ARTICLE 1 – AGREEMENT

1.01

This Agreement is entered into between the County of Wayne, Michigan (hereinafter referred to as the "Employer"), and The Michigan Building and Construction Trades Council, AFL-CIO (hereinafter referred to as the "Union").

ARTICLE 2 – PURPOSE AND INTENT

2.01

The purpose of this Agreement is to set forth certain terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, its employees, and the Union.

2.02

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing and the Union's success in rendering services to the public.

2.03

Therefore, the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

2.04

The parties further recognize that the Employer and the Union are legally and morally obligated to guarantee to all citizens a fair and equal opportunity for employment and to these ends agree that no persons shall be denied employment, or membership in the Union, nor in any way be discriminated against because of sex, age, race, color, creed, national origin, political or religious beliefs, disability, or marital status, and as otherwise provided by law.

ARTICLE 3 – RECOGNITION

3.01

Pursuant to and in accordance with all applicable provisions of the Public Employment Relations Act (PERA), as amended, the Employer recognizes the Union as the sole and exclusive collective bargaining representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment as defined by the terms of this Agreement for those employees included in the designated bargaining unit.

3.02

The bargaining unit shall consist of all employees of the Employer holding positions in classifications designated in Appendix A. New classes may be added thereto by agreement between the parties. Bargaining unit positions shall not be retitled for the purpose of removing same from the bargaining unit without prior agreement between the parties.

ARTICLE 4 – AID TO OTHER UNIONS

4.01

The Employer agrees not to aid, promote, or finance any other group or organization which purports to engage in collective bargaining or to make any agreement with any group or organization for the purpose of undermining the Union.

4.02

The Union agrees not to make agreements with any other Union for the purpose of coercing the Employer.

ARTICLE 5 – UNION SECURITY

5.01

The Union Security provision under Article 5 shall not be operative as to any individual non-union member who contests this Article regarding the appropriateness of the amount of the service fees charged. If a non-union employee does contest the service fee charged, the Union must conduct an independent Union audit setting forth the different categories and components of its expenses in sufficient detail so that the contesting employee may be fairly apprised of the amount of dues that are solely attributable to the negotiation and administration of the contract.

5.02

Such contesting non-union employees shall have a reasonable period to object to the allocation (i.e., fifteen days from receipt of audit). However, the amount of the service fees assessed shall continue to be deducted and shall be paid into an escrow account pending the resolution of such contest.

5.03

The provisions of Article 5 shall continue as provided in the agreement as to all other non-contesting non-union members and all union members.

5.04

To the extent that the laws of the State of Michigan permit, it is agreed that:

- A. Employees covered by this Agreement who are not members of the Union at the time it becomes effective and who have been employed for a period of thirty (30) days after the effective date of this Agreement, shall commencing with the first biweekly payroll period thereafter and for the duration of this Agreement, pay to the Union a service charge in an amount equal to the regular monthly dues as a contribution toward the administration of this Agreement.
- B. Employees covered by this Agreement who are not members of the Union at the time it becomes effective and who have been employed for less than thirty (30) days, and employees hired, rehired, or transferred into the bargaining unit after the effective date of this Agreement, who do not make application for membership in the Union within thirty (30) days after completion of thirty days of service, shall commencing with the first biweekly payroll period thereafter and for the duration of this Agreement, pay to the Union the service charge

defined in (A) above. The provisions of this section shall also apply to all employees as defined in Article 3.02 provided that said employees shall not be required to comply until completion of ninety (90) days.

5.05

Failure to comply with the provisions of Article 5.04 shall be cause for the termination of the employee.

5.06

No employee shall be terminated under this Article except as provided below.

- A. The Union has first notified the Director of Labor Relations in writing that the employee has elected not to join the Union or pay the service charge, and is not in compliance with the provisions of this Article.
- B. Within ten (10) workdays from the date the Union notifies the Director of Labor Relations that the employee has elected not to join the Union, the Director of Labor Relations shall:
 - 1. Notify the employee of the provisions of this Agreement;
 - 2. Obtain the employee's response; and,
 - 3. Notify the Union of the employee's response.
- C. In the event the employee has neither joined the Union nor signed the "Authorization for Deduction of Service Charge" form after the above, the Union may proceed to request termination of the employee by written notice to the Director of Labor Relations, with a copy to the employee, registered mail, return receipt requested.
- D. Upon receipt of such written notice, the Director of Labor Relations shall within five (5) workdays notify the employee that unless there is immediate compliance, the employee will be terminated not later than the end of the next pay period.
- E. The employee shall then be terminated unless the employee can produce evidence of compliance.

F. The Employer shall not be liable to the Union by reason of the requirements of this article for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees.

The Union will defend, indemnify, and save harmless the Employer from any and all claims, demand, suits, and other liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.

ARTICLE 6 – PAYMENT OF UNION DUES

6.01

During the life of this Agreement and to the extent the laws of the State of Michigan permit, the Employer agrees to deduct Union Membership dues, special purpose contributions, and/or any other fees levied in accordance with the Constitution and By-laws of the Union, from the pay of each employee who executes or has executed an "Authorization for Union Deduction" form. Such dues, and/or fees must be tendered by payroll deduction.

6.02

Deductions shall be made only in accordance with the provisions of said "Authorization of Union Deduction" form.

6.03

A properly executed copy of such "Authorization for Union Deduction" form for each employee from whom membership dues and/or fees are to be deducted, shall be delivered to the Employer before any payroll deductions are made. Any "Authorization for Union Deduction" forms which are incomplete or in error will be returned promptly to the Local Union Financial Secretary by the Employer.

6.04

Deductions for each calendar month shall be remitted to the designated financial officer for each Local Union within fifteen (15) days after the date of deduction, with a listing of employees for whom said deductions were made.

6.05

The Employer shall not be liable to the Union by reason of the requirements of this article for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees.

6.06

The Union will defend, indemnify, and save harmless the Employer from any and all claims, demands, suits, and other liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.

ARTICLE 7 – PAYMENT OF SERVICE CHARGE

7.01

Employees who do not make application for membership in the Union as outlined in Article 5 shall tender the monthly service charge by signing the "Authorization for Deduction of Service Charge" form.

7.02

Deductions for each calendar month shall be remitted within fifteen (15) days, after date of deduction, to the designated financial officer for each Local Union with a listing of employees for whom said deductions were made.

7.03

The Employer shall not be liable to the Union by reason of the requirements of this article for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees.

7.04

The Union will defend, indemnify and save harmless the Employer from any and all

claims, demands, suits, and other liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.

ARTICLE 8 – MANAGEMENT RIGHTS

8.01

The Employer possesses the exclusive right to manage the affairs of the County, including but not limited to the right to: establish starting and quitting times; establish the size of work crews; assign days off, annual leave, and regulate other forms of leaves as may be provided for in this Agreement; select the manner in which employees shall be reduced in classifications in the interest of layoff; and prescribe reasonable rules for just cause disciplinary actions. The Employer recognizes that supervision is necessary when work is being performed. However, the level of supervision shall be determined by the Employer.

8.02

The Employer has any other common law rights an employer possesses and which have not been limited by the express terms of this Agreement.

8.03

It is expressly agreed that the County, when bidding on its own construction or renovation projects, may hire on a temporary basis, employees in classifications covered by this Agreement by requesting the Council to supply the needed work force.

The County shall pay directly to the Council or the appropriate local union on an hourly basis the prevailing fringe benefit rate for each employee so hired.

8.04

It is further agreed that employees hired in the above manner are not employees of the County in the traditional sense, and that the County's sole liability, in addition to the direct payment to the employee of wages on biweekly basis, shall be statutory unemployment and workers' compensation benefits.

8.05

The Employer maintains the right to determine the level and manner of supervision necessary for all work performed. Accordingly, the Employer has the discretion to determine that adequate supervision includes occasions where a foreman explains a particular work assignment and provides the necessary materials prior to the commencement of the actual work.

ARTICLE 9 – REPRESENTATION

9.01

Each Craft Union of the Council shall be represented by a Steward. The steward shall be selected by the Union from among the full-time County employees of the craft. The Steward shall see that the provisions of this Agreement are observed by the parties hereto.

9.02

Stewards, during their work hours and without loss of compensation, may investigate and present grievances to the Employer. Before entering upon such Union business, stewards shall advise and receive approval from their supervisors. Approval for the steward to leave his job assignment for a reasonable period of time to complete his Union business will not be unreasonably withheld with the understanding that the time will be devoted to the proper handling of grievances and will not be abused. Any alleged abuse by either party will be processed in accordance with Article 10.

9.03

The Craft Unions will maintain an up-to-date listing of stewards and shall supply the Employer and the Labor Relations Division with a copy of the same.

ARTICLE 10 – SETTLEMENT OF DISPUTES

10.01

In the event differences should arise between the Employer and the Union during the term of this Agreement as to the interpretation and application of its provisions, the parties shall act in good faith to properly resolve such differences in accordance with the following procedures. The grievance procedure contained in the Agreement shall be the exclusive grievance procedure for all members of the bargaining unit. Grievances involving disciplinary actions taken against an employee shall be initiated at the level of management causing the alleged grievance. However, oral and written reprimands shall not be subject to arbitration. If an employee elects to use the Michigan Veterans' Preference Act, the employee waives the right to proceed under this grievance procedure.

10.02

An issue in dispute shall first be orally presented to management by the employee with the Union Steward, or by the steward acting alone but on behalf of the employee, within five (5) work days of its occurrence. This informal process will be used to encourage resolution of the matter. If the matter cannot be resolved, the following steps shall be used:

10.03 Step 1

If the matter has not been resolved it shall be presented in writing by the Union Steward to the Division Head within ten (10) work days of its occurrence. A written grievance shall specifically describe the nature of the complaint, the date the matter occurred, the name of the employee(s) involved, and the provision(s) of the Agreement which are alleged to have been violated. The Division head, or designee, shall respond in writing to the Union Steward within ten (10) work days of receipt of the grievance.

10.04 Step 2

If the matter has not been resolved at Step 1, it may be presented by the Union's Business Representative to the Labor Relations Division for review. It shall be presented in writing, with a copy of the prior step response, within ten (10) work days of receipt of the Step 1 answer or date the answer was due. If not presented to Labor Relations, the matter shall be considered settled based on the Step 1 response. The Labor Relations Division shall schedule a meeting which shall include up to two (2) representatives of the Union and representative(s) of the Employer. The Labor

Relations Division shall respond to the Union's Business Representative in writing within ten (10) work days of the meeting.

10.05 Step 3

Section 1:

Only unresolved grievances which relate to the interpretation, application, or enforcement of any specific article and section of this Agreement, or any written supplementary agreement, which have been fully processed through the last step of the grievance procedure as herein provided may be appealed to arbitration by the Union filing written notice of its intention to arbitrate with the Labor Relations Division within twenty (20) workdays of the date of receipt of the Step 2 answer. If not appealed to arbitration, the matter shall be considered settled based on the last management answer to the grievance.

The parties shall attempt to agree upon an arbitrator to hear the case. If the parties are unable to agree within fifteen (15) workdays of the filing of the Union's intent to arbitrate, the Union shall submit a request to the Michigan Employment Relations Commission (MERC) for a list (panel) of arbitrators. It shall be the responsibility of the Union to initiate the selection process. Each party shall have the right to strike one panel from MERC. An arbitrator shall be selected by the parties alternatively striking one name each, with the last remaining name being the arbitrator selected. The Union and the Employer shall flip a coin to determine which party shall strike the first name. If an arbitrator is not selected within thirty (30) calendar days of receipt of the MERC list, the grievance will be considered settled based on the last Management answer to the grievance.

Section 2:

- A. The Arbitrator shall limit his decision strictly to the interpretation, application or enforcement of this Agreement and shall be without power and authority to make any decision:
1. Contrary to, or inconsistent with or modifying or vary in any way the terms of this Agreement.
 2. Granting any wage increases or decreases.
 3. Granting any right or relief for any period of time whatsoever prior to the execution date of this Agreement.

- B. The Arbitrator shall be without authority to require the Employer to delegate, alienate or relinquish any powers, duties, responsibility, obligations or discretions which by State Law or State Constitution the Employer cannot delegate, alienate, or relinquish.
- C. All claims shall be limited to ten (10) workdays prior to the date of the written grievance. All claims or awards for back wages shall be limited to the amount of wages and other benefits excluding overtime and shift premium pay that the employee otherwise would have earned, less any compensation received for temporary employment obtained subsequent to his removal from the County payroll or unemployment compensation. However, in the event the subject of the grievance involves overtime or shift premium, the above language regarding overtime and shift premium shall not apply.
- D. The decision of the Arbitrator in a case shall not require retroactive wage adjustment in another case except by express agreement of the parties.
- E. There shall be no appeal from the Arbitrator's decision if made in accordance with his jurisdiction and authority under this Agreement. The Arbitrator's decision shall be final and binding on the Employer, on the employee or employees, and on the Union.
- F. In the event a case is appealed to an Arbitrator and he finds that he has no power to rule on such case, the matter shall be referred back to the parties without decision or recommendations on the merits of the case.
- G. The expenses of the Arbitrator shall be shared equally by the parties. Any additional arbitration expenses shall be determined and assessed by the Arbitrator. The aggrieved and his local representative shall not lose pay for time off the job while attending the arbitration proceedings.
- H. Arbitration shall be conducted on the premises of the Employer unless the parties mutually agree otherwise.
- I. It is understood between the parties that any of the time periods at any Step of the grievance procedure may be extended by mutual agreement in writing, and further, that work days shall not include Saturdays, Sundays, or holidays.
- J. No settlement at any stage of the grievance procedure shall be a precedent in any arbitration hearing.
- K. All grievances timely appealed to the Step 3 level, under Section 10.05 - Step 3, Section 1 above, shall be scheduled for an arbitration hearing by mutual

agreement of the parties within twelve (12) months from the date the Labor Relations Division receives the Union's written appeal for arbitration. Grievances that are not scheduled for arbitration within the twelve (12) month period shall be resolved in accordance with the disposition issued by the Labor Relations Division at the Step 2 level.

ARTICLE 11 – STRIKES AND LOCKOUTS

11.01

Adequate procedure has been provided by this Agreement and Public Act 379 (1965) for the settlement of any grievance(s), dispute(s) or impasse(s) which may arise between any one or more of the employees in the bargaining unit covered by this Agreement or the Union, its members, representatives, officers, or committees and the Employer.

11.02

Accordingly, it is agreed that neither the Union nor its members, officers, representatives or committees will cause, call, engage in, encourage or condone work stoppages. The officers of the Union will take affirmative action to preclude or terminate any slowdown or strikes against, including but not limited to, any concerted refusal to work for, any concerted absenteeism from work or from employment with the Employer.

11.03

The Employer agrees that it shall not lock out its employees.

ARTICLE 12 – CIVIL SERVICE RULES

12.01

To the extent they are not in conflict with other provisions of this Agreement, the existing Wayne County Civil Service Rules are incorporated by reference into this

Agreement. No modification, deletion or change shall be effective without prior notification and bargaining with the Union and the mutual agreement of the parties.

ARTICLE 13 – PROBATIONARY EMPLOYEES – (NEW HIRES)

13.01

New employees appointed from an eligibility list and provisional appointees shall be considered as "Probationary Employees" for the first 1,040 straight time hours of work. Periods of absence from work shall not be counted toward completion of the probationary period.

13.02

The Union shall represent probationary employees for the purpose of collective bargaining in respect to rate of pay, wages, hours of employment, and other conditions of employment, except no matter concerning the discipline, layoff, or termination of a probationary employee shall be subject to the grievance procedure.

13.03

Employees who are appointed or promoted continuously in the same class for a period of twelve (12) months (2,080 straight-time hours of work) shall be deemed to have regular status in the class in which such provisional promotion or appointment is held.

ARTICLE 14 – DISCIPLINARY PROCEDURE

14.01

- A. Employees shall not be subject to any form of discipline except for just cause. If the Union decides to appeal any disciplinary action other than oral and written reprimands, it shall file a grievance in accordance with Article 10.
- B. Disciplinary action may be imposed upon an employee for failure to fulfill the

employee's job responsibilities, or for improper conduct while on the job, or for off the job conduct which is tied to his employment that tends to bring the Employer into public disrepute.

- C. Nothing in this article shall prevent the department head from taking immediate and appropriate disciplinary action should it be required by the circumstances, with proper written notice thereof to the Union at the time such immediate action is taken.
- D. The steward or another representative of the Union shall be present at the time disciplinary action is imposed and shall represent the employee at all levels of disciplinary proceedings. All disciplinary actions shall be subject to the grievance procedure. However, oral and written reprimands shall not be subject to arbitration.

14.02

- A. The intent and purpose of the following is to provide for progressive disciplinary action.
 - 1. Oral Reprimand;
 - 2. Written Reprimand;
 - 3. Suspension, or demotion (not to exceed five (5) months);
 - 4. Removal or discharge.
- B. Nothing in this section shall prevent the department from taking appropriate disciplinary action, without regard to progressive discipline, when the offense is deemed to be serious in nature.
- C. Should it be necessary to reprimand any employee, the reprimand shall be given as not to cause embarrassment to the employee before other employees or the public.
- D. The Labor Relations Director or a designated representative may modify a disciplinary action except that the severity of the discipline shall not be increased but may be lessened.

- E. Any employee suspended without pay for a certain term may request permission from the department to forfeit an equal number of annual leave days in lieu of suspension. This section shall not authorize unilateral forfeiture of annual leave as punishment independent of a suspension without pay, all such forfeitures must be approved by the Employer.

14.03

- A. There shall be one official personnel file.
- B. A notation of oral reprimand by date and subject only, may be placed in the employee's personnel file.
- C. When initiating a disciplinary action on a current charge, the Employer shall NOT take into consideration any prior discipline if the employee has been free of documented disciplines for twenty-four (24) months from the date of the last prior discipline.
- D. Once every six (6) months, upon written request to the Department of Personnel/Human Resources, an employee may review his or her official personnel file in the Department of Personnel/Human Resources. Such review shall be scheduled at a reasonable time as determined by the Department.

14.04

- A. No employee of this bargaining unit shall be subject to disciplinary action for appearing before a State or Federal Grand Jury at which they presented testimony under oath and have been sworn to secrecy.
- B. Employees charged with the commission of any felony or of a misdemeanor involving criminal moral conduct during work hours or related to the work location or job responsibility, shall have the circumstances unilaterally reviewed by the Employer. After said review, the employee may be suspended or reassigned to a less sensitive position pending the judicial determination of said charge at the trial level.
- C. Employees convicted of the commission of any felony or of a misdemeanor involving criminal moral conduct during work hours or related to their work location or job responsibility may be disciplined.

ARTICLE 15 – SENIORITY

15.01

- A. County seniority shall be defined as an employee's total length of service in the County from the last date of hire, and shall be used to determine retirement, annual leave and sick leave.
- B. For all other purposes, including, but not limited to choice of vacations and provisional promotions, seniority shall be departmental by craft.
- C. An employee on a leave of absence without pay shall continue to earn seniority credits for a period not to exceed six (6) months, within a two-year period.

An employee on layoff, suspension, military leave, union leave, periods of time when an employee is receiving workers' compensation benefits, paid leaves and unpaid leaves of absences caused by illness or disability shall continue to earn bargaining unit seniority credits without limitation.

- D. Seniority rights as herein defined apply only to the Employer of Record.
- E. Any bargaining unit employee promoted or transferred to a position outside the bargaining unit shall have his/her bargaining unit seniority frozen as of the date of such transfer or promotion.

At the time that the employee may return to the bargaining unit, he/she shall return to the bargaining unit only with the frozen bargaining unit seniority retained at the time of leaving the unit. When such employee returns to the bargaining unit seniority may be used for bidding on transfers, bumping, promotions, etc.

15.02

Once every six (6) months, upon written request by the representative of the Council, the Employer shall provide the representative of this Council an up-to-date seniority list. At the option of the Employer, this information may be transmitted electronically.

15.03

In the event of a tie in seniority, the tie shall be broken by the employee with the lowest social security number.

15.04

- A. An employee shall lose his/her seniority for the following reasons only:
1. Discharge or permanent removal from the payroll and the separation is not reversed through the grievance procedure.
 2. Voluntary or regular service retirement.
 3. Resignation or voluntary quits, which shall include:
 - a. Failure to return to work when recalled within ten (10) workdays after notice of recall from layoff;
 - b. Failure to return to work on or before the expiration of an approved leave of absence or extension thereof;
 - c. Any employee who is absent without leave for five (5) or more consecutive work days without sufficient notification to the EMPLOYER as to a sufficient reason for said absence, shall be deemed to have resigned from the employ of the EMPLOYER and shall forfeit all seniority right.
- B. Loss of seniority under the above provisions is subject to the Grievance Procedure.

ARTICLE 16 – PROMOTIONS

16.01

Regular promotions will be made in accordance with the Wayne County Civil Service Rules.

16.02

The employer maintains the right to provisionally promote qualified employees to classifications within the Bargaining Unit. At a minimum, qualified employees are required to possess the necessary licenses and experience.

An employee shall not be provisionally promoted to a classification if that classification has been opened to a promotional examination in the last twelve (12) months and the employee met the qualifications at the time of the announcement but failed to apply, unless the employee takes and passes a qualifying examination.

An employee who is provisionally appointed or promoted shall be subject to a probationary period not to exceed 1,040 straight time hours worked in order to demonstrate an ability to perform the duties and responsibilities of the position. Should the employee's work performance be unsatisfactory at any time during the probationary period, the employee shall be returned to his or her former classification.

16.03

Promotional examinations shall be administered in accordance with the Civil Service Rules.

Employees denied permission to compete in an examination may make written appeal within ten (10) calendar days to the Civil Service Commission. The decision of the Civil Service Commission shall be final and shall not be subject to the grievance procedure.

16.04

Employees who have competed in an examination may appeal their ratings in writing to the Civil Service Commission during a period of ten (10) calendar days following their review of their examination. It shall be the responsibility of the appealing employee to contact the Department of Personnel/Human Resources to obtain the meeting date at which his or her appeal will be decided and to notify said department of his or her intent to attend the meeting. The decision of the Civil Service Commission shall be final and shall not be subject to the grievance procedure.

16.05

The Rule of Three shall apply for all promotions and provisional appointments.

ARTICLE 17 – LAYOFF AND RECALL

17.01

For purpose of layoff and recall, seniority shall be County-wide by craft, provided however, that an employee holding a position at the Sub-Foreman level or above shall have the right to bump the least senior employee in other departments only at the Journeyman level of his craft.

17.02

Notice of layoff shall be issued by the Department of Personnel/Human Resources. Notice shall be given to the Union two (2) weeks prior to the action of layoff.

17.03

In the event of a layoff, part-time, temporary, seasonal, and entrance provisional employees (new hires) in affected classifications in the bargaining units covered by this Agreement shall be laid off prior to the layoff of a regular employee (i.e., no such employee shall remain in County employment while regular employees are laid off, unless waived by the Union).

Such employees, holding classifications which full-time regular employees being laid off cannot qualify to fill, shall be excluded from this provision.

No seniority employee shall suffer a reduced workweek in his particular craft to enable the County to continue the employment of a non-seniority employee of the same craft within the respective bargaining unit.

17.04

A. In the event the Employer determines to layoff employees, said layoffs shall be in accordance with the operational and managerial needs of the Employer, subject to the Employer's obligation to meet and confer with the Union as to the effects said layoffs will have on the members of the bargaining unit.

Trial periods being served by promoted employees shall not affect their exercising of seniority rights in regard to demotions and layoffs (i.e., they will be treated as though they have regular status in the promoted classification).

B. Employees shall be laid off as follows:

1. To a vacant position in the same classification County-wide, within the bargaining unit.
2. By bumping the least senior employee in that classification County-wide, within the bargaining unit.
3. Any least seniority employee not placed as a result of the bumping procedure shall be laid off County-wide, within the bargaining unit.

17.05

In the event of a scheduled layoff, notwithstanding their position on the seniority list, stewards shall be retained in their respective shifts and work locations provided there is work to be performed in their classification.

In the event the classification, shift, or work location is eliminated and a dispute should arise as to where the steward shall be assigned or laid off, the dispute shall be a proper subject for a Special Conference. Should the dispute remain unresolved after the Special Conference, the steward shall be assigned in accordance with this article, and then the matter may be pursued through the grievance procedure.

17.06

Recall shall be defined as the process by which an employee who has been laid off is returned to employment, to his/her former classification, to a classification within their Trades, to a classification in which previous status was achieved, to a department, or work location.

The names of employees laid off shall be placed on a recall list, in order of their seniority, for classes from which the employees were laid off or in which the employees previously held status.

Employees shall be recalled in order of their seniority, the most senior to be recalled first.

Notice of recall of employees who were laid off shall be sent to such employees at their last known address by certified mail. It shall be the responsibility of the employee to notify the Employer by certified mail of any change of address immediately after such change. Failure of an employee to report to work within ten (10) workdays from receipt of such notice of recall shall be considered a quit. Exceptions for good cause

may be made by the Employer for failure to report as notified.

If an employee declines an appointment from a recall list to a position under conditions which the employee had previously accepted prior to layoff, that employee's name shall be removed from the recall list.

17.07 Temporary Layoffs

Article 17.01 shall apply whenever the Employer determines to make permanent layoff or layoff in excess of twenty-eight (28) calendar days.

Rule 16 of the Civil Service Rules shall apply when the Employer determines to layoff employees for less than twenty-eight (28) days or less than five (5) days in a pay period. 22.05

An employee absent for one of the reasons mentioned above shall inform the designated management representative as soon as possible, and failure to do so within a reasonable time may be cause for denial of sick leave with pay for the period of absence.

22.06

The employee may be required by the designated management representative, within reason, to produce evidence in the form of valid medical documentation of the reason

for the absence during the time for which sick leave is requested. A department head may grant sick leave to an employee for periods of illness not exceeding thirty (30) calendar days. All requests for sick leave for more than thirty (30) calendar days duration shall be submitted to the Employer or designee for prior approval and shall be accompanied by a physician's certificate supporting said request. The Employer or designee may require further medical reports from time to time on all sick leave in excess of thirty (30) calendar days.

22.11

Except as otherwise provided for in this Agreement, sick leave shall not accrue during leave of absence without pay.

22.12

Employees returning to the service from a military leave shall be granted one day of sick leave for each month spent in military service, not to exceed the number of days the employee would have accumulated had the employee not been on military leave.

22.13

An employee who is seriously ill for more than five (5) days while on annual leave may, upon application to approval of the department head or designated departmental representative, have the duration of such illness charged against sick leave reserve rather than against annual leave. 22.15

Except as provided in Article 24, and except for employees with less than two (2) years of continuous service, upon separation from the service, employees shall be paid for all unused accumulated sick leave in accordance with 22.02 and 22.03.

ARTICLE 24 – DRUG TESTING POLICY

24.01

In accord with the Drug Free Work Place Policy adopted by the County of Wayne, the following standards and procedures are established:

24.02 Reasons For Testing

- A. The County's program includes the following:
 - 1. Return to work: Testing an employee who has been off the payroll for over thirty (30) calendar days.
 - 2. Based Upon Reasonable Suspicion: Testing when a representative of the employer can point to objective facts from which can be drawn rational inferences, in light of the representative's experience, that the employee is under the influence of, using, selling, dispensing, or in possession of any controlled substance unlawfully.
 - 3. Follow-Up: Testing as part of counseling or rehabilitation.
- B. Orders for testing will come from the Director or Deputy Director of the Department of Personnel/Human Resources or the Labor Relations Director. Orders for testing shall be documented in writing. Documentation shall include the reason for the order.

- C. An employee who refuses to submit to a drug test in accord with this policy shall be permanently removed from the County service.

24.03 Testing Procedure

Procedures shall provide the greatest individual privacy possible while safeguarding the program against submissions of altered or substitute specimens.

A. Completion of Testing Form:

1. The employee may be asked by the collection facility to furnish only such information in writing as is necessary to insure the integrity of the sample collected, including information verifying the identity of the employee and, if possible, identifying any prescription or non-prescription medication or alcohol recently ingested by the employee.
2. A multi-part numbered form consisting of identification information and other data, including numbered specimen identification labels, shall be completed at the collection facility.
3. A copy or photocopy of the Laboratory Testing Form, completed and containing the same number as the master record and specimen labels, shall be given to the employee on completion of the specimen collection procedure.

B. Collection of the Specimen:

1. Clean and previously unused collection and storage containers of the type utilized by medical facilities for bodily fluid will be supplied by the testing laboratory for urine collection and samples. The employee may reject any container he or she feels has been contaminated.
2. Privacy Area - Urine collection shall be conducted at the collection facility in a manner which provides a high degree of security for the sample and freedom from adulteration. The employee may choose to be witnessed while submitting a specimen. If the employee chooses not to be witnessed, the collection site person shall ask the individual to remove any unnecessary outer garments that might conceal items or substances that could be used to tamper with or adulterate his or her urine specimen. Also, all personal belongings must remain with the outer garments; a secure area for valuables will be provided. The employee shall be instructed to wash and dry his or her hands prior to submitting the

required specimen. The volume of the specimen must be at least 60 milliliters for the screening test and confirmation test. The employee may be given a reasonable amount of liquid (i.e., a glass of water) to assist in producing an adequate specimen. Site personnel shall determine if the specimen contains at least 60 milliliters of urine.

3. Both the employee being tested and the collection site person shall keep the specimen in view at all times prior to its being sealed and labeled. The collected specimen shall be deposited by the collection site person into a storage container. The cover will then be secured and sealed with a tamper proof tape by the collection site person and witnessed by the employee being tested. After the specimen has been provided to site personnel, the employee being tested shall be allowed to wash his or her hands. The label will be signed by the medical personnel (and if so desired, by the employee), with date and time noted, and secured to the container. The storage container should then be placed into a plastic bag along with a "chain of custody record" with appropriate entry and the plastic bag will be sealed with plastic evidence tape.
4. The sealed plastic bag containing the specimen storage container will be placed in a locked refrigerator utilized only for storage of specimens to be tested. A log book shall be kept of anyone who enters the refrigerator.

C. Laboratory Procedure:

1. An employee of the testing laboratory shall remove the sealed plastic bag from the refrigerator at the collection facility, verify the integrity of the bag and transport the sealed plastic bag to the testing laboratory, where the date, time, name, and signature of the receiving person is entered on the chain of custody record. Laboratories must comply with applicable provisions of any Federal and State licensure requirements.

Accredited laboratories must have the facility and capability, on site, of performing screening and confirmation tests for each drug or metabolite for which service is offered and requested.

2. The testing laboratory shall maintain a chain of custody record of any individual handling or testing an employee's specimen.
3. Lab Tests:
 - a. The initial screening test will be of the RIA and/or EMIT type. If a

positive result is obtained a confirmation test will then be conducted.

- b. A confirmation or follow-up test will be of the Gas Chromatography/Mass Spectrometry method and shall be conducted by the same laboratory which performed the initial screening. The laboratory shall be required to specify the metabolites tested for, the cut-off levels and the testing procedure used in each drug classification.
- c. In determining whether a test result is positive, the laboratory shall use the decision or following cut-off levels:

	<u>Initial Test Level</u>	<u>Confirmatory Test Level</u>
1. Amphetamines	1000 ng/ml	500 ng/ml
2. Barbiturates	300 ng/ml	200 ng/ml
3. Cocaine Metabolite	300 ng/ml	150 ng/ml
4. Marijuana Metabolite	100 ng/ml	15 ng/ml
5. Opiates	300 ng/ml	300 ng/ml
6. Phencyclidine (PCP)	25 ng/ml	25 ng/ml

- 4. On completion of all testing:
 - a. A signed, dated, timed and contemporaneously written report from the laboratory must be submitted to the collection site within one week of the test. Upon request, the report shall be made available to the employee immediately after its receipt by the Employer.
 - b. Negative specimens will be discarded. The chain of custody record and all other reports pertaining to the test will be kept by the testing laboratory for two (2) years.
 - c. If the test is positive, the employee may request, and shall be furnished, the information available regarding:

1. the type of tests conducted;
2. the results of the test; and
3. the cut-off level of the methodology employed.

The employee may either request that the remainder of the specimen be retested by the testing laboratory or that the remainder of the sample be sent to another independent testing facility (following the same chain of custody and cut-off levels outlined in this policy) for retesting.

If the subsequent test is positive, the cost would be borne by the requesting employee. If, however, the subsequent test is negative, the County shall bear the cost of the second, independent test. The remaining preserved specimen will be frozen and properly secured in a long-term locked storage area for a period of two (2) years. The chain of custody record, and all other reports pertaining to the test, will be kept by the testing laboratory for two (2) years. The chain of custody records will upon request be provided to employees testing positive.

D. Choice of Collection Facility and Testing Laboratory:

In the event the Employer wishes to change the collection facility or testing laboratory, the procedures utilized in any subsequent collection facility or testing laboratory shall be as specified elsewhere in this agreement. Any such facility or laboratory shall be licensed by the State or Federal Government. The Union will be informed and shall be given the opportunity to inspect any new facility or laboratory.

24.04 Consequences of Violating the County Drug Policy

Disciplinary action will be initiated against any employee found to be in violation of County drug policies. The severity of the action chosen will depend on the specific offense, the employee's work record, length of service and any available pertinent evidence.

The disciplinary action imposed shall be suspension, demotion, reassignment or a combination of such action, or discharge. In general, where use, possession, sale or distribution of certain drugs would be a basis for a felony charge, the employee will be discharged. If the drug(s) involved could result in a misdemeanor charge, discipline less than discharge may be imposed for the first offense. If discipline less than discharge is imposed, mandatory periodic retesting will also be required.

24.05 Confidentiality

All records pertaining to the initiation and administration of this program shall be treated as strictly confidential by the employees of the Department of Personnel/Human Resources. All others must have the written permission of the employee. Copies shall be made available to the employee.

24.06 Grievance Procedure

Any disputes concerning the interpretation or application of this policy shall be subject to the grievance procedure. Grievances shall be initiated at the Labor Relations step within the grievance procedure as indicated in this Agreement.

ARTICLE 25 – LEAVE WITHOUT PAY

25.01

An employee who is off work for thirty (30) calendar days or more, except on scheduled vacation, shall be required to apply for a leave of absence. The leave shall be considered effective beginning the first day the employee is off work for the purpose of computing the duration of the leave.

25.02

- A. An employee who has successfully completed his or her probationary period may be granted a leave of absence without pay upon prior written recommendation by the department head and approval by the Director of Personnel/Human Resources for any of the following reasons:
1. Because of physical or mental disability of the employee; or for the care of the employee's spouse, son or daughter, or parent who has a serious health condition; or following the birth or placement of a child for adoption or foster care.
 2. Because the employee has been elected or appointed to a public office.

3. Because the employee is entering the unclassified or exempt services of the Employer.
4. Because the employee is entering upon a course of training or study, in an approved educational institution, for the purpose of improving the quality of the employee's service to the County or the purpose of qualifying for promotion.
5. Because of extraordinary reasons sufficient to warrant such leave of absence.

25.03

An employee must exhaust all annual leave prior to the commencement of any leave without pay. If the leave is requested because of the physical or mental disability of the employee, all sick leave must be exhausted. If an employee requests a leave and elects to use sick leave for the care of the employee's spouse, son or daughter, or parent who has a serious health condition, all sick leave must be exhausted.

25.04

A leave due to the physical or mental disability of any employee may not exceed a six (6) month period. An employee who has more than five (5) years of County service may be granted additional six (6) month extensions, not to exceed a total leave without pay of eighteen (18) months. All extensions are at the discretion of the Director of Personnel/Human Resources.

25.05

An employee who is attempting to return to work from a leave without pay for a physical or mental disability may be required to be examined and approved for work by a doctor of the County's choice. Where the County doctor determines that the employee is unable to return to work contrary to the employee's doctor, the parties may choose a neutral physician to render a third opinion.

25.06

Employees who are authorized to return to work from a leave without pay for a physical or mental disability shall return to their former position if the leave without

pay was for less than six (6) months duration. If the leave without pay was for six (6) or more, employees shall return to their former classification and former rate of pay in any available vacancy. If no vacancy exists, they may displace employees with less seniority under the appropriate layoff provisions of this agreement.

25.07 Military Leave

Military leaves shall be granted pursuant to the Civil Service Rules.

Rule 13 of the Civil Service Rules shall continue to apply where not in conflict with this Article.

ARTICLE 26 – BEREAVEMENT LEAVE

Such leave must be taken in conjunction with the funeral and shall not be cumulative.
 2. The term "immediately family" as used in this section shall mean the employee's husband or wife, and the parents, grandparents, grandchildren, children, brothers, sisters, brother-in-law, and sisters-in-law of the employee or spouse. "Immediate family" shall also include stepparents, great-grandparents, great-grandchildren, stepchildren, stepbrothers, stepsisters, half brothers and half sisters.
 3. Employees shall notify their department head prior to taking bereavement leave as herein provided and failure to comply may be cause for denial of such leaves.
 4. An employee requesting bereavement leave may be required by the department head to produce evidence to establish that the deceased person is a member of the employee's immediately family and the time and place of the funeral.

5. In the event that a holiday, as defined in Article 27, occurs during the bereavement leave, the employee shall be allowed equivalent time off with pay for paid holiday at such time as the department head shall designate. In the event that bereavement leave occurs during the period when the employee is on annual leave or sick leave, such leave shall be credited to the appropriate leave bank.

ARTICLE 28 – INSURANCE PROGRAMS

Except where it is in conflict with the express terms of this Agreement, the *Wayne County Health and Welfare Benefit Plan*, effective December 1, 2006, is incorporated by reference.

28.01 Medical Insurance

- A. During each open enrollment, qualified employees will be eligible to select a medical plan among the available options listed below:
1. Health Maintenance Organization (HMO)
 2. Preferred Provider Organization (PPO)
 3. Traditional Plan
 4. High Deductible Plan

- B. Prescription drug coverage will also be provided for qualified employees enrolled in an available medical plan, subject to graduated co-payments based on the class of drug prescribed in accordance with the *Wayne County Health and Welfare Benefit Plan*.
- C. Active employees will be required to contribute toward the cost of healthcare as an hourly rate for the 2006-07 and 2007-08 plan (fiscal) years based on the following schedule:

HOURLY CONTRIBUTION BASED ON 2080 ANNUAL HOURS	PRE-TAX HOURLY CONTRIBUTION	ESTIMATED AFTER-TAX HOURLY CONTRIBUTION
PPO or HMO Rates (without Rx)	\$0.45	\$0.32
Traditional Rates (without Rx)	\$1.34	\$0.94
Prescription Drug Rates	\$0.10	\$0.07

Hourly contributions for each plan year after the 2007-08 plan year shall be increased / decreased at the same rate at which reported monthly illustrative rates or premiums increase or decrease, not to exceed ten percent (10%) over the previous plan year's contribution rate for the specified plan.

Contributions shall be made based on a 2080-hour work year and paid out of the first two (2) pays of each month. Employees on any type of leave of absence who continue to be enrolled in an Employer-sponsored healthcare plan shall be required to make the monthly contribution in order to maintain enrollment in the plan regardless of the number of hours actually paid or type of time used (e.g., regular, annual, sick, etc.). Overtime hours shall not be used to calculate contributions.

- D. Employees who retire from County service who are eligible for post retirement health care benefits shall participate in the same health care plan options, coverages, co-pays, deductibles, etc. as active employees covered by this, or any subsequent, collective bargaining agreement.

Employees retiring under the provisions of this Agreement shall make monthly contributions toward the cost of medical and prescription drug benefits based on the average monthly premiums and/or illustrative rates ("rates") of the medical and prescription drug plans available to retirees. The average monthly rates for the separate medical and prescription drug plan categories shall be calculated by averaging the single-person, two-person and family rates of each available plan resulting in an average monthly plan rate for each available plan. The average monthly plan rates for the PPO and HMO medical plans shall then be further averaged together to reach the standard average monthly medical plan rate.

Retirees enrolling in either the PPO or the HMO plan option shall contribute ten percent (10%) of the standard average monthly medical plan rate in addition to ten percent (10%) of the average monthly prescription drug plan rate. Retirees electing to enroll in the Traditional plan option shall contribute an amount equal to retirees enrolled in the PPO or HMO plan option plus the monthly rate difference between the standard average monthly medical plan rate and the average monthly Traditional plan rate.

Contributions toward the cost of retiree healthcare shall continue at the appropriate rate as described above until the first of the month after the retiree is within five (5) years of eligibility for Medicare due to age. The rate in effect at that point in time shall thereafter be the maximum monthly contribution rate for that retiree and shall be assessed until such time as the retiree and all covered dependents have enrolled in Medicare. Contributions toward health care costs shall not be assessed against the retiree during months when all covered members are enrolled in Medicare.

- E. Qualified employees may select only one healthcare plan option. Selection and enrollment of a qualified employee and his or her eligible dependents in an available health plan will remain the responsibility of the employee.
- F. Health care coverage for eligible dependents will be in accordance with the terms and conditions outlined in the *Wayne County Health and Welfare Benefit Plan*.
- G. Spouses who are eligible for primary medical coverage through another Employer shall not be eligible for primary coverage through Wayne County.
- H. All new employees, rehired employees, re-employed and reinstated employees are required to participate in the plan of the County's choice for at least one year. Participation will begin the first of the month following the effective date of active service and will continue without election until completion of one year in the mandatory plan. This subsection will not apply to terminated employees reinstated through arbitration who were enrolled in an available plan prior to termination.
- I. In the event Federal legislation which provides health care coverage for employees covered by this Agreement is enacted into law during the term of this Agreement, the parties agree to renegotiate the provisions of this section as needed upon request.

28.02 Healthcare Benefit Opt-Out Program

At the Employer's option, a Healthcare Benefit Opt-Out Program may be offered in accordance with the terms and conditions outlined in the *Wayne County Health and Welfare Benefit Plan*.

28.03 Coordination of Benefits

The Employer will continue to coordinate medical and dental benefits with insurance carriers of spouses and dependents of Wayne County active employees. All employees and retirees must notify the Benefits Administration Division of any changes, including but not limited to, marital, dependent, employment and insurance status.

28.04 Optical Program

The Employer shall continue to provide retirees and active employees with a self-insured optical reimbursement program with a \$75.00 maximum benefit level for each retiree and family member, and a \$175.00 maximum benefit level for each active employee and family member who is currently covered under an available healthcare plan. Benefits will be restored every two years on October 1 of each odd-numbered year.

Once participation in this program is elected, the enrollment shall be maintained for a minimum of two (2) years. After the two (2) year period, the employee may elect another vision/optical program.

28.05 Vision Benefits Option

1. During open enrollment, instead of participating in the Optical Program, full-time active employees have the option of selecting vision insurance coverage for themselves and their eligible dependents.
2. Vision exams will be covered under the employee's medical plan once every twenty-four months.
3. Frames, lenses or contact lenses will be covered once every twenty four months under a vision benefit plan at the levels provided for in the *Wayne County Health and Welfare Benefit Plan*.

Once participation in this program is elected, the enrollment shall be maintained for a minimum of two (2) years. After the two (2) year period, the employee may elect another vision/optical program.

28.06 Dental Insurance

The Employer will provide at least one (1) dental plan, including a DMO dental plan option provided by Golden Dental, for each eligible active employee in the bargaining unit and his or her qualified dependent(s) in accordance with the terms and conditions outlined in the *Wayne County Health and Welfare Benefit Plan*.

28.07 Cost Containment Programs

The Employer reserves the right to implement healthcare cost containment programs. The Employer also reserves the right to change a provider or benefits administrator with 60-days notice to employees.

28.08 Life Insurance

The Employer shall pay the full premium for \$25,000 of group life insurance for each full-time permanent employee within the bargaining unit.

Supplemental life insurance is available under a group plan at the option of the employee.

The Employer shall provide \$5,000 of life insurance to employees who retire from this bargaining unit on or after the effective date of this contract.

28.09 Workers' Compensation

The Workers' Disability Compensation Act currently provides a mandatory seven (7) day waiting period before compensation payments commence. To minimize financial loss during this time period, an employee shall be permitted to draw upon accumulated sick and annual leave respectively, if available. If sufficient sick / annual leave does not exist, the employee must request a leave of absence without pay.

28.10

When workers' compensation payments commence, unused sick and annual leave may be used (at the employee's option) to supplement compensation payments. Under no circumstances shall the combined income sources exceed one hundred percent (100%) of the employee's weekly after tax wages.

28.11

If an employee has used sick and annual leave during the period of workers' compensation disability, sick and annual leave will be restored only after reimbursement is made to the County for full dollar value of time used. The County's liability will not exceed the statutory rate prescribed by the Michigan Department of Labor & Economic Growth - Workers' Compensation Agency.

28.12

Employees on workers' compensation shall receive medical, optical, life, and dental insurance benefits for eighteen (18) months or less of continuous disability.

28.13

Employees receiving workers' compensation shall not earn vacation or sick leave.

28.14

All claims established prior to July 30, 1984 shall be processed in the previously established manner with all previous entitlements.

28.15 Long-Term Disability Income Benefit Plan

Beginning the effective date of this contract, members of the bargaining unit shall be covered by a long-term disability income protection plan which pays a member 60% of gross salary up to a maximum of \$2,000 per month. An employee covered by the *Long-Term Disability Income Benefit Plan* qualifies for benefits after thirty (30) calendar days of a illness or disability, or the use of all sick time, whichever occurs last. The employee shall receive benefits under the terms and conditions of the *Long-Term Disability Income Benefit Plan* as may be amended. Effective December 1, 2002, the

maximum benefit level will be increased to two thousand four hundred dollars (\$2,400) per month.

28.16

An employee disabled as a result of a work related injury is qualified to collect workers' compensation benefits. Payment of workers' compensation benefits precludes payment of long-term disability. If long-term disability payments have been made subsequent to favorable adjudication of a workers' compensation claim, the employee will reimburse the County the dollar amount received during the disability period.

28.17

Employees receiving long-term disability must cooperate in efforts to receive treatment and rehabilitation for continued benefits under the plan. Failure to comply may result in termination of benefits.

28.18

Medical, optical, life and dental insurance benefits will continue while on long-term disability for up to eighteen (18) months.

28.19

Payment will be made in a timely manner. The Program will be totally funded by the County.

28.20

An employee must apply for benefits within fourteen (14) days of the disabling event or as soon as reasonably possible thereafter. Failure to make application for benefits as prescribed above may be cause for limitation or denial of benefit payment.

Other terms and conditions regarding eligibility for and the application of long term disability benefits shall be as described in the *Long-Term Disability Income Benefit Plan* effective December 1, 1996, which is incorporated by reference.

28.21

Employees may purchase additional long or short term disability insurance separate from the long term disability benefits provided by the County. The employee's additional disability insurance benefits shall not be coordinated with benefits from the County's Plan, provided the employee does not receive in excess of one hundred percent (100%) of his or her regular after-tax rate of pay. This additional disability insurance policy will only supplement the employee's income above the maximum benefit level provided under the County's plan, but will not exceed 100% of his or her regular after-tax rate of pay.

28.22 Insurance Programs: Termination Date

Employees on leave who have less than four (4) years of service are eligible for medical, optical, dental, and life insurance for a period not to exceed three (3) months.

Whenever employees are on approved leave of absence because of illness and have exhausted all of their accumulated sick leave, the Employer shall continue to pay the full cost of medical, optical, dental and life insurance provided by the Employer for a period not to exceed six (6) months following termination of sick leave pay, provided however, the employee shall have four (4) continuous years of service.

Subject to Article 28.17 (continuation of medical coverage while on long-term disability), 28.20 (continuation of medical, dental and life coverages while on an approved leave due to illness), Article 28.11 (continuation of medical and dental benefits while on workers' compensation), Article 29.01 and 28.07 (eligibility for retiree health and life insurance benefits), and the *Health and Welfare Benefit Plan*, the following insurance programs shall terminate on the last day of the month following a voluntary or involuntary termination of employment, retirement, death, unpaid leave of absence, commencement of a disability, or layoff:

MEMORANDUM OF UNDERSTANDING #2

- BETWEEN -

THE COUNTY OF WAYNE

- AND -

THE MICHIGAN BUILDING AND CONSTRUCTION TRADES COUNCIL

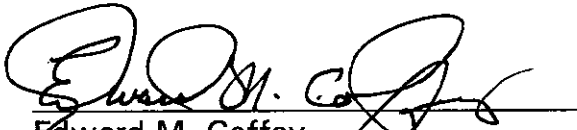

RE: AGENCY FEE PROCEDURE:

The parties recognize that a union wishing to collect agency shop service fees must adopt constitutionally adequate procedures. In accordance with the requirements of Chicago Teachers Union v Hudson, 475 US 292 (1986), the Michigan Building and Construction Trades Council ("Council") must adopt and utilize procedures which provide nonmembers with: (1) an adequate explanation of the basis for the Council's service fee including disclosure of all major categories of expenses; (2) a reasonably prompt opportunity to object to the fee before an impartial decision maker; and (3) escrow the amounts reasonably in dispute while the challenges are pending and provide for advance reduction of fees for expense categories unrelated to negotiations or contract administration and clearly expended for ideological purposes.

To that end, prior to the enforcement of the required payroll deduction of agency shop service fees for any nonmember challenging the Council's service fee, the Council agrees to provide the County with a copy of the Michigan Building and Construction Trades Council's current service fee collection procedures and to inform the County in writing that the Union has complied with all requirements of those procedures in connection with the bargaining unit members whose fees are at issue, prior to the County making the required payroll deductions.

If the procedure is altered or amended, the Council agrees to serve the County with a copy and to meet and confer with the County regarding any concerns raised. The Council will inform the County in writing regarding its compliance with all the requirements of the above referenced procedures prior to the County making the required payroll deductions.

RE: RETIREMENT - ARTICLE 28.14

Dear Mr. Wood:

To confirm our conversation of July 26, 1991 this letter is to clarify Article 28.14 of the new Collective Bargaining Agreement.

Those employees hired before July 1, 1991 who retire as regular service retirees, will continue to receive basic medical insurance coverage.

However, at present, as in the past, they will not have dental insurance coverage nor will they be eligible for supplemental life insurance and County funded life insurance will also be reduced. All in accord with our existing benefit plan.

Those hired on or after July 1, 1991 will have to meet the terms and conditions set forth in our new CBA.

You should also note that the phrase "regular service retirees" does not include those employees who leave County employment with deferred vested pension benefits and who later receive retirement benefits when they become eligible under the retirement plan.

If you have any questions, please feel free to contact Corliss Geiss of my staff at 224-5914.

Sincerely,

Mark R. Ulicny, Director
Labor Relations Division
