four constables, and one overseer of highways for each highway district, whose powers and duties shall be prescribed by law: Provided, That in counties having an assessed valuation of not less than one hundred million dollars as determined by the state board of equalization, such township officers may, in the discretion of the board of supervisors of such county, be elected at each general biennial election on the first Tuesday after the first Monday in November of even numbered years. The legislature may by general law provide for the appointment by the township board of each organized township of one commissioner of highways, whose powers and duties shall be prescribed by law.

Resolved further, That the foregoing proposed amendment be submitted to the people of this state at the regular general election to be held in the month of November, nineteen hundred thirty. The secretary of state is hereby required to certify said proposed amendment to the clerks of the various counties of the state in the manner required by law. It shall be the duty of the board of election commissioners of each county to prepare ballots for the use of the electors when voting on said proposed amendments which ballots after setting forth the proposed amendments.

ment in full, shall be in substantially the following form:

"Vote on amendment to section eighteen of article eight of the state constitution.

Shall section eighteen of article eight be amended to provide for the appointment of one commissioner of highways by the township board in lieu of the election of an overseer of highways and a commissioner of highways and that township officers in counties having an assessed valuation of one hundred million dollars or more may be elected at each general biennial election held on the first Tuesday after the first Monday in November of even numbered years?
