If your physician rewrites your prescription for the recommended brand-name alternate drug, you will have to pay a brand-name copay. In select cases BCBSM may waive the initial copay after your prescription has been rewritten. BCBSM will notify you if you are eligible for a waiver.

Quantity limits

Select drugs may have limitations related to quantity and doses allowed per prescription unless the prescribing physician obtains preauthorization from BCBSM. A list of these drugs is available at bcbsm.com.

Prescription drug preferred therapy

A step-therapy approach that encourages physicians to prescribe generic, generic alternative or over-the-counter medications before prescribing a more expensive brand-name drug. It applies only to prescriptions being filed for the first time of a targeted medication. Before filling your initial prescription for select, high-cost, brand-name drugs, the pharmacy will contact your physician to suggest a generic alternative. A list of select brand-name drugs targeted for the preferred therapy program is available at bcbsm.com, along with the preferred medications. If our records indicate you have already tried the preferred medication(s), we will authorize the prescription. If we have no record of you trying the preferred medication(s), you may be liable for the entire cost of the brand-name drug unless you first try the preferred medication(s) or your physician obtains prior authorization from BCBSM. These provisions affect all targeted brand-name drugs, whether they are dispensed by a retail pharmacy or through a mail order provider.

Features of your plan

<p>Drug interchange and generic copay waiver</p>	<p>Certain drugs may not be covered for future prescriptions if a suitable alternate drug is identified by BCBSM, unless the prescribing physician demonstrates that the drug is medically necessary. A list of drugs that may require authorization is available at bcbsm.com.</p> <p>If your physician rewrites your prescription for the recommended generic or OTC alternate drug, you will only have to pay a generic copay. If your physician rewrites your prescription for the recommended brand-name alternate drug, you will have to pay a brand-name copay. In select cases BCBSM may waive the initial copay after your prescription has been rewritten. BCBSM will notify you if you are eligible for a waiver.</p>
<p>Quantity limits</p>	<p>Select drugs may have limitations related to quantity and doses allowed per prescription unless the prescribing physician obtains preauthorization from BCBSM. A list of these drugs is available at bcbsm.com.</p>

Optional riders

<p>Rider RXP, prescription drug preauthorization requirement</p>	<p>A process that requires a physician to obtain approval from BCBSM before select prescription drugs (drugs identified by BCBSM as requiring preauthorization) will be covered. Step Therapy, an initial step in the "Prior Authorization" process, applies criteria to select drugs to determine if a less costly prescription drug may be used for the same drug therapy. Some over-the-counter medications may be covered under step therapy guidelines. This also applies to mail order drugs. Only claims that do not meet Step Therapy criteria require preauthorization. Details about which drugs require preauthorization or step therapy are available online site at bcbsm.com. Log in under "I am a Member" and click on "Prescription Drugs."</p>
<p>Rider RX-90-2x, prescription drug 90-day supply 2x</p>	<p>Expands retail coverage of prescription drugs to include 84 to 90-day supplies (prescriptions with days supply between 35 to 83-days are not covered via retail), subject to one member copay that is double the amount that would apply for a 34-day refill. Requires all retail 90-day supplies of medication be obtained from a "90-Day Retail Network" provider. You must be on your medication for at least 60 out of the past 120 days under your BCBSM coverage before using this option.</p> <p>Note: If a plan currently has Rider MOPD, the group may add Rider RX-90. Otherwise, Rider RX-90-2x is the only option because the copay at mail order and at retail must match for dispensing up to a 90 day supply.</p>
<p>Rider PD-XED, excludes elective drugs</p>	<p>Excludes coverage for elective drugs.</p> <p>Note: Elective drugs are lifestyle drugs such as those that treat sexual impotency or infertility, help in weight loss or help to stop smoking. They are not designed to treat acute or chronic illnesses or prescribed for medical conditions that have no demonstrable physical harm if not treated.</p>
<p>Rider Prx-MM</p>	<p>Requires the member to pay the difference between the maximum allowable cost of the generic drug and the BCBSM approved amount for the brand name drug, plus the member's copay and/or deductible, if applicable.</p>
<p>Rider CI, contraceptive injections Rider PD-CM, prescription contraceptive medications</p>	<p>Adds coverage for contraceptive injections.</p> <p>Note: These riders are only available as part of a prescription drug package. Riders CI and PCD are part of your medical-surgical coverage, subject to the same deductible and copay, if any, you pay for medical-surgical services. Subject: **FAMILY AND MEDICAL LEAVE POLICY**

1. **PURPOSE:** It is the purpose of this policy to establish uniform guidelines and rules for those employees who elect to apply or otherwise qualify, for leave in accordance with the Family and Medical Leave Act (29 USC 2601).
2. **AUTHORITY:** The Saginaw County Board of Commissioners.
3. **APPLICATION:** The rules and regulations herein set forth apply to all employees paid by Saginaw County, pursuant to Policy #301.
4. **RESPONSIBILITY:** The Controller/CAO of Saginaw County and/or his/her designee shall be responsible for the implementation of this policy. It shall be the responsibility of the Controller's Office and Department Heads to administer this policy.
5. **PRELIMINARY STATEMENT:** Saginaw County shall administer this policy in accordance with the Family and Medical Leave Act and its accompanying regulations, set forth in 29 CFR 825.100, et seq. Thus, although this policy sets forth a summary of the requirements, process and procedure regarding employees' use of leave under applicable circumstances, Saginaw County shall administer this policy in accordance with the Act and its regulations.
6. **DEFINITIONS:**
 - 6.1. **Serious Health Condition.** Is defined as stated in 29 CFR 825.113, but is generally regarded as an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.
7. **POLICY:**
 - 7.1 **Eligibility.** Saginaw County's family and medical leave policy is available to employees with at least 12 months of service and who have worked at least 1,250 hours within the preceding 12 month period, so long as the County has 50 employees within 75 miles. If eligible, an employee may be able to take unpaid

leave as indicated below during the calendar year (based on a 12 month rolling calendar).

7.1.1 Basic Leave Entitlement. FMLA requires covered employers to provide up to 12 weeks of unpaid, job protected leave to eligible employees for the following reasons:

- 7.1.1.1 To care for the employee's child after birth (within the first 12 months after birth);
- 7.1.1.2 The placement of a child with the employee for adoption or foster care (within the first 12 months of placement);
- 7.1.1.3 To care for the employee's spouse, son or daughter, or parent who has a serious health condition;
- 7.1.1.4 For a serious health condition that makes the employee unable to perform the employee's job; or
- 7.1.1.5 For incapacity due to pregnancy, prenatal medical care, or child birth.

7.1.2 Military Family Leave Entitlements. FMLA requires covered employers to provide leave in the following circumstances relating to military service:

- 7.1.2.1 Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12 week leave entitlement to address certain qualifying exigencies. Qualified exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.
- 7.1.2.2 Eligible employees (spouse, son, daughter, parent, or next of kin of a covered service member) may take up to 26 weeks of leave to care for a covered service member during a single 12 month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious illness or injury incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment.

recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

- 7.2 Application and Approval. Qualified employees seeking to take leave in accordance with the Family and Medical Leave Act shall contact the Personnel Division of the Controller's Office. Staff will discuss the need for leave with the employee and will provide the employee with a Notice of Eligibility and Notice of Rights and Responsibilities within the timeframe indicated within the Act. The Notice of Rights and Responsibilities will detail additional information an employee must provide in order for a determination to be made if the absence qualifies as FMLA Leave. If sufficient information is not provided in a timely manner, an employee's leave may be denied.

After review of any additional documentation required in the Rights and Responsibilities Notice, a representative from the Personnel Division shall indicate if the leave request has been approved or denied by providing the employee with a Designation Notice in the timeframe indicated within the Act.

7.3 Employer/Employee Responsibilities.

- 7.3.1 Employee Responsibilities. When requesting leave, the employee must provide the Saginaw County Personnel Department with at least 30 days advance notice when the need for leave is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with the employer's normal call-in procedures. Employees must provide sufficient information for the employer to determine if the leave may qualify for the FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees must also inform the employer if the requested leave is for a reason for which FMLA Leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

- 7.3.1.1 Certification. Certification will be required if the leave request is for the employee's own serious health condition, to care for a family member's serious health condition, or for a qualifying exigency or serious illness or injury of a covered service member for military family medical leave. Failure to provide the requested certification in a timely manner (within 15 calendar days) may result in denial of the leave until certification is provided.

Consistent with other County policies and procedures and/or terms set forth in applicable collective bargaining agreements, the County may request and, to the extent allowed by law, require a fitness-for-duty certification prior to reinstatement to ensure the employee is able to perform the essential functions of the employee's job. Qualifying FMLA Leave will not be counted as an absence under the applicable department's attendance policy.

As allowed by the Act, the County, at its expense, may require an examination by a second health care provider designated by the County of Saginaw if the County has a reasonable question regarding the medical certification provided by the employee. Or, in accordance with the manner prescribed in the Act, the County may request authentication or clarification from the employee's health care provider as to an issue(s) relating to the provided medical certification.

The County may also seek re-certification of a serious medical condition in accordance with the Family and Medical Leave Act.

7.3.2 Employer Responsibilities. Covered Employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

7.4 Benefits and Restoration. The County of Saginaw will maintain health care benefits under any "group health plan" and life insurance for the employee while on FMLA Leave on the same terms as if the employee had continued to work, including that the employee is responsible for paying the normal monthly contribution. All other benefits cease to accrue during an unpaid portion of the leave. Use of FMLA Leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

As allowed by the Act, employees must use any personal time off (PTO) to the extent available, subject to allowance for a 40 hour PTO bank limitation (see Section 7.4.1), during this leave period. Absences in excess of these accumulated days will be treated as leave without pay. Upon return from leave, most

employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

7.4.1 40 Hour PTO Bank Limitation. Prior to beginning a FMLA Leave, upon written request to the Personnel Division or authorized officials, an employee may retain up to forty (40) PTO hours-banked time by opting for unpaid time once their PTO bank reaches that level of time.

7.5 Intermittent Leave. An employee does not need to use FMLA Leave in one block. When medically necessary, employees can take intermittent FMLA or reduced leave schedule leave. The County will work with employees to arrange reduced work schedules or leaves of absence in order to care for a family member's serious health condition or their own serious health condition. However, employees who are on approved intermittent leave must still, when practicable, give notice of any and all prearranged leaves, including, but not limited to, scheduled doctors appointments, treatment times, etc., which will result in the employee's absence from his/her department for any period of time. Employees must also make reasonable efforts to schedule leave for planned medical treatments so not to unduly disrupt the employer's operations.

Leave due to qualifying exigencies may also be taken on an intermittent basis. Leave because of the birth or adoption of a child must be completed within the 12 month period beginning on the date of birth or placement of the child. Leave taken after the birth of a healthy child or placement of a healthy child for adoption or foster care may not be taken intermittently without special permission from the Department Head or applicable Elected Official.

7.6 Applicability of Other Laws. When state and local laws offer more protection or benefits, the protection or benefits provided by those laws will apply.

7.7 Accordance with the Law. This policy shall be interpreted, and construed in accordance, with the Family and Medical Leave Act.

7.8 Any employee who is off on a FMLA Leave and is determined to be acting in a manner, means, or activity not related to the leave can be disciplined up to and including discharge.

7.9 Unlawful Acts by Employers and Enforcement Mechanisms. The FMLA makes it unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided under FMLA or to discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA. If an employee feels they are being discriminated against, they may file a complaint in accordance with County Policy #322, Discrimination and Sexual Harassment.

Concerns or complaints about FMLA Leave can be directed to Personnel, or an employee may file a complaint with the U.S. Department of Labor, or may bring a

private lawsuit against an employer. FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.
