AGREEMENT

This Agreement has been entered into on December 28, 2010, between the City of Taylor, a Michigan Municipal Corporation, and the Taylor Governmental Management and Administrative Employees Association of the City of Taylor.

ARTICLE 1 **RECOGNITION**

1.1 Except as modified by the specific terms of this Agreement, the Council and Mayor retain all rights and authority to direct the services rendered by the City, and to direct its employees through its administrative staff. The exercise of the following powers, rights, authority, adoption of policies, rates and regulations in furtherance thereof, the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement. The Association recognizes these management rights as conferred by the Laws and Constitution of the State of Michigan and the United States.

- A. The City has recognized the Taylor Governmental Management and Administrative Employees Association, (hereinafter referred to as the Association) as the sole bargaining agent for all management and administrative employees of the City, as defined in Article 20.
- B. Employees belonging to the Association shall hereinafter be referred to as "Member(s)."
- C. The City agrees to and recognizes the principle, that every member shall maintain continuous employment without fear of discrimination, as to sex, race, ethnic background, age, creed, handicap, sexual orientation and further agrees that all discipline, less than discharge, will be based on just cause.

- D. Wages, hours, benefits, and conditions of employment in effect at the execution of this Agreement shall, except as improved herein, be maintained during the term of this Agreement. No member shall suffer a reduction of benefits as a consequence of the execution of this Agreement unless specifically altered or reduced by the written terms of this Agreement.
- E. The Municipality (hereinafter referred to as the City), will make no changes in wages, hours, benefits, and conditions of employment during the term of this Agreement without the mutual consent of the parties hereto.

ARTICLE 2
ASSOCIATION MEMBERSHIP

- 2.1 The City agrees, as a condition of employment that all eligible City employees may become members of the Association within sixty (60) calendar days after their hire. Further, that all current and future employees of the City covered by this Agreement at the time the parties affix their signatures hereto will cause to be paid to the Association either membership dues or an amount equal to the regular monthly dues and any special assessments of the Association.
- 2.2 All employees who become members of the Association shall remain members of the Association during the term of this Agreement and shall continue to make payments to the Association as prescribed in Section 2.1 above.
- 2.3 As a condition of employment, the City shall subscribe to the practice of requiring each new employee to sign the "Dues Deduction or Service Fee" form, within sixty (60) days of the date of hire.

ARTICLE 3
DEFINITION OF ADMINISTRATIVE EMPLOYEES

- 3.1 The list of positions contained in Article 20 of this Agreement shall be the

only positions covered under the terms of this Agreement. All of the present and future City employees, including but not limited to, elected officials, supervisors, confidential secretaries, and employees under other collective bargaining agreements are excluded from this Agreement.

3.2 In the future, should the City create additional departments or administrative positions, the Association shall have the right to negotiate with the Mayor for future salaries for those positions after the position has been filled. Such negotiations shall take place when the current Collective Bargaining Agreement terminates or whenever the Agreement provides for a wage reopener and the date of said reopener occurs after the position has been filled.

3.3 This Agreement shall in no way limit or restrict the authority of the Mayor to appoint, or promote administrative employees, nor shall this Agreement limit or restrict the authority of the City Council to create additional departments and/or positions as required.

ARTICLE 4

PLEDGE AGAINST DISCRIMINATION AND COERCION

4.1 Both parties agree that the provisions of this Agreement shall be applied equally to all members without discrimination or coercion as to age, sex, race or ethnic background.

ARTICLE 5

SENIORITY

5.1 Seniority dates shall be granted to all members based on their date of original hire or appointment to a municipal position, provided there has been no break in service. This paragraph is provided for longevity, pension and vacation purposes only.

5.2 A member shall lose his or her seniority upon the occurrence of one of the following events:

- A. Voluntary resignation;
- B. Retirement;
- C. Discharge
 - (i) for just cause, or
 - (ii) at the will of the Mayor as hereinafter set forth;
- D. Absence without notification for three consecutive work days; or
- E. A layoff for a period of two consecutive years or the length of the member's seniority, whichever is less.

5.3 The City shall furnish the Association an updated seniority list in December of each calendar year.

ARTICLE 6 **HOURS OF WORK**

6.1 The members of this Association are salaried management and administrative personnel. Scheduling shall be subject to the approval of the Mayor. A normal work week shall consist of 40 hours, and may be adjusted by the Mayor in order to accommodate evening and weekend meetings and/or other work related obligations. Any change in a member's schedule shall be transmitted to the Association president at least one (1) week in advance of the proposed change.

6.2 All of the accrued compensatory time for Level 2 employees not used by December 31, 2010, shall be paid off during the first pay period of January 2011.

ARTICLE 7 **PAYROLL**

7.1 With reasonable notification to the Association, the City, at its sole discretion, has the right to change the payroll schedule from every week to either

every-other-week or twice-per-month. Further, with reasonable notification to the Association, the City, at its sole discretion, has the right to change the payday from Thursday to whatever day of the week it deems feasible. The City also reserves the right, at its sole discretion, to go to a direct deposit payroll system with mandatory participation.

ARTICLE 8
DISCIPLINE AND DISCHARGE

8.1 All disciplinary action shall be taken on the basis of just cause, except as hereinafter provided.

- A. The Parties recognize that during the life of this Agreement, discipline less than discharge shall be subject to the just cause provision.
- B. The parties further recognize that there shall be two (2) types of discharge:
 - (i) Discharge for just cause; or
 - (ii) The Mayor will have the unlimited right to terminate any new management employee for any reason or no reason without having to establish just cause at any time during their first year of employment. The Mayor shall also have the right to terminate any Executive Director, Director, Assistant Director or Deputy Director for any reason or no reason without having to establish just cause. The Mayor will also have the right to demote a newly promoted member to his or her prior position within six (6) months of the promotion.
 - (iii) The member's sole right under this Agreement, in the event

of a discharge pursuant to this provision, shall be the receipt of severance pay. A member terminated under the provisions of this clause (at-will discharges only) shall receive severance pay, in one lump sum (allocated in the week that it was paid for purposes of unemployment compensation), in the amount of ten (10) weeks of the member's base salary, regardless of the member's seniority or years of service.

Severance pay shall not include longevity or any other fringe benefit that is not included in the member's base salary. Severance pay shall not be included in the member's Final Average Compensation for pension purposes. No member shall be eligible for severance pay if the severance has occurred as a result of resignation, retirement, death or termination for just cause. It is further understood and agreed that the severance payment provided herein constitutes full and complete payment to the member, and as a result, with the exception of any accumulated fringe benefit(s) which the member may have or as may be provided under the terms of this Agreement, the member shall have no recourse to the grievance procedure and/or arbitration as otherwise provided in this Agreement. In accepting severance pay, the member also waives all rights to civil litigation against the City and its duly elected officials. Furthermore, those members who are terminated at-will shall be reimbursed an amount not to exceed one hundred dollars (\$100.00) for the use of a professional resume writing service.

A member who has been laid off for more than thirty (30) calendar days and who has not been offered full-time employment by the City in a position either inside or outside of the Association, shall be entitled to severance pay in one lump sum (allocated in the week that it was paid for purposes of unemployment compensation), in the amount of ten (10) weeks of the member's base salary, regardless of the member's seniority or years of service. However, if the member accepts the severance pay, it shall act as an automatic termination of the member's seniority and right to be recalled. A member, who has been laid off for more than thirty (30) days, may elect to refuse to accept the severance payment in order to retain the member's seniority right to be recalled, however, nothing in this Agreement shall limit the Mayor's ability to lay off members for financial reasons.

A member who voluntarily chooses the right to return to another bargaining unit in accordance with the provisions of this Agreement and the contract of the unit to be entered shall not be entitled to severance pay.

8.2 Disciplinary letters will be specific and will note the time, place and all circumstances of the rule violated, and the alleged misconduct along with the penalty involved.

8.3 Any disciplinary action shall be done in a manner that will not unnecessarily embarrass or disgrace the member and shall not be done before the public or any other employee.

8.4 In all cases of disciplinary action, Association representation will be provided if the member so desires.

ARTICLE 9
GRIEVANCE PROCEDURE

- 9.1 Grievances or disputes which may arise between the parties, including the application, meaning, or interpretation of this Agreement shall be presented in writing to the Mayor by the Association President or his/her representative within five (5) working days of the occurrence of the event being grieved.
- 9.2 The Mayor will answer the grievance in writing within ten (10) working days.
- 9.3 Failure to resolve the grievance at the Mayor's level may cause it to be bound over to arbitration within thirty (30) calendar days of the Mayor's answer.
- 9.4 If the parties fail to mutually select an arbitrator within seven (7) working days after notice has been given, the grievance shall be filed with the American Arbitration Association and proceed in accordance with the rules and regulations of the American Arbitration Association.
- 9.5 Expenses for the arbitration shall be borne equally by both parties; however, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record, it can cause such a record to be made, provided that said party pays for such expenses and makes copies available, without charge, to the other party and to the arbitrator.
- 9.6 If the Association fails to move the grievance to the next step within the time limits, it shall be considered settled as per the last answer of the City.
- 9.7 It is specifically agreed and understood that the provisions concerning the grievance procedure and/or arbitration contained in this Article are not applicable in cases involving discharge pursuant to Article 8.1(B)(ii) herein. No member

discharged pursuant to that provision shall have any recourse to either the grievance procedure and/or arbitration. A member discharged pursuant to that provision who attempts to utilize the grievance procedure and/or arbitration, or any administrative agency of the State of Michigan or the state or federal courts will forfeit any rights the member may have with respect to severance pay. The forfeiture of severance pay will not be construed to grant the member the right to grieve and/or arbitrate, nor shall it be construed in a fashion as to lend any degree of legitimacy to court or administrative charges.

ARTICLE 10 **LEAVES OF ABSENCE**

10.1 All requests for leave of absence must be presented in writing to the Mayor and shall include the following pertinent information: Purpose, effective date and duration of leave. Leaves other than military, maternity and sick leave must have prior approval from the Mayor, and in addition, in the event said leaves are denied, the denial shall not be subject to the grievance procedure. While on approved leave of absence, a member will continue to accrue his/her seniority for purposes of vacation time, pension and longevity. All leaves are granted without payment of regular earnings (excluding sickness and accident insurance benefits or workers' compensation benefits). A member who is granted any leave of absence shall be required to use all earned, unused sick and vacation time and monies at the start of the leave of absence until all that time and monies are exhausted, except seven (7) vacation days. On leaves of absence of sixty (60) days or less, the City will pay all insurance premiums and all fringe benefits will accrue to the member, limited to each Article in this Agreement.

10.2 Military Leave: A member who enters the Armed Forces of the United States or who is called for reserve duty, National Guard or other branches of the services covered by the National Selective Service Act will be granted leaves and other rights as afforded by the Act.

- B. She shall be permitted to continue to work, in accordance with her physician's recommendations, providing the City has suitable work available.
- C. A member who is an expectant mother will, upon written request, be granted a leave of absence not to exceed one (1) year.
- D. Members on maternity leave of absence shall have insurance premiums paid for the term of the leave not to exceed three (3) months in accordance with the Family and Medical Leave Act of 1993. Upon the discontinuance of the City's payment of a premium, the member may choose to continue the insurance in force at the member's own cost (at the City's group rate) for a period of time allowed under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) law.

10.4 Sick Leave: Any member known to be ill, supported by satisfactory evidence, will be granted sick leave for a period of six (6) months. Said leave may be extended upon request and subject to the approval of the Mayor.

Members on a sick leave of absence for an immediate family member (spouse, child or parent) shall have insurance premiums paid for the term of the leave not to exceed three (3) months in accordance with the Family and Medical Leave Act of 1993. Upon the discontinuance of the City's payment of the

premium, the member may choose to continue the insurance in force at the member's own cost (at the City's group rate) for a period of time allowed under the COBRA law.

10.5 Education Leave: A member, after one year of service, may become eligible for a leave of absence for educational purposes. Educational leaves will be for no more than one year.

A member may request a leave of absence not to exceed thirty (30) working days in any calendar year to attend special conferences, seminars or other educational functions that are intended to improve or upgrade the member's skill or professional ability. If leave is at the request of the member, insurance benefits will be terminated on the insurance billing date following commencement of said leave. Said benefits, however, may be continued at the expense of the member under the COBRA law.

10.6 Personal Leave: A member may request a leave of absence not to exceed six (6) months for personal reasons.

10.7 Jury Duty: If called for jury duty, a member shall be granted a leave of absence and be paid his/her regular pay for each day served as substantiated by proper verification. The member shall submit to the City all jury pay received. This provision will be for a maximum of six (6) months for any member in a one (1) year period.

ARTICLE 11

11.1 A sick leave account will be established for each member. Members will earn ten (10) days of sick leave per year. Sick days may be carried over from year to year, but shall not be cashed out on any basis.

Effective July 1, 2007 the prescription co-pay will convert to \$10 generic/brand name for which no generic exists and \$20 brand name. Effective July 1, 2008, the Office Visit Rider and CBC-MT (Chiropractic) Rider shall increase to \$20. The member will have the option of enrolling in the Health Alliance Plan or Blue Care Network with applicable prescription co-pay amounts and schedules provided above in lieu of Community Blue PPO. Members hired after April 1, 2002, shall have the option of Health Alliance Plan, Blue Care Network, or Community Blue PPO Plan 1 (with applicable riders, co-pays and prescription drug coverage provided above), provided that the member pay the cost differential between the Health Alliance Plan rate or Blue Care Network rate, and Community Blue PPO Plan 1 rate in addition to any other premium co-pay should they choose the Community Blue PPO Plan 1 coverage. All employees shall be obligated to utilize generic drugs over brand names unless a generic does not yet exist or unless the physician directs the prescription to be "Dispensed as Written". Ninety (90) day supply of maintenance drugs will be available with a 2x co-pay. Effective January 1, 2011 all plans will provide prescription drug coverage with \$10 Generic/\$20 Preferred-Brand/\$40 Non-Preferred Brand co-pays. Coverage for dependent children will terminate at the end of the year in which they reach their 19th birthday. Full time college students will be covered through the end of the year in which they reach their 24th birthday. Upon death of the member, Medical-Hospitalization coverage

(as described above) will continue for the life of the unremarried spouse and for children through the end of the year in which they reach the age 19 or 24 as enumerated above (only if Medical-Hospitalization coverage is not available to the unremarried spouse and children at no additional cost or reduction in benefit through another source). A member's stepchild, who is living with the member and is being claimed as a dependent for income tax purposes on the member's IRS Form 1040, and who is not eligible to be covered on another health insurance plan, may be covered under the member's health insurance plan provided the member is enrolled in Health Alliance Plan.

17.2 Medical Premium Co-Payment: Employees shall have deducted from their weekly wages a medical premium contribution in the amount of ten percent (10%) of the City's costs for the plan selected, capped at an annual maximum of two-thousand two-hundred fifty dollars (\$2,250).

Said co-payment shall be tax exempt through the City's Cafeteria 125 Plan.

Members who are not covered by the City's insurance shall not be required to pay the co-payment for medical premiums.

If the member's spouse is employed by the City, they and their family will only be eligible to be covered on one of the City's health insurance policies. Whichever of the two is enrolled as the primary subscriber will be subject to the language regarding health insurance which is set forth in the collective bargaining agreement of the subscriber.

Members who elect not to be covered under the City's health insurance program shall be exempted from the co-payment for medical premiums. This exemption shall be in addition to the "payment in lieu of health insurance" provision of this Agreement. The member who elects to opt out of the City's

medical insurance program, will not be entitled to re-enroll in the program until the next annual open enrollment period, except in the event that the member has outside coverage that has been discontinued or terminated. The co-payment for medical premiums will begin immediately upon the reinstatement of the member's medical insurance.

The medical premium co-payment shall extend to retirees. Retirees shall pay a percentage of the City's monthly cost for the medical Insurance plan selected in accordance with the following schedule:

<u>Service</u>	<u>Medical premium co-payment</u>
Vested – 12 years	35%
13 – 20 years	25%
21 years & over	10%

Retirees must pay their percentage of the City's monthly cost for the medical hospitalization benefits in advance on a quarterly basis. If payment is not received by the City prior to the beginning of each quarter, the City will mail a final request for payment of the retiree. Failure by the retiree to make full and complete payment each quarter within ten (10) days after the final request for payment is sent by the City shall result in the retiree being dropped from the medical hospitalization coverage effective immediately. It is the responsibility of the retiree to ensure that the City is notified of his/her current address at all times.

If there is a change in rates by the medical hospitalization insurance carrier, the Employer shall notify the retiree of said rate change and any adjustments necessary shall be made on the following quarterly payment.

The employer has the right to select or change carriers for retirees, their spouse, and dependent children upon mutual agreement with the Association, provided

that the coverage is equivalent to current coverage.

17.3 Medical coverage will apply to all retirees who are age 48 or have 18 years of service at the time of retirement who were hired prior to May 17, 1988. Medical coverage for members hired prior to May 17, 1988 who are less than age 48 and have less than 18 years service when they retire will begin on their 48th birthday. The retiree will have the option of selecting Blue Cross/Blue Shield PPO, Health Alliance Plan or Blue Care Network with prescription coverage in effect at the date of retirement. The current City paid Master Medical Plan coverage with FAE, OPC, Routine Mammogram, Pap Smear, Experimental Bone Marrow Transplant Riders and \$10.00 Co-Pay Drug Rider will be guaranteed for the life of the retiree, spouse and children through the end of the year in which they reach age 19 or 24 if they are a full time college student. Upon the death of the retiree, medical coverage will continue for the life of the unremarried spouse and for children through the end of the year in which they reach age 19 or 24 as enumerated above. 17.7 Any stepchild enrolled in the City's medical-dental-optical insurance program as of March 16, 1992 will continue to receive coverage as though he/she were a natural child.

17.8 Members who elect not to be covered by the medical insurance program will receive a monthly cash payment based on the member's eligibility for coverage as follows:

Single Person Policy = \$150

Two Person Policy = \$300

Family Policy = \$400

The member who elects to opt out of the City's medical insurance program, will not be entitled to re-enroll in the program until the next annual open enrollment period, except in the event that the member has outside coverage that has been discontinued or terminated.

17.9 If any active member or retiree's spouse is employed by the City or retired from the City, only one of them will be eligible for medical coverage. The active member will be covered by the insurance of the retired spouse.

17.10 If a member is terminated pursuant to an allegation of just cause, and if that person grieves the termination in accordance with the grievance procedure provided herein, the City agrees to continue the member's life insurance, medical-hospitalization, dental insurance and optical coverage during the course of the grievance and/or arbitration proceedings until a final determination has been reached. Provided, however, in the event that during the course of the proceedings, the terminated employee obtains employment elsewhere and there is comparable coverage at the new employment, the member is obligated to notify the City, and the City shall then have the right to terminate the insurance coverage herein above provided.

17.11 If a member has been discharged under the terms of the "at-will" and "Charter" provisions, the City will provide medical-hospitalization, dental, life insurance and optical coverage for a period of ninety (90) days from and after the date of the member's discharge. In the event that the member obtains employment elsewhere, the coverage shall terminate immediately. Provided, however, the member does not obtain employment or if the new employer does not provide comparable coverage, the member may, at the member's own expense, continue the coverage provided herein for a period of up to one year; provided, however, that the City's insurance carriers are agreeable to the

continuation of the coverage and, provided further, that the member furnishes the City Treasurer's Office with payment at least ten days in advance of the due date of the monthly premium due the insurance carrier.

17.12 A member who has been laid off shall receive medical-hospitalization, dental and life insurance coverage paid for by the City for the month in which the member is laid off and the two full calendar months thereafter. 17.13 The parties agree to form a Healthcare Cost Containment Committee made up of one member from each Union or Association group and the City of Taylor. The parties are committed to investigate programs, which will reduce the costs. Programs to be considered would include alternative health care providers, additional cost containment programs, and alternative traditional plans.

The employer has the right to select or change carriers for employees, retirees, their spouse, and dependent children upon mutual agreement with the Association, provided that the coverage is equivalent to current coverage.

17.14 Employees hired on or after January 1, 2011 shall be eligible for retiree hospitalization-medical, dental and optical benefits upon reaching the age of 55 years and completion of 25 years of service to the City of Taylor.

Retirees must pay 20% of the monthly premium cost of the City's costs for the

medical hospitalization benefits in advance on a quarterly basis. If payment is not received by the City prior to the beginning of each quarter, the City will mail a final request for payment of the retiree. Failure by the retiree to make full and complete payment each quarter within ten (10) days after the final request for payment is sent by the City shall result in the retiree being dropped from the medical hospitalization coverage effective immediately. It is the responsibility of the retiree to ensure that the City is notified of his/her current address at all times.

If there is a change in rates by the medical hospitalization insurance carrier, the Employer shall notify the retiree of said rate change and any adjustments necessary shall be made on the following quarterly payment.

When the retiree reaches full Medicare eligibility, the retiree will no longer be eligible for medical hospitalization insurance through the Employer.

17.5 A retiree, after verifying to the Employer that he is covered by health insurance through his/her spouse, may elect not to participate in the health insurance plan currently offered to retirees.

1. In such event, retirees who elect not to participate in such plan shall be paid a sum of twelve hundred dollars (\$1,200) annually (prorated at \$100 per month) which shall be paid on the first pay in January for the previous year.
2. If a retiree elects not to participate in the health insurance plan, he/she will not be allowed to re-enter the plan until the regular scheduled enrollment period. However, if a retiree loses health insurance coverage through his/her spouse, the retiree will be allowed to re-enter the retiree health insurance plan offered by the Employer on the first day of the succeeding month after verifying said loss of coverage to the Employer.
3. This cash option shall no longer be available to a retiree one he/she

reaches full Medicare eligibility. The cash option shall be prorated through the month the retiree reaches full Medicare eligibility at a rate of \$100 per month.

In no event may implementation occur other than at the beginning of a pay period.

Member contributions picked up under the provisions of this Section shall be treated as City contributions for purposes of determining income tax obligations under the Internal Revenue Code, however, such picked up member contributions shall be included in the determination of member's gross annual salary for all other purposes under federal and state laws. Members' contributions picked up under this Section shall continue to be designated member contributions for all purposes of the Retirement System and shall be considered part of the member's salary for purposes of determining the amount of the member's contribution.

21.2 The City may elect to have retiree medical, dental and optical insurance premiums paid from the pension fund.

21.3 The pension plan will be rewritten as an IPG type plan in accordance with the Agreement dated May 17, 1988. An annual actuarial report will be provided to the TGM&AEA.

Anyone in the pension plan on or before May 17, 1988 who is at least 48 years of age, or who has 18 years of service when said person's pension begins, shall be eligible for retiree medical benefits. - c) Said retiree shall become eligible for Medicare, at which time said member shall enroll in the Medicare Part A and Part B programs which shall be the primary provider. The City shall provide the retiree with Complementary Coverage, at no additional cost to the retiree, upon enrollment in Medicare. Medicare Part B shall be reimbursed by the Pension Plan with the monthly pension distribution. In the event changes in the laws regulating Medicare result in a charge for Part A, the City will reimburse the retiree a sum, when combined with other City contributions, will not exceed the ordinary cost of the coverage agreed upon herein.

If an employee who is vested in the pension plan dies prior to retirement, his/her beneficiary will receive the employee's accrued pension benefit for life actuarially adjusted based on the age of the beneficiary at the time the benefit is paid. Beneficiary shall be defined as: spouse or (in the absence of a spouse) minor children until the age of 21.

This election will result in an actuarial reduction of the employee's pension benefit for his/her lifetime. The reduction will vary with the percentage elected and the age of the employee and spouse at the time of the employee's retirement.

At the time of retirement, an employee may elect 5, 10, 15 or 20 year certain and continuous options on an actuarially reduced basis.

Employees certified as disabled by the Social Security Administration will receive 66 2/3% of their base salary including Workers' Compensation Benefits to a maximum monthly benefit of \$2,000.

Any employee who withdrew his/her contributions from the fund will be required to repay seven and a half percent (7.5%) of his/her W-2 earnings (at the time of withdrawal) including deferred compensation plus, at simple interest of eight percent (8%) of said contribution, for each full year of service credit reinstated and a pro rata amount for any partial year(s) or receive an actuarially reduced pension. Any vested participant or his or her designee who has either withdrawn contributions or failed to repay contributions shall have his or her pension reduction calculated based upon age at time of application for pension benefits.

Employees already vested in this Pension Plan may purchase up to a maximum of four (4) years military service for pension and retirement purposes only. Said purchase shall be paid at the rate of five percent (5%) of base pay at the time of purchase.
